

POSITION PROFILE FOR THE CHIEF OF THE WINNIPEG POLICE SERVICE

Last updated October, 2015

PREFACE

The Winnipeg Police Board is required by Section 21 of Manitoba's *Police Services Act* to "appoint a person with prescribed qualifications to serve as the chief of the municipal police service." The Manitoba Police Commission's manual of policy and procedures provides further direction on how the Winnipeg Police Board must develop the job description for the Police Chief position.

The Manitoba Police Commission provides police boards with competency definitions and tools to use when developing position profiles for their police chiefs. These definitions and tools draw on the work of the Police Sector Council, which collaborated with municipal police services, police boards, police associations and other stakeholders to develop a competency-based human resource framework. The framework introduces common language and understanding of the work and underlying competency requirements for all policing ranks.

The Winnipeg Police Board has incorporated the work of the Police Sector Council and the Manitoba Police Commission in its position profile for the Chief of the Winnipeg Police Service. The profile is composed of a job description, a list of competencies, and a task list. This profile will provide the Board and the Police Chief with a common understanding of the Board's expectations and will assist the Board in monitoring the Police Chief's performance. The profile will also ensure the Board complies with the requirements of the Manitoba Police Commission when advertising for the Police Chief position and evaluating applications.

The Winnipeg Police Board would like to acknowledge the Police Sector Council, the Manitoba Police Commission and the City of Winnipeg for sharing insights and best practices that informed the development of this document. The Board sought community input in the development of this position profile. Public input on the experience, skills and traits that residents of Winnipeg see as important for the Police Chief position is welcome, and will be considered by the Board at its regular reviews of the position profile. Citizens are encouraged to contact the Board at wpb@winnipeg.ca to provide feedback.
