Please note the following and attached changes, corrections, additions, deletions, information and/or instructions in connection with the Request for Proposal, and be governed accordingly. Failure to acknowledge receipt of this Addendum in Paragraph 9 of Form A: Proposal may render your Proposal non-responsive.

PART D – SUPPLEMENTAL CONDITIONS

Revise: D 4.4 to read:

Scenario 2: Pipeline quality gas to the open market.

- (a) Estimate of LFG pipeline quality gas revenue generating potential (sold as RNG).
- (b) Consult at least seven Canadian and other North American RNG to pipeline projects and determine the monetary value of the LFG with the disclosed contracts (if available).
- (c) Evaluate the potential value of the City's pipeline quality gas based upon future (RNG) market trends, potentially interest purchasers/partners, or any other indicators identified in the Consultant's research efforts.
- (d) The Consultant shall, on behalf of the City, discuss with the TransCanada Pipelines (TC Energy) and Manitoba Hydro (Centra Gas Manitoba Inc.), the required quality and pressure to be accepted into their pipelines (near BRRMF).
- (e) The Consultant shall provide an estimated monetary value per unit of RNG for the purposes of this assignment.

Revise: D 4.14 to read: The pre-bid estimate for this Contract is \$120,000.
