relating to the election held on

OCTOBER 26, 2022

Date of Election

Qualified Opinion

We have audited the statements of assets and liabilities and income and expenses of [name of candidate] for the campaign period ending [date campaign period ended] relating to the election held on [date of election] and notes to the statements of assets and liabilities and income and expenses, including a summary of significant accounting policies (together "the financial statements").

In our opinion, except for the possible effects of the matter described in the *Basis for Qualified Opinion* section of our report, the accompanying financial statements of the candidate for the campaign period ending [date campaign period ended] are prepared, in all material respects, in accordance with By-law No 10/2010 of *The City of Winnipeg Charter*.

Basis for Qualified Opinion

Due to the nature of the types of transactions inherent in an election campaign, it is impracticable through auditing procedures to determine that the accounting records include all donations of good and services, receipts and disbursements for the campaign period. Accordingly, our verification of these transactions was limited to ensuring that the financial statements reflect the amounts recorded in the accounting records of the candidate, in accordance with the basis of accounting and we were not able to determine whether any adjustments might be necessary.

We conducted our audit in accordance with Canadian generally accepted auditing standards. Our responsibilities under those standards are further described in the *Auditor's Responsibilities for the Audit of the Financial Statements* section of our report. We are independent of the candidate in accordance with the ethical requirements that are relevant to our audit of the financial statements in Canada, and we have fulfilled our other ethical responsibilities in accordance with these requirements. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our qualified opinion.

Emphasis of Matter - Basis of Accounting

We draw attention to Form 4 - Note A - to the Auditor's Report, which describes the basis of accounting. These financial statements are prepared solely for the information and use of the Campaign Expenses and Contributions Officer of the City of Winnipeg for complying with By-law No. 10/2020 of *The City of Winnipeg Charter*. As a result, these statements may not be suitable for another purpose. Our opinion is not modified in respect of this matter.

Responsibilities of the Official Agent and those charged with Governance for the Financial Statements

The official agent is responsible for preparation of the financial statements in accordance with the basis of accounting described in Note A and for such internal control as the official agent determines is necessary to enable the preparation of financial statements that is free from material misstatement, whether due to fraud or error.

Those charged with governance are responsible for overseeing the candidate's financial reporting process.

Auditor's Responsibilities for the Audit of the Financial Statements

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with Canadian generally accepted auditing standards will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of this financial statement.

As part of an audit in accordance with Canadian generally accepted auditing standards, we exercise professional judgment and maintain professional skepticism through the audit. We also:

Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.

Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the candidate's internal control.

Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates, if any, and related disclosures made by management.

We communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that we identify during our audit.
