NEWPCC Upgrade Site Tour Advertisement

The following site tours will be held for the NEWPCC Upgrade project:

- A. April 19th at 1:00pm
- B. April 24th at 1:00pm
- C. April 27th at 9:00am

All tours will follow the same route through the plant site and information given at each tour will follow the same script.

No questions will be answered by staff conducting the tour and participants are asked not to approach any plant personnel.

All tour participants will be required to wear the following Safety PPE: CSA approved Safety Shoes, CSA approved Hard hat, Safety glasses and High Visibility vest. Hearing protection is not required, but some attendees may prefer to use industrial hearing protection for portions of the tour.

Please note that if you do not have all the PPE stated above, you will not be allowed to participate on the tour.

Mandatory Registration process:

1. Send an e-mail to NEWPCC-Upgrade-tour@winnipeg.ca with the following information:
 - a. Name
 - b. Organization
 - c. Title
 - d. Tour date request and alternate dates
 - e. Contact information
2. You will receive a response confirming the date you requested, if available. At that time you will be provided with a map and parking instructions.
3. Should a tour be full you will be contacted to verify if any of the alternate dates are acceptable.

Only one visit per person will be allowed and the City reserves the right to limit the number of people from each organization.
