These statements, which have not been , and were not intended to be, prepared in accordance with Canadian generally accepted accounting principles, are solely for the information and use of the Campaign Expenses and Contributions Officer for the City of Winnipeg for complying with By-law No. 10/2010 of *The City of Winnipeg Charter*. The statements are not intended to be and should not be used by anyone other than the specified users or for any other purposes.

These financial statements are the responsibility of the registered candidate and official agent. My/our responsibility is to express an opinion on these financial statements based on my/our audit.

My/our examination was made in accordance with generally accepted auditing standards. Those standards require that I/we plan and perform an audit to obtain responsible assurance whether the financial statements are free of material misstatement. An audit includes examining, on a test basis, evidence supporting the amounts and disclosures in the financial statements. An audit also includes such test and other procedures as I/we consider necessary in the circumstances except as explained in the following paragraph.

Due to the nature of the types of transactions inherent in an election campaign, it is impracticable through auditing procedures to determine that the accounting records include all donations of goods and services, receipts and disbursements for the campaign period. Accordingly, my/our verification of these transactions was limited to ensuring that the financial statements reflect the amounts recorded in the accounting records of the candidate, in accordance with established accounting procedures and I/we was/were not able to determine whether any adjustments might be necessary to receipts and disbursements.

In my/our opinion, except for the effect of adjustments, if any, which I/we might have determined to be necessary had I/we been able to satisfy myself/ourselves as to the completeness of the records as described in the preceding paragraph, these statements present fairly the information contained in the accounting records on which the statements are based in accordance with prescribed accounting treatment.
