

Waverley Underpass

Detailed Design and Construction

You're Invited Open House

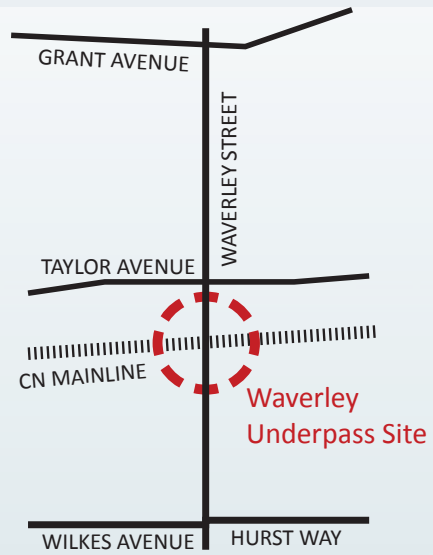

Thursday, October 6, 2016

3:30pm - 5:30pm

7:00pm - 9:00pm

Caboto Centre, 1055 Wilkes Ave

Drop-in anytime during either session

In early 2016, the City of Winnipeg initiated the detailed design for the Waverley Underpass. The project will include a road underpass at the CN Mainline (Rivers Subdivision), intersection and road improvements along Waverley between Wilkes and Grant, and widening of Taylor to four lanes between Waverley and Borebank.

At the open house you can view the detailed design for the underpass, learn about pedestrian & cycling infrastructure, intersection & road improvements, as well as construction timelines and detours.
