QUESTIONS AND ANSWERS

- Q1: For the Medical M cylinders – approx. annual quantity of 15 – can you give an approximate number of how many cylinders would be required at start-up? Or if they would just be ordered as required?
- A1: For Medical M cylinders, in accordance with D12, they would just be replaced/ordered as required.
- Q2: Would there be penalties involved in partial shipment of cylinders?
- A2: See the addition of D13.1.1 above. For further clarification, when deliveries on the specified date and time are not in accordance with D12 and D13, Liquidated Damages may be invoked, even though a partial delivery may have occurred.
- Q3: For the M60 cylinders – approx. annual quantity of 1220 – can you give an approximate number of how many cylinders would be required at start-up? Or will they be just ordered as required?
- A3: For M60 cylinders, in accordance with D12, they would just be replaced/ordered as required.
