GOVERNMENT FINANCE OFFICERS ASSOCIATION

*Distinguished
Budget Presentation
Award*

PRESENTED TO

**City of Winnipeg
Manitoba**

For the Fiscal Year Beginning

January 01, 2022

Christopher P. Morill

Executive Director

Government Finance Officers Association of the United States and Canada (GFOA) presented a Distinguished Budget Presentation Award to the City of Winnipeg, Manitoba, for its Annual Budget for the Fiscal Year beginning January 1, 2022.

In order to receive this award, a governmental unit must publish a budget document that meets program criteria as a policy document, as a financial plan, as an operations guide, and as a communications device.

We believe our current budget continues to conform to the program requirements, and we are submitting it to GFOA to determine its eligibility for another award.

LETTER FROM THE MAYOR AND CHAIRPERSON OF THE STANDING POLICY COMMITTEE ON FINANCE AND ECONOMIC DEVELOPMENT

ADOPTED 2023 BALANCED BUDGET UPDATE

Introduction

We are pleased to present the Adopted 2023 Balanced Budget Update to the 2020-2023 Multi-Year balanced budget.

The Multi-Year Balanced Budget is the City's core financial blueprint. It has helped us to weather the storm of over \$200 million in revenue losses and expenses as a result of the COVID-19 pandemic while protecting critical city services and improving our credit rating with international bond rating agencies.

We embark on this year's balanced budget update fully aware of the challenges and tough choices that lie ahead. Businesses, residents and the City's finances continue to be impacted by the pandemic and inflation. However, with the provincial public health orders for the pandemic lifted and signs of inflation easing we are optimistic as to the pace of our City's recovery in 2023.

2023 is also the first full year of the newly elected Mayor and Council. It is an opportunity to forge a new and collaborative working relationship among all members of Council, our federal and provincial partners and the residents that we serve.

The Adopted 2023 Balanced Budget Update reflects feedback received by the Chair of Finance and Economic Development from all members of Council. It was developed with recommendations from a four-member budget working group with equal representation from Executive Policy Committee and non-Executive Policy Committee Council members, a contrast to the process from previous years. It also reflects many of the ideas and feedback that we have received from residents, businesses and community stakeholders.

The Adopted 2023 Balanced Budget Update presents a balanced operating budget for 2023 while keeping taxes affordable and continuing investments in critical infrastructure and services to maintain our quality of life, care for our most vulnerable residents and support a growing City.

Addressing the 2023 Budget Shortfall

Before addressing any new costs related to the COVID-19 pandemic and inflationary pressures we were facing a shortfall of approximately \$5.4 million in the tax supported budget for 2023 due to the following:

- \$4.2 million for the negotiated settlement with CUPE, increases to CPP and EI rates and other adjustments;
- ~\$900,000 for Council approved snow clearing changes in 2022; and
- \$253,000 for increases to the Universal Funding Formula for Community Centres due to inflation and population growth.

In 2023 the City will face a COVID-19 related shortfall of \$16.5 million in the tax supported budget primarily from reduced transit ridership levels and a lower dividend from the Parking Authority due to lower parking revenues. In 2023 the City will also face an estimated \$11.9 million more in fuel costs in the tax supported budget due to increases in the price of fuel on world-wide markets.

The total shortfall in the 2023 tax supported operating budget due to non-discretionary costs is \$33.8 million. This includes the non-COVID shortfall of \$5.4 million, \$16.5 million in COVID costs and \$11.9 million in additional fuel costs.

The Adopted 2023 Balanced Budget Update includes several measures to eliminate the budget shortfall and bring the tax supported operating budget back into balance. More details on these measures can be found in Volume 2 of *The Adopted 2023 Budget Update*. However, two of the most significant measures include:

- \$23.4 million allocation from the new federal and provincial COVID-19 transit funding, and;
- \$10.4 million in reduced expenses, vacancy management and a transfer of capital cost savings from prior years to the 2023 tax supported operating budget.

The Adopted 2023 Budget Update also includes an efficiency savings target of \$22.1 million which will be achieved through draws from reserves and cost savings across various departments. This is a decrease from the \$40.6 million of efficiency savings originally included for 2023 in the Multi-Year Balanced Budget.

New Revenue and Investments in 2023

The property tax increase in 2023 will be limited to 3.5 percent. Two percent of this increase will be invested in regional and local road renewal and 0.33 percent will be dedicated to financing the Southwest Rapid Transitway, consistent with previous years. The remaining property tax increase of approximately 1.17 percent generates an estimated \$7.8 million which will support new investments in 2023 including:

- \$3.6 million to protect and renew Winnipeg's tree canopy. This results in a total operating and capital investment in trees of \$26.3 million in 2023, an increase of \$4.7 million from last year.
- \$1.1 million to increase the budget of 311 Services by 25 percent from 2022 to facilitate the recruitment of new staff and to retain existing staff.
- \$1.0 million to support new investments in additional 24/7 safe spaces for unsheltered and at-risk residents.
- \$1.0 million to increase transit service to its full-service capacity prior to the pandemic, phased in over 2023.

- \$450,000 to begin to establish neighbourhood action teams to complement the services provided by Public Works and other city departments.
- \$400,000 to restore the annual operating grant to the Winnipeg Arts Council.
- \$250,000 continue support for the operations of the Downtown Community Safety Partnership.

The Frontage Levy will be increased by \$1.50 per foot from \$5.45 to \$6.95 in 2023. This generates an estimated \$17.8 million annually which will be dedicated to road renewal in 2023, consistent with the requirements of *The City of Winnipeg Charter*. This additional revenue will support:

- \$12 million more for regional and local street renewal;
- \$3 million more for active transportation investments attached to road renewal projects; and
- \$2.8 million to advance planning and design for the Chief Peguis extension and expansion of Kenaston Boulevard, as a first step in a Trade Corridors renewal strategy.

The property tax increase of 3.5 percent together with the frontage levy increase of \$1.50 per foot will result in the average Winnipeg single family homeowner paying \$142 more in 2023. This will ensure that Winnipeg's municipal property taxes remain among the most competitive in Canada. Actual increases will likely be significantly lower for residents of townhouses, condo apartments and other multi-family units, owing to substantially lower per-unit liability for frontage on these properties.

The Adopted 2023 Balanced Budget Update includes an investment of \$5 million to launch the new Winnipeg Community Safety Officer Team (transit safety and security initiative), funded by Provincial COVID-19 transit funding.

The Adopted 2023 Balanced Budget Update includes an initial investment of \$100,000 for the Millennium Library to undertake a safety and security audit and begin the necessary security upgrades to ensure a safe and welcoming environment for patrons and staff at this facility. Further investments in security may be forthcoming pending the recommendations of an ongoing security review.

The Adopted 2023 Balanced Budget includes a new investment of \$150,000 to support consulting services to operationalize the Municipal Service Delivery Agreement for the historic Naawi-Oodena development as well as \$282,000 to support three new staff to develop and implement a new Road Safety Strategic Action Plan.

The Adopted 2023 Balanced Budget Update includes an investment of \$488,000 to support four to five more permanent full-time staff within the City's permit processing department, consistent with Council approved 2022 budget recommendations, to invest increases in permit revenue back into improving the permit service. The Adopted 2023 Balanced Budget Update also includes a further \$2 million investment to maintain temporary staff in the Planning, Property and Development department to ensure timely processing of permits.

Business tax revenue is expected to increase by \$1.9 million in 2023. The Business Tax rate will remain unchanged at 4.84% in 2023. The Small Business Tax threshold will increase from \$44,220 in 2022 to \$47,500 in 2023 as a result of re-assessment which will ensure that approximately 55 percent of all businesses will be exempt from paying this tax which is similar to 2022.

Increases to most City fees and charges will be limited to the rate of inflation of 3.2 percent, 1.2 percent higher than the increase of 2 percent in the multi-year balanced budget. The increase to transit fares will be limited to five cents which is consistent with the multi-year budget.

The 2023 Adopted Balanced Budget Update also includes new fees to more accurately reflect the cost of City services that do not currently have fees. A complete list of new fees can be found in Volume 2 of *The Adopted 2023 Budget Update*.

Overall, the tax supported budget will increase by 8.8 percent in 2023, 5.0 percent higher than the increase in the multi-year budget (2.8 percent). The 2020 to 2023 operating tax supported budget (excluding capital related expenditures) is increasing by an average of 2.6 percent, a slight increase from the 4-year average in the 2022 budget update of 1.3 percent.

Replenishing the Financial Stabilization Reserve (FSR)

Prior to the onset of the pandemic, the FSR had a balance of about \$100 million which was above the Council mandated level of six percent of tax-supported expenditures.

The FSR has fulfilled its purpose to stabilize the City's finances over the last three years of the pandemic. However, the financial impact of COVID-19 and other pressures has significantly depleted the FSR, leaving a current forecasted balance of only \$2.1million which is below the Council mandated level. Conversely, the City's waterworks utility has incurred a larger than projected surplus during the pandemic mostly due to higher water consumption rates.

To assist in replenishing the FSR, the Adopted 2023 Balanced Budget Update includes a one-time transfer of \$15 million from the retained earnings of the waterworks utility to the FSR. This transfer is incremental to the existing dividend from the water and sewer utility to the tax supported operating budget.

This transfer of \$15 million will increase the balance of the FSR but will still leave the FSR below its Council mandated level of six percent of tax-supported operating expenses. Therefore, later in 2023 and/or as part of the 2024 multi-year budget process, the Public Service will bring forward recommendations for Council's consideration to further replenish the FSR to its required level.

Six-Year Capital Investment Plan

The Adopted 2023 Budget includes a six-year capital investment plan of approximately \$3.1 billion. Key investments include:

- \$159.0 million for regional and local road renewals in 2023. This reflects an increase of \$18.9 million from the projected level of \$136.9 million last year and is part of a six-year \$977.4 million investment in road renewals.
- \$10.4 million for the protection and enhancement of Winnipeg's tree canopy in 2023. This is an increase of \$4.2 million from the projected level of \$6.2 million last year, and is part of a six-year \$56.7 million capital investment in the urban forestry renewal program.

- \$60 million to provide water and sewer servicing to the first phase of CentrePort South, an increase of \$40 million from last year due to new provincial/federal funding support.
- \$18 million (\$3 million in 2022 and \$15 million in 2023) to begin work on a nutrient removal plan for the North End wastewater treatment plant.
- \$12.6 million to celebrate Winnipeg's 150th anniversary by preserving its past—an investment in the City's archival documents and artifacts in the City Archives by beginning work on renovating and returning to the former archives building at 380 William Avenue.
- \$10.9 million for a new fire paramedic station in Waverley West in 2024 to be heated and cooled by geothermal technology.
- \$22.3 million for the transition to convert the diesel bus fleet to electric and/or hydrogen fuel cell buses with a total \$267.8 million over the six-year capital program.
- \$2.9 million for the implementation of a Citizen Portal project to improve citizen visibility into the progress of their requests and the first step to continue to improve services.
- \$2.0 million for the preliminary design of the East of Red RecPlex, to develop a regional recreation and aquatic facility.

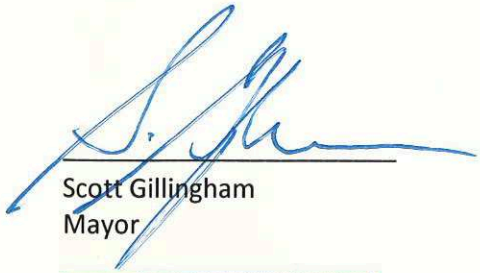

The six-year capital plan of \$3.1 billion will be financed by grants from other levels of government of \$700.7 million, reserves and frontage levies of \$1.8 billion as well as external debt of \$277.0 million. The level of external debt in the six-year capital forecast is within the City's self-imposed debt limits.

Conclusion

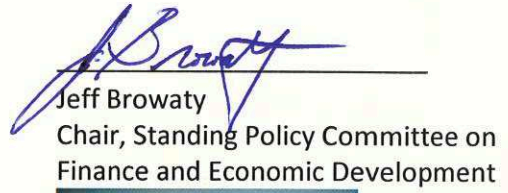

The 2023 Balanced Budget Update is the final year of the City's first ever multi-year balanced budget. We believe that it is a disciplined plan that ensures services are provided at an affordable cost by investing taxpayer dollars responsibly. It is also a plan that recognizes the challenges and opportunities that we collectively face as a City and the investments required to address them.

In 2023 we must remain focused on ensuring we are providing maximum value for taxpayers by continuing to scrutinize all of our expenditures. And, we must also continue to work with our federal and provincial partners to maximize Winnipeg's share of funding for infrastructure and services that will support our growing city.

The Covid-19 pandemic and related policies created significant disruption for the City of Winnipeg and other municipalities. While provincial and federal governments could use deficit financing and rely on robust consumption tax and growth revenues to pivot out of the pandemic economy, municipalities like Winnipeg have had to rely on emergency reserves, service cuts and assistance from other governments to ride out the storm. With that in mind, Winnipeg is grateful for recent action by provincial and federal governments to invest in city services and in Winnipeg's recovery on several fronts. Recent confirmation of federal and provincial transfers to compensate for lost transit revenues during the pandemic, recent federal investments in Winnipeg's tree canopy maintenance and expansion and recent provincial announcements of funding to restore a joint RCMP-Winnipeg warrant unit and to invest in the CentrePort South opportunity are all examples of how the federal and provincial governments are critical partners in the City of Winnipeg's success.

Reader's Guide

This **Reader's Guide** is intended to provide the reader with a basic understanding of Volume 2 of the budget documents developed from the budgeting process, as well as briefly describe the document's content and layout. The budget documents have several purposes:

- As a **policy document**, they outline the financial policies that guide the development of the budget as well as articulate financial priorities and issues;
- As a **financial plan**, they provide, in dollar terms, the plans for the next several years;
- As an **operating guide**, the budget documents help City departments manage their day-to-day operations by providing important financial and policy information and by identifying the financial and staffing resources available to carry out their activities; and
- As a **communications device**, the documents give all readers a comprehensive look at the services provided by the City and the costs related to those services.

Volume 2 provides summary and detailed budget information on operations and updates from the multi-year budget; and summary information on capital projects including financing for the capital program, set out in the following sections:

The very front of the book includes the Letter from the Mayor and Chair of Standing Policy Committee on Finance and Economic Development.

Overview provides key information about the operating, reserves, and capital budgets.

- Reader's Guide;
- Organizational Structure;
- 2023 Budget at a Glance identifies and summarizes the City budgets, including a listing of major funds on a consolidated basis;
- Top Ten Budget Questions;
- Budget recommendations approved by Council;
- Basis of Budgeting provides the guidelines and key steps in developing the budget;
- Budget Presentation provides the highlights, priorities and budget challenges; and
- Overview and Context provides information about the public consultation process, performance measurements and how the operating and capital dollars are to be spent.

Service Based Budget

- The Financial Summary section has three categories:
 - Operating Budget provides a listing of all City services and the Standing Policy Committee (SPC) or Board that is responsible for each, together with a summary of the revenue and investment.
 - Full Time Equivalent Positions (Staff Summary) related to each service.

- Capital Budget and Reserves provides a listing of the 6-year capital program and reserves budget for 2023 and their alignment to the services that each SPC or Board is responsible for.
- Page references on the Financial and Staff Summaries direct the reader to more detailed information by service in the next section.
- The **Detailed Service Based Budget** section, categorized by responsible Standing Policy Committee or Board, gives additional information about each service, including description, alignment of service goals and performance measures with OurWinnipeg goals and strategic priorities, multi-year operating budgets and actuals by major account categories, revenue, expense and full-time equivalent position variance explanations, sub-services, as well as hi-level summary information of reserves and capital budget investments relevant to the service.
Note that some services have included citizen survey result in 2023 Budget Volume 2 even though they are already reported in Volume 1.

Appendices provide additional context information in support of the rest of the budget document.

A **Supplement to the 2023 Budget** is also be available to the readers of this document. This includes capital budget and other budget information such as:

- Capital Project Summary provides a listing of capital projects for 2023 through 2028
- Capital Project Detail by department
- Listing of Grants / Payments
- Appendices

The **Community Trends and Performance Report, Volume 1 for the 2023 Budget** was published in July 2022. This document includes community and financial trends as well as performance measures and Citizen Survey results by service area.

2023 Adopted Budget at a Glance

Customer Service

- An immediate **25%** increase in the funding level for **311** to enable recruitment of additional staff and improve retention of existing staff
- **\$450,000** to begin development of Neighbourhood Action Teams to improve cleaning, plowing, and repair of public spaces
- Gradual restoration of transit service to **100%** of pre-pandemic capacity over the course of 2023
- Investment of **\$2.9 million** to develop citizen portal

Economic Development

- An investment of **\$2.8 million** in trade corridors from the increase to the frontage levy to support planning of the Chief Peguis Trail extension and Kenaston widening
- Provincial announcement to add **\$40 million** to the previously budgeted water and sewer work in CentrePort South
- Business Tax rebate threshold expanded to keep **55%** of businesses from paying any net business taxes
- **\$400,000** to fully restore the annual grant to the Winnipeg Arts Council
- Funding for consultant contract to begin operationalizing **Naawi-Oodena**
- Investment in permits staff

Key Expenditures

Investments in Infrastructure and Natural Assets

- An investment of **\$12.6 million** to build a new centre for Winnipeg's Archives to be located in the Carnegie building on William Avenue
- An investment of **\$159.0 million** in road renewals in 2023, which is a **\$22.1 million** increase from the forecasted level primarily funded by the frontage levy increase. Part of a 6-year investment of over **\$980.6 million** in road renewals
- **\$18 million** (\$3 million in 2022 and \$15 million in 2023) to begin work on a nutrient removal plan for the North End Wastewater treatment plant
- An investment of **\$18.0 million** in active transportation projects, an increase of **\$8.4 million** from the forecasted level (ref: appendix 6 of the 2022 supplement) which is funded by the increase to the frontage levy
- An investment of **\$26.3 million** (capital and operating) in Winnipeg's tree canopy in 2023, a **\$4.6 million** increase from 2022

Community Outreach/Safety/Humanitarian

- An annual investment increase of **\$1 million** in **additional 24/7 safe spaces** for unhoused people
- Annualized grant funding of **\$250,000** for the Downtown Community Safety Partnership
- **Funding of 3 new FTE's** to support the development of a Road Safety Action Plan
- City deployment of Provincial transit funding to launch a new **Community Officer Safety Team**

2023 Adopted Budget at a Glance

Property tax increase is at **3.5%** which adds **\$7.8 million**

\$1.50 / foot

Frontage fees increase of **\$1.50/foot** which generates **\$17.8 million**

\$1.9 M

Business taxes % is unchanged, 55% of business will still pay no tax, but overall increase above the original budget of **\$1.9 million**

Key Revenues

\$15 M

One-time transfer out of Water & Waste for **\$15 million** to the Financial Stabilization Reserve

Transfers from **Insurance Reserve, Insect Control Reserve, Southwest Rapid Transit Reserve** and other reserve funds

Federal
\$19.4 M

Provincial
\$13.0 M

Pandemic-related funding from the Federal Government **\$19.4 million** and the Provincial Government estimated to be **\$13.0 million** allocated as follows:

- **\$9 million** to Transit in 2022 to cover existing over-expenditure draw from General Revenue Fund
- **\$5 million** in 2023 and 2024 to be allocated to safety and security
- **\$18.4 million** to General Revenue Fund to offset the impacts of COVID and other resulting cost pressures

Note: Additional unconditional provincial funding of **\$16.7 million** starting in 2023.

Top Ten Budget Questions

1. Where does the City's money come from?

The majority comes from residential and commercial property taxes (42%). Other sources include user fees and licenses for goods and services (33%), provincial and federal grants (11%) and other sources (14%).

For more details, see page 76.

2. How did Winnipeg balance the budget?

The City balanced the budget using the following key measures: property and business tax increases; new and above inflation fees; Provincial and Federal funding; cost reduction measures, including efficiencies; and transfers from reserves.

For more details, see page 73 and 74.

3. How much is the City's budgeted spending in 2023?

Total City spending is estimated at approximately \$2.081 billion broken out as follows: tax supported fund (general revenue fund) of \$1.3 billion, utilities of \$696 million and special operating agencies of \$85 million.

For more details, see Appendix 1, starting on page 289.

4. What is the budget impact of COVID-19 pandemic?

Combined revenue loss and additional expenditures attributed to the COVID-19 pandemic is estimated at \$18.7 million in 2023.

For more details, see page 79.

5. How does the property tax and frontage levy increases affect my tax bill?

Property taxes are increasing by 3.5% which for an average home will equate to approximately \$67 a year, or \$0.18 per day. The frontage levy is increasing by \$1.50 per frontage foot, based on an average lot of 50 feet. This is approximately an additional \$75 a year, from \$273 to \$348, or \$0.21 per day.

6. If the value of my home goes up, do my taxes increase?

A change in the market value of your property does not necessarily result in a similar proportionate change to your property taxes.

<https://assessment.winnipeg.ca/Asmttax/English/SelfService/answerguide.stm#19>

7. What is vacancy management?

Vacancy management is an estimated savings derived from delaying the filling of vacant positions. This requires departments to be prudent and mindful of when they fill positions. \$21.3 million of vacancy management is budgeted in 2023.

8. How do I know when my street will be renewed?

Street renewals are listed by location in the City's Capital Budget.

For more details, see the Supplement to the 2023 Budget starting on page 61.

9. How much is the expected spending on trees?

\$56.7 million 6-year capital investment is budgeted for the maintenance, protection, and enhancement of our tree canopy plus about \$16 million for annual operations.

10. How much had been budgeted to support our most vulnerable citizens?

Additional investment of \$6.6 million is dedicated to vulnerable residents for community outreach and safety efforts, including funds being allocated for alternative shelter spaces, and Downtown Community Safety Partnership; budget amounts aligned to poverty reduction strategy of \$13.7 million; and rapid housing initiatives funded by the federal government.

Council Recommendations – Adoption of the 2023 Budget

COUNCIL DECISION: (March 22, 2023)

Council concurred in the recommendation of the Executive Policy Committee and adopted the following:

OPERATING BUDGET RECOMMENDATIONS:

1. That the following recommendations with respect to the 2023 Preliminary Operating Budget be approved by Council:
 - A. That the 2023 Preliminary Operating Budget (page 81), including the budget for reserves (Appendix 3), be amended in accordance with the following recommendations and approved by Council; and
Note: Refer to pages 91 and 92 of this document for the updated amounts.
 - B. That the City's mill rate be decreased from 13.468 to 12.900 for 2023, for the purpose of raising revenue as required for the annual operating budget.

Notes:

- i. This mill rate of 12.900 in 2023 includes a 3.50% property tax increase. The income generated by this 2023 increase will be dedicated as follows:
 - a. a 1.17% property tax increase dedicated to the tax-supported operating budget;
 - b. a 1.70% property tax increase dedicated to the renewal of local streets, lanes and sidewalks;
 - c. a 0.30% property tax increase dedicated to the renewal of regional streets and sidewalks, and bridges; and
 - d. a 0.33% property tax increase dedicated for payments for the Southwest Rapid Transitway (Stage 2) and Pembina Highway Underpass project.
- ii. The 2023 0.33% property tax increase dedicated for payments for the Southwest Rapid Transitway (Stage 2) and Pembina Highway Underpass project is the last of an eight-year commitment begun in 2016.
- iii. The 0.33% property tax increase for 2024 and 2025 is to fund the annual debt and financing costs incurred from the replacement of the North Garage capital project.

- C. That, effective January 1, 2026, the Transit Infrastructure Reserve be funded through an annual 0.33% property tax increase for the years 2026, 2027 and 2028, in alignment with the Transit Master Plan, and the purpose of the reserve be expanded to include:
- i. Transit infrastructure, including but not limited to, bus rolling stock and related charging infrastructure; and
 - ii. Land acquisition; and
 - iii. Associated costs.
- D. i. That the City's business tax rate remain at 4.84% in 2023; and
- ii. That Council enact a Small Business Tax Credit By-law for 2023 under section 219(2) of The City of Winnipeg Charter, which will provide a tax credit in the amount of all municipal business taxes owed for businesses with an annual rental value of \$ 47,500 or less in 2023 (\$44,220 in 2022).
- E. That the Street Renewal Frontage Levy be increased for properties fronting on:
- i. water mains by \$0.40 (from \$1.40 to \$1.80 per frontage foot); and
 - ii. sewer mains by \$1.10 (from \$4.05 to \$5.15 per frontage foot),
- for an increase in the combined rate of \$1.50 per frontage foot.
- F. That Council approve transfers between funds, including reserve funds, outlined in the 2023 Operating Budget (Appendix 4 Transfers from/to the General Revenue Fund) to take place in 2023, subject to the following conditions on transfers from reserve funds:
- i. The Chief Financial Officer must first certify that the amount remaining in each reserve fund after the transfer is greater than the amount required for the purpose for which the fund was established; and
 - ii. The fund must not enter into a deficit position as a result of the transfer.
- G. That Council approve the new and above-inflation fees and charges as outlined in Appendix 8.
- H. That, in response to COVID-19 pandemic, Council direct Winnipeg Transit to:
- i. Maintain 2022 Transit service levels effective January 1, 2023 through the end of the 2023 spring service schedule (tentatively scheduled to end June 17, 2023) (which is a 6% reduction from 2019 service levels);

- ii. Increase service levels effective the 2023 summer service schedule (tentatively scheduled for June 18 to September 2, 2023) to reflect a 3% reduction from 2019 service levels;
 - iii. Fully restore transit service to 2020 budgeted levels effective the 2023 fall service schedule onward (tentatively scheduled to start September 3, 2023).
- I. That Council direct Winnipeg Transit to adopt On-Request Transit as a way of providing demand-responsive transit service in Winnipeg and that the Dial-a-Ride Transit system be cancelled at the same time.
- J. That Council require that prior to payment of grants exceeding \$10,000 approved in the 2023 operating budget, the City enter into, execute and deliver a grant agreement with each grant recipient, and the Chief Financial Officer be authorized to negotiate and approve the terms and conditions of each grant agreement in accordance with the budgetary approval and such other terms and conditions deemed necessary by the City Solicitor/Director of Legal Services to protect the interests of the City.
- K. That the 2023 grants and grant delegations as set out in the Listing of Grants/Payments in the Supplement to the 2023 Budget and Appendix 2 Listing of Grants/Payments be approved.
- L. That Council enact amendments to the Tax Certificate Fees By-law 53/2015 to increase the following fees to the following amounts:
 - i. For the making and mailing of a paper tax certificate to \$62.00 (\$60.00 in 2022); and
 - ii. For the electronic making out and mailing of a tax certificate requested electronically to \$46.00 (\$44.00 in 2022).
- M. That prior years' tax supported cash to capital (\$960,160), frontage levy (\$504,873) and other surpluses, generated due to capital projects being completed for less than the budget amount (identified in Appendix 5A), be used to reduce the transfer to the General Capital Fund in the 2023 tax supported operating budget.
- N. That further to Council approval on March 24, 2022 to establish a new reserve fund for climate change initiatives funded by the net proceeds of the sale of natural gas, and its approval on September 22, 2022 of the creation and terms of reference of the Climate Action and Resilience Committee, that Council approve the following for the said reserve:
 - i. Name of the Reserve: Climate Action Reserve;

- ii. Purpose: funding climate action initiatives in alignment with the City's strategic plans to meet the goal of net zero emissions. These initiatives will focus on studies, analysis and the development of policies, strategies and procedures relating to climate action;
 - iii. Fund Manager: Director of Water and Waste Department;
 - iv. Committee name and role: Climate Action Steering Committee consisting of representatives of internal City departments tasked with prioritizing the climate action initiatives to be funded from the Climate Action Reserve.
- O. That Council reiterate its prior direction to the Public Service to continue to pursue a new agreement with Shared Health Inc. for the provision of Emergency Medical Services by the City that reflects full cost recovery, including but not limited to, the leasing cost of any new fire paramedic stations.
- P. That Council enact amendments to the Cemetery By-law 130/2007 to allow for up to 75% of the yearly earnings from the Perpetual Maintenance Reserve Funds to be utilized to undertake improvements or maintenance in cemeteries.
- Q. To reduce deficit risks, that any additional, unbudgeted and unallocated revenue received from inter-governmental transfers or other similar sources in 2023, that is not earmarked for any specific incremental purpose, be dedicated to reduce in-year Corporate Efficiency targets.
- R. That in order to replenish the Financial Stabilization Reserve that has been depleted due to increased external cost pressures such as COVID-19 pandemic, inflation and snow clearing costs, and notwithstanding Council restrictions that may have been placed on the funding of the Financial Stabilization Reserve, that Council approve a one-time transfer of \$15 million in 2023 from the retained earnings of the Waterworks Fund to the Financial Stabilization Reserve (FSR).
- S. That Council direct the Planning, Property and Development Department to report back to the appropriate committee of Council on or before September 30, 2023 on:
 - i. Status update on the implementation of Provincial statutes and regulations concerning the approval of land use planning decisions and building permits (Bills 34, 37 and 38);
 - ii. Resources required to address these statutes and regulations; and
 - iii. Potential changes to the Permit Reserve in order to implement service and system changes necessitated by Bills 34, 37 and 38.
- T. That the Chief Financial Officer be granted the authority to do all things necessary to ensure that a program of insurance is in effect at all times to adequately protect the City from losses or claims, and to this end that the Chief

Financial Officer be authorized to negotiate and approve the terms and conditions of contracts of insurance, subject to the contracts including terms and conditions deemed necessary by the City Solicitor/Director of Legal Services to protect the interests of the City.

- U. That Provincial Grants revenue be increased by \$16.718 million (an increase in unconditional operating grants from \$121.2 million to \$137.9 million) in 2023.
- V. That one-time Provincial grant revenue COVID-19 funding of \$12.4 million be increased by \$600,000, to a revised total of \$13.0 million.
- W. That, as one of the initial steps to replenish the Financial Stabilization Reserve, a one-time transfer from the General Revenue Fund to the Financial Stabilization Reserve of \$4.616 million be made in 2023.
- X. That the Corporate Efficiencies target be decreased by \$11.4 million (from \$33.5 million to \$22.1 million) in 2023 to balance the tax supported budget.
- Y. That, subject to the approval of Recommendation 2.P. (relating to the Community Centre Renovation Grant Program), an increase of \$91,000 in 2023 and \$185,000 thereafter be approved for the incremental debt and finance charges related to this project to be funded by the incremental Provincial funding referred to in recommendation 1.U.
- Z. That additional funding be approved for Corporate Finance to deliver Phase 2 of the Sustainable Procurement Action Plan as adopted by City Council on July 21, 2022, including:
 - i. One Full-Time Equivalent Position (FTE) ‘Sustainable Procurement Liaison’ (WAPSO 4) at an annualized salary and other costs of \$122,000 (prorated to 0.75 FTE, \$92,000 in 2023); and
 - ii. \$168,000 in other consulting and honoraria over three years (\$99,500 in 2023, \$37,250 in 2024 and \$31,250 in 2025).to be funded by the incremental Provincial funding referred to in recommendation 1.U.
- AA. That \$150,000 be added to the Community Services – Recreation Services Division budget in 2023 to facilitate better recruitment and retention of Instructor Guards, Aquatic Instructors, and Recreation Technicians, to be funded by the incremental Provincial funding referred to in recommendation 1.U.
- BB. That, subject to approval of Recommendation 2.N. (the Disaster Financial Assistance Program eligible projects), an increase of \$30,500 in finance charges be approved to support \$774,000 in debt-financed capital costs to be funded by the incremental Provincial funding referred to in recommendation 1.U.

- CC. That regarding the public washroom called Amoowigamig (715 Main Street):
- i. the grant to Ma Mawi Wi Chi Itata Centre relating to the provision of on-site services be increased to \$250,000, which may be funded in part by the \$20,000 in savings contemplated in Item 11 of the Report of the Executive Policy Committee dated March 13, 2023, with the balance being funded by the incremental Provincial funding referred to in Recommendation 1.U.
 - ii. The Public Service report back on increasing hours, including to 24/7 operation, including types of services to be provided, by whom and investment for each option within 90 days.
- DD. That the budget for General Library and Electronic Materials within the Libraries Budget be increased by \$100,000 in 2023; funded by the incremental Provincial funding referred to in recommendation 1.U.
- EE. That the Public Service be directed to:
- i. Report back in 90 days to the Standing Policy Committee on Community Services on:
 - a. a framework to review the Winnipeg Library Services for improvement and investment;
 - b. types of employment within the library system, identifying jobs which are difficult to fill and providing recommendations to attract and retain staff in those positions;
 - ii. Provide recommendations to the Standing Policy Committee on Community Services by May 31, 2023 on improving safety of the Millennium Library and other libraries after the interim safety measures end, including costs; and
- FF. That, in relation to recommendation 1.EE., Council recognize that an in-year Operating Budget adjustment and/or a first call on the 2024 Capital Budget may be required once Council approves the community safety recommendations relating to operations of the Millennium Library after interim safety measures end.
- GG. That the following be approved in order to proceed with the creation of a City of Winnipeg Community Safety Officer Team (Transit Security Initiative):
- i. The Chief Administrative Officer (CAO) be authorized to hire one FTE Community Safety Officer Service Leader (Service Leader) to report to the CAO, at a salary to be determined by the CAO (prorated to 0.75 FTE in 2023);

- ii. Subject to approval of a Transit Security training and operations plan by City Council, the Community Safety Officer Leader be authorized to hire up to 26 FTEs (pro-rated to 19.50 FTEs in 2023), including two administrative support staff and up to 24 Peace Officers (Community Safety Officers);
 - iii. The CAO may charge any 2023 costs for this corporate initiative to a maximum of \$1.75 million to the \$5.0 million fund identified for the “Transit Security Initiative” in Winnipeg Transit’s 2023 budget, with \$3.25 million in 2023 from the one-time provincial transfer retained in the General Purpose Reserve to fund charges for the initiative in 2024.
- HH. That the Director of Customer Service & Communications:
 - i. be authorized to increase the FTE complement in the 311 division by up to 9 (6.75 FTEs prorated in 2023) in accordance with the 2023 Budget increase to ensure retention and increase recruitment; and
 - ii. report back to Council within 180 days on the progress to improve customer service and wait times within 311 service, including on-going FTE requirements.
- II. That the Director of Public Works:
 - i. be delegated the authority to establish a new Neighbourhood Action Team as a division within the Public Works Department;
 - ii. be authorized to increase the FTE complement by up to 10 (7.5 FTEs prorated in 2023) for the division in accordance with budget allotment in 2023 Budget; and
 - iii. report back to the Standing Policy Committee on Public Works within 180 days on the status of the creation, on-going FTE requirements and early operation of the new division.
- JJ. That to ensure full integration of road safety design practices into road design and repair:
 - i. any report authorizing action on a specific street or active transportation policy or project must set out an opinion provided by the Road Safety Branch as to the extent to which the recommended policy or project design conforms to Road Safety Action Plan priorities as approved by Council; and
 - ii. The Road Safety Branch must report quarterly to the Standing Policy Committee on Public Works respecting current project awards or other

project activities that are inconsistent with Road Safety Action Plan priorities and policies as adopted.

- KK. That the Winnipeg Public Service be directed to report back to the Standing Policy Committee on Property and Development in 90 days with a review of the Permit Reserve Fund with respect to how the fund is used and replenished.
- LL. That the following be referred to the 2024 – 2027 Multi-Year Budget process:
- i. a transition process to reduce reliance on the Permit Reserve Fund for general revenue;
 - ii. Funding for one Project Coordinator for the creation of a city-wide Community Garden Strategy; and
 - iii. The elimination of real property tax credits and the repeal of the Unserved Residential Premises Tax Credit By-law No. 7075/97.
- MM. That the term for the FTE in Indigenous Relations Division (Chief Administrative Office Department), whose focus is the housing program as part of the poverty reduction strategy and/or Rapid Housing Initiative be extended to December 31, 2024.
- NN. That funding from the Sewage Disposal Fund be approved for the following positions and required estimated annual salary and benefits, increasing annually in accordance with the Collective Agreement, related to the Community Energy Investment Roadmap (CEIR):
- i. One Senior Planner (one [1.0] FTE, WAPSO 4) to lead high level strategies and projects, including the Winnipeg Climate Action Plan update and the Climate Resiliency Strategy (\$121,651), prorated to three-quarters (0.75) FTE (\$92,000 in 2023);
 - ii. One Green Building Specialist (one [1.0] FTE, WAPSO 3) to support the Winnipeg Climate Action Plan update, Climate Resiliency Strategy, and policy and program development related to the city building retrofit initiative (\$108,142), prorated to three-quarters (0.75) FTE (\$81,000 in 2023).
- OO. To ensure operational readiness and staffing availability, that three permanent FTEs (personal protective equipment (PPE) technicians) be added to the Winnipeg Fire Paramedic Service staff complement for Centralized Turnout Gear Cleaning and Maintenance Program by:
- i. converting one (1) existing temporary FTE position to a permanent FTE, and;
 - ii. creating two (2) new FTE positions,

with all three (3) FTEs funded from current amounts already included in the Program budget.

- PP. That the City Solicitor/Director of Legal Services submit such by-laws as necessary to implement the intent of the above recommendations directly to Council by way of communications through the Office of the City Clerk.

CAPITAL BUDGET RECOMMENDATIONS:

2. That the following recommendations with respect to the 2023 Preliminary Capital Budget and 2024 to 2028 Five-Year Capital Forecast be approved by Council:

- A. That the following be reviewed and approved by Council:

- i. 2023 Preliminary Capital Budget (pages 83 and 323); and
- ii. 2024 to 2028 Five Year Capital Forecast (pages 83 and 323).
Note: Refer to pages 93 and 334 of this document for the updated amounts.

- B. That Council approve new capital borrowing authority as follows:

- i. \$53.310 million external borrowing for 2023 tax-supported operations, including Transit and Municipal Accommodations;
- ii. \$2.100 million external borrowing for 2023 tax-supported internal financing; and

Note: A separate borrowing authority in the amount of \$10.9 million for the Winnipeg Fleet Management Agency SOA is being put forward for Council consideration and approval as part of the SOA's 2023 Business Plan report.

- C. That Council approve the following cash to capital contributions:

<u>Year</u>	<u>\$ Millions</u>
2023	6.858 (budget)
2024	24.211 (forecast)
2025	22.900 (forecast)
2026	24.520 (forecast)
2027	23.836 (forecast)
2028	27.553 (forecast)

- D. That Council approve all other transfers from prior years' surplus or authorizations, to and from reserves and other funds outlined in the 2023 Capital Budget (identified in Appendix 4 of the Supplement to the 2023 Preliminary Budget), subject to the following conditions on transfers from reserve funds:

- i. That the Chief Financial Officer must first certify that the amount remaining in each reserve fund after the transfer is greater than the amount required for the purpose for which the fund was established; and
 - ii. The fund must not enter into a deficit position as a result of the transfer.
- E. Whereas the following expenditures – in addition to the expenditure of funds authorized by the Expenditure before Budget Adoption By-law 8164/2002 – do not exceed 30% of the expenditures estimated in the capital budget for 2023, that Council authorize expenditures on the following projects in 2023 or prior to the adoption of the 2024 capital budget as a first charge against the General Capital Fund, in accordance with Subsection 288(2) of The City of Winnipeg Charter to facilitate timely work on the projects.
 - i. Up to \$48.100 million for various Regional Non-accelerated Street Renewal projects (Attachment 1);
 - ii. Up to \$23.200 million for St. Vital Bridge Rehabilitation;
 - iii. Up to \$162,000 for Public Works' Portable Traffic Study Equipment;
 - iv. Up to \$2.992 million for Transit's Hoist Replacement at Fort Rouge Garage;
 - v. Up to \$1.013 million for Radios and Intelligent Transportation System (ITS) Replacement; and
 - vi. Up to \$31.000 million for the Transition to Zero Emission Buses.
- F. That Council approve the suspension of applications and new grants from the Community Incentive Grant Program (CIGP) effective March 22, 2023, with the result that no additional funding under that program may be approved after that date but previously approved funds will continue to be made in accordance with agreement made pursuant to the approvals. A ward-by-ward community granting program will be developed ideally through the modification of an existing program, with details to be confirmed in advance of the new multi-year budget.
- G. That the following CIGP amounts, less any amounts approved pursuant to the CIGP in respect of those wards between September 30, 2022 and March 22, 2023, be expended in each applicable ward in accordance with the Land Dedication Reserve Policy expenditure criteria and approval process.

Balance as of September 30, 2022:

Charleswood – Tuxedo – Westwood	\$ 326,142
St. James	304,722
Waverley West	125,927
Daniel McIntyre	289,949
Fort Rouge – East Fort Garry	78,059

River Heights – Fort Garry	192,214
North Kildonan	99,483
Elmwood – East Kildonan	49,487
Transcona	12,616
Mynarski	7,077
Old Kildonan	221,074
Point Douglas	53,251
St. Boniface	6,129
St. Vital	5,786
St. Norbert – Seine River	73,488

- H. That Council approve the transfer of \$90,000 surplus funds related to the Ron Duhamel Tennis/Pickleball Courts and Shirley Render Park Pathways projects from the 2020 Golf Lands Repurposing Review and Recreation Amenities capital program to the Land Dedication Reserve for use in the St. Vital Ward.
- I. That, contrary to Council direction on October 28, 2015, instead of automatically revising the threshold for Major Capital Project reporting for annual capital construction inflation, the same threshold as 2022 Budget be maintained at \$25 million for 2023 Budget.
- J. That the Multi-year Budget Policy (City Policy CO-016) be amended to provide that, at the start of each multi-year budget cycle, the Public Service assess the threshold set for Major Capital Project reporting and be authorized to propose increases or decreases to that threshold, and that the following paragraph be added immediately after paragraph 4.2 of the Policy in order to implement the intent of this recommendation:
 - 4.2.1. In the first year of each multi-year budget cycle, the Chief Administrative Officer shall ensure that the Public Service considers the Major Capital Project threshold that is to be used over the period of the four-year budget cycle and, if necessary, presents recommendations for increases, decreases or other changes to the Major Capital Project threshold to the appropriate Committees for consideration and discussion.
- K. That a capital project be approved to remediate the easterly portion of Mission Park in 2023 for a cost of \$139,000 and the Weston Memorial Community Centre hockey rink in 2024 for a cost of \$311,000 funded by cash to capital.
- L. That the following amendments be made to the capital detail sheets included in the Supplement to the 2023 Budget:
 - i. Regional and Local Street Renewal, under Thin Bituminous Overlay section, remove “Other locations to be determined (\$3 million)”;
 - ii. That the first paragraph on the capital project page (page 55 of the Supplement to the 2023 Preliminary Budget) for Trade Route Corridors – Planning and Design be replaced with the following:

“Funds will support the development of post-preliminary design work for priority major capital transportation infrastructure projects to address priority transportation network improvements. The post-preliminary design work must include an independent value for money assessment for evaluating business case and alternative project delivery methods which may include traditional design/bid/build, public private partnership, and/or construction management delivery methods.”

Note: Refer to page 55 of the Supplement to the 2023 Adopted Budget for the updated amounts.

- M. That Council approve additional Disaster Financial Assistance (DFA) eligible capital projects from the 2022 spring flood, as identified in Attachment 2 totaling \$4.2 million to be funded by:
 - i. Departmental existing funding sources \$3,417,000; and
 - ii. External debt \$774,000.
 - N. That a proposal to allocate \$980,000 annually in the Capital Budget Forecasts for the Regional and Local Renewal Program to the Road Safety Improvement Program to support the implementation of priority recommendations outlined in the Road Safety Strategy be referred to the 2024-2027 Multi-year Budget process.
 - O. That the Financial Stabilization Reserve funding of \$1.035 million in each of 2022 and 2023 (for a total of \$2.070 million) for the Community Centre Renovation Grant Program be replaced by External Debt.
 - P. That the Director of Assets & Project Management be directed to prepare an estimated timeline for the Class 3 cost estimate update, design, site preparation and construction of the East of the Red RecPlex, based on funding participation by other levels of government, and report back to the Standing Policy Committee on Community Services within 180 days.
 - Q. That the Community and Neighbourhood Parks capital program be increased by \$411,000 in 2023 for the following projects: \$65,000 for William Johnstone Park; \$100,000 for Riel Park; and \$246,000 for Dean Finlay Park. These capital projects will be funded by \$300,000 Cash to Capital and \$111,000 Prior Year Surplus (Tache Promenade project).
 - R. That the City Solicitor/Director of Legal Services submit such by-laws as necessary to implement the intent of the above recommendations directly to Council by way of communications through the Office of the City Clerk.
3. That the Proper Officers of the City be authorized to do all things necessary to implement the foregoing.

ATTACHMENT 1: Summary of First Charges on Regional and Local Street Renewal Program for 2024 Capital Budget

REGIONAL STREET RENEWAL PROGRAM		2024

Lyndale Drive AT Pathway	\$123,205	Prior Year External Debt
Brookside Cemetery	\$219,320	External Debt

Total **\$4,191,240**

Broken down by:

Existing funding sources \$3,417,220

Incremental External Debt \$774,020

Basis of Budgeting

In 2020, the City produced its first ever multi-year balanced operating budget. Covering the period from 2020 to 2023, the Tax Supported Operating Budget was balanced in all four years. As required by legislation (The City of Winnipeg Charter), the City prepares a six-year capital investment plan, including all related funding sources. The final year of the multi-year balanced operating budget, the updated 2023 preliminary operating budget and preliminary capital budget for 2023 and five-year forecast will go to Council for adoption in March 2023.

The City budgets for several funds – the capital fund; the general revenue or tax-supported fund; utility operations (Transit, Waterworks, Sewage Disposal, Solid Waste Disposal, Land Drainage, Municipal Accommodations); and Special Operating Agencies (SOAs) (Animal Services, Golf Services, Parking Authority and Fleet Management). Transfers to or from the General Revenue Fund (see Appendix 4A and B, Volume 2) and between funds are included in the budget. In addition, revenues and expenses for capital and special purpose reserves are included in the budget (see Appendix 3, Volume 2).

The basis of budgeting for the City is described in more detail in the following sections:

Expense and Revenue Recognition

The City of Winnipeg develops its operating budget for tax supported and utility operations on a modified accrual basis. The modified accrual basis of accounting records revenue when it is earned, measurable and available. Expenditures are recognized when the liability is incurred, except for certain expenses, for example, those associated with retirement allowances, accrued vacation, worker's compensation, compensated absences, and landfill liabilities which are budgeted on a cash basis. Debt servicing payments are budgeted for when due (depreciation of assets is not budgeted except for SOAs). Revenue from land sales is recorded in accordance with accounting principles used within the real estate industry. Other sources of revenue budgeted are based on previous year's actuals while also considering inflation.

The City uses the full accrual basis of accounting. Revenue is recorded as it is earned and measurable. Expenses are recognized as they are incurred and measurable based on receipt of goods and/or the legal obligation to pay. The City's financial statements are developed in accordance with generally accepted accounting principles for local governments, as recommended by Public Sector Accounting Board (PSAB).

Salaries and Benefits

Of the total City's services expenditures, about half are made up of salaries and benefits. The City negotiates with bargaining units to establish the rates used to compensate City staff. Depending on the bargaining unit the position is associated with, rates used in the budget consist of either the rates in the settled collective agreements or an estimated rate for positions in a bargaining unit.

Capital Assets

Capital assets are generally defined as those with a cost exceeding \$100,000 (non-recurring capital projects and recurring/ongoing capital programs) with a minimum 10-year life. These assets are budgeted for in the capital budget and the financing costs are expensed in the operating budgets. Major equipment or automated systems development projects are also included in the capital budget although their useful life may be less than 10 years. Land acquisition and local

improvements are considered capital works regardless of expected cost. Smaller asset purchases are expensed in the operating budgets.

Further information on developing the capital budget is disclosed in Appendix 6.

Service-Based Budget

The City reports budget information on a service-based basis (how much the service will cost and how the service is to be funded), regardless of which area or department delivers the service. The service-based budget is intended to provide more transparent reporting and a more direct link between budgets provided and the services delivered. As part of the budget document a more traditional, by department view is also provided (see Appendix 1 for the Operating Budget and Appendix 6 for the Capital Budget, Volume 2).

Capital Leases

Leases are classified as capital or operating leases. Leases which transfer substantially all of the benefits and risks incidental to ownership of property are accounted for as capital leases. All other leases are accounted for as operating leases and the related lease payments are charged to expense as incurred.

Debt and Debt Payments

The City may only incur debt for the purposes of capital expenditures. With the approval of the Provincial Minister of Finance, a borrowing by-law is passed by Council which authorizes borrowing for the capital budget.

Annual payments of principal and interest are budgeted in the City's operating budget as debt and finance charges.

Consolidation

The annual operating budget adopted by Council provides the spending authorization for each fund, and therefore the current year budget is adopted on a non-consolidated basis. That is, inter-fund transactions have not been eliminated in order to ensure full spending authority is provided. However, each year in the budget document, a consolidated budget is prepared for the current year which eliminates inter-fund transactions. This consolidated budget is then available each year-end to allow comparison and variance reporting to the annual financial statements, also prepared on a consolidated basis (see Appendix 7 Volume 2).

Balanced Operating Budgets

The City of Winnipeg Charter requires that the City adopt a balanced operating budget for the current year (estimated expenditures for a fiscal year do not exceed the estimated revenues for the year). Council policy provides that year-end surplus be transferred to the Financial Stabilization Reserve. Any operating deficits arising in-year must be addressed in the next year's budget.

As per the [Multi-Year Budget Policy](#), approved by Council March 20, 2020, the 2020 to 2023 tax supported operating budget were balanced in all four years. 2023 is the third and final update year in the multi-year process, and with updates, 2023 remains balanced.

Dividend Policies

The [SOA Dividend Policy](#), approved by Council February 27, 2020, ensures that the transfer of dividends from Special Operating Agencies to the General Revenue Fund occur in a predictable and sustainable manner in order to simplify planning as well as ensuring financial transparency and fiscal sustainability. Only Council may approve dividends from an SOA to the City's General Revenue Fund at the time of the annual budget process and no dividend may be transferred if doing so would reduce the accumulated surplus of the SOA below \$500,000.

[Water and Sewer Utility Dividend Policy](#), approved by Council March 22, 2011, states that the dividend payment to the City's General Revenue Fund will be 11% of utility's budgeted gross sales each year.

Reserves

Reserves are established by Council, as required for future financial commitments and are operated under the regulations and policies prescribed by provincial legislation or City by-laws as applicable. Budgets are prepared for reserve expenditures and revenues, and transfers to and from reserves are included in the tax-supported, utility, and capital budgets.

Fees and Charges

A Fees and Charges Schedule is published annually in accordance with the Fees and Charges By-Law (196/2008) to identify the current fees and charges administered by the City of Winnipeg and the authority under which they are administered. The Chief Financial Officer is authorized to increase annually any fee imposed by the City by an amount equal to or less than the rate of inflation. New fees or fee increases greater than inflation must be approved by Council unless specifically otherwise delegated. New fees or fee increases greater than inflation are included as part of the annual budget process (see Appendix 8 in Volume 2).

Long-Term Capital Forecasting

Asset Management Policy F1-011 (adopted by Council on January 28, 2015), states that the Public Service will implement a comprehensive approach to managing the City's assets, to meet established levels of service at the lowest overall cost of ownership, at an acceptable level of risk. Winnipeg's City Asset Management Plan (CAMP) and the State of the Infrastructure Report (SOIR) were released in 2018. The CAMP summarizes the inventory, overall replacement value, age and condition of the City's major asset groups. It also outlines the funding deficit and strategies associated with meeting assumed levels of service for existing and new infrastructure.

The City of Winnipeg's 2020 Infrastructure Plan captures the City's 10-year capital investment priorities, which is presented in support of the development of a, multi-year capital budget. The Infrastructure Plan encompasses all civic services and proposed capital projects with a cost of over \$5 million. This cost threshold applies to 45 projects with a combined total of \$5.8 billion in proposed capital investments, capturing

approximately 50 percent of the City's total capital needs from 2020-2029.

The plan is intended to be a blueprint for how the City is able to maintain sustainable and affordable service delivery for residents, by incorporating the information from the plan into the City's investment planning cycle and multi-year budget process.

Long-Term Financial Projections

An updated long-term projection is included in Budget Volume 2 (Budget Context and Overview). It shows the projection for total city revenues and expenses up to 2030.

For more information on the City's policies, strategies and plans, refer to 2023 Budget Volume 1 Community Trends and Performance Report -

https://winnipeg.ca/cao/pdfs/CommunityTrendsandPerformanceReportVolume1_2023.pdf.

2023 Balanced Budget Update Highlights

2020 – 2023 Multi-Year Budget

Agenda

Balanced Budget Overview

(Service Based View)

2023 BALANCED BUDGET UPDATE				
Service Based Budget by Standing Policy Committee (in millions of \$)	FTEs	Operating Budget	Capital Budget	Reserves, Net Income / (Loss)
Public Works	2,446	(292.2)	333.1	(2.9)
Water, Waste and Environment	978	13.6	172.2	(25.9)
Property and Development	618	11.2	7.6	6.8
Community Services	2,484	(308.8)	47.2	(0.8)
Winnipeg Police Board	1,952	(281.3)	3.0	-
Finance and Economic Development	134	968.7	2.9	16.1
Executive Policy Committee	555	(77.0)	5.4	(1.0)
Total City	9,167	34.2	571.4	(7.7)

4-year tax supported budget increasing by an average of 2.2 percent (2020 to 2023).

Notes:

1. Includes COVID financial implications.
2. Property, business and other taxes, and other Corporate revenue are under the purview of SPC Finance and Economic Development.
3. Bracketed amounts represent mill rate support / deficit.
4. FTEs = Full Time Equivalents

How did we balance the budget

Cost Pressures

- COVID-19 Pandemic \$16.5m
- Fuel, labour agreements, Council approved initiatives and other obligations \$19.3m
- Improve customer service \$3.0m
- Community Outreach, Safety and Humanitarian \$6.6m
- Support the economy \$3.5m
- Strategic investments – infrastructure and natural assets \$18.6m
- Other investments/adjustments \$2.5m

Balancing Measures

- Property and business tax increase \$7.8m and \$1.9m
- Frontage levy \$17.8m
- New and above inflation fees \$2.5m
- Provincial and Federal funding \$40.0m (plus \$9m in 2022)

Average Home Assessed at \$338,900 in 2023

	2023	2022	Change	
Municipal property taxes (excludes school taxes)	\$1,967	\$ 1,900	\$ 67	3.50%

18 cents per day on the average home

2023 Average Homeowner's Property Tax Bill

Basket of Tax Supported Services

Note

1. Excludes revenue and expenditure related to Frontage Levies.

2023 Municipal Property Tax Comparison

Sources: Various media and municipal government websites.

* Based on preliminary or proposed budget information.

Examples of City Services - Amount Per Day

How much does it cost?			
Examples of City Services		Per Year	Per Day
	1 Property taxes	\$1,967	\$ 5.39
	2 Frontage Levy	\$348	\$ 0.95
	3 Bus fares	\$1,294	\$ 3.54
	4 Water and Sewer	\$1,260	\$ 3.45
	5 Waste diversion (recycling and waste diversion)	\$69.46	\$ 0.1903

Notes:

¹ Based on home assessed at \$338,900 in 2023 (1,200 square foot detached single family dwelling, which includes 3 bedrooms, 1.5 bathrooms, unfinished basement on a lot that is 50 x 100).

² Based on \$6.95 per frontage, on a 50-foot lot and single-family dwelling. Estimated that 65% of dwellings are single family and about 35% are apartments / condominiums.

³ Based on full fare monthly pass.

⁴ Based on residential customer, a family of four, with estimate consumption of 50 cubic metres per quarter.

⁵ Based on single family dwelling.

Reserve Projections

Reserve (FSR) In Millions	Multi-Year Budget			Actual	Forecast	
	2021	2022	2023	2021	2022	2023
Ending balance	\$ 95.2	\$ 106.6	\$107.4	\$ 75.1	\$ 2.1	\$ 17.4
Target balance	\$ 70.8	\$ 71.2	\$ 73.4	\$ 70.8	\$ 71.7	\$ 78.0
Requirement to meet the target					\$(69.6)	\$ (60.6)

Notes:

1. FSR's target balance is 6% of tax supported expenditures (\$1.3 billion).
2. FSR's 2022 forecast reflects Council adoption (June 23, 2022) of transferring funds to General Revenue Fund to avoid a deficit.
3. Council to adopt a replenishment plan for the FSR - timing to be determined.

In Millions	Forecast Balance	2023 Net Income / (Loss)	2023 Balance
Capital & Special Purpose	\$366.2	\$(23.0)	\$343.2

Capital Budget Summary

By Standing Policy Committee (in millions of \$)	2022 Adopted Budget	2023 Budget	2024 - 2028 Forecast	6-year Total
Public Works	299.3	333.1	1,469.0	1,802.1
Water, Waste and Environment	126.8	172.2	839.4	1,011.6
Property and Development	4.8	7.6	22.7	30.3
Community Services	65.1	47.2	156.9	204.1

Net New Capital Investment	512.4	546.7	2,529.6	3,076.3
2022 Adopted 6-year Capital Budget				2,908.1
2023 Budget Increase over 2022				197.5

Economic Impact Assessment:

2023 to 2028 Capital Budget

Economic Impact	Manitoba	Rest of Canada
Gross Domestic Product	\$1,825.8 million	\$463.7 million
Person Years of Employment	15,987	3,420
Federal Government Tax Revenue	\$200.8 million	\$50.8 million
Provincial Government Tax Revenue	\$190.5 million	N/A

Key Projects in the 6-Year Adopted Capital Budget

58

Regional And Local Street Renewal

Sustainable movement of people, goods and services

Budget Years: 2023 to 2028

Amount: \$980.6 million

(1.7% tax increase for local streets and 0.3% for regional roads)

CentrePort South – Water and Sewer Servicing

Infrastructure to advance development

Budget Year: 2023

Amount: \$40.0 million

(Total investment \$60 million from 3 levels of Government.
City share is in 2022 Budget)

Urban Forest Renewal

Tree pruning, Dutch Elm Disease management,

Emerald Ash Borer response

Budget Years: 2023 to 2028

Amount: \$56.7 million

Key Projects in the 6-Year Funded Capital Submission

Transition to Zero Emission Buses

Conversion of diesel fleet to electric and/or hydrogen fuel cell buses
Budget Years: 2023 to 2028
Amount: \$267.8 million

North Garage Replacement

Energy Efficient Bus Storage and maintenance facility
Budget years: 2023 - 2025
Amount: \$155.9 million
(Total project = \$200 million)

Combined Sewer Overflow and Basement Flood Management Strategy

Meet license requirements
Budget Years: 2023-2028
Amount: \$240.0 million

Other notable projects in the 2023 – 2028 budget include: Waverley West Fire Station, funding to plan for Trade Route Corridors and funding for NEWPCC Nutrient Removal

Balanced Budget Outlook

Multi-Year Budget Next Steps

- Alignment of OurWinnipeg goals and Strategic Priorities Action Plan
 - Development of the Strategic Priorities Action Plan
 - Review of the Multi-Year Budget Policy
 - Strategic Infrastructure Plan update (2018 10-year Infrastructure Deficit ~\$6.9 billion)
- Next multi year budget cycle (2024 to 2027) with balanced operating and capital budgets
 - Details to be determined
 - Tax supported operating budget forecast up to 2030
 - Infrastructure Funding Gap 2023 to 2028
- Financial Stabilization Reserve – replenishment plan
 - Transfer of \$15 million from Waterworks funds
 - Projected balance to December 31, 2023 \$17.4 million, shortfall from Council approved target \$60.6 million
 - Further plan to be determined

Budget Outlook

2023 Tax-Supported Projections by Scenario

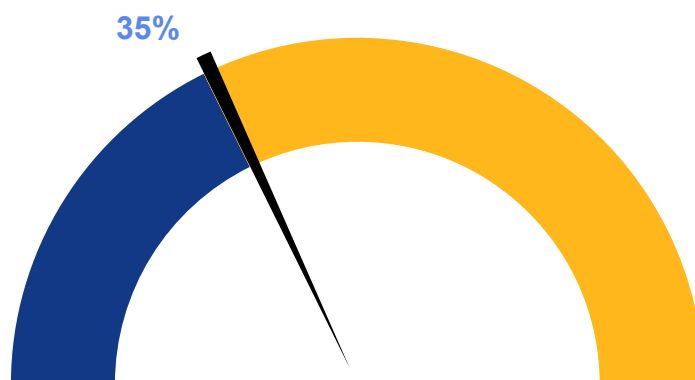

Assumptions:

- Frontage levy increase of \$1.50 per foot effective 2023 budget.
- Cash to Capital \$27.6 million annually beginning in 2028
- Does not include unfunded capital projects

Budget Outlook

6-Year Infrastructure Funding Level

$$\frac{\text{Planned Investment}}{\text{Total Potential Capital}} = \frac{\$3.1 \text{ billion}}{\$8.8 \text{ billion}} = 35\% \text{ Funded}$$

City's 2023 to 2028 Infrastructure Funding Gap is \$5.7 billion

Monday, March 13, 2023	Executive Policy Committee – budget review (Regular Meeting)	Organizational Support Services 311 Contact Centre Innovation & Technology Council Services
Tuesday, March 14, 2023	Standing Policy Committee on Finance and Economic Development (Regular Meeting)	Assessment & Taxation Economic Development
Thursday, March 16, 2023	Executive Policy Committee to hear delegations on Budget (Special Meeting)	Not applicable
Tuesday, March 21, 2023	Executive Policy Committee for final Budget Recommendations (Special Meeting)	Not applicable
Wednesday, March 22, 2023	Special Meeting of Council to consider Budget	Not applicable

Budget Context and Overview

Multi-Year Budget Policy

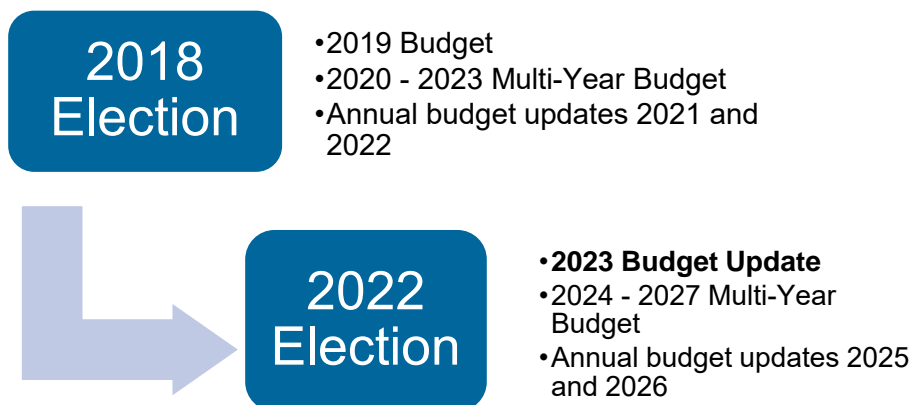

The Multi-Year Budget Policy was adopted by Council March 20, 2020 and amendments allowed for the following items:

- Legislative changes;
- New Council direction;
- Cost or Revenue drivers;
- Incremental operating impact of approved capital projects.

Budget Process and Council timelines

The budget process and Council timelines include balanced budget updates as well as establishing a multi-year budget during their term in Council. This document is prepared for the 2023 Budget Update.

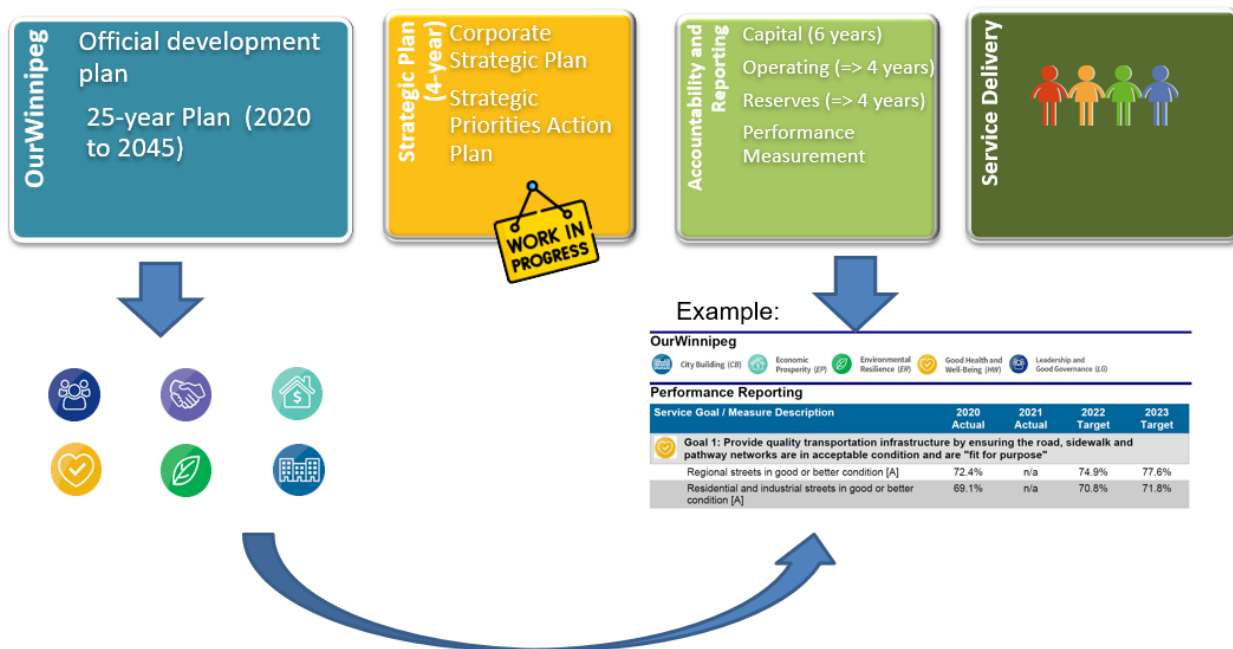

Budget Guidelines

The budget guidelines for this year include the following:

- Balanced 2023 Budget;
- In compliance with the Multi-Year Budget Policy;
- Service levels consistent with 2022;
- Budget linkages to departmental plans / key goals by:
 - aligning service-based budget goals to OurWinnipeg;
 - targets for 2023;
 - performance measurements;
- Identify and implement efficiencies;
- Development of 2028 capital budget consistent with prior year forecasts.

Strategic Framework

OurWinnipeg and Service-Based Budget Alignment

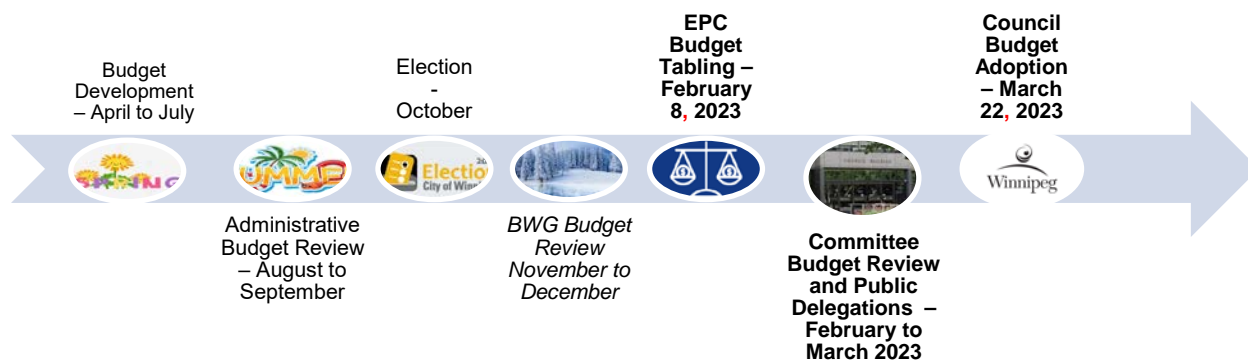

Budget Decision Making Process

Balanced budget development starts with Council approved operating projects and capital forecasts. Prior to balancing the 4-year budget in 2020 the City's budgeted deficit submissions were:

- 2020: \$89.6 million
- 2021: \$119.9 million
- 2022: \$158.6 million
- 2023: \$174.9 million

Timeline

Economic and Financial Trends

Winnipeg Economic Region: Employment Rate

2022 Employment Rate Is the Highest Since 2015

Winnipeg Employment by Industry

2022 Employment Gains Concentrated in Service Industries

Liquidity Measure – Actuals

Liquidity values represent liquidity as at the end of the given month. The Minimum Liquidity Threshold is 30% and Winnipeg has maintained above the minimum throughout the period of the multi-year budget.

Financial Stabilization Reserve

Actuals and Projection

Balanced Operating and Capital Budget

Key Budget Priorities

Key budget priorities include citizen improvements, economic development, community outreach and safety, protecting the environment, affordability and expenditure control and strategic investments. Please see below for more details on plans to achieve these priorities.

Citizen service improvements

- 25% increase to 311 service
- Neighbourhood action teams
- Citizen portal
- Accessibility improvements (Transit and Municipal Accommodations)
- Investment in recreation services' recruitment and retention

Economic Development

- CentrePort South - Water and Sewer Servicing
- Trade Route Corridors – Planning and Design
- Initial investment for Naawi-Oodena agreement
- Winnipeg Arts Council (~\$5 million in operating + capital)
- Investment in permits staff
- Sustainable procurement action plan

Community Outreach and Safety

- Alternative shelter spaces and related housing initiatives
- Downtown Safety Partnership Program
- Rapid housing initiatives
- Indigenous Youth Strategy
- Safety investments in Transit and Millennium library
- Road Safety (1) Strategic Action Plan and (2) Improvement Program

Protect the environment

- Tree canopy
- NEWPCC Nutrient Removal
- Waverley West fire station with geothermal technology
- Transition to Zero Emission Buses
- Combined Sewer Overflow strategy
- Climate Action Plan – policy and data collection enhancement

Affordability and expenditure control

- Property tax increase of 3.5%
- Increase in frontage fees by \$1.50 per foot
- 2.2% 4-year operating expenditure growth rate (vs. 3.6% 2023 forecasted CPI)
- Deferral of borrowing
- Cost reduction measures
- Vacancy management
- Efficiencies

Strategic investments

- Regional and Local Street Renewal
- Winnipeg Archives - The Winnipeg 150 Legacy Project
- Active transportation
- St. Vital Bridge Rehabilitation
- North Transit Garage
- Parks and Recreation Enhancement Program
- Recreation and Library Facility Investment Strategy
- East of the Red RecPlex

Performance Measurements

Performance measures have been published annually by the City of Winnipeg since 2010 and are a gauge of how well services are being provided as well as progress by departments towards achievement of identified key goals. Performance measurement provides the necessary data to identify needs and to support reallocation of resources or realignment of strategic objectives to improve processes and priorities. Performance indicators are used as a tool to:

- Enhance transparency and accountability to citizens of Winnipeg;
- Improve service delivery; and
- Increase shared knowledge and promote mutual improvements through benchmarking to other municipalities.

Some examples are shown here and more results can be found throughout the 2023 Balanced Budget Update:

Organizational Support Services					
Performance Reporting					
Service Goal / Measure Description		2020 Actual	2021 Actual	2022 Target [E]	2023 Target [E]
	Goal 2: Strengthen financial management and accountability across the organization.				
	Organizational Support Services Expenditure Ratio	1.9%	1.9%	<5%	<5%
	Value-Added Audit Implementation Rate	70.0%	60.0%	90%	90%
	Goal 3: Increase diversity, inclusion and employment equity across the organization.				
	Percent of Employees Self-Identifying as:				
	Women [B]	29.3%	28.2%	50%	50%
	Indigenous [B]	10.7%	11.1%	12%	12%
	Persons with Disabilities [B]	2.9%	4.5%	9%	9%
	Racialized People [B]	16.2%	16.4%	13%	13%
[B]	Annually, an increase is targeted towards each respective diversity outcome. For example, the diversity target for employees self-identifying as women is ultimately 50%, but the target in 2022 is an increase of any value toward that outcome.				
[E]	KPIs & targets reflect the strategic directions & goals identified in the Corporate Strategic Plan: www.winnipeg.ca/cao/pdfs/CW_Corporate-Strategic-Plan_FINAL-20220325.pdf				

Source: 2023 Budget Volume 2

The City's performance measurement framework includes performance reporting as noted on the previous page and effectiveness and efficiency measures as shown here:

Effectiveness Measures – measure the quality of service delivered relative to service standards or the customer's needs or expectations.

Direct Debt as a Percent of Operating Revenues - City Comparison (2021)

Winnipeg's direct debt as a percentage of operating revenues is above average (67.6%) when compared to other major Canadian cities.

Source: Standard & Poor's

Efficiency Measures – compare the resources used to the number of units of service provided or delivered. Typically, this is expressed in terms of cost per unit of service.

Municipal Operating Costs per Capita (2021)

Winnipeg's municipal operating costs per capita is lower than the average (\$2,254) when compared to other major Canadian cities.

Source: Municipal Benchmarking Network Canada (MUN050 / Population)

2021 Municipal Benchmarking Network Canada Results (published in October 2022)

Winnipeg reports 360 measures across 30 service areas

Source: <http://mbnccanada.ca/>

For 2021, municipal results continued to be impacted by the effects of the COVID-19 pandemic in service areas with direct contact with the public, such as libraries and transit. When examined year over year, 2021 results are fairly consistent with 2020.

2022 Citizen Survey

The level of service satisfaction, value for tax dollars and customer service declined in 2022 while the quality of life satisfaction remained steady. For more information on the survey please refer to the report on the city's website:

https://legacy.winnipeg.ca/finance/documents_page.stm#Surveys

Balanced Budget Overview

How did we balance the budget?

There were significant costs and investments to consider along with balancing measures, summarized in the tables on this page and the next:

Significant budget changes (in millions of \$):			2023
COSTS AND INVESTMENTS:			
<u>Unavoidable costs:</u>			
1	Fuel	11.9	
2	Labour agreements and other benefits	4.2	16.1
<u>Council approved:</u>			
3	Snow clearing policy	0.9	
4	Community Centres increase due to inflation and population growth	0.3	1.2
<u>COVID-19 pandemic impact:</u>			
5	Tax supported	3.1	
6	Transit	13.4	16.5
<u>Regulatory and other obligations</u>			
7	Maintaining temporary FTE's to meet volumes, plus additional permanent FTE's based on 2022 budget recommendation related to permit revenue volumes.		2.0
<u>Improve customer service:</u>			
8	25% increase to 311	1.1	
9	Gradual restoration of Transit service level	1.0	
10	Neighbourhood Action Teams	0.5	
11	Transit on-request service	0.2	
12	Help address lifeguard recruitment and retention issues	0.2	3.0
<u>Community Outreach/Safety/Humanitarian:</u>			
13	Downtown Community Safety Partnership	0.2	
14	Alternative shelter spaces and related housing/street safety initiatives	1.0	
15	Millennium Library - feasibility for lobby renovation plus security audit*	0.1	
16	Community Safety Officer Team (Transit Safety Initiative)	5.0	
17	Road safety strategic action plan	0.3	6.6
<u>Economic Development</u>			
18	Restore annual grant to Winnipeg Arts Council	0.4	
19	Trade route corridors - planning and design	2.8	
20	Begin operationalizing the Naawi-Oodena agreement	0.1	
21	Implement the Sustainable Procurement Action Plan	0.2	3.5
<u>Infrastructure and Natural Assets:</u>			
22	Protect tree canopy	3.6	
23	Investment in road and active transportation projects	15.0	18.6
24	Other investments/costs		0.9
Mill rate support requirements			68.4

* For more details see page 102 of the Supplement to the 2023 Budget.

Significant budget changes (in millions of \$):		2023
BALANCING MEASURES:		
<u>Revenues:</u>		
25	Property tax revenue allocation to operations (1.17%)	7.8
26	Frontage levy increase (\$1.50 per foot)	17.8
27	New one-time Provincial and Federal Funding	40.1
28	Increase in Business tax revenue	1.9
29	Revenue adjustments due to inflation (3.2%) and volume changes	2.5
		<u>70.1</u>
<u>Cost savings and efficiencies:</u>		
30	Vacancy management and other staff reduction	1.9
31	Capital project closures	4.0
32	General expense reduction	4.5
		<u>10.4</u>
33	Corporate efficiencies adjustment, leaving a balance of \$22.1 million	(11.4)
34	Transfers from reserves	(0.7)
Sub-total balancing measures		68.4
Mill Rate Support		-
Note: Corporate Efficiencies is budgeted at \$22.1 million in 2023 (vs. \$30.8 million in 2022)		

Operating Budget – Utilities and Special Operating Agencies (SOAs)

Changes from Forecast

Significant budget changes (in millions of \$):		MYB Criteria	2023 Budget
Council Approved Forecast - Surplus from 2022 budget process			52.5
Increase / (Decrease) From Forecast:			
Revenue			
	Transfer from General Revenue for Transit subsidy	REV/COST	19.3
	Transit fare revenue including COVID-19 pandemic impact	REV/COST	(13.2)
	Parking permits, fees and other including COVID-19 pandemic impact	REV/COST	(3.7)
	Transfer from Southwest Corridor Reserve	REV/COST	1.1
	Increase in Fleet's fuel sales due to projected rates inclusive of carbon tax	REV/COST	2.9

	Transfer to Financial Stabilization Reserve from Waterworks fund	REV/COST	15.0
	Fuel prices	REV/COST	10.4
	Salaries and benefits	LEGISLATED	2.2
	Chemicals	LEGISLATED	2.6
	Transfer to Watermain Renewal Reserve	REV/COST	(3.5)
	Parking dividend to General Revenue	REV/COST	(1.6)
Expenditure Increase			25.1
Total Changes			(18.3)
Adopted Operating Budget - Surplus			34.2

2023 Revenue Highlights

Property Taxes - \$713.9 million, 3.5% tax rate increase

- 2.33% increase dedicated to road and transit infrastructure
- 1.17% for operations
- \$31.8 million increase in comparison to 2022

Business Taxes - \$58.9 million, 4.84% rate

- Rate same as 2022, \$47,500 Small Business Tax Credit (\$44,220 in 2022)
- 55% of businesses exempted
- \$1.9 million increase in comparison to 2022

Frontage levy - \$82.6 million, \$1.50/foot increase

- \$18.4 million increase in comparison to 2022 (volume = \$0.6 million; rate = \$17.8 million)

Water and Sewer sales - \$347.8 million

- \$8.9 million increase over 2022

Government Grants - \$239.2 million

- Total increase over 2022 \$40.0
- One-time increase in 2023 - \$23.4 million
 - \$10.4 million from Federal Government
 - \$13.0 million from Provincial Government
- On-going increase \$16.6 million

Transit Fares - \$83.5 million

- \$15.6 million increase over 2022
 - \$14.1 million - increase in ridership
 - \$1.5 million - 5 cent fare increase

Operating Budget Revenue Overview

Operating Budget Expenditures Overview

How is the money (\$1.3 billion) spent in the tax supported budget?

2023 Tax Supported Operating Budget - \$1.3 billion

Spending in the Utilities and Special Operating Agencies

Utilities and SOAs \$780.2 million

Salary Budget and Full Time Equivalents (FTEs)

2023 Operating Budget	2020 Adopted Budget	2021 Adopted Budget	2022 Adopted Budget	2023 Adopted Budget	Increase / (Decrease)
Full Time Equivalents (number of FTEs)	9,144.00	9,160.00	9,150.00	9,168.00	18.00
Salaries & Benefits (in millions of \$)	\$ 900.3	\$ 926.3	\$ 949.4	\$ 976.4	\$ 27.0
Vacancy Management included in Salaries & Benefits (in millions of \$)	\$ (18.1)	\$ (18.5)	\$ (19.3)	\$ (21.3)	\$ (2.0)

FTE variance explanations:

a. City Clerks - Primarily due to deletion of temporary staff for 2022 election (7).	(7.61)
b. Community Services due to (1) deletion of temporary FTEs offset by permanent FTEs (-5.98) due to operational requirements, (2) additional FTEs (+1.50) due to "Designated Growers of Medical Cannabis" program, (3) deletion of capital funded FTE (-1.00) and (4) adjustment to staffing due to recruitment and retention issues (-19.19).	(24.67)
c. Planning, Property and Development due to (1) term-ending improvements funded by the Federal Restart program (-4.00), (2) planned efficiencies in the multi-year budget plus vacancy management adjustment (-7.59), (3) permanent FTEs funded by Permit Reserve (+5.00) and (4) additional staffing funded by the Cemeteries Reserve (+1.33).	(5.26)
d. Police Communication Centre - 6 communication operators and 2 call takers in 2023 (annualized increase of 18 civilian FTEs).	8.02
e. Transit due to (1) On-request service (+2.60), (2) capital funded FTE (+1.00) (3) other changes (+0.44).	4.04
f. Fire Paramedic Service - Next Generation 911 (1) and Personal Protective Technicians for Centralized Turnout Gear Cleaning and Maintenance Program.	4.00
g. Chief Administrative Office - primarily due to Community Safety Officer Team.	20.40
h. Customer Service and Communications primarily to address retention and increase recruitment in 311 Division (6.75).	7.18
i. Public Works - primarily to establish a new Neighbourhood Action Team division	9.79
j. Other adjustments	2.11
Total	18.00

Notes:

- One FTE is approximately equivalent to \$71,566 for vacancy management in the 2023 budget.
- Temporary FTEs funded from capital are authorized in the capital budget, and as such are not included in the numbers above.

COVID-19 Budget Impact to Operating Budget

2023 Budget Shortfall due to COVID-19 impact is \$18.7 million

Poverty Reduction Strategy

In response to the Council approved strategy, Departments have identified work and corresponding budget dollars that align with the strategy. 2023 Budget aligned \$13.7 million or 0.7% of Total City Operating Expenditures and Nil for Capital Budget.

Further investments may be considered as part of Council's 2024 to 2027 Multi-Year Budget and the ongoing Strategic Planning process.

Poverty Reduction Strategy

Capital Budget Highlights

2023 Capital Projects

For 2023, funding is mainly for ongoing programs (66%) with most of the remaining funding for projects (33%). Commitments make up only 1% of the budget.

Typically, projects in 2023 are expected to be at a class 3 or better. However, the percentage of projects outside of this range in 2023 is 52% (\$97 million).

This is mainly due to Transit's North Garage Replacement project. This project alone makes up \$88.3 million of the \$185.99 million in total projects in 2023. This was classified at a class 5 in 2023 pending the completion of preliminary design.

Changes from Capital Forecast

Projects (in millions \$)	MYB Criteria	2023 Budget	2024 - 2028 Forecast	6-year Total
Council Approved Forecast		464.8	1,916.3	2,381.1
Increase / (Decrease) From Forecast:				
Regional / Local Roads ¹	REV/COST	22.2	88.0	110.2
Parks and Recreation Enhancement Program	REV/COST	1.3		1.3
Urban Forest Renewal ²	REV/COST	4.2	24.0	28.2
East of the Red RecPlex	REV/COST	2.0	(1.0)	1.0
Waverley West Station (Primarily due to deferral)	REV/COST	(9.6)	10.1	0.5
Citizen Portal	REV/COST	2.0	0.9	2.9
Winnipeg Archives - The Winnipeg 150 Legacy Project	REV/COST	0.5	12.1	12.6
CAMA ³	REV/COST	2.8	7.9	10.7
Transition to Zero Emission Buses	REV/COST		15.0	15.0
CentrePort South - Water and Sewer Servicing	REV/COST	40.0		40.0
NEWPCC - Nutrient Removal	LEGISLATED	15.0		15.0
Rebudget ⁴	REV/COST	24.2	-	24.2
Various Changes	REV/COST	2.0	13.4	15.4
2028 Forecast			447.5	447.5
Total Changes		106.6	617.9	724.5
Adopted Capital Budget		571.4	2,534.2	3,105.6

Variances from Forecast:

1. Includes \$17.8 annual increase due to the frontage levy increase of \$1.50/foot.
2. Includes funding of \$3.6 million from the 1.17% property tax increase. In 2023 and 2024 funding was used to reduce external debt in the program. Program also increased due to grant of \$7.1 million from Natural Resources Canada.
3. Computer Aided Mass Appraisal System (CAMA) Detailed Analysis and Implementation project.
4. Refer to Appendix 4 of the Supplement to the 2023 Adopted Budget for details.

Debt Strategy

Purpose

- To proactively set debt limits;
- To establish a prudent level of debt to support the City's capital infrastructure program;
- To maintain an appropriate credit rating;
- Continued long-term financial flexibility and sustainability;
- The following table provides the Council adopted limits and debt metrics as at December 31, 2022.

	Maximum	As At December 31, 2022	Forecasted Peak
Debt as a % of revenue			
City	90.0%	69.5%	75.7%
Tax-supported and other funds	80.0%	52.2%	58.7%
Utilities and other	220.0%	68.4%	104.6%
Debt-servicing as a % of revenue			
City	11.0%	5.6%	6.8%
Tax-supported and other funds	10.0%	4.5%	5.3%
Utilities and other	20.0%	5.2%	9.7%
Debt per capita			
City	\$2,800	\$1,725	\$2,084
Tax-supported and other funds	\$1,500	\$968	\$1,129
Utilities and other	\$1,500	\$662	\$1,159

Debt Strategy - Credit Rating

Moody's – Aa2 Stable

In December 2022, Moody's affirmed the City of Winnipeg credit rating at Aa2-stable and noted the following:

Credit Strengths

- Stable institutional framework and economic diversity provides a reliable tax base for own source revenue and a cushion against economic volatility
- Strong debt affordability and growing levels of cash, investments and sinking funds

Credit Challenges

- Lingering COVID impacts create operating pressures, including Transit
- Funding of capital projects will keep debt levels elevated

S&P Global

S&P Global raised their credit rating to AA+ Stable from AA (June 1, 2022) and noted the following:

Credit Strengths

- A diverse economy with gradual population and employment growth will support the City of Winnipeg's creditworthiness
- Prudent financial management practices will allow the city to manage its large capital plan and maintain budgetary performance
- We expect the city's relationship with senior levels of government to remain extremely predictable and supportive
- Tax-supported debt burden will remain largely stable despite borrowing; and liquidity will remain strong

Credit Challenges

- City operations will remain strong despite lingering COVID-19 pandemic-related impacts and inflationary pressures
- City's large capital plan may drive modest after-capital deficits in next few years

Long-Term Financial Projections

As part of the budgeting process the City develops long-range projections for consolidated revenues and expenses. The graph below provides a forecast of the City's financial resources and projected expenditures. Each service within this volume identifies its key goals and targets and how they align to OurWinnipeg Goals. The 4-year budget summary for each of the major funds are presented below.

The City is entering its next multi-year budget cycle (2024 to 2027). The new Council will also be adopting its first Strategic Priorities Action Plan which will help shape the City's budget in the next four years.

The following is the forecast of consolidated revenues and expenditures up to 2030, which include the major funds in the above-noted chart plus the general capital fund, civic corporations and other adjustments. The information below shows a different financial view because it reflects the elimination of all intercompany expenses and revenues which are included in the amounts above.

*2018 to 2022 amounts are actuals. 2023 to 2027 are based on budget and projections

The forecast is prepared using conservative assumptions. Some key assumptions include:

- Funding ongoing operating expenditures with ongoing revenue sources.
- Using one-time revenues for one-time expenditures (e.g. Capital).
- Maintaining adequate reserve balances to address unforeseen events.
- Using a conservative approach to revenue estimation (e.g. inflation, approved tax increases)

These projections are dynamic and can therefore change as assumptions are refined and circumstances change.

Mobile Apps

There are nine different mobile apps that can be found the City of Winnipeg's website (<https://winnipeg.ca/311/default.asp#mobile-apps>) that are used for things such as checking the snow clearing routes, to pay for parking or even booking a tee time.

PayByPhone

Pay for your on-street parking

Know Your Zone

Get notifications about seasonal parking bans and when your residential street will be cleared of snow

Winnipeg Transit

Plan your trip, find stops, and schedules

Recyclepedia

Learn how to recycle, compost, or dispose of your unwanted items

Waze

Share and receive traffic information such as road closures, construction, and traffic impacts

Winnipeg Golf Courses

Enhance your game with an interactive scorecard, track score stats, book tee times, and find out about the latest deals

Winnipeg Public Library

Access your library account, search the collection, and renew and place holds on items

Winnipeg WAV

Book a Wheelchair Accessible Vehicle (WAV)

Winnipeg Transit On-Request

Book On-Request trips

Roadway Construction and Maintenance

Description

Provide Winnipeggers and visitors with access to well-maintained roadways, sidewalks, pathways and bridges in order to ensure the safe, efficient movement of people, goods and services.

Key services include construction and maintenance of bridges, regional & local streets, and regional & local sidewalks.

Service Goal / Measure Description	2020 Actual	2021 Actual	2022 Target	2023 Target
 Goal 1: Provide quality transportation infrastructure by ensuring the road, sidewalk and pathway networks are in acceptable condition and are "fit for purpose"				
Regional streets in good or better condition [A]	72.4%	n/a	74.9%	77.6%
Residential and industrial streets in good or better condition [A]	69.1%	n/a	70.8%	71.8%
Total length of streets renewed (lane-km)	133.4	146.6	144.1	145.9
Total length of sidewalks and cycle facilities renewed (km) [C]	n/a	32.6	32.6	32.6
Dust control applied to gravel roads and lanes (km) [D]	166	201	n/a	n/a
Renewal of chip seal roadway inventory	11.7%	26.0%	25.0%	25.0%
Total cost for paved (hard top) roads per lane-kilometre	\$11,012	\$12,389	\$12,761	\$13,143
Citizen satisfaction with the condition of major streets (such as Portage Ave. or Pembina Hwy.) [B] [E]	58%	61%	40%	53%
Citizen satisfaction with the condition of residential streets in neighbourhood [B] [E]	54%	50%	39%	48%
 Goal 2: Ensure roads, sidewalks and pathways are safe and accessible at all times by providing adequate maintenance				
Hard surface pavements - localized repairs (excl. overlays) (m2)	46,325	52,815	52,815	52,815
Number of potholes filled on hard surface pavements [F]	157,367	140,570	250,000	182,646
Concrete sidewalks repaired (m2)	10,132	8,189	9,489	9,270
 Goal 3: Enable safe waterway crossings and grade separations by ensuring bridges and supporting infrastructure are maintained and meet all regulatory requirements				
Major bridge rehabilitations	8 locations \$6,055,070	4 locations \$5,613,000	5 locations \$6,000,000	5 locations \$10,000,000
Significant bridge maintenance repair works	20 locations \$351,650	28 locations \$746,503	30 locations \$760,000	32 locations \$780,000
 Goal 4: Design and construct new transportation infrastructure in an environmentally sustainable manner and address social and aesthetic considerations				
Total length of new streets added (lane-km) [G]	27.5	49.2	n/a	n/a

Roadway Construction and Maintenance

Service Goal / Measure Description	2020 Actual	2021 Actual	2022 Target	2023 Target
Total length of new sidewalks and cycling facilities added (km) [C] [G]	n/a	15.4	n/a	n/a

- [A] Regional street ratings are collected every second year and will be reported on in the year they are rated. Local streets ratings are collected on a three year cycle and, starting in 2020, will be reported on at the end of each three year cycle. This does not include alley ratings.
- [B] Refer to benchmarking / comparison data on the following page.
- [C] New measure added for 2021.
- [D] Measure is subject to seasonal variations (amount of rainfall in a season).
- [E] 2022 is the actual result of the citizen satisfaction survey.
- [F] The increased pothole patching in spring of 2022 is anticipated to be offset by a reduction in preventative maintenance activities.
- [G] Includes developer-driven projects, which are outside the service delivery area's control.

Roadway Construction and Maintenance

Performance Measurements

Effectiveness Measurements

Citizen Satisfaction with the Condition of Major Streets (such as Portage Ave. or Pembina Hwy.)

Citizen satisfaction with the condition of major streets had been trending upward since 2014 when a dedicated annual property tax was established to fund the road renewal program for major streets. Appearance of potholes in spring of 2022 have been exacerbated by a significant amount of precipitation and an extended freeze-thaw cycle that likely contributed to a decrease in citizen satisfaction for 2022.

	2019	2020	2021	2022
Total Satisfied	59%	58%	61%	40%

Performance Reporting

Service Goal / Measure Description		2020 Actual	2021 Actual	2022 Target	2023 Target
	Goal 1: Enable the sustainability of the transportation network by encouraging mode shift and transportation demand management				
	Average weekday daily vehicle km travelled on regional streets [A]	7.97 million	8.62 million	10.41 million	10.41 million
	Total length of regional streets (lane-km)	1,824	1,824	1,824	1,824
	Total length of truck routes (lane-km)	1,777	1,777	1,777	1,777
	Goal 2: Improve the safety and accessibility of the active transportation network by expanding pedestrian and cycling corridors to promote use by people of all ages and abilities				
	Number of pedestrian corridors with rectangular rapid flashing beacons	8	8	23	38
	Total length of active transportation facilities (km)	398	402	410	415
	Goal 3: Support the provision of a reliable and predictable transportation network by ensuring travel times are predictable and traffic flows are smooth				
	Average travel speed (km/h) on major roads during the AM period (7:00-9:00)	41.2	41.96	33.7	33.7
	Average time to repair signalized intersection (hours) [B]	5.6	5.3	5.2	5.1
	Maintenance cost per signalized location	\$6,907	\$6,862	\$6,900	\$6,900
	Citizen satisfaction with the management of rush hour traffic flow [C] [D]	60%	63%	56%	56%
	Goal 4: Ensure the transportation network is safe, sustainable and accessible by providing sufficient and efficient lighting.				
	Number of street, lane and pathway lights	76,680	77,055	77,363	77,673
	Number of lighting complaints requiring a lighting upgrade	25	50	50	50
	Number of lighting complaints	88	92	92	92

[A] Vehicle travel in 2020 and 2021 are lower than typical as a result of the COVID-19 pandemic, but it is anticipated that this will increase in future years.

[B] The repair time is affected by the time of day and day of week when the damage occurs. The repair time can fluctuate when damage occurs during unscheduled shift hours (i.e., between 16:00-08:00 and on weekends) due to the reduced availability of staff who can work on the repairs.

[C] Refer to benchmarking / comparison data on the following page.

[D] 2022 is the actual result of the citizen satisfaction survey.

Citizen Satisfaction with the Management of Rush Hour Traffic Flow

	2019	2020	2021	2022
Total Satisfied	55%	60%	63%	56%

Source: City of Winnipeg Annual Citizen Survey

In 2017, the leading-edge Traffic Management Centre (TMC) was introduced to better manage traffic situations and analyze reoccurring issues, leading to more efficient service delivery and improved awareness for the driver.

The COVID-19 pandemic resulted in lower rush hour traffic volumes and likely led to an increase in citizen satisfaction with rush hour traffic flow in 2020 and 2021. The decrease in citizen satisfaction to 56% in 2022 from 63% in 2021 is likely a reflection of return to more typical pre-pandemic traffic patterns and congestion.

Please see this link on City website for WAZE data description:

<https://winnipeg.ca/publicworks/transportation/TMC/Waze/whatisWaze.stm>

n/a = route not measured in given year

All travel speeds for routes listed here are from the Perimeter Highway to downtown Winnipeg. Travel speed can be impacted by a number of factors such as road construction projects and traffic signal coordination. The COVID-19 pandemic resulted in a decrease in vehicle traffic throughout 2020 and 2021 which improved rush hour traffic flow and allowed for increased travel speeds.

Starting in 2019, travel speed data was provided from the City's WAZE data platform. This data source provides a larger sample of travel speeds across the entire year compared to limited data collection completed in the past. Please use caution when comparing data from before 2019 due to this change in data source and collection method.

Salt applied (tonnes)	24,173	21,981	n/a	n/a
Sand applied (tonnes)	53,559	59,196	n/a	n/a
Cost per lane kilometre to apply salt/sand for ice control [E]	1,515	1,858	n/a	n/a

[A] Current measures are based on outputs; future measures will reflect service-related performance reporting as data becomes available.

[B] The amount of snow removed is affected by many factors which include, but are not limited to, amount of snowfall, frequency and severity of events, winter temperatures, freeze-thaw cycles and the price of fuel.

[C] Refer to benchmarking / comparison data on the following page.

[D] 2022 is the actual result of the citizen satisfaction survey.

[E] The cost per lane km to apply salt and sand for ice control varies from year-to-year due to weather conditions, usually increasing cost during years with more frequent milder daytime & freezing overnight days.

Roadway Snow Removal and Ice Control

Performance Measurements

Effectiveness Measurement

Citizen Satisfaction with Snow Removal

The citizen satisfaction for snow removal decreased to 63% in 2022 from 74% in 2021. Environmental factors experienced during winter 2021/2022 such as record snowfall, colder temperatures, higher blowing snow days and lower salting opportunities due to temperatures, are likely to have contributed to decreasing satisfaction levels.

Public Transit

Description

Winnipeg Transit operates a public transportation system that provides a network of service routes throughout the City which includes conventional, express and suburban on-request routes designed to meet various levels of demand city-wide with a fleet of low-floor accessible, GPS-equipped buses.

Additionally, a parallel transit service is provided to individuals who are able to use the conventional transit in part or none of the time due to a disability in accordance with eligibility criteria.

The transit system was expanded through the completion of the Southwest Transitway and the creation of the BLUE rapid transit line and a network of feeder routes designed to improve reliability, reduce travel time and create the opportunity for transit-oriented development.

Key services include conventional transit, transit plus, and chartered bus & special events.

Performance Measurements

Efficiency Measurements

Conventional Transit Operating Cost per Passenger (2021)

	2017	2018	2019	2020	2021
Wpg. Trend	\$3.12	\$3.27	\$3.36	\$6.26	\$7.60

Source: Canadian Urban Transit Association

Winnipeg consistently operates one of the most cost efficient transit systems in Canada.

Consistent with other municipalities, Winnipeg Transit's operating cost per passenger increased beginning in 2020 as a result of significantly lower ridership on public transit due to the COVID-19 pandemic. Some cost mitigation measures have been implemented to reduce operating costs such as service reductions, a hiring freeze and limited discretionary spending.

Transit Plus Operating Cost per Passenger (2021)

	2017	2018	2019	2020	2021
Wpg. Trend	\$23.92	\$25.53	\$27.81	\$47.54	\$47.86

Source: Canadian Urban Transit Association

The operating cost per passenger for Transit Plus has consistently increased over the years in part due to the procurement of larger vehicles with enhanced accessibility features and added operational positions to support changing eligibility criteria, system requirements and implementation of the Ombudsman's recommendations.

Consistent with other municipalities, Winnipeg Transit Plus' operating cost per passenger began to increase further in 2020 as a result of significantly lower ridership on public transit due to the COVID-19 pandemic. Service hours were reduced to meet demand, however, this was limited due to the need to facilitate social distancing.

There were 221,256 Transit Plus passengers carried in 2021 compared to 242,639 in 2020.

Cost per graffiti removal incident	\$122	\$133	\$133	\$133

City Beautification

- [A] Inventory excludes Assiniboine Park.
- [B] Source: Winnipeg Arts Council.
- [C] The tonnes of abrasives removed relates to the amount of sand and salt applied during the winter months. Targets cannot be estimated as this is affected by seasonal variations such as the frequency and severity of events, winter temperatures, and freeze-thaw cycles, which are outside the service delivery area's control.
- [D] Boulevards include paved and unpaved (turf) surfaces, excluding ditches.
- [E] Refer to benchmarking / comparison data on the following page.

City Beautification

Performance Measurements

Effectiveness Measurement

Citizen satisfaction with City's efforts in keeping the City clean and beautiful

A downward trend in citizen satisfaction may be related to the COVID-19 pandemic in 2020 and 2021, as well as the cool wet weather in spring 2022 resulting in late snow melt, and delayed spring clean-up efforts.

Winnipeg Fleet Management Agency (SOA)

Description

Winnipeg Fleet Management Agency (WFMA) provides economical, state-of-the-art, safe and eco-friendly fleet vehicle, equipment and other asset management services to The City of Winnipeg and other public sector organizations, in support of their service delivery. The Agency delivers the following comprehensive fleet management services to City of Winnipeg departments:

1. Specification, inspection and procurement
2. Insurance, licensing and registration
3. Manufacturing and fabrication
4. Vehicle and equipment leases, seasonal and short-term rentals
5. Surplus fleet asset disposal
6. Fuel
7. Repair and maintenance

Winnipeg Parking Authority (SOA)

Description

The Winnipeg Parking Authority (WPA) provides management of City-owned on-street and off-street parking. It provides leadership to local parking service providers and provides input from a parking services perspective in support of public policy objectives.

The Parking Authority currently manages the screening and adjudication process for all municipal bylaw offences enforced under The Municipal By-law Enforcement Act.

The Parking Authority also provides regulatory and licensing oversight of the Vehicle for Hire industry in the City of Winnipeg, including taxis, limousines, and personal transportation providers, with an emphasis on safety and accessibility.

OurWinnipeg

Performance Reporting

Service Goal / Measure Description		2020 Actual	2021 Actual	2022 Target	2023 Target

Winnipeg Parking Authority (SOA)

- [A] Refer to benchmarking / comparison data on the following page.
- [B] 2022 is the actual result of the citizen satisfaction survey.
- [C] Revenues in 2020 and 2021 were impacted by a number of factors related to COVID-19 pandemic, including a general decrease in the demand for on-street parking, a temporary suspension of time-limited parking restrictions that resulted in fewer fines, and the granting of one hour of complimentary parking at all on-street metered locations as a means of supporting the economic recovery of businesses and residents.

Winnipeg Parking Authority (SOA)

Performance Measurements

Effectiveness Measurement

Citizen Satisfaction with the Availability and Convenience of On-Street Parking

In 2022, when asked about their level of satisfaction with the availability and convenience of on-street parking, 56% of citizens indicated they were satisfied or somewhat satisfied. This marks a decrease from 66% in 2021, which was the highest level of satisfaction in recent years. The change can likely be attributed to the end of several parking incentive programs approved by Council in response to the COVID-19 pandemic, including one hour of complimentary on-street parking, the addition of temporary loading zones, and relaxed enforcement of residential time-restricted parking.

Megaliters of Treated Water per 100,000 Population (2021)

Water use per household is influenced by water conservation measures which include changes to the plumbing code (low flow toilets, shower heads etc.) low water use appliances and increased environmental awareness. Winnipeg's megalliters of treated water per 100,000 population is lower than the average (10,995).

Land Drainage and Flood Control

Description

Provide property owners with storm and flood water control in order to prevent flood damage to property.

To monitor riverbank conditions, including undertaking stabilization and erosion protection along city-owned riverbank lands.

Key services include flood control, waterways management, and land drainage.

OurWinnipeg

Environmental
Resilience (ER)

Leadership and
Good Governance (LG)

Performance Reporting

Service Goal / Measure Description	2020 Actual	2021 Actual	2022 Target	2023 Target
 Goal 1: Investigate and implement opportunities to improve flood protection measures to minimize potential damage to property and equipment				
Meters of City owned riverbank protected annually [A]	0	1,400	0	850
Citizen satisfaction with protection from river flooding [B]	93%	90%	90%	90%
Number of breaches on properties requiring diking outside primary dike [C]	14	0	N/A	N/A
 Goal 2: To implement programs that progressively separate the City combined sewer districts into separate sewer districts				
Kilometres of land drainage sewer mains	1,263	1,276	1,290	1,300
Kilometres of storm relief sewer mains [D]	184	177	177	177

[A] Meters protected annually is dependent on Council approved projects.

[B] Refer to benchmarking / comparison data on the following page.

[C] Targets have not been assigned as this is not within the Department's control.

[D] Decrease in 2021 due to reclassification of 7 km of storm relief sewer mains to land drainage sewer mains.

Solid Waste Collection

Description

The Solid Waste Collection services include weekly collection of garbage from single-family and multi-family homes. Other miscellaneous services are offered on a fee for service basis and include collection of surplus waste, large items, and appliances as well as garbage collection from small commercial entities and the collection of dead animals from public right-of-ways.

Garbage collection services are provided by contractors and the City manages multiple contracts for this service.

Solid Waste Disposal

Description

Solid Waste Disposal services include the operation and maintenance of the City's active and closed landfills.

The Brady Road Resource Management Facility is the site of the only active landfill the City of Winnipeg operates and it receives all of the City's residential garbage and some commercial waste as well. A landfill gas system collects and flares landfill gas, which diverts equivalent tonnes of carbon dioxide every year. Additionally this area is responsible for the maintenance and environmental monitoring of the thirty-three closed landfill sites within the City.

OurWinnipeg

Performance Reporting

Service Goal / Measure Description	2020 Actual	2021 Actual	2022 Target	2023 Target
Goal 1: To ensure efficiency of waste disposal by maintaining an operating cost per tonne of less than the Municipal Benchmarking Network Canada average				
Operating cost for solid waste disposal per tonne [A]	\$34.28	\$36.48	\$37.50	\$38.00
Goal 2: To maintain regulatory compliance with Environmental Act licence				
Number of reportable offences [B]	0	0	0	0
Number of tonnes disposed [C] [D]	344,946	315,545	304,070	303,970
Goal 3: To reduce greenhouse gas emissions and improve environmental sustainability by converting a minimum of 80,000 carbon dioxide equivalents				
Tonnes of landfill gas (CO ₂ e) captured and flared	84,324	81,353	80,000	80,000
Goal 4: To reduce greenhouse gas emissions and improve environmental sustainability by pumping a minimum of 40,000 kilolitres of leachate				
Kilolitres of leachate hauled and treated [E]	79,276	57,493	80,000	80,000

[A] Refer to benchmarking / comparison data on the following page.

[B] Zero reportable offences ensures that the Brady Road Resource Management Facility will continue to operate without risk to human health or the environment.

[C] 2020 is likely attributed to the COVID-19 pandemic.

[D] Tonnes of residential solid waste disposed per household.

[E] Kilolitres of leachate hauled and treated increased in 2020 due to the implementation of the centralized leachate collection system at the Brady Road Resource Management Facility. 2021 volumes were lower as a result of limited precipitation.

Solid Waste Disposal

Effectiveness Measurement

Tonnes of Residential Solid Waste Disposed per Household (2021)

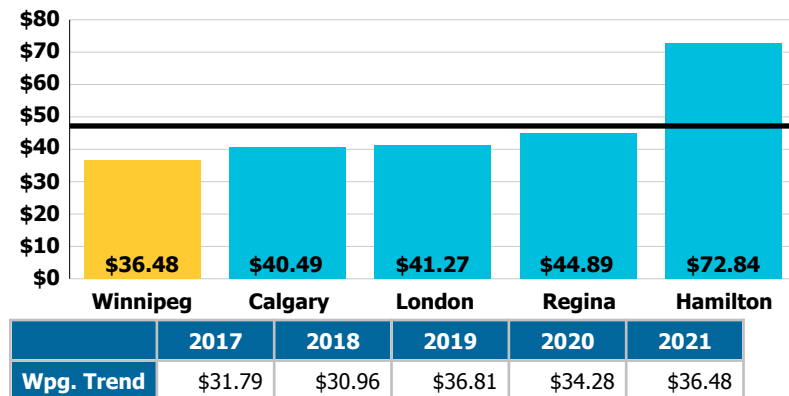

Source: Municipal Benchmarking Network Canada (SWST220)

Winnipeg has the second highest tonnes of residential solid waste disposed per household among the other cities profiled. Winnipeg's tonnes of residential solid waste disposed per household is comparable with the average (0.62).

Efficiency Measurement

Operating Cost for Solid Waste Disposal per Tonne - All Property Classes (2021)

Source: Municipal Benchmarking Network Canada (SWST325)

This chart shows the total cost per tonne to dispose of all residential, commercial, industrial and other municipality waste. Winnipeg has the lowest operating cost per tonne for solid waste disposal among the cities being compared. Winnipeg's cost is lower than the average (\$47.19).

Recycling and Waste Diversion

Description

Recycling services provided to residents include the weekly collection for single-family and some multi-family homes and sorting of the recyclables at the material recovery facility. Bales of commodities collected are sold and shipped at market prices. Public recycling community drop-off depots are also located throughout the City.

Waste diversion services include bi-weekly seasonal yard waste collection and the operation of a nine-hectare composting pad located at the Brady Road Resource Management Facility. Additionally, there are three 4R Winnipeg Depot locations which provide residents a one-stop location for recycling materials, divertible materials and the safe disposal of hazardous waste including paints, oil and electronics.

Waste minimization services include an education program that supports backyard composting, grasscycling, giveaway weekends and other waste diversion initiatives.

Key services include recycling and waste diversion.

City Planning

Description

Develop and maintain planning tools such as the OurWinnipeg development plan and Complete Communities Direction Strategy, which guide and leverage sustainable growth and change to achieve City goals. In doing so, city planning enables participatory planning processes with diverse stakeholders to identify and respond to community needs to improve quality of life.

Key services include the development, maintenance and implementation of planning tools such as regulations, policies, and guidelines, the review of development applications, monitoring development activity and estimating land supplies, and integrating land use and community building considerations into city-wide planning initiatives, such as climate change and transportation planning.

- [A] Refer to benchmarking / comparison data on the following page.
- [B] Other Planning reports include long-range planning, downtown and neighbourhoods, riverbank, and parks planning.
- [C] Intensification Target area is defined in the General Growth section of Complete Communities 2.0.
- [D] The Department does not currently have data to inform the targets for 2022 and 2023.
- [E] Vacant planned greenfield land is land where a secondary plan enabling development has been approved by Council or where none is required. This figure includes land accounted for in the two additional greenfield residential targets noted below.
- [F] New measure created for 2021; 2020 actual data is not available.
- [G] Vacant serviced greenfield land is land where Council has approved funding for all growth-enabling infrastructure (i.e. infrastructure that is a prerequisite to development). This figure includes land accounted for in the additional greenfield residential target noted below.
- [H] Vacant shovel-ready industrial land supply includes industrial-zoned land estimated to be serviced with local water and wastewater servicing and without an apparent constraint to development, such as a constraint related to lot configuration, access, planning policy conflict, or a lot area smaller than one acre.
- [I] Vacant commercial land supply includes commercial-zoned land, land whose commercial rezoning has been approved by Council but has not been finalized, and the land associated with the continued build-out of existing commercial centres.
- [J] Targets are the average of the last five years and are not based on substantiated market analysis or professional forecasts.
- [K] This includes Pre-Applications, Subdivisions and Rezoning, Zoning Agreement Amendments, Secondary Plans and amendments, and street namings.
- [L] This includes Zoning Agreements, Servicing Agreements, and Development Agreements and Amendments.
- [M] The procurement process for legal land surveying underwent a significant change in 2021, which impacted the ability to contract work for the majority of the year.
- [N] 2022 is the actual result of the citizen satisfaction survey.

Neighbourhood Revitalization

Description

Provide neighbourhood residents, non-profit housing providers, and developers of affordable housing with tools and support to build resilient, healthy communities and to promote and deliver community-based projects and programs that support sustainable neighbourhoods and healthy communities. Service activities include the administration of Council's neighbourhood and housing programs including, but not limited to: Housing Renewal and Affordable Housing Initiatives; the provision of land to non-profit housing providers; Neighbourhood Revitalization through the Housing Rehabilitation Investment Reserve (HRIR); and the Rapid Housing Initiative.

Development Approvals, Building Permits & Inspections

Performance Measurements

Effectiveness Measurement

New Residential Units Created per 100,000 Population (2021)

This is an economic indicator that highlights development trends in a municipality in response to local needs. Typically, there is a correlation between the number of new residential dwelling units, population growth and the overall economic growth of a municipality. In addition, this indicator is highly influenced by housing type, with high-density, multi-residential projects (e.g., apartments, condominiums) yielding a higher number of units compared to low-density development (i.e. single households).

	2017	2018	2019	2020	2021
Wpg. Trend	650	498	651	500	757

Source: Municipal Benchmarking Network Canada (BLDG221)

Efficiency Measurement

Operating Cost for Building Permits and Inspection Services per \$1,000 of Construction Activity (2021)

This measure represents the operating costs associated with the provision of building permits and inspection services. The fluctuation in year over year results is impacted by the value of residential and ICI (Industrial, Commercial and Institutional) construction activity. Results in 2020 may be impacted by a downturn in ICI construction activity as a result of the COVID-19 pandemic.

	2017	2018	2019	2020	2021
Wpg. Trend	\$5.49	\$7.25	\$6.17	\$8.34	\$5.95

Heritage Conservation

- [A] Listed Historic Resource: a building, structure or land that is architecturally and historically significant and is protected from alterations and demolition under the Historical Resources By-law.
- [B] Heritage Conservation District: a neighbourhood that has been designated as such under the Heritage Conservation Districts (HCD) By-law and whose properties are protected from alteration and demolition in accordance with an HCD Plan.
- [C] Reflects the total number of buildings actively receiving the Heritage Conservation Tax Credit or the Heritage Conservation Grant Program.
- [D] Refer to "City funding for Heritage Programs" for values.
- [E] Refer to comparison or historical data on the following page.
- [F] Commemorated Resource: a building, structure or land that is recognized for its architectural or historical significance but is not protected from alterations and demolition. Information about a Resource is available on the City's website.
- [G] 2022 is the actual result of the citizen satisfaction survey.

City Funding for Heritage Programs

Funding Type	2019	2020	2021
Gail Parvin Hammerquist Fund Program:			
Capital Projects Grant [A]	\$319,575	\$242,240	\$175,500
Research and Interpretive Grant [A]	\$56,500	\$62,375	\$33,800
CentreVenture Allocation	\$496,636	\$487,201	\$279,816
Heritage Conservation Tax Credit	\$731,514	\$746,587	\$723,625
Heritage Conservation Grant Program [B]	\$125,309	\$151,361	\$151,720

[A] Approved projects.

[B] The Heritage Conservation Program By-law came into effect in 2018.

Since 1996, the City of Winnipeg has undertaken a number of incentive programs to support heritage building conservation, research and public education.

An investment in heritage can provide economic stimulus and support community development. Heritage is good for the City's economic environment and good for business. Investment in heritage conservation pays off in enhanced tax assessments, improved urban environments and opportunities for business.

Property Asset Management

Description

The Property Asset Management Service facilitates the acquisition, development, operation, maintenance, security and disposition of City-owned land and buildings. The service is comprised of:

Real Estate: administers the sale and leasing of City-owned property; negotiates property acquisition or real estate appraisals on behalf of civic departments. See Goals 1 and 2.

Municipal Accommodations: plans, develops, operates, maintains, protects and preserves the City's physical building and related asset infrastructure to provide for current and future civic program accommodation needs; provides analysis/assessment, design, procurement, and project management for new and existing civic buildings/assets. See Goals 3, 4 and 5.

Cemeteries

Description

The City of Winnipeg is responsible for the operation and maintenance of Brookside, St. Vital and Transcona cemeteries. Starting with the first interment at Brookside Cemetery in 1878, these cemeteries serve as the final resting place for more than 110,000 people. The Branch is responsible for facilitating the sale of cemetery lots/plots, niches and other products and services; completing interments and disinterments; maintaining and preserving cemetery records; conducting burial searches; and ensuring perpetual maintenance of cemetery grounds.

	Full Size Interment Lot	25%	25%	25%	25%
	Goal 3: Maintain the heritage of cemeteries and continue to promote their significance in the community				
	Number of Educational Tours [F]	0	0	5	10

[A] Variance due to poured in place foundations for public being installed in accordance with demand and operational needs.

[B] It is unlikely that any new foundation will be installed for several years within the Field of Honour at Brookside or Transcona Cemetery after 2022 as there is a robust supply that is expected to meet demand. Larger values for 2022 and earlier are as a result of a significant refurbishment project within the Field of Honour at Brookside Cemetery, which was delivered as a partnership between the City of Winnipeg and Veteran's Affairs Canada.

[C] No trees were planted in 2021 as a cost saving measure.

[D] Refer to benchmarking / comparison data on the following page.

[E] Any changes to the rates would require an amendment to the Cemeteries By-law.

[F] No educational tours were provided in 2020 and 2021 as a result of the COVID-19 pandemic.

Cemeteries

Performance Measurements

Effectiveness Measurement

Comparison of Perpetual Maintenance Reserve Funds of Municipally Owned and Operated Cemeteries (2021)

City	Niche	Scattering	Cremation Lot	Full Size Interment Lot
Brandon	20%	20%	20%	20%
Calgary	40%	0%	40%	40%
Edmonton	25%	0%	25%	25%
Winnipeg	15%	10%	25%	25%

Winnipeg's municipally owned and operated cemeteries' perpetual maintenance reserve funds ensure that general maintenance and improvements will continue in the future after the cemetery is closed and no further property is available for sale.

Note: There is no legislated requirement for a municipality, religious denomination or religious auxiliary owned and operated cemetery to have a perpetual maintenance fund. Each cemetery may create a perpetual maintenance fund by setting aside in a reserve fund a defined percentage of the purchase price of each type of cemetery property or service. Interest earned on investment of the perpetual maintenance fund contributes towards (i) the cost of maintenance and improvement of the cemetery grounds in perpetuity and (ii) reinvestment into the fund to ensure its continued growth. Perpetual care includes general maintenance, improvement and/or embellishment of cemetery properties, grounds, buildings and infrastructure.

Golf Services (SOA)

Description

The City of Winnipeg has operated municipal golf courses since 1921. Winnipeg Golf Services was established in 2002 to administer the City's 12 golf course assets. The Agency is responsible for operating and maintaining golf courses, managing contracts and leases for City lands used by privately operated golf courses, managing a contracted cross-country ski operation, and managing the lease for Thermea Spa.

Fire & Rescue Response

Description

Provide quick, proficient, emergency and non-emergency fire suppression and rescue assistance to victims of fire, accidents, and other disasters or emergencies in order to prevent or minimize loss of life or property. This includes fire suppression, notification and evacuation of citizens, rescue services, including motor vehicle extrication, high angle, trench, water, and ice rescue, investigation and mitigation of carbon monoxide or other gas leaks, and other hazardous materials incidents.

Additional contributions include standby fire and rescue service at public events, support to public education programs, supplement fire inspection and by-law enforcement program, fire investigation services potentially leading to offender identification, arrest and/or counselling in regard to incidents of deliberately set fires and response to medical emergencies.

Key services include fire investigation, fire paramedic response, fire suppression & life rescue, and specialty rescue.

Performance Measurements

Effectiveness Measurements

Number of Residential Fire Related Fatalities Averaged Over 5 Years per 1,000 Persons (2021)

Winnipeg's residential fire related fatalities averaged over 5 years per 1,000 persons has remained fairly consistent over the past three years.

	2017	2018	2019	2020	2021
Wpg. Trend	0.005	0.005	0.007	0.008	0.007

Number of Unique Incidents Responded to by Fire Services per 1,000 Population (2021)

Winnipeg's fire service responds to more incidents than many other fire services due to the integrated service model that dispatches paramedic-staffed fire units to moderate the medical incident volume assigned to ambulances. Winnipeg's value for this measure is higher than comparable municipalities.

This measure reflects the Fire Service involvement across both Fire and Rescue Response and Medical Response service areas.

[D] 2022 is the actual result of the citizen satisfaction survey.

Fire and Injury Prevention

Performance Measurements

Effectiveness Measurement

Rate of Residential Structural Fires with Losses per 1,000 Households (2021)

Winnipeg continues to experience substantially more fires per household than any of our comparator cities. Winnipeg's diverse community faces a large number of socio-economic challenges. This combined with older housing stock results in a higher residential fire rate than the average among this group of cities.

Wpg. Trend	2017	2018	2019	2020	2021
	1.34	1.53	1.72	1.66	1.73

Source: Municipal Benchmarking Network Canada (FIRE115)

Efficiency Measurements

Fire Prevention Staff per 1,000 Population (2021)

The number of Fire Prevention Staff per 1,000 population remains lower than two of the other comparator cities and is lower than the average among this group of cities.

Wpg. Trend	2017	2018	2019	2020	2021
	0.032	0.040	0.039	0.039	0.039

Source: Municipal Benchmarking Network Canada (FIRE213)

Fire Education Staff per 1,000 Population (2021)

Winnipeg's Total Fire Education Staff remains at 4, resulting in the lower rate in comparison to previous years. Winnipeg's staff is the highest among this group of comparison cities.

Emergency Management

Description

Provide a prompt and coordinated response by the City of Winnipeg to major peacetime disasters by:

- Minimizing the impact of an emergency or disaster on the City of Winnipeg.
- Protecting and preserving the health and property of the citizens of Winnipeg.
- Maintaining and restoring essential services during an emergency or disaster.
- Building resilient communities through sustainability, business continuity and enhanced recovery programs.

Recreation

Service Goal / Measure Description	2020 Actual	2021 Actual	2022 Target	2023 Target
 Goal 4: Leverage resources, directly and through support for work of other service providers, to increase community capacity				
Number of Recreation Grants Administered	7	7	7	7
Value of Recreation Grants Administered	\$2,109,993	\$2,119,993	\$2,109,993	\$2,109,993
Total Funding Provided to Community Centres [G]	\$8,087,181	\$8,568,461	\$8,450,000	\$8,488,000
% of Facility Permits Receiving Fee Waivers [H]	36.1%	12.3%	21.0%	21.0%

- [A] For 2020 and 2021, services were significantly impacted by COVID-19 pandemic-related closures and reduced capacities due to public health orders. 2022/2023 targets reflect the ongoing restoration of service towards pre-pandemic levels.
- [B] 2022 is the actual result of the citizen satisfaction survey.
- [C] Refer to benchmarking / comparison data on the following page.
- [D] Utilization rate equals program enrollment divided by program capacity.
- [E] Changes to course subsidy program occurred in Spring 2020 which resulted in each subsidy credit being counted. Prior to Spring 2020, each registered subsidy course was counted.
- [F] Free programming in geographic areas of higher poverty includes programming delivered inside the higher poverty areas and within the 1000m buffer zone surrounding these areas.
- [G] Includes Universal Funding Formula operating grants paid and Community Centre Renovation Grants awarded to community centres. Targets are multi-year budget values from the 2022 Budget.
- [H] In 2020, recreation and leisure facilities provided more fee waivers than usual to social service agencies in need of space as part of the City's response to the COVID-19 pandemic. In 2021, recreation and leisure facilities were closed for a large portion of the year.

Recreation

Efficiency Measurements

Annual Number of Unique Users for Directly Provided Registered Programs as a Percent of Population (2021)

This measure covers only the City-operated registered component of sports and recreation users, and does not include the City-operated non-registered programs and private service provider programs. Program interest and user fees may influence registration.

In 2020, services were significantly impacted by COVID-19 pandemic-related closures and reduced capacities due to public health orders. 2021 result reflects the beginning of a return to pre-pandemic demand levels.

The average of the comparable cities reported is 2.1%.

	2017	2018	2019	2020	2021
Wpg. Trend	4.6%	4.7%	4.9%	2.7%	4.0%

Source: Municipal Benchmarking Network Canada (SREC140)

Utilization Rate for Directly Provided Registered Programs (2021)

This measure shows utilization rate for registered programs delivered by municipal staff. Utilization equals enrollment divided by capacity.

In 2020, services were significantly impacted by COVID-19 pandemic-related closures and reduced capacities due to public health orders. For 2021, the overall number of registered programs and capacity was less than 2020 as a result of COVID-19 public health orders, while demand remained strong.

The average of the comparable cities reported is 88.8%.

Parks and Urban Forestry

- [A] Inventory excludes Assiniboine Park.
- [B] These costs vary from year to year dependent upon weather conditions and their impact on growth rates and corresponding mow frequencies.
- [C] Refer to comparison data on the following page.
- [D] 2022 is the actual result of the citizen satisfaction survey.
- [E] Number of participants in 2020 and 2021 are lower than typical as a result of the COVID-19 pandemic, but it is anticipated that the number of participants will increase in future years.

Parks and Urban Forestry

Performance Measurements

Effectiveness Measurements

Citizen Satisfaction with Condition of Major Parks (e.g. St. Vital or Kildonan) (respondents who have used major parks)

90% of citizens who have used the City's major parks were either somewhat satisfied or very satisfied in 2022. This is a significant decrease from pre-pandemic data which may correlate to a sharp increase in park usage throughout 2020 and 2021 as a result of the COVID-19 pandemic.

Libraries

- [A] For 2020 and 2021, services were significantly impacted by COVID-19 pandemic-related closures and reduced hours. 2022/2023 targets reflect the ongoing restoration of service towards pre-pandemic levels.
- [B] Assistance related to computer hardware, printers, scanners, self-check out units and assistance with computer software, E-book readers, social media, online documents.
- [C] Includes use of downloadable books, magazines, newspapers and streaming music, movies, TV shows.
- [D] 2020 TD Summer Reading Club Reading Kits were not distributed, online activities only. 2021 statistic reflects bulk distribution of kits to schools and community groups due to library branch closures.
- [E] Does not include digital materials.
- [F] 2022 is the actual result of the citizen satisfaction survey.
- [G] Refer to benchmarking / comparison data on the following page.
- [H] Includes questions asked in-person, online, by phone and by referral from 311.
- [I] Active membership defined as at least one use of card in past two years. Increase in 2020 reflects the timing of annual library card registration cleanup.
- [J] Community Connections is a newly developed space in the lobby of Millennium Library, delivering support services to vulnerable people. Opened April 2022.
- [K] Forecasted increase in 2022/2023 due to additional Community Crisis Worker hired mid-2022.

Libraries

Performance Measurements

Effectiveness Measurements

Material Expenditures per Capita (2021)

In 2020, a significant portion of the budget was reallocated to online resources due to COVID-19 pandemic-related closures and restrictions limiting borrowing. 2021 result reflects reduced budget.

The average combined general and electronic library materials expenditures for the comparable cities reported is \$4.37.

Wpg. Trend	2017	2018	2019	2020	2021
General Library Materials	\$3.21	\$3.23	\$2.99	\$2.36	\$1.93
Electronic Library Materials	\$1.19	\$1.10	\$1.27	\$2.01	\$1.86

Source: Municipal Benchmarking Network Canada (PLIB212, PLIB214)

Annual Library Uses per Capita (2021)

Non-electronic uses decreased due to COVID-19 pandemic-related library closures and reduced hours, which meant a reduction in in-house use of materials as well as in-person borrowing. Electronic uses saw less of a decrease since the digital library is accessible 24/7 from home.

2021 result reflects libraries reopening more hours and allowing in person visits, with gradual resumption of services.

Wpg. Trend	2017	2018	2019	2020	2021
Electronic Uses	18.10	17.90	22.60	16.00	18.39
Non-Electronic Uses	11.00	10.40	9.90	3.00	4.20

Source: Municipal Benchmarking Network Canada (PLIB106, PLIB107)

The average combined electronic and non-electronic library uses per capita for the comparable cities reported is 18.7.

Service Goal / Measure Description	2020 Actual	2021 Actual	2022 Target	2023 Target
 Goal 1: Provide quality pest control services by conducting effective and coordinated nuisance mosquito control and mosquito-borne disease control that protects the health of citizens while protecting the health of the ecosystem				
Area larvicided with biorational insecticides (ha) [A]	23,235	15,534	22,000	22,000
Area larvicided by aircraft (ha)	15,840	7,969	14,600	14,600
Area larvicided by ground-based operations (ha)	7,395	7,565	7,400	7,400
Area fogged for adult nuisance mosquito control (ha) [B]	35,208	0	0	0
Duration of the mosquito control season where the city-wide trap mosquito biting pressure is less than 1 bite per minute (% days) [C]	87.58%	84.97%	100.00%	100.00%
Reduction in adult female mosquitoes after 7 collection days from the completion of city-wide treatment with DeltaGard 20 EW [D]	66.7%	n/a	70.00%	70.00%
Citizen satisfaction with insect control [E] [F]	87%	86%	84%	84%
 Goal 2: Ensure pest control is carried out safely by employing innovative, surveillance and data-based integrated pest management strategies to effectively control targeted species with biological and reduced risk products and prioritizing high-risk areas				
Total time committed to larval mosquito surveillance (hours)	22,908	18,490	25,000	25,000
Number of trap nights for adult mosquito surveillance	5,661	5,624	5,600	5,600
Number of non-compliance citations issued by Manitoba Environment, Climate and Parks [G]	0	0	0	0
Number of residential buffer zones for one or more treatment programs	906	604	750	750
Cost per hectare for aerial application of biorational larvicides [H]	\$278	\$344	\$290	\$300
Cost per hectare for ground application of biorational insecticides [H]	\$559	\$547	\$700	\$700
Cost per residential property of the adult mosquito treatment program [D] [H]	\$2.68	\$0.30	\$0.20	\$0.25
 Goal 3: Protect the urban forest by reducing the damage caused by tree pest caterpillars and invasive tree pests using non-invasive, biological methods of insect control				
Number of boulevard and parkland trees treated for defoliator insects	45,658	38,362	45,000	45,000
Number of ash trees injected to control emerald ash borer	1,120	970	1,120	1,000

Insect Control

Service Goal / Measure Description		2020 Actual	2021 Actual	2022 Target	2023 Target
	Goal 4: Demonstrate exemplary customer service by providing a timely response to all complaints and notifications of pest nuisance that may pose a threat to the public				
	311 calls responded to within the Service Level Agreement (%)	100%	100%	100%	100%
	Goal 5: Foster transparent communication by improving availability, usefulness and timeliness of information-sharing on pest control services				
	Number of citizens subscribed to public operational notifications	37,358	36,836	40,000	40,000

- [A] In addition to Winnipeg, portions or all of the following municipalities are larvicided: East St. Paul, Headingley, Ritchot, Rosser, Springfield, St. Clements, Tache, West St. Paul, MacDonald, St. Andrews.
- [B] Endeavour to effectively control mosquitoes in the larval stage so that an adult nuisance mosquito control program is not required.
- [C] Adult mosquito activity varies from May-September and when the city-wide mosquito biting pressure increases above 1 bite per minute, residents will be bothered and adult mosquito control may be required.
- [D] No city-wide treatments were required for 2021.
- [E] Refer to comparison data on the following page.
- [F] 2022 is the actual result of the citizen satisfaction survey.
- [G] Endeavour to remain within the guidelines outlined in the Pesticide Use Permit issued by the Province.
- [H] The cost is directly related to weather conditions and includes fixed and variable costs.

Animal Services (SOA)

Description

Provide animal control measures under the Responsible Pet Ownership By-law. The Agency's services include licensing, kenneling, adoption, educational outreach, by-law enforcement, and emergency response.

The Agency also provides funding to the Winnipeg Humane Society for the intake/sheltering of stray cats, care of injured animals, and a subsidized cat/dog spay/neuter program.

Number of Licensed Pets Reunited With Their Owner by 311 [F]	391	230	260	260

[A] Not available for 2020 and 2021.

[B] 2022 is the actual result of the citizen satisfaction survey.

[C] Refer to benchmarking / comparison data on the following page.

[D] 2020 and 2021 reflects an increase in available space at shelters and rescues due to a surge in demand for rescue dogs. Animal Services works to move dogs out of care as quickly as possible.

[E] The forecasted decrease in recovery is directly related to the \$170,000 increase in funding to the Winnipeg Humane Society beginning in 2022.

[F] Includes dogs and cats wearing licenses reunited by 311 without those pets setting foot in an animal shelter.

Animal Services (SOA)

Performance Measurements

Effectiveness Measurement

Number of Dog and Cat Licenses / Registrations Issued per 100,000 Population (2021)

The number of dog and cat licenses issued per 100,000 population in Sudbury is significantly lower than the other cities. The average combined dog and cat licenses issued per 100,000 population for the comparable cities reported (excluding Sudbury due to the low numbers of registrations) is 8,490. When Sudbury is included, the average is 7,078.

Police Response

Description

Provides emergency, urgent, and non-urgent responses to public calls for service. In addition, the Winnipeg Police Service (WPS) undertakes criminal investigations, offender identification, arrest or other resolution. The Service is also responsible for training all police and civilian members of the WPS. The Service must direct its resources appropriately and efficiently to ensure that response is always available to answer to public needs. Services include police response, contract policing, crime investigation and police training.

OurWinnipeg is the City's 25-year development plan and vision for the city. The Winnipeg Police Board (WPB) is responsible for setting the strategic direction for the Winnipeg Police Service in the 2020 - 2024 Strategic Plan. Per the Police Services Act 29 (2), Council is responsible for establishing the total budget for the police service and (3) the police board is responsible for allocating the funds. The WPS Business Plan works towards achieving the strategic goals identified by the WPB.

Source: Statistics Canada CCJCSS, CMA data

Crime Severity Index (CSI) is a tool for measuring police-reported crime by taking into account the change in volume of a particular crime, and the relative seriousness of that crime in comparison to other crimes (the seriousness is based on an assigned weight derived from incarceration rates for the offence type and the average prison sentences). CSI is expressed as a standardised measure adjusted to equal 100 as a base in Canada.

All data are correct at time of publication. Because of the dynamic nature of crime statistics, data totals may change slightly over time. Statistics Canada updates those changes on a regular basis. Consequently, data reported herein may vary slightly with data reported by Statistics Canada.

Crime Prevention

Description

Promote safer communities through engagement, education, and proactive policing. Services include community policing and crime prevention initiatives.

OurWinnipeg is the City's 25-year development plan and vision for the city. The Winnipeg Police Board (WPB) is responsible for setting the strategic direction for the Winnipeg Police Service (WPS) in the 2020 - 2024 Strategic Plan. Per the Police Services Act 29 (2), Council is responsible for establishing the total budget for the police service and (3) the police board is responsible for allocating the funds. The WPS Business Plan works towards achieving the strategic goals identified by the WPB.

Effectiveness Measurements

Major Development Applications / Average Permit Approval Time

Major development applications are a relatively small subset of the permits that are processed each year and are unique with respect to their complexity in design, nature and consideration of alternative by-law and code compliance solutions.

Economic Growth Comparison of 13 City Regions - Real Gross Domestic Product (%)

City	2021	City	2022f	City	2023f-2026f
Calgary	6.5	Calgary	6.6	Calgary	3.7
Montréal	6.0	Edmonton	5.6	Edmonton	3.3
Victoria	5.7	Saskatoon	5.3	Saskatoon	3.1
Halifax	5.5	Regina	4.8	Regina	2.7
Edmonton	4.8	Winnipeg	4.0	Hamilton	2.6
Vancouver	4.6	Hamilton	3.9	Toronto	2.5
Ottawa-Gatineau	4.5	Toronto	3.8	Winnipeg	2.4
Saskatoon	4.4	Vancouver	3.7	Vancouver	2.4
Québec City	4.3	Victoria	3.5	Québec City	2.2
Toronto	4.2	Québec City	3.4	Halifax	2.1
Winnipeg	4.1	Ottawa-Gatineau	3.2	Victoria	2.0
Hamilton	4.0	Montréal	3.0	Ottawa-Gatineau	2.0
Regina	3.1	Halifax	2.5	Montréal	1.9

COVID-19 pandemic caused economic growth across all Canadian cities to deviate from historical trends. For Winnipeg in 2020 to 2021, this meant real GDP grew by 4.1%. In comparison to the 13 major CMAs across Canada, this was ranked 11th. Looking forward, Winnipeg's real GDP in 2022 is expected to grow by 4.0% (ranked 5th), and then taper off during 2023-2026 closer to historical norms, at 2.4% (ranked 7th).

Organizational Support Services

Description

Organizational Support Services provides leadership and professional services to support the delivery of public services to the citizens of Winnipeg. By providing financial, human resource, and other specialized services, Organizational Support Services ensures that the civic organization has the capability and technical expertise to support the delivery of public services.

Key services include Chief Administrative Office, communications, financial management, and others - refer to Appendix 9 for the full listing of services.

Organizational Support Services

- [A] Employee engagement survey has recently been implemented. Data is not yet available.
- [B] Annually, an increase is targeted towards each respective diversity outcome. For example, the diversity target for employees self-identifying as women is ultimately 50%, but the target in 2022 is an increase of any value toward that outcome.
- [C] 2020 restated to include middle management.
- [D] 2022 Target figures have been revised, based on 2021 Actual and new information.
- [E] KPIs & targets reflect the strategic directions & goals identified in the Corporate Strategic Plan:
www.winnipeg.ca/cao/pdfs/CW_Corporate-Strategic-Plan_FINAL-20220325.pdf.

Organizational Support Services

Indigenous Relations

Description

The Division establishes and maintains meaningful relationships and partnerships with and between Indigenous peoples, communities, and governments to assist the City of Winnipeg in our commitments to reconciliation. The Division supports the City of Winnipeg to achieve transformative change in its journey of reconciliation through the Winnipeg Indigenous Accord, Welcoming Winnipeg: Reconciling our History, OurWinnipeg 2045, Truth and Reconciliation Commission (TRC) Calls to Action, Missing and Murdered Indigenous Women, Girls and Two-Spirit Calls for Justice, and Oshki Annishinabe Nigaaniwak, the City's Indigenous Youth Strategy.

Organizational Performance Measurements

Total City Liquidity

This measure is an important indicator of the City's ability to service its financial obligations. Liquidity is actively monitored to ensure it remains within acceptable parameters. An internal target of a minimum of 30% is utilized for treasury management and reporting.

The City of Winnipeg calculates liquidity as Free Cash Flow plus Liquid Assets and Committed Credit Facilities, divided by Consolidated Operating Expenditures minus Amortization.

Innovation, Transformation and Technology

Description

The Innovation, Transformation, and Technology service enables City service delivery through the use of responsive innovation and technology services. In addition, the service facilitates digital service delivery through coordination of continuous improvement and innovation programming, and management of the City's information and technology assets. This service enables creation of a quality customer and employee experience through systemic, sustainable, and value-driven change for City services, processes, information, and technologies.

The key service is innovation and technology.

Service Goal / Measure Description	2020 Actual	2021 Actual	2022 Target	2023 Target
Goal 1: Improve ease of use and access to 311 through enhancing digital and self service options				
Total 311 interactions across all platforms [A] [B]	793,323	806,896	N/A	N/A
Percentage of interactions through phone [B]	79.32%	77.60%	80.00%	80.00%
Percentage of interactions through email [B]	15.05%	16.13%	12.50%	12.50%
Percentage of interactions through self service online	0.27%	0.79%	1.50%	1.50%
Percentage of interactions through mobile app [B] [C]	0.06%	N/A	N/A	N/A
Percentage of interactions in-person [B]	2.97%	3.25%	3.00%	3.00%
Percentage of interactions through social media	2.33%	2.23%	3.00%	3.00%
Goal 2: Decrease 311 wait time by improving access to information				
Average Talk Time (in minutes)	5:41	6:14	5:45	5:45
Average Wait Time (in minutes)	5:27	11:42	3:00	3:00
Number of 311 requests [A]	615,866	659,837	N/A	N/A
Service requests	45.27%	54.47%	50.00%	50.00%
Information requests	54.73%	45.53%	50.00%	50.00%
Goal 3: Improve service request routing and tracking to ensure accountability to citizens				
Total 311 French interactions across all platforms [A]	6,343	5,459	N/A	N/A
Percentage of interactions through phone	46.22%	93.95%	50.00%	50.00%
Percentage of interactions through email	3.26%	3.00%	2.00%	2.00%
Percentage of interactions through self service online	0.02%	0.07%	1.00%	1.00%
Percentage of interactions in-person [D]	50.50%	2.80%	46.50%	46.50%
Percentage of interactions through social media	N/A	0.18%	0.50%	0.50%
Number of complaints due to lack of availability of French services at 311 [A]	14	9	N/A	N/A

[A] Not applicable as results will vary each year, and will be dependent on citizen's response and variables beyond 311's control.

[B] 2020 restated due to calculation error.

[C] Mobile app discontinued in fall 2020.

[D] In-person service at 170 Goulet St. was not available for 10.5 months in 2021 due to the COVID-19 pandemic.

Council Services

Audit

Description

The Audit Department provides independent, objective information, advice and assurance regarding performance of civic services in support of transparent, responsible, and accountable government. Reporting to the City's Audit Committee, the Department examines organizational performance, governance and allegations of fraud, waste or abuse to provide Council with reliable information to support informed decision-making.

[A] In 2021 there were 91 new Fraud & Waste Hotline reports containing 122 new allegations - 28 investigations were in progress and were carried over to 2022.

Council Services

City Clerk's

Description

The City Clerk's Department provides direct policy, procedural and administrative services to the Mayor, Speaker and Members of Council, Executive Policy Committee, Standing Policy Committees, the Mayor's Office and Senior Administrators. The Department is the gateway to the City for political decision-making and providing access to information about the City, its services and the decision-making process. It captures, communicates and maintains a complete and accurate record of all Council decisions since the City's inception.

The City Clerk's Department has statutory responsibility for the administration of elections and by-elections as designated by The City of Winnipeg Charter, The Municipal Councils and School Boards Elections Act and for supporting Council and its Committees under The City Organization By-law, and undertakes all hearings related to assessment appeals through the Board of Revision. As well, the Department coordinates requests for access to information under The Freedom of Information and Protection of Privacy Act (FIPPA), leads the City-wide records and information management program and preserves civic history through the operation of the City of Winnipeg Archives.

Key services include audit, mayor & council, archives, and others - refer to Appendix 9 for the full listing of services.

* Civic Initiatives, Promotional and Protocol (partially allocated to the Economic Development Service) are Mayor's Office programs that may include making grants:

- (a) to assist a charitable or non-profit organization, association or corporation;
- (b) to aid sports and recreation;
- (c) to support economic and cultural development;
- (d) to improve, preserve, repair, maintain, convert or develop any property in the City; or
- (e) for any other purpose that the Mayor considers may be in the interests or to the advantage of the City or its citizens.

	Year over Year Variance		1.2%	8.8%				

Notes:

- 1 Departmental operating expenditures are net of capital related expenditures (transfers to capital and debt and finance charges).
- 2 Refer to variance explanation #11 in Utility Operations section of this Appendix.
- 3 2020 Adopted Budget figures have been restated to move Shared Health Transfer to Capital from operating expenditures to capital related expenditures.
- 4 2020 and 2021 Adopted Budget figures have been restated due to new Assets and Project Management department effective 2022.
- 5 4-year average % is calculated as the year over year % change from 2019 budget to 2023 budget. The same calculation applies to utilities and special operating agencies.

Operating Budget

Tax Supported Revenue 2023 compared to 2022

Expl. No.	Explanations	Variance
1	Property tax	
	2023 property tax revenue reflects a mill rate of 12.900 and includes a 3.5% property tax increase: 2.33% property tax increase dedicated to road and transit infrastructure and 1.17% to operations.	31,803,318
2	Business tax	
	2023 business tax rate has been maintained at 4.84%. The small business tax credit program will provide a full rebate in 2023 to businesses with an annual rental value of \$47,500 (\$44,220 in 2022) or less.	1,916,414
3	Other tax	
	Increase in electricity and gas tax revenue.	779,000
	Increase in entertainment funding tax revenue to partially re-establish the 2022 budget reduction related to the impact of the COVID-19 pandemic.	300,000
	Net decrease in other taxation revenue.	(181,564)
	Total	897,436
4	Street renewal frontage levy	
	Increase in street renewal frontage levy revenue primarily due to rate increase to \$6.95 per foot from \$5.45 per foot in 2022 (rate - \$17,800,000; volume - \$589,965).	18,389,965
5	Government grants	
	Increase in provincial general assistance grant.	16,728,000
	Increase in one-time provincial grant.	13,000,000
	Increase in federal funding support.	10,378,798
	Increase in Provincial / Shared Health funding based on costs allocated to emergency medical services program.	858,462
	Decrease in Provincial Funding for Police Services - Guns and Gangs initiative (offset by expenditures in Police Service).	(1,240,000)
	Net increase in other grants.	239,769
	Total	39,965,029
6	Regulation fees	
	Net increase in building, electrical and mechanical revenue primarily due to inflationary increase.	682,059
	Increase in Municipal By-law Enforcement Act (MBEA) fines to align with historical actuals.	140,000
	Decrease in Board of Revision assessment appeals filing fee revenue.	(398,500)
	Net increase in other revenue.	353,056
	Total	776,615

Operating Budget

Tax Supported Revenue 2023 compared to 2022

Expl. No.	Explanations	Variance
7	Sale of goods and services	
	Increase in Recreation Service revenue to re-establish budgets in 2023 for reductions in 2022 related to the impacts of the COVID-19 pandemic.	2,588,000
	Increase in ambulance revenue due to volume increases.	1,481,987
	Increase in environmental protection services due to implementation of new fee when fire service responds to fire at a vacant building.	240,000
	Increase in garbage cart fees due to inflationary increase.	153,400
	Increase general license revenue for the new Designated Growers of Medical Cannabis Licensing Program (Council April 28, 2022).	117,411
	Net increase in other sale of goods and services.	191,385
	Total	4,772,183
8	Interest	
	Decrease in short-term investment revenue.	(149,103)
9	Transfers from other funds	
	Increases / (decreases) in transfers from other funds:	-
	- Financial Stabilization Reserve.	6,313,816
	- Insurance Reserve.	954,652
	- Municipal Accommodations.	566,687
	- Land Operating Reserve.	(3,000,000)
	- Economic Development Investment Reserve.	(1,774,314)
	- Insect Control Reserve.	(1,400,000)
	- Workers Compensation Reserve.	(500,000)
	- Net other transfers.	55,340
	Total	1,216,181
10	Utility dividends	
	Increase in utility dividend revenue relating to increase in water and sewer sales.	983,589
11	Other	
	Increase in Winnipeg Parking Authority dividend.	3,989,611
	Increase due to implementation of new fee when fire service responds to an assisted lift call (excluding non-managed dwelling).	823,000
	Net increase in other.	57,399
	Total	4,870,010

Operating Budget

Tax Supported Expenditures 2023 compared to 2022

Expl. No.	Explanations	Variance
12 Police		
	Increase in salaries and benefits (including Next Generation 911 and Centralized Turnout Gear Cleaning FTEs).	4,368,153
	Increase in fleet lease and fuel costs including carbon tax.	875,079
	Increase in accommodation charges primarily for North District Station.	759,332
	Decrease in other operating supplies and other equipment.	(523,342)
	Net operational cost increase.	46,408
	Total operational expenditures increase net of capital related expenditures.	5,525,630
	Debt and finance charges.	1,344,438
Total		6,870,068
13 Public Works		
	Net increase in salaries and benefits.	2,320,414
	Increase in fleet fuel and carbon tax not attributed to increased sidewalk clearing - mainly due to increased fuel price.	1,425,843
	Council approved budget increases related to sidewalk snow clearing and more effective snow fencing (includes salary and benefits of 1.0 FTE).	886,640
	Increase in insect control expenditures offset by Provincial recoveries.	771,000
	Increase in salaries and benefits to establish the new Neighbourhood Action Team.	450,000
	Increase in salaries and benefits related to Road Safety Strategic Action Plan (includes salary and benefits of 3.0 FTE).	281,908
	Increase in fleet capital and operating lease costs (excluding costs related to enhanced sidewalk snow clearing).	217,082
	Provincial recoveries for insect control activities.	(771,000)
	Reduction in internal landfill tipping fees.	(338,243)
	Net operational cost decrease.	(199,867)
	Total operational expenditures increase net of capital related expenditures.	5,043,777
	Transfer to Capital.	3,944,000
	Transfer to Capital - Frontage Levy (increase due to rate \$17.8 million offset by capital closing surplus of \$504,873).	17,295,127
	Transfer to Local Street Renewal Reserve.	17,300,000
	Transfer to Regional Street Renewal Reserve.	8,300,000
	Debt and finance charges.	1,511,617
Total		53,394,521

Operating Budget

Tax Supported Expenditures 2023 compared to 2022

Expl. No.	Explanations	Variance
14 Fire Paramedic Service		
	Increase in salaries and benefits (including Next Generation 911 and Centralized Turnout Gear Cleaning FTEs).	4,842,895
	Increase in fleet fuel and carbon tax.	430,147
	Increase in medical and safety supplies.	300,000
	Decrease in clothing and uniforms.	(808,019)
	Net operational cost increase.	144,507
	Total operational expenditures increase net of capital related expenditures.	4,909,530
	Shared Health Capital Contribution.	(135,000)
	Debt and finance charges.	338,666
Total		5,113,196
15 Community Services		
	Establish funding for alternative shelter spaces and related housing/street safety initiatives.	1,000,000
	Increase in grant to Assiniboine Park Conservancy.	649,000
	Increase in transfer to Animal Services Agency to re-establish one-time decrease in 2022.	500,000
	Net increase in salaries and benefits including the addition of a Clerk C and Business Systems Analyst approved through the Designated Growers of Medical Cannabis Licensing Program report (Council April 28, 2022), partially offset by decreases due to Cindy Klassen Recreation Centre pool closure for maintenance and vacancies due to current labour market conditions.	320,509
	Increase in Universal Funding Formula grants to Community Centres in accordance with the Council approved report December 12, 2019, 3.9% in 2023 (note: 2% annually each year 2024 - 2026). A one-time top-up of \$132,000 is included in 2023 based on estimated population increase from 2021 census.	291,000
	Continue funding for Downtown Community Safety Partnership.	250,000
	Increase in the Recreation Services budget in 2023 only to facilitate recruitment and retention of Instructor Guards, Aquatic Instructors, and Recreation Technicians.	150,000
	Increase to Library Services budget in 2023 only for general library and electronic materials.	100,000
	Decrease in building services charges.	(216,394)
	Decrease grant to General Council of Winnipeg Community Centers (GCWCC) Programming Grant Component by 50% in 2023 only.	(215,375)
	Decrease in non-professional services due to challenges engaging independent contracted program leaders for delivery of recreation programs.	(187,800)
	Net operational cost decrease.	(92,022)
	Total operational expenditures increase net of capital related expenditures.	2,548,918
	Debt and finance charges.	1,079,123
	Transfer to Capital.	75,000
Total		3,703,041

Operating Budget

Tax Supported Expenditures 2023 compared to 2022

Expl. No.	Explanations	Variance
16 Planning, Property and Development		
	Net increase in salaries and benefits mainly due to addition of 5 permanent FTEs funded by incremental permit revenue and addition of 1.33 FTEs for cemeteries funded by Cemeteries Reserve.	747,593
	Transfer to Permit Reserve to invest increases in permit revenue back into improving permit service.	487,784
	Decrease in recovery from General Purpose Reserve using Federal Safe Restart program funding.	329,975
	Increase in recovery from Permit Reserve to offset the salaries and benefits costs for additional 5 FTEs.	(487,784)
	Net operational cost increase.	8,185
	Total operational expenditures increase net of capital related expenditures.	1,085,753
	Debt and finance charges.	534,633
Total		1,620,386
17 Water and Waste - Garbage Collection		
	Increase in single family collection contracts.	1,265,465
	Increase in other collection contracts.	286,800
	Net operational cost increase.	37,796
Total		1,590,061
18 Street Lighting		
	Net operational cost decrease.	(105,857)
19 Assessment and Taxation		
	Increase in grants mainly due to Canadian Museum for Human Rights (CMHR) as per Council directive (approval of tax payments to be converted to a grant to be paid directly to Friends of CMHR).	1,059,454
	Increase in salaries and benefits.	378,476
	Net operational cost increase.	17,583
	Total operational expenditures increase net of capital related expenditures.	1,455,513

Reserves - Budget Summary

Notes:

- 1 Further to Council approval on March 24, recommendation that the name, Climate Action Reserve, and the purpose of the reserve be established to:
 - i. Fund climate action initiatives in alignment with the City's strategic plans to meet the goal of net zero emissions. These initiatives will focus on studies, analysis and the development of policies, strategies and procedures relating to climate action, and
 - ii. Fund the Climate Action Steering Committee.
- 2 Recommendation that, effective January 1, 2026, the Transit Infrastructure Reserve be funded through an annual 0.33% property tax increase for the years 2026, 2027 and 2028, and the purpose of the reserve be expanded to include:
 - i. Transit infrastructure, including but not limited to, bus rolling stock and related charging infrastructure;
 - ii. Land acquisition; and
 - iii. Associated costs.
- 3 March 2023 Council enact amendments to the Cemetery By-law 130/2007 to allow for up to 75% of the yearly earnings from the Perpetual Maintenance Reserve Funds to be utilized to undertake improvements or maintenance in cemeteries
- 4 Potential changes to the Permit Reserve in order to implement service and system changes necessitated by Bills 34, 37 and 38.
- 5 Anticipating a net loss from one eligible project, which will be held in the Land Operating Reserve.

Total Remaining MWIA Funding Shortfall				\$ 8,910,177

Notes:

- \$17.460 million of this commitment was subsequently allocated to Public Transit Infrastructure Fund (PTIF) Transit Projects.
- Redirected commitments for the \$4.615 million MWIF Reallocation includes \$3.900 million for St. James Civic Centre project subsequently received from the Province of Manitoba.

2023 – 2028 Capital Budget

Council is required by Legislation to prepare a six-year balanced Capital Program. With the inclusion of the 2028 forecast the Adopted Six-Year Capital Budget for Council approval is \$3.1 billion, allocated by year as follows (in thousands of \$):

2023	2024	2025	2026	2027	2028	6-Year Total
571,372	520,273	478,056	567,260	484,133	484,512	3,105,606

The 2023 Capital Budget supports infrastructure and investments such as purchasing or constructing buildings, roads, parks and recreation areas, equipment, vehicles, and land. The 2023 Capital Budget and five-year forecast balances infrastructure investment required to keep existing City assets in good repair while supporting ongoing growth needs. Capital investment decisions consider the collective benefit for residents, the risks associated with project deferral, and service affordability. Investments in the six-year capital plan are consistent with this year's budget priorities: improve customer service; support economic development; community outreach and safety; protect the environment and strategic investments.

Changes from Forecast

The 2023 Capital Budget has been prepared in accordance with the Multi-year Budget Policy (Policy) approved by Council on March 20, 2020. The Policy directs the City to adopt annual budgets on the basis of capital budget forecasts previously approved, with adjustments to the forecasts to include only legislative changes, new council direction, or cost or revenue driver changes.

The table below shows the multi-year capital budget for the period 2023–2027, which includes \$2.621 million in total capital investment over the next five years. \$2.381 million of this spending has been approved through previous Council decisions. The Council approved forecast was approved as part of the 2022 budget process on December 15, 2021.

Changes from the 2023 – 2027 Capital Forecast (\$000's)

	2023	2024	2025	2026	2027	5-Year Total
2023 Adopted Budget	571,372	520,273	478,056	567,260	484,133	2,621,094
Council Approved Forecast	464,835	458,158	446,299	541,344	470,494	2,381,130
Increase from Forecast	106,537	62,115	31,757	25,916	13,639	239,964

Changes from forecast for 2023 – 2027 of \$240.0 million are due in part to:

- focused investment in Regional Road Renewal due to the increase in frontage levy of \$1.50/foot (\$17.8 million X 5-years = \$89 million)
- increased investment of \$24.7 million in the City's tree canopy from the 1.17% tax increase (\$17.5 million) plus funding from Natural Resources Canada and Province of Manitoba.
- additional provincial and federal funding for CentrePort South (formerly Airport Area West) Water and Sewer Servicing (\$40 million)
- funding for the North End Water Treatment Plant – Nutrient Removal Facilities (\$15 million)
- funding for the City of Winnipeg Archives – The Winnipeg 150 Legacy Project (\$12.6 million)
- funding for a taxation processing system (\$10.7 million)
- inclusion of previous budget amounts for various smaller projects (\$24.2 million)

The six-year capital program may include temporary capital funded full time equivalents (FTEs). If applicable, the FTE information will be noted on the capital detail sheets - see the Supplement to the 2023 Budget. The following is the Capital Project Summary – Service Based View which shows the 2023 Capital Budget by service and a listing of each project within the service.

Impacts on the Operating Budget

Implementation of the capital projects can impact future operating expenditures. For example, improvements to buildings may lower maintenance costs and new arenas or recreational amenities may increase ongoing maintenance. Operating costs are considered in deciding when projects are authorized. Incremental increases in operating costs, when identifiable, are reflected under operating costs in the Net Operating Impact table for each project (see capital detail sheets in Supplement to the 2023 Budget).

As part of the Capital Budget process and planning, the City incorporates all ongoing operating costs that will be incurred as a result of the implementation of capital projects. The preparation of the Capital Budget is consistently established around two criteria:

1. The need, type, and resources of the capital improvements; and,
2. Operating impacts relating to the capital improvement.

The following is a summary of these costs plus related transfer to capital and debt and finance charges for the six-year capital budget period. Incremental operating costs starting in 2024 have not yet been reviewed by Council and are subject to change during future budget processes.

Department/Utility/Special Operating Agency	Incremental Operating Costs					
	2023	2024	2025	2026	2027	2028

Fees and Charges - Inflationary Increases

Fees and Charges By-Law 196-2008 outlines the following:

Inflationary Increases to fees authorized

3(1) Subject to this By-law the Chief Financial Officer is hereby authorized to increase annually any fee imposed by the City of Winnipeg by an amount equal to or less than the rate of inflation.

The rate of inflation used for the 2023 fees was the last actual rate published by Statistics Canada (at the time of this budget process) - the Consumer Price Index (CPI) for Winnipeg in 2021 - 3.2%

Previous inflation rates used for past Fees and Charges

Schedules:

- 2022 - 2.0% (multi-year budget in 2020)
- 2021 - 2.0% (multi-year budget in 2020)
- 2020 - 2.4% (CPI in 2018)
- 2019 - 1.6% (CPI in 2017)
- 2018 - 2.3% (CPI in 2016)

Notes:

1. Fire and Injury Prevention includes amendments to fees for repeated re-inspection of property by Fire Prevention for bylaw compliance. Increasing fees for the second, third, fourth and fifth and subsequent inspections will now apply.
2. Medical Response includes a fee for fire attendance at locations to conduct an assist lift of persons when not at a private residence. (i.e. an assisted lift at a personal care home or assisted living type facility will now incur a charge to cover the cost of the call out.)
3. Fee description updated due to a typographical error.

Glossary

Accommodation Tax - A 5% levy on the purchase price of short term continuous accommodation of 30 days or less consumed and paid for after May 31, 2008. Amounts are collected in the Destination Marketing Reserve.

Active Transportation (AT) - refers to any human-powered mode of transportation, which mainly includes walking, cycling and rolling. The Pedestrian and Cycling Strategies, adopted by Council on July 15, 2015, present the needs for both walking and cycling modes jointly but address the distinctly different needs of pedestrians and cyclists.

Administrative Buildings - Facilities or assets that do not contain or provide services to the public (i.e. facilities which are solely accessed by city staff and/or suppliers).

Advance Payments – Local Improvements account - see Future Services Account

Assessed Value - Value determined by estimating the market value of a property for a specific reference year. Taxes are levied on the basis of the assessed value of a property.

Assessment Roll - A document that records assessments that are made in respect to properties described in the document and includes a real property assessment roll, a personal property assessment roll, and a business assessment roll.

Asset Management - is an integrated business approach with the aim to minimize the lifecycle costs of owning, operating, and maintaining assets, at an acceptable level of risk, while continuously delivering established levels of service to the residents of Winnipeg. It includes the planning, design, construction, operation, and maintenance of infrastructure used to provide City services. By implementing asset management processes, infrastructure needs can be prioritized, while ensuring timely investments to minimize repair and rehabilitation costs, in order to maintain City assets.

Balanced Budget - The City of Winnipeg Charter enacted by the Manitoba Legislature defines an operating budget to be balanced when the estimated expenditures for a fiscal year do not exceed the estimated revenues for the year.

Basis of Accounting - The City of Winnipeg uses the full accrual basis of accounting. Revenue is recorded as it is earned and measurable. Expenses are recognized as they are incurred and measurable based upon receipt of goods or services and/or the creation of a legal obligation to pay. The City's financial statements are developed in accordance with generally accepted accounting principles for local governments, as recommended by Public Sector Accounting Board (PSAB).

Basis of Budgeting - The City of Winnipeg develops its operating budget for tax supported and utility operations on a modified accrual basis (see Modified Accrual Basis). Difference between the basis of budgeting and accounting include, for example, retirement allowances, vacation, workers compensation, compensated absences, contaminated sites, landfill liability and other accrued employee benefits which are budgeted on a cash basis.

Benchmark - A standard or reference point against which something is measured. The term is used in two different ways: in conjunction with setting long-term goals or targets for a broad

Glossary

range of societal and economic policies; and as a measure of effectiveness in comparing key aspects of an organization's performance with that of similar organizations.

Budget Cycle - A four-year budget cycle beginning with operating and capital budgets adopted by Council for the second fiscal year following a general election of members of Council as provided for in the Multi-Year Budget Policy.

Budget Process - Executive Policy Committee (EPC) of City Council is responsible for budget development. The budget is presented to City Council for consideration and adoption. Each year, both an operating and a capital budget are approved by City Council.

Both budgets contain multi-year views. The capital budget includes six years of budget information, including the current-year adopted budget and five forecast years. The operating budget contains four years of budget information.

Budget Working Group – The working group of Councillors with the functions outlined in the Multi-Year Budgeting Policy and consists of members of council appointed by the Mayor.

Business Tax - This is a tax on businesses that occupy space within the City of Winnipeg. Taxes are calculated by applying the annual business tax rate as a percentage of the annual rental value (ARV) of the business premise. The annual rental value is determined by taking into account the rents paid by premises similar in size and location and includes the cost of services necessary for the comfortable use or occupancy of the premise.

Business Tax Adjustments / New Additions - Are taxes added to the taxation roll after tax bill update (TBU). These supplemental taxes are billed based on the change in the ARV for a given business. The Assessment and Taxation Department is allowed to issue supplemental tax bills for the current tax year and to January 1st of the prior year. For businesses, supplemental tax bills are normally prepared when businesses close, move or newly start up.

By-laws - Legislation enacted by City Council under the provisions of The City of Winnipeg Charter.

Canada Community-Building Fund (formerly Federal Gas Tax) Reserve - City Council, on January 25, 2006, authorized the establishment of the Federal Gas Tax Revenue Reserve Fund. The purpose of the reserve is to account for funds received from the Province under the Federal Gas Tax Funding Agreement.

On November 18, 2005, the Government of Canada and the Province entered into an agreement on the Transfer of Federal Gas Tax Revenue under the New Deal for Cities and Communities. Under this deal, the Province agreed to administer the funds on behalf of the Federal Government and to conditionally provide the funds to the City, subject to receipt of funding from the Federal Government. The funds are intended specifically for eligible projects such as: Public Transit; Water; Wastewater; Solid Waste; Community Energy Systems; and Active Transportation Infrastructure.

On March 24, 2006, the Province and the City signed the Gas Tax Funding Agreement. The agreement was effective as of April 1, 2005 and continues until March 31, 2015, or unless terminated earlier in accordance with section 10 of the agreement.

Glossary

On January 12, 2007, City Council authorized that Infrastructure Levies (Gas Tax) be allocated to the Public Works Department for road and bridge projects through the 2007 capital budget process.

On July 16, 2014 City Council authorized that the purpose of the Federal Gas Tax Revenue Reserve be amended to include 18 project categories as listed in Schedule 1 of the most recent Manitoba-City of Winnipeg Municipal Gas Tax Agreement to administer the Canada-Manitoba Administrative Agreement on the Transfer of Federal Gas Tax Revenue. The list of eligible project categories includes local roads and bridges, broadband connectivity, public transit, drinking water, wastewater, solid waste, brownfield redevelopment, sport infrastructure, recreational infrastructure and cultural infrastructure.

On March 25, 2021, the federal government proposed a one-time investment of \$2.2 billion that would help address infrastructure priorities in municipalities and First Nations communities. The proposed funding would flow through the Federal Gas Tax Fund. The federal government also proposed to rename the Federal Gas Tax Fund as the Canada Community-Building Fund.

On July 28, 2021, Province of Manitoba confirmed that the:

- (1) Federal Gas Tax Fund program had officially been renamed the Canada Community-Building Fund (CCBF); and
- (2) fire halls and fire station infrastructure are eligible investments under the new program and project expenditures for this investment category incurred as of April 1, 2021 will be considered eligible.

Subject to Council approval of the 2022 Budget, this reserve fund had been renamed accordingly.

The Director of Public Works is the fund manager.

Capital - Expenditures are considered capital when they have a cost of \$100,000 or more and a useful life of 10 years or longer. This includes individual non-recurring capital projects or ongoing programs investing in various capital assets. Minor maintenance projects should not be included in the capital budget even though the costs may exceed the dollar limit for capital works. Major equipment replacements with very large dollar values such as computer upgrades should be included in the capital budget even though their useful life may be less than 10 years.

Capital Budget - The annual plan of the capital projects to be undertaken by the City, together with the method of financing for each. In accordance with the City of Winnipeg Charter, a capital budget must be prepared and approved for the current year and the subsequent five years (forecast years). The capital budget is adopted on a project authorization basis, although cash flow estimates are provided for all projects. (See also Five-Year Capital Forecast).

Capital Projects / Capital Works - Capital improvements and other works are generally considered to be projects of a fixed nature and long life which provide new, additional or replacement of public facilities such as streets, water mains, sewers, public buildings, parks, playgrounds, recreational centres, land, etc. Major replacements such as asphalt resurfacing of streets, water main renewals, and waste water sewer renewals could also be considered as capital works. Land acquisition and local improvements are considered to be capital works

Glossary

regardless of expected cost. Capital expenditures are typically acquisition, development or major renovations to assets where the benefit of the expenditure extends into the future.

- **Capital Program** is a collection of similar (like) projects and activities that are managed in a coordinated way to achieve an impact that is either greater or not available if they were managed individually. Programs are typically longer term or with no end date. Programs are often managed across functional units, are strategic in nature and the plan is often high level and evolving.
- **Capital Project** is a singular effort of defined duration, typically shorter than a program. A project has a unique purpose and produces a specific output/benefit. The project is specific, detailed and bounded with a defined start and end point.

Cash to Capital - is the cash value that the City invests into its Capital projects.

Centreline – In support of the Winnipeg Police Service (WPS) 2015-2019 Strategic Plan, the WPS developed a comprehensive downtown safety strategy titled CENTRELINE. CENTRELINE's geographic boundaries are based on 12 downtown atoms to maximize foot patrol visibility and ownership of area issues. This model allows for enhanced accountability, data measurement and the tracking of relevant statistics. The name "CENTRELINE" was inspired by the Indigenous fur trade. Between 1738 and 1880 the downtown was at the centre and the heart of the country's fur trade. The downtown was the line that delineated the East from West, a historic gateway to Canada's West.

Charter - Refers to *The City of Winnipeg Charter*, S.M. 2002, c. 39.

Chief Administrative Officer - Individual appointed to the position pursuant to the City of Winnipeg Charter.

Chief Financial Officer - is the Council-appointed statutory officer mandated by the City of Winnipeg Charter.

City (The) - Refers to the City of Winnipeg.

City of Winnipeg Charter (The) - Provincial legislation setting out the powers and responsibilities of the City of Winnipeg.

Class Estimates - The cost estimate classification system was developed in 2015 based on the AACE International Recommended Practices and is included in an appendix in the annual capital budget. The established benchmark is that a project should have a Class 3 estimate for budget authorization. Projects that are not at a Class 3 should indicate in the detail sheet that a Class 3 estimate or better will be achieved prior to the start of construction. For programs, those projects identified in the year of budget approval should also be at a Class 3 and the narrative should indicate that. The Class 3 estimate should set the authorization budget.

Climate Action Reserve - A reserve fund established for the purpose of funding climate action initiatives in alignment with the City's strategic plans to meet the goal of net zero emissions. These initiatives will focus on studies, analysis and the development of policies, strategies and procedures relating to climate action.

The Director of Water and Waste will be the fund manager.

Glossary

Committees - means the Standing Policy Committees of Council and the Winnipeg Police Board.

Commitment Reserve - On March 12, 1998, City Council approved the establishment of the Commitment Reserve Fund. The purpose of the fund is to allow departments to carry forward committed budget dollars to the succeeding year thereby eliminating the need to re-budget. Contributions to the reserve must be spent in the year following the transfer. However, contributions can be retained in the reserve beyond the following year only if approved by the fund manager; otherwise the unspent amount must be transferred to the Financial Stabilization Reserve Fund.

The Chief Financial Officer is the fund manager.

Community Trends and Performance Report -

The volume includes an outline of the City of Winnipeg organization, governance and administrative structure; community trends related to socio-economic information such as population, demographics, housing, etc.; an overview of the City of Winnipeg's budget process and strategic framework, with highlights from *OurWinnipeg* and the City's Financial Management Plan; and performance measures for City of Winnipeg services grouped by Standing Policy Committee, and organization-wide information.

The information is intended to provide relevant current context, and facilitate discussion for the upcoming budget process.

Computer, Critical Systems and Support Reserve - On March 22, 1995, City Council approved the establishment of the Computer Replacement Reserve Fund. As approved by Council in the 2019 Budget, the reserve was renamed to Computer, Critical Systems, and Support Reserve. The purpose of the reserve is to provide financing for the replacement, refurbishing, modifying, or upgrading of personal computer hardware and/or software and to stabilize expenditures, therefore smoothing the effect on the annual budget. Through direct contributions, users contribute an amount to the reserve for computer equipment based upon the latest actual purchase cost for that type of unit. Other contributions to the reserve would include investment income.

The Director of Innovation and Technology is the fund manager.

Consolidated Budget – includes the City of Winnipeg's operating budgets for tax supported, utility, special operating agency and reserve operations as well as a capital budget and governmental functions or entities, which have been determined to comprise a part of the aggregate City operations. The consolidated budget considers inter-fund transaction eliminations, tangible capital asset based revenues and amortization, controlled entity operations and the accrual of unfunded expenses.

Consolidated Entities - The organizations included in the consolidated financial statements are as follows:

- Assiniboine Park Conservancy Inc.
- CentreVenture Development Corporation
- The Convention Centre Corporation
- Winnipeg Arts Council Inc.
- Winnipeg Public Library Board

Glossary

Consumer Price Index (CPI) - A statistical description of annual price levels provided by Statistics Canada (Government of Canada). The index is used as a measure of the increase in the cost of living (i.e. economic inflation).

Contribution in Lieu of Land Dedication Reserve - On January 10, 1973, City Council adopted the policy that cash payments received by the City in lieu of land dedication for open space be deposited in a fund to the credit of each community. On January 17, 1979, City Council amended that policy to permit proceeds from the sale of surplus parks and recreation lands to be deposited to the Contributions in Lieu of Land Dedication Reserve Fund account of the respective community. On September 19, 1990, City Council adopted the recommendation that revenue would be apportioned amongst the communities on the basis of 75% to the account of the community in which the revenue was collected and 25% to be divided equally amongst all communities. This change was phased in over three years commencing in 1991. Expenses are limited to the acquisition or improvement of land for parks, recreation facilities, or open space.

The Director of Planning, Property and Development is the fund manager.

Debt Charges - The annual amount of principal and interest which must be paid each year through the operating budget. There are two forms of debenture structure. The Sinking Fund Debenture issue requires annual payments to be made to the Sinking Fund. These funds are then invested by the Sinking Fund for the retirement of the debenture issue on its maturity date. A serial issue requires annual payments of principal and interest in order that the debt is paid off in regular installments throughout the life of the issue.

Department - The basic organizational unit of the City which is functionally unique in its delivery of services. In general, departments are managed by a Director.

Destination Marketing Reserve - On October 22, 2008, City Council approved the creation of the Destination Marketing Reserve Fund with an effective date of January 1, 2009. The purpose of the reserve is to support Economic Development Winnipeg Inc., The Convention Centre Corporation and special events including other organizations, projects and events that will encourage tourists to visit Winnipeg. The source of revenue for the reserve is a 5% accommodation tax, which was adopted by City Council on April 23, 2008.

The Chief Financial Officer is the fund manager.

Director - leads a City department or Special Operating Agency

Dividend - A dividend is an interfund transfer from a City Utility or a Special Operating Agency (SOA) to the City tax-supported fund (Fund 001) based on Council approved policy or available uncommitted funds or operational surplus.

Economic Development Investment Reserve - The Economic Development Investment Reserve Fund was created by City Council on June 21, 2000. It is intended to fund City economic development incentives and investment projects. This reserve invests directly in particular projects rather than being a funding mechanism for programs.

Glossary

The incremental portion of realty and business taxes generated by projects in which the fund has invested will be returned to the reserve until the original investment has been repaid.

The Director of Planning, Property and Development is the fund manager.

Effectiveness Measure - a performance measure intended to evaluate service delivery relative to service standards or the customer's needs and expectations.

Efficiency Measure - a performance measure comparing the resources used to the number of units of service provided or delivered (typically cost for a service or unit of service).

Electricity Tax - The electricity tax is legislated by Section 441 of the City of Winnipeg Charter. The rate charged is 2.5% for domestic consumption and 5% for commercial consumption, beyond the electricity used for space heating purposes, which is conclusively deemed to be 80% of the total consumption. For a "primarily electric heat" dwelling unit, 20% is taxable, 80% is exempt. If a dwelling unit is "primarily gas heat", then there is no exempt portion on the electrical side. The tax is calculated and levied by Manitoba Hydro and is remitted to the City of Winnipeg on a monthly basis.

Entertainment Funding Tax - The tax is 10% on cinema ticket prices of \$5.00 or more.

Entertainment Funding Tax Refundable - Goldeyes - The Winnipeg Goldeyes has a long term arrangement expiring December 31, 2038 with respect to entertainment tax approved by Council. The full amount of entertainment tax remitted during the year is refunded back at the end of the season - conditional upon all aspects of an amateur access/community use agreement with the City being honored.

Entertainment Funding Tax Refundable - True North - True North Inc. has a long term arrangement expiring in 2029 with respect to entertainment tax approved by Council. The full amount of entertainment tax remitted during the year is refunded back at the end of the season.

Entertainment Funding Tax Refundable - Winnipeg Football Club (WFC) - In a long term agreement approved by Council, the entertainment tax revenue from the Winnipeg Football Club's football games or other events will be refunded back to the Winnipeg Football Club.

Environmental Projects Reserve - On December 17, 1993, City Council authorized the establishment of a River Quality Environmental Studies Reserve Fund for the purpose of providing funding for environmental projects to improve river quality. On January 24, 1996, City Council changed the name of this Reserve to the Environmental Projects Reserve Fund to more accurately reflect the nature of the projects reported in this reserve.

The reserve is financed through a monthly transfer from the Sewage Disposal System Fund based on the amount of water consumption billed. The reserve has funded ammonia, nitrification and combined sewer overflow ("CSO") studies. It now funds a portion of the wastewater collection and treatment system improvements as directed by the Province of Manitoba ("the Province"). This includes effluent disinfection, centrate treatment, biological nutrient removal, CSO mitigation infrastructure and biosolids.

Glossary

River quality is under the jurisdiction of the Province and in 2003 the Clean Environment Commission ("CEC"), at the request of the Minister of Conservation, conducted public hearings to review and receive comments on the City's 50-year wastewater collection and treatment improvement program. At the conclusion, the CEC recommended that the City implement these improvements over a 25-year period, which was subsequently ordered by the Minister of Conservation on September 26, 2003.

On September 3, 2004, the Province issued Environment Act License No. 2669 for the West End Water Pollution Control Centre, which provided for the plan as directed by the Minister of Conservation. Certain provisions of this license were appealed by the City. Revised License No. 2669 E R R and No. 2684 R R R, for the North End Water Pollution Control Center, were issued on June 19, 2009, incorporating the City's requested changes. On March 3, 2006, a similar license (No. 2716) was issued for the South End Water Pollution Control Centre. Effective April 18, 2012, the South End Water Pollution Control Centre license (No. 2716RR) was revised in response to the Save Lake Winnipeg Act requirement. This reserve partially funds capital projects to bring the City in compliance with the license requirements.

The Director of Water and Waste is the fund manager.

External Debt - Obligation resulting from the borrowing of money from sources other than City funds, primarily by the sale of debentures in public capital markets.

Federal Gas Tax Revenue Reserve – see **Canada Community-Building Fund Reserve**

Fees and Charges Schedule - published annually in accordance with the Fees and Charges By-Law (196/2008) to identify the current fees and charges administered by the City of Winnipeg and the authority under which they are administered.
http://www.winnipeg.ca/finance/documents_page.stm

Financial Management Plan (FMP) - The City's official public strategy for guiding the financial decision-making process. This document, adopted by Council on March 20, 2020, is the strategy for guiding financial decision making, meeting long-term obligations, and improving its economic position and financial stability. <http://www.winnipeg.ca/finance/files/fmp.pdf>

Financial Stabilization Reserve - The purpose of the Financial Stabilization Reserve Fund is to counteract the budgetary effect of fluctuations from year to year in property and business taxes and/or to fund deficits in the General Revenue Fund, which assist in the stabilization of the City's mill rate and/or property tax requirements.

Various structural changes have occurred over the years in this reserve.

On September 28, 2011, City Council adopted the combining of the Fiscal Stabilization Reserve and the Mill Rate Stabilization Reserve Funds into the Financial Stabilization Reserve Fund. All previous regulations for the two stabilization reserves were replaced with the following:

- Sources of funding for the reserve are: the excess of actual total taxes billed compared to budget; surpluses in the General Revenue Fund; unspent amounts in the Commitment Reserve Fund; and interest revenue.
- The reserve can be used to fund any shortfall of actual total taxes billed compared to budget; major unforeseen expenditures once the target level is exceeded and subject to rules noted

Glossary

below; General Revenue Fund year-end deficits and subject to rules noted below; and one-time expenditures once the target level has been reached.

- No transfers can be made to the General Revenue Fund to fund ongoing current operations.
- Funds above the 8% target may be used for major unforeseen expenditures and General Revenue Fund deficits. Accessing funding in any given year requires City Council approval if the required amount would reduce the reserve's balance below the 8% target.
- A replenishment plan shall be adopted by City Council if the Financial Stabilization Reserve Fund's equity is reduced below the 8% target of tax-supported expenditures.

On March 23, 2015, City Council adopted the 2015 Operating Budget which included a change in the target balance for the Financial Stabilization Reserve from 8% to a minimum of 6% of tax-supported expenditures.

On March 20, 2020 Council amended the purpose to allow transfers between the Financial Stabilization Reserve and the General Revenue Fund, subject to maintaining required annual minimum balanced in the Financial Stabilization reserve, in order to ensure that the tax supported operating budget is balanced.

The Chief Financial Officer is the fund manager.

Fiscal Year - The fiscal year of the City is the 12 months ending on December 31 each year.

Five-Year Capital Forecast - The long-term plan for capital expenditures to be incurred for the five years following the budget year. Section 284(2) of "The City of Winnipeg Charter" requires Council, in addition to the capital budget for the budget year, to include a capital program for five years. Only the current year's budget is adopted, and the five year capital forecast is approved as a forecast.

Frontage Levy - A charge to property owners through the property tax bill. Calculation of the frontage levy is based on the length of the boundaries (frontage) of the property that fronts or abuts any portion of a sewer main or water main. As set out in the City of Winnipeg Charter, these funds can be used for the upgrading, repair, replacement and maintenance of water and sewer mains, streets and sidewalks; installation, upgrading, repair, replacement and maintenance of lighting in streets and back lanes.

Fund Balance - Measures the net financial resources available to finance expenditures of future periods and is the difference between governmental fund assets and liabilities, also referred to as fund equity.

Full-Time Equivalent (FTE) - The total number of hours worked converted to the equivalent of full-time staff persons working a whole year.

Funding from Other Municipalities - Revenue generated from Service-Sharing Agreements for the provision of water and sewer services to neighbouring municipalities.

Future Services Account - A development agreement may require that the Developer pay for specific infrastructure items that are to be constructed, by the City and/or a third party, in the future, and which directly benefit the proposed subdivision. These works include roadways (both improved and nonimproved), sidewalks, boulevards and trees, traffic signals, street lights (both

Glossary

standard and ornamental), watermains, etc. The costs of the works are determined by the City and are then specified in the development agreement at the time that the agreement is to be executed by the Developer, or earlier. Such payments are credited to the Advance Payments – Local Improvements account (commonly referred to as the “future services” or “future works account”). The funds held in the future services account are intended to be used as a funding source primarily in a capital budget at the time the related infrastructure item(s) is to be constructed.

General Capital Fund - The accounting fund created to account for tax-supported capital transactions of The City of Winnipeg.

General Purpose Reserve - On March 15, 2000, City Council approved the establishment of the Pension Surplus Reserve Fund. The reserve was funded by the retroactive refund of pension contributions for 1998 and 1999. City Council also approved that the purpose of the reserve and further details including the use of these funds be subsequently determined by City Council.

On May 23, 2001, City Council approved the amalgamation of the Pension Stabilization Reserve and Pension Surplus Reserve Funds and the new fund be renamed the General Purpose Reserve Fund.

On June 25, 2014, City Council approved an amendment to the Councillors' Ward Allowance (CWA) Policy year end section 3.10, to include the following: “Unexpended funds from Councillor ward allowances may be carried over to the following year, at the discretion of the ward Councillor, up to a maximum of 10% of the total ward allocation, and on October 28, 2015 added that the CWA carry over funds be established as a permitted use in the General Purpose Reserve.”

On December 16, 2020, Council approved that the terms and conditions of the General Purpose Reserve be amended to allow as a funding source any budget allocation approved by Council including external or internal funding sources.

The Chief Financial Officer is the fund manager.

General Revenue Fund – The accounting fund created to account for tax-supported operations, which include but are not limited to services provided by the City such as police, fire, ambulance, library and street maintenance.

Golf Course Reserve - The Golf Course Reserve Fund was created by City Council on April 28, 1994, to provide funding for enhancements to the municipal golf courses in order to keep them competitive with those in the private sector.

The Director of Planning, Property and Development is the fund manager.

Government Grants - Payments from other levels of government for specific programming or payments for City purposes.

Glossary

Grant - means money, goods, or in-kind contributions provided to a recipient without consideration in return, other than recognition for the grant.

Grant (Annual) - Annual grants are payments to organizations which provide demonstrable cultural, social or economic benefit to the community and where the City does not receive any goods or services directly in return for the funds (with the exception of service purchase agreements) nor do they expect repayment or any other financial return. Eligibility and entitlement requirements are reviewed annually.

Grant (Long-Term) - A payment that is legally required to be made pursuant to the terms of a previously executed active agreement, or an expired agreement which the parties are still honoring until a new one can be made, or other legal obligation (e.g. Long Term Agreements of Appendix 2, tax or TIF grants).

Grant (Other programs) - are primarily grant programs where recipients are determined throughout the course of the year. With the exception of the per capita grants, the Director of the department responsible for each such grant program is delegated the authority to determine grant recipients.

Grant (In-kind contributions) - goods or services provided to a recipient for free or at a reduced rate.

Heritage / Economic Development Property Tax Credit - The program's objective is to facilitate the conservation and continued use/viability of heritage buildings in Winnipeg by incenting the restoration or rehabilitation of existing buildings as well as projects that have economic benefit to the City.

Heritage Investment Reserve - The Heritage Investment Reserve Fund was created by City Council on June 21, 2000. It funds all City and City-sponsored heritage programs and acts as a revolving fund so that future funding of heritage programs can be sustained and thereby reduces the need to obtain additional funding. An important source of ongoing funding for the reserve will be incremental tax revenues from projects financed by the fund.

The Director of Planning, Property and Development is the fund manager.

Housing Rehabilitation Investment Reserve - The Housing Rehabilitation Investment Reserve Fund was created by City Council on June 21, 2000. It was to fund City housing programs for which no funding was provided in operating budgets. It was intended that this reserve act as a revolving fund so that incremental tax revenues resulting from housing programs in which the reserve had invested would be returned to the reserve to finance future projects. The reserve continues to fund housing programs for which the funding is provided through an annual transfer from the General Revenue Fund.

The Director of Planning, Property and Development is the fund manager.

In-Kind Contributions - see Grant (In-kind contributions).

Insect Control Reserve - On March 23, 2005, City Council approved the establishment of the Insect Control Reserve Fund. The purpose of the fund is to absorb unexpected costs for mosquito control in years where the City of Winnipeg experiences above average response

Glossary

levels. The reserve balance should never exceed \$3.0 million and the Chief Administrative Officer has the authority to over-expend to a maximum of \$3.0 million in the event of insufficient funds.

The Director of Public Works is the fund manager.

Insurance Reserve - In 1960, the Insurance Reserve Fund was established. The reserve was to be used for the purpose of replacing or repairing City properties and/or contents that had been damaged by fire or any other cause. In 1973, the use of the Insurance Reserve Fund also included the purpose of paying for any other losses that the City might incur in any part of its self-insurance program. Such uses would include third party liability claims, or property damage claims, including motor vehicles.

The Corporate Controller is the fund manager.

Internal Financing - An interim funding source from the available, short-term cash flow surpluses from various City sources such as the general capital fund and capital and special purpose reserves that can be used to fund capital projects. Council also approves an external borrowing authority for the internal financing amount in the capital budget to ensure that funds are available for the projects to proceed if short term cash surpluses become unavailable.

Investing in Canada Infrastructure Program - The governments of Canada and Manitoba are working together to make long-term infrastructure investments for the betterment of Manitoba and its communities through the Investing in Canada Infrastructure Program (ICIP). These investments will have benefits for people in communities across the province under four priority areas:

- Public transit;
- Green infrastructure;
- Community, culture, and recreation infrastructure; and
- Rural and northern communities.

Key Goals - Key Goals are provided for each service in the service-based budget, and represent the desired high-level outcomes for that service area.

Land Operating Reserve - City Council, on May 16, 1973, authorized the establishment of a Land Operating Reserve Fund to reduce the need for the issuance and sale of debentures in connection with the acquisition cost of properties for resale.

Disbursements from this reserve are limited to the acquisition cost of properties for resale, and any other expenses directly related to the acquisition, sale and improvement of disposable City properties. Use of the reserve's funds for any other purpose requires the authorization of City Council. This reserve is maintained by the proceeds from the sale of City-owned properties and interest earned.

In accordance with City Council directives, 5% of the gross sales revenue is allocated to the Historical Building Program, another 5% of gross sales revenue is allocated to the Enhanced Land Marketing Program to finance those activities necessary to facilitate the sale of surplus lands and 15% is allocated to the Community Centre Renovation Grant Program annually, subject to Council approval.

Glossary

City Council, on July 19, 1999, adopted a policy that in order to sustain the business operations supported by the Reserve, equity be allowed to accumulate within the reserve sufficient to eliminate the inter-fund debt owing to the General Revenue Fund created in past years. Any surplus funds greater than the amount required for the purposes of the Land Operating Reserve Fund and meeting the annual budgeted transfer to the General Revenue Fund is to be transferred to the Commitment Reserve Fund.

The Director of Planning, Property and Development is the fund manager.

Landfill Rehabilitation Reserve - On December 17, 1993, City Council authorized the establishment of a Brady Landfill Site Rehabilitation Reserve Fund for the purpose of providing funding for the future development of the Brady Landfill Site. The reserve is financed through a monthly transfer from the Solid Waste Disposal Fund based on tonnages processed at the landfill.

Effective January 1, 2018 the Brady Landfill Site Rehabilitation Reserve was terminated and replaced with a new Landfill Rehabilitation Reserve in accordance with Section 289 of the City of Winnipeg Charter.

The purpose of the new reserve is to provide funding, over time, for closure and post-closure landfill needs including leachate management, environmental monitoring and site restoration costs for all active and closed landfills maintained under the responsibility of the City.

This reserve will continue to be funded through annual deposits from tipping fee revenue accounts of the Solid Waste Disposal Fund based on a portion of the tipping fee per tonne charged on garbage disposal, the current rate is \$1.00 per tonne of material landfilled.

The Director of Water and Waste is the fund manager.

Local Improvements - Local Improvement capital projects are those which are financed partly by a direct levy on the properties benefited (property owner's share) and partly by a mill rate levy over the city-at-large (City's share). The program is governed by Local Improvement By-Law No. 98/72 and is subject to advertising and subsequent approval by the majority of ratepayers involved. The type of expenditures generally falling within this category are: paving of local streets and lanes; sidewalk and boulevard construction; installation of new water mains and sewers; ornamental street lighting and lane lighting.

Local Street Renewal Reserve - The Local Street Renewal Reserve was established in 2013 to increase investment in local streets, lanes and sidewalks. Funds from this reserve will be used annually to fund the local street component of the Regional and Local Street Renewal program and the repair, renewal and/or replacement of bridges. Subject to annual Council approval, a separate property tax increase will fund this reserve each year to ensure a dedicated funding system for local streets. Use of the Local Street Renewal Reserve for purposes other than local streets, lanes, sidewalk, and bridge renewals requires approval of 2/3 of City Council.

The Director of Public Works is the fund manager.

Glossary

Major Capital Projects - are projects that reach a specific minimum dollar threshold and above. In 2020 the threshold was \$24 million. This threshold increases annually by construction inflation. A listing of major capital projects is included in the annual capital budget.

Mill Rate - A mill rate is a term used to decide how taxes are set. A "mill" is equivalent to a one thousandth part. For the purposes of calculating property taxes, one mill represents \$1.00 of taxes for every \$1,000 of portioned assessment. The portioned assessment is the part of the total assessed value of a property that is subject to taxation.

Mill Rate Support - Mill rate support is the amount required to be funded directly by property owners through their property realty taxes.

Modified Accrual Basis - A hybrid of cash and accrual methods of accounting in which revenues are recognized when earned, measurable and available. Expenses are recognized when liability is incurred, except for certain expenses such as those associated with retirement allowances, vacation, workers compensation, compensated absences, contaminated sites, landfill liability and other accrued employee benefits which are budgeted on a cash basis. As well, debt servicing payments are budgeted for when due and depreciation of assets is not budgeted.

Multi-Family Dwelling Tax Investment Reserve - On May 22, 2002, City Council approved the establishment of the Multi-Family Dwelling Tax Investment Reserve Fund. The reserve is designed to act as a bank that accumulates incremental taxes generated by approved multi-family dwelling construction/rehabilitation projects. When the incremental taxes for each project accumulates to the pre-approved amount, the balance is paid back to the applicant developer as a "Tax Incentive Grant".

The Director of Planning, Property and Development is the fund manager.

Municipal Benchmarking Network Canada (MBNC) - is a national benchmarking organization comprised of partner municipalities who identify, collect, analyze and report consistent and comparable data in municipal service areas. The information reported, and the partner network, promote sharing of best practices and strategies to support continuous improvement in the delivery of municipal services. <http://mbncanada.ca/>

Multi-year Budget - The annual operating and capital budgets adopted by Council together with operating budget projections for an additional three years and capital budget forecast for an additional five years as required by the Multi-Year Budget Policy.

Municipal General Services Fee - The General Services Fee is revenue related to municipal services that are billed for Urban Reserves and these fees are in lieu of property taxes.

Natural Gas Tax - The natural gas tax is legislated in Section 441 of The City of Winnipeg Charter. The rate charged is 2.5% for domestic consumption and 5% for commercial consumption, beyond the natural gas used for space heating purposes. If the dwelling unit is "primarily gas heating", a baseload is calculated based on consumption in June, July, and August. Gas tax is then applied to the lesser of actual consumption or baseload. If the dwelling unit is "primarily electric heat" then this tax is applied to the full consumption. The tax is

Glossary

calculated and levied by Manitoba Hydro and is remitted to the City of Winnipeg on a monthly basis.

Net Taxes Added - Are taxes added to the taxation roll after tax bill update (TBU). These supplemental taxes are billed based on the change in the assessed value for a given property. The Assessment and Taxation Department is allowed to issue supplemental tax bills for the current tax year and to January 1st of the prior year.

Not for Profit Organization - a club, society or association that is organized and operated exclusively for social welfare, civic improvement, pleasure or recreation or for any other purpose except profit.

Operating Budget - means the annual plan of city's services and programs with estimated revenues and expenditures associated with each.

Operating Expenditures - The ongoing cost to provide a product or service. This includes but not limited to the cost for personnel, materials, equipment and other consumables required for a department to function and provide services.

Other Commitments - Other capital investments that are not aligned with the definition of a Capital Project or Capital Program.

OurWinnipeg - The City's strategic 25-year development plan adopted by Council on May 26, 2022, is Winnipeg's 25-year development plan that under The City of Winnipeg Charter, section 224. It establishes goals of leadership and good governance, environmental resilience, economic prosperity, good health and well-being, social equity and city building. Section 235 of the City of Winnipeg Charter, not everything in OurWinnipeg has to be implemented but everything the City does must be consistent with it.

Pay-As-You-Go - A means of financing capital projects whereby the City pays for the projects from direct contributions from the current budget, from retained earnings, or from reserves established for capital purposes, rather than issuing external debt.

Payments in Lieu of Taxes - The federal and provincial governments, crown corporations, universities and City utilities do not have a legal obligation to pay property taxes; however an amount equivalent to the taxes is paid to the General Revenue Fund for City services by way of a payment in lieu of taxes.

Pedestrian and Cycling Program - provides recommendations for infrastructure projects, programs and studies identified in the Pedestrian and Cycling Strategies. Projects may include: new sidewalks on regional and non-regional streets, new multi-use paths, new bicycle routes, crossing control improvements, public education, awareness and promotion and partnership grants. All recommended projects support the key directions of the Pedestrian and Cycling Strategies.

Performance Measurement - Performance measurement is the process of collecting, analyzing and/or reporting information regarding the performance of an organization, service, system or component.

Glossary

Permit Reserve - On March 20, 2007, City Council approved the establishment of the Permit Reserve Fund. The purpose of the reserve is to mitigate revenue shortfalls and fund temporary staffing needs during busy periods through economic boom/bust cycles. The reserve is also meant to provide a source of funds for service and system improvements. The reserve is funded by the excess of permit revenue in the General Revenue Fund compared to budget in any given year. The balance in the reserve is capped at \$3.0 million and any surplus funds over and above the cap are to be transferred to the General Revenue Fund.

On March 22, 2011, City Council approved the cap be revised to \$2.0 million and any surplus funds above the cap be transferred to the General Revenue Fund, reported in the Planning, Property and Development Department.

The Director of Planning, Property and Development is the fund manager.

Perpetual Maintenance Funds - (Brookside, St. Vital and Transcona Cemeteries) The terms of By-law No. 14725 of the former City of Winnipeg, passed on April 8, 1935, created a fund for the perpetual care and maintenance of Brookside Cemetery. Later on By-law No. 1996/78, also created funds for the perpetual care and maintenance of St. Vital and Transcona Cemeteries. Section 29 of By-law No. 5720/91 amending and restating By-law 1996/78, relating to Cemeteries, sets forth the purpose and use of the Perpetual Maintenance Funds.

These funds are for the purpose of creating, building up, and maintaining a perpetual maintenance fund for the care and maintenance of Brookside, St. Vital, and Transcona Cemeteries. Section 12 of By-law No. 130/2007 includes: "Each cemetery will have a separate Perpetual Maintenance Reserve Fund created with a sum equal to 25% of the purchase price of a lot, plot or cremated remains lot/plot, or a sum equal to 15% of a cremorial or niche purchase, or a sum equal to 10% of a scattering of cremated remains, set aside in the reserve, invested and applied to and for the perpetual care of the lot or plot or cremated remains lot/plot, cremorial, niche, scattering bed or ossuary area. Perpetual care includes general maintenance of lots, plots, cremated remains lots/plots, columbarium niches or the cemetery enclosure.

The City may, annually, subject to Council approval, utilize up to 75% of the yearly earnings from the relevant Perpetual Maintenance Reserve to undertake improvements or maintenance on the cemetery."

The Director of Planning, Property and Development is the Funds Manager.

Property Tax Revenue - This is the money that the City bills the property owners in the City of Winnipeg to fund tax-supported expenditures. Property taxes are calculated by applying the municipal mill rate against the portioned assessment of your property. By definition, a mill is a one-thousandth part. For calculating taxes, one mill represents \$1.00 of taxes for every \$1,000.00 of portioned assessment.

Provision for Cost Variability ("Provision") - is an inter-fund transfer from the Municipal Accommodations Fund (Fund 554) to the City tax-supported fund (Fund 001). It represents a portion of market rents charged by Municipal Accommodations to its accommodation customers; that portion being the variance between market rent rates charged and the cost to provide and reinvest in the accommodations.

Glossary

Public-Private Partnership (PPP or P3) - is a contract between a public sector entity and a private sector entity that outlines the provision of assets and the delivery of services. Although this can include almost any type of infrastructure or service, some of the more common P3 projects include hospitals, bridges, highways, new types of technology and new government buildings. Across Canada, P3s have become an increasingly prominent procurement vehicle for governments.

Regional Street Renewal Reserve - The Regional Street Renewal Reserve was established in 2014 to increase investment in regional streets and sidewalks. Funds from this reserve will be used annually to fund the regional street component of the Regional and Local Street program and the repair, renewal and/or replacement of bridges.

A separate property tax increase will fund this new reserve each year to ensure a dedicated funding system for regional streets. Use of the Regional Street Renewal Reserve for purposes other than regional streets, sidewalk, and bridge renewals requires approval of 2/3 of City Council.

The Director of Public Works is the fund manager.

Regulation Fees - Fees charged to users for regulated/controlled services typically where licenses and permits are required. Fines and penalties are also included in this revenue category for summary purposes.

Reserves - Represent amounts appropriated for designated requirements as established by Council. Part of best practices for fund accumulation to replace capital assets and to provide financial flexibility in times of budget shortfall. A listing of the reserve funds is noted on the next page and a description for each one can be found in this glossary.

- Canada Community-Building Fund (formerly Federal Gas Tax) Reserve
- Climate Action Reserve
- Commitment Reserve
- Computer, Critical Systems and Support Reserve
- Contribution in Lieu of Land Dedication Reserve
- Destination Marketing Reserve
- Economic Development Investment Reserve
- Environmental Projects Reserve
- Financial Stabilization Reserve
- General Purpose Reserve
- Golf Course Reserve
- Heritage Investment Reserve
- Housing Rehabilitation Investment Reserve
- Insect Control Reserve
- Insurance Reserve
- Land Operating Reserve
- Landfill Rehabilitation Reserve
- Local Street Renewal Reserve
- Multi-Family Dwelling Tax Investment Reserve
- Permit Reserve
- Perpetual Maintenance Funds
- Regional Street Renewal Reserve

Glossary

- Sewer System Rehabilitation Reserve
- Southwest Rapid Transit Corridor Reserve
- Southwest Rapid Transitway (Stage 2) and Pembina Highway Underpass Payment Reserve
- Transit Bus Replacement Reserve
- Transit Infrastructure Reserve
- Transformative Reserve
- Waste Diversion Reserve
- Water Main Renewal Reserve
- Water Meter Renewal Reserve
- Workers Compensation Reserve

Residential Recycling - Revenue received from Multi Material Stewardship Manitoba (MMSM) on a percentage of cost basis to help fund the waste diversion program for the City.

Retained Earnings - Equity accounts that represent the accumulated surpluses from operations that are not for general distribution, but rather are used to fund capital projects, leverage debt, or are reinvested in service delivery.

Revenue - Sources of income to The City of Winnipeg. A listing of major sources of revenue is noted below and a description for each one can be found in this glossary.

- Accommodation Tax
- Business Tax
- Business Tax Adjustments / New Additions
- Electricity Tax
- Entertainment Funding Tax
- Entertainment Funding Tax Refundable – Goldeyes
- Entertainment Funding Tax Refundable – True North

- Water Services Sales

Sale of Goods and Services - Revenue category of fees charged to users for services provided on a fee for service basis by the City for the convenience and quality of life for residents. Generally the consumer can exercise choice on whether or not to consume the service. Examples include recreation and ambulance fees.

Glossary

Self-Supporting Utility - The Water and Waste Utilities do not receive subsidies from the mill rate or tax supported budget.

Service (Internal) - Those services which are offered internally to one or more organizational units within the corporation in support of public service delivery.

Service (Public) - An operational concept where something of value is provided to individual members of the public, or defined members of the public (client set) or the public collectively.

Service-Based Budget (SBB) - Displays budget information (how much the service will cost and how the service is to be funded) and performance measures for services provided, including all components regardless of which unit or department delivers the service. The service-based budget is intended to provide more transparent reporting and a more direct link between the budgets provided and the services delivered.

Service Level Statistics - Are service-related metrics intended to reflect the amount of activity or services provided with the resources approved by City Council, as well as changing circumstances in the community or service industry that may impact the service.

Service purchase agreement payment - A payment that is required to be made for the provision of services pursuant to a service purchase agreement, and was previously approved as a sole source under the Materials Management Policy, due to the fact that another organization/entity could not reasonably carry out the service or there is a special convenience factor in having a particular organization/entity provide the service to the City. The service being provided is usually for the care or maintenance of City property which the City would otherwise be legally required to carry out itself (e.g. BIZ maintenance of City parking pay stations, snow clearing of City parking lots, clean up around Brady landfill).

Service-Sharing Agreements - see Funding from Other Municipalities

Sewer Services Revenue - This revenue is generated when the sewer rate is applied to the amount of water used as measured by the water meter, since most of it ends up as sewage. This money is used to collect, transport and treat sewage so that it meets environmental requirements before it is released to the Red and Assiniboine Rivers.

Sewer System Rehabilitation Reserve - On May 27, 1992, City Council authorized the establishment of the Combined Sewer Renewal Reserve and the Wastewater Sewer Renewal Reserve Funds. These Reserves were established for the renewal and rehabilitation of combined sewers and wastewater sewers, respectively, with funding provided from the frontage levy identified for this purpose in By-law 549/73 (amended by By-law 7138/97). The purpose of the reserves was to provide a consistent approach to financing infrastructure renewal and rehabilitate combined sewers and to renew and rehabilitate wastewater sewers (as defined by the Sewer Utility By-law 5058/88).

The annual frontage levy funding was allocated by City Council between the Combined Sewer Renewal Reserve and the Wastewater Sewer Renewal Reserve in accordance with the capital program requirements.

Glossary

On January 30, 2002, City Council passed By-law No. 7958/2002 "Frontage Levy By-law" to include the repair and replacement of streets and sidewalks in residential areas.

On September 27, 2006, City Council approved the consolidation of the Combined Sewer Renewal Reserve and the Wastewater Sewer Renewal Reserve Funds into the Sewer System Rehabilitation Reserve Fund, which was effective on October 1, 2006.

On December 15, 2009, City Council authorized, by way of approval of the Capital Budget, that effective 2009, frontage levy revenue collected on property taxes would no longer fund the Sewer System Rehabilitation Reserve as of 2011. Therefore, the Sewer System Rehabilitation Reserve is fully funded through sewer rates transferred from the Sewer Disposal System Fund as well as interest earned on the reserve fund balance.

The Director of Water and Waste is the fund manager.

Shared Health - Shared Health leads the planning and coordinates the integration of patient-centered clinical and preventive health services across Manitoba. The organization also delivers specific province-wide health services and supports centralized administrative and business functions for Manitoba health organizations.

Sinking Fund - A fund established by setting aside annual contributions or levies over a period of time to fund the repayment of long-term debt at maturity. The city administration manages the sinking fund contributions on sinking fund debentures.

Solid Waste Disposal Services Revenue - The service consists of several primary sources of revenue including tipping fees, waste diversion user fees and residential recycling revenue (a definition of each can be found in this glossary).

Southwest Rapid Transit Corridor Reserve - On March 26, 2008, City Council approved that a Rapid Transit Infrastructure Reserve Fund be established, and that the purpose of the Reserve be to accumulate funds and subsequently to expend on future costs incurred on account of public transit infrastructure, including the construction of rapid transit corridors contemplated in the future.

On October 22, 2008, City Council approved that the purpose of the Rapid Transit Infrastructure Reserve be revised to accumulate funds and subsequently expend on costs incurred on account of public transit infrastructure, including the operation and construction of the rapid transit infrastructure, structures and facilities, development, and other related costs including bus purchases, technology, personnel, and land acquisition.

On January 29, 2013, City Council approved that effective January 1, 2014, the reserve be renamed the Southwest Rapid Transit Corridor - Stage 2 Reserve. In addition the purpose has been revised to: a) accumulate capital funds and subsequently expend such funds on future costs incurred on account of public transit infrastructure, and more specifically, the construction of the Southwest Rapid Transit Corridor - Stage 2, and the purchase of vehicles associated with Stage 2, contemplated in the future; b) contribute to the proposed Jubilee Rapid Transit Station if net proceeds of the disposition of the subject City property are insufficient to cover the City's share, as approved by City Council on October 24, 2012; c) pay for any residual land acquisition settlements for the Southwest Rapid Transit Corridor - Stage 1 project; and d) pay for the

Glossary

ongoing replacement of the 10 buses purchased for the Southwest Rapid Transit Corridor Stage 1 project.

On March 23, 2015 City Council approved that the reserve be renamed the Southwest Rapid Transit Corridor Reserve.

The Director of Transit is the fund manager.

Southwest Rapid Transitway (Stage 2) and Pembina Highway Underpass Payment Reserve - On March 23, 2015 Council approved the establishment of the Southwest Rapid Transitway (Stage 2) and Pembina Highway Underpass Payment Reserve for the purpose of setting aside funding for the P3 annual service / financing payments commencing in 2019 for the Southwest Rapid Transitway (Stage 2) and Pembina Highway Underpass capital project.

The funding source from the City was originally approved as dedicated property tax revenue transferred from the General Revenue Fund, a one-time fare increase in 2016 and an annual grant from the Province. Subsequently, the one-time fare increase was removed and the Province has advised the annual grant will not be provided. A 2/3 vote of Council is required in order for the use of funds to be other than those stipulated.

The Director of Transit is the fund manager.

Special Operating Agency (SOA) - A special unit of an organization which can operate within or outside the existing city department structure in the delivery of its service(s). It is granted more direct responsibility for results and increased management flexibility needed to attain new levels of service delivery. The authority for SOAs is provided by the City of Winnipeg Charter Section 215.

Standing Committees - Sub-committees of City Council delegated certain powers and duties to facilitate the administration of their assigned City departments which report through them to the Executive Policy Committee and City Council. They also provide a forum for public input and receive recommendations from Community Committees related to their respective responsibilities. Areas of responsibility are Finance and Economic Development; Public Works; Property and Development; Community Services; and Water, Waste and Environment.

Strategy - Those steps taken in support of public and internal service goals.

Tax Penalty Interest - This revenue is generated from property and business tax accounts that are in arrears. Tax penalties are applied to tax accounts in arrears in accordance with the Tax Penalty By-law 5796/91 and the Tax Sale Penalty By-law 8157/2002.

Tax-Supported Services - Goods and services supplied by the City whose costs are supported, in whole or in part, by funds received through property tax revenues.

Tipping Fees - This revenue is generated from charging a per tonne rate to residential and commercial garbage delivered to the City landfills.

Transfers - Refers to transfers to and from reserves, departments, and/or funds.

Glossary

Transfer to Capital - The mill rate supported funding source for capital projects. The transfer to capital amount is sourced from the general revenue (mill rate supported) fund and moved to the general capital fund to finance the City's capital priorities.

Transformative Reserve - On January 27, 2022, City Council approved the establishment of the Transformative Reserve Fund that is separate and distinct from the current Land Operating Reserve and is to be funded from the sale of surplus golf courses or the sale of Surplus Leased Buildings. The Transformative Reserve Fund is a special purpose reserve intended to support investments that transform the delivery of services and reduce the City's infrastructure deficit with a focus on recreation, public green space as well as preservation, protection and enhancement of Winnipeg's tree canopy. The Transformative Reserve Fund is intended to target significant greenspace or natural habitat acquisition opportunities.

The Director of Planning, Property and Development is the fund manager.

Transit Bus Replacement Reserve - On December 15, 1994, City Council approved the establishment of the Transit Bus Replacement Reserve Fund. The purpose of the reserve is to provide financing for the replacement or refurbishment of transit buses in a scheduled and pragmatic manner. Contributions to this reserve will be based on a budgeted appropriation from the Transit Department plus proceeds from the disposal of bus equipment and insurance claims on bus equipment written off. Upon the Transit Department making the outlay to replace or refurbish buses, this reserve will contribute towards that purchase.

The Director of Transit is the fund manager.

Transit Infrastructure Reserve - On April 29, 2021 Council approved the establishment of the Transit Infrastructure Reserve for the purpose of funding the annual debt and financing costs incurred for the replacement of the North Garage capital project. Effective January 1, 2024, this reserve will be funded through dedicated property tax revenue transferred from the General Revenue Fund.

The Director of Transit is the fund manager.

Transit Plus - a service of Winnipeg's public transit system that provides door-to-door transportation for people who are unable to regularly use the City's fixed route transit system because they are legally blind or have significantly impaired mobility. Winnipeg Transit Plus registrants use a variety of mobility aides including scooters, canes, walkers, and both manual and motorized wheelchairs.

Transit Service Fare Revenue - The revenue generated when the type or class of fare is applied to the applicable rider. There are different rates based on time period (i.e. single ride, weekly, monthly, etc.), method (i.e. cash or e-card) and whether rider qualifies for a student, reduced or regular fare.

User Fees/Charges - The payment of a fee for direct receipt of a public service by the party who benefits from the service.

Glossary

Utility - A utility or public utility provides funding and maintains the infrastructure for and provides a rate based service that is consumed by the public such as water, wastewater, waste disposal, and public transportation.

Vacancy Management - Estimated savings derived from delaying the filling of vacant positions which were budgeted for.

Waste Diversion User Fee - This revenue is generated to fund new programs that provide residents with more ways to reduce, reuse and recycle. The fee is charged on a daily basis according to dwelling units and appears on the water bill.

Waste Diversion Reserve - On October 19, 2011, City Council approved the establishment of the Waste Diversion Reserve Fund for the purpose of funding waste diversion programs and projects. The reserve is to be funded by surplus monies collected through the waste diversion services user fee. The first transfer to the reserve occurred in 2013.

The Director of Water and Waste is the fund manager.

Water Service Sales Revenue - This revenue is generated when the water rate is applied to the amount of water used, as measured by the water meter. This covers the cost of bringing water from Shoal Lake to the consumer, including operating and maintaining the aqueduct, pumping stations, reservoirs, and distribution system.

Water Main Renewal Reserve - On February 18, 1981, City Council established this reserve fund for the purpose of financing the renewal of watermains. It was initially created by the transfer from the Waterworks System and funded through a frontage levy. Since 2009, the source of funding for the Water Main Renewal Reserve is water rates. The Director of Water and Waste is the fund manager.

Water Meter Renewal Reserve - On January 30, 2020, City Council authorized the establishment of the Water Meter Renewal Reserve to fund a program for the replacement and renewal of water meters with advanced meters. The reserve is funded by customers through the Daily Basic Charge.

The Director of Water and Waste is the fund manager.

Winnipeg Police Board - The Winnipeg Police Board provides civilian governance and oversight of the Winnipeg Police Service to improve transparency and accountability in policing. It is made up of seven civilian members. Five members are appointed by Winnipeg City Council and two are appointed by the Province of Manitoba. It receives its authority from Manitoba's Police Services Act (2009) and a City of Winnipeg By-Law (148/2012).

WINNpass – the WINNpass program provides eligible individuals or families the opportunity to purchase full-fare monthly transit passes at a reduced rate.

Workers Compensation Reserve - Under the terms of By-law No. 9802 of the former City of Winnipeg, provision was made for the establishment of a Workers Compensation Reserve Fund. On January 1, 1972, as a result of the amalgamation of the City of Winnipeg with former

Glossary

area municipalities, The Workers Compensation Reserve Fund was established in accordance with Section 338 of the former City of Winnipeg Act.

The City administers its workers compensation program on a self-insured basis. In lieu of paying premiums to the Workers Compensation Board of Manitoba, the City pays actual costs incurred plus an administration charge. Departments are charged actual costs as well as surcharges related to financing fatality pensions and upgrades of benefits. The net result is that costs and surcharges are transferred to/from the Workers Compensation Reserve Fund. The Workers Compensation Reserve Fund serves to counteract any budgetary fluctuation from year to year that would result from a work related incident of major proportions.

On April 29, 2015, Council approved an amendment to the purpose of the Workers Compensation Reserve

- 1) To include Permanent Partial Impairment awards for occupational disease claims and
- 2) That pension surplus/deficit from Workers Compensation Board be accounted for in the Workers Compensation Reserve.

The Corporate Controller is the fund manager.
