
Breeding Permit Application

Requirements for a Breeding Permit:

Owner/harbourer:

- Must be at least 18 years of age
- Have a history of compliance with the requirements of the Responsible Pet Ownership Bylaw and minimal impact on the community
- Provide a letter from a veterinarian supporting the breeding of the specific dog or cat or proof of purebred breed registration
- Submit to an inspection of the breeding property

Breeding property:

- Clean and sanitary conditions
- Little or no animal-related odors
- Ample room for enrichment
- Wholesome food and water for the dog or cat

The dog or cat:

- Active veterinarian care, including a current rabies vaccination
- No more than two incidents of having been in violation of clause 4(1)(b) (running at large) and/or clause 4(1)(h) (pursuing an individual or animal)
- No more than one incident of having been in violation of clause 4(1)(i) (biting an individual or animal)
- No more than one incident of having been impounded at an animal shelter.
