Please note the following and attached changes, corrections, additions, deletions, information and/or instructions in connection with the Bid Opportunity, and be governed accordingly. Failure to acknowledge receipt of this Addendum in Paragraph 8 of Form A: Bid may render your Bid non-responsive.

PART E – SPECIFICATIONS

- Add E2.2.7: Limestone taken to Brady Road Landfill is to be neatly stockpiled and the Contractor shall supply and operate the equipment necessary at the landfill to form stockpiles.
- Add E2.2.8: Clay taken the Brady Road Landfill shall be deposited at the direction of the Contract Administrator and may need to be stockpiled with equipment supplied by the Contractor if the landfill does not have a ready use for the material. The Contractor shall coordinate the disposal of clay with the landfill during the course of the Work.
- Add E3.2: Restoration of the clay dike and limestone access ramp areas shall be to level the areas smooth such that they are ready for final restoration with topsoil, seed or sod. Seeding, topsoil and sod shall be by others.
- Add E3.3: Removal of the clay dikes from Bonner Avenue shall include cleaning and sweeping of the pavement to remove the clay at and in the vicinity of the dike.
- Add E4.6: Any damage to the parking lots at the Sisters Servants of Mary or the boat launch at the Louise Bridge shall be repaired to the conditions equal to or better than the conditions prior to the Work, at the Contractor's expense.
- Add E5.1.3: Reduced weight restrictions on City roads will be waived and normal restrictions for gross vehicle weight will apply.
- Revise E5.2.1 to read:
- (a) The tipping fees at Brady Road Landfill **will be waived**. The tipping fees are not to be included in the prices for disposing of clay and stockpiling of limestone at the landfill.
