DRAWINGS

- Replace: 340-2022B_Drawing_M4.0-R1 with 340-2022B_Addendum_6 Drawing M4.0-R2

QUESTIONS AND ANSWERS

Q1: Regarding the laminate glass for the reception area, our supplier has informed me that the size is too large for the laminated glass with the hole fabrication that needs to be done. Our recommendation is that this be done in tempered glass and would like to know if this is acceptable.

A1: The design team will collaborate with the awarded subcontractor to meet the design intent while using laminated glass, as specified.
