

2022 MUNICIPAL COUNCIL and SCHOOL BOARDS ELECTION OFFICIAL RESULTS

Message from the Senior Election Officer

On October 26, 2022, the City of Winnipeg held an election for the offices of Mayor and Councillors, as well as for School Trustees in the six School Divisions within the boundaries of the city. The 2022 election included 41 total races: one for Mayor, 15 for City Councillor and 25 for School Trustee.

In accordance with The City of Winnipeg Charter, elected officials sit for a four-year term and on October 26, 2022, the 16th Council of The City of Winnipeg was elected for the 2022-2026 term. The overall voter turnout for the 2022 Municipal and School Boards Election was 37.5%, with 195,530 voters casting ballots.

The following is the official list of elected representatives who will serve on the 16th Council of The City of Winnipeg, commencing with inauguration on November 1, 2022, as well as the list of School Trustees for the six school divisions within the boundaries of The City of Winnipeg.

M. Lemoine
Senior Election Official

Overview of the voting process in 2022

Acclamations

Four races were acclaimed prior to Election Day, as only the minimum number of candidates to fill all positions in these races were nominated. The acclaimed races were:

Office of Councillor: Old Kildonan Ward
 St. Norbert-Seine River Ward

Office of School Trustee: Louis Riel School Division – Ward 4
 River East Transcona School Division – Ward 1

Advance Voting

Eligible voters turned out in record numbers to take advantage of advance voting opportunities across the city, which took place between October 3 - 21, 2022. Below is a breakdown of the different types of advance voting opportunities that were offered:

City Hall – 1,898 voters from October 3 - 21

Malls & Universities – 13,365 voters from October 3 - 16

Community Advance (15 community centres – one per Council Ward) – 18,626 voters from October 18 - 20

Advance voting opportunities were also convened in 153 seniors' residences, personal care homes, developmental centres and hospitals between October 3rd and 21st. A total of 7,278 voters took advantage of these opportunities. Finally, the Sealed Envelope Ballot option (vote by mail) was utilized by 728 voters.

In total, 41,895 voters cast their ballot in advance of Election Day, which marks a 5.1% increase from the 2018 election and is the most advance votes ever cast in the City of Winnipeg.

Election Day

After the record setting turnout during the advance voting period, 153,635 Winnipeggers participated on Election Day. Total turnout for the 2022 election was 37.5% with a total of 195,530 ballots cast by citizens in the various races.

In accordance with the provisions of *The City of Winnipeg Charter*, *The Municipal Councils and School Boards Elections Act* and the *Vote-Counting Machines By-law No. 150/2005*, the City of Winnipeg again utilized automated voting to accept ballots and tabulate the results of the 2022 Municipal and School Boards Election. The system allowed for voter intentions to be captured accurately and efficiently and provided results shortly after the close of the polls.

The system also simplified and streamlined the process for Winnipeggers, who received a single composite ballot containing the candidates' names for all races they were eligible to vote for, including the Office of Mayor, Offices of Councillor and Offices of School Trustee. Additionally, if a voter chose not to vote in one or more races, or opted to undervote in a specific race, it did not affect the tabulation of the other races in which they did make a mark.

Poll Pads were once again used at all advance voting locations and in three Council wards on Election Day. This technology enabled voters to vote anywhere at any poll in advance and as well as vote at any location within the ward on election day, if they resided in the Old Kildonan, Transcona or Waverley West Council wards. The use of poll pads enabled elections officials to quickly locate a voter's entry on the voters list by scanning their voter's notice, or the bar code on the back of their driver's licenses or enhanced identification cards. Voters without scannable ID were found in the system by manually entering their information. In all instances, the voter's name was struck off in real time once they received their ballot.

A total of 198 voting locations, staffed by roughly 2,000 election workers, were utilized on Election Day. In addition to the staff onsite at each location, over 100 City management staff were assigned as Election Compliance Officers to every location to confirm compliance with all relevant legislation and to ensure a fair, open and positive experience for voters. Experienced City Clerk's management staff were assigned as ward captains in each of the 15 Council wards to help troubleshoot and assist the election compliance officers in the field.

At the close of voting, the memory pack from each automated voting machine was safely and securely transported to the City of Winnipeg election headquarters for results tabulation. Results from advance and election day polls were posted online as soon as they were processed, with all results reported by 10:07 p.m. that evening. Detailed poll by poll results were posted the next day on October 27.
