# **2023 Compensation Disclosure**

## 2023 CITY OF WINNIPEG COMPENSATION DISCLOSURE

The City of Winnipeg has prepared this document as required under the Provincial Public Sector Compensation Disclosure Act. This Act stipulates that every year, all Manitoba municipalities must publish a complete list of all employees and members of the governing body who received compensation of \$85,000 or more in the previous fiscal year. The 2023 compensation report comprises data from 26 pay periods for the majority of employees.

This report contains information on 3965 employees, including the Mayor and 16 Council members including the Deputy Mayor.

Together, the positions represented in this list provide managerial, technical and professional support to the full range of municipal services provided to citizens. The variety of positions includes senior managers, emergency responders (police, firefighters, paramedics), engineers, architects, chemists, technologists, planners, accountants, medical professionals, lawyers, surveyors, assessors, information technology professionals, librarians, research and policy analysts as well as many others.

Due to The Public Sector Compensation Disclosure Amendment Act, effective January 1, 2023, employees with earnings of \$85,000 or greater are included in this report.

Due to changes in The Public Sector Compensation Disclosure Act, Police Officers, as defined in The Police Services Act. have been identified by a unique number.

City employees are listed in descending order of compensation. ***The figure reported for each employee may include any combination of salary and taxable benefits, overtime, retroactive pay adjustments, retirement allowance, sick pay cash out, vacation pay cash out, back pay and severance pay.*** The amounts do not include payments made or benefits accrued in relation to pension plans.

This document is available to citizens for reference on the City's website.

## INDEPENDENT AUDITOR'S REPORT

To the Mayor and Councillors of The City of Winnipeg

### **Opinion**

We have audited the schedule of compensation equal to or in excess of \$85,000 for individuals employed or affiliated with The City of Winnipeg (the "Entity") for the calendar year ended December 31, 2023

In our opinion, the accompanying schedule for the year ended December 31, 2023 of the Entity is prepared, in all material respects, in accordance with the financial reporting framework described in the Note to the schedule.

### **Basis for Opinion**

We conducted our audit in accordance with Canadian generally accepted auditing standards. Our responsibilities under those standards are further described in the "**Auditor's Responsibilities for the Audit of the Schedule**" section of our auditor's report.

We are independent of the Entity in accordance with the ethical requirements that are relevant to our audit of the schedule in Canada and we have fulfilled our other ethical responsibilities in accordance with these requirements.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our opinion.

### **Emphasis of Matter - Financial Reporting Framework**

We draw attention to the Note in the schedule, which describes the applicable financial reporting framework. The schedule is prepared to assist the Entity to comply with the requirements of *The Public Sector Compensation Disclosure Act* described in the Note. As a result, the schedule may not be suitable for another purpose. Our opinion is not modified in respect of this matter.

### **Responsibilities of Management and Those Charged with Governance for the Schedule**

Management is responsible for the preparation of the schedule in accordance with the financial reporting framework described in the Note to the schedule; this includes determining that the applicable financial reporting framework is an acceptable basis for the preparation of the schedule in the circumstances, and for such internal control as management determines is necessary to enable the preparation of a schedule that is free from material misstatement, whether due to fraud or error.

Those charged with governance are responsible for overseeing the Entity's financial reporting process.

### **Auditor's Responsibilities for the Audit of the Schedule**

Our objectives are to obtain reasonable assurance about whether the schedule as a whole is free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion.

Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with Canadian generally accepted auditing standards will always detect a material misstatement when it exists.

Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of the schedule.

As part of an audit in accordance with Canadian generally accepted auditing standards, we exercise professional judgment and maintain professional skepticism throughout the audit.

We also:

- Identify and assess the risks of material misstatement of the schedule, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion.

The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.

- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Entity's internal control.
- Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by management.
- Communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that we identify during our audit.

A handwritten signature in black ink that reads 'KPMG LLP'. The signature is written in a cursive, slightly slanted style. Below the signature is a horizontal line that starts under the 'K' and ends under the 'P'.
