PART D – SUPPLEMENTAL CONDITIONS

Revise: D3.5 to read: The funds available for a Pavement Management System are \$300,000 in year one and \$100,000 in year two, three, four, five and six for a total of \$800,000. Additional funding is available for data collection.

QUESTIONS AND ANSWERS

- Q1: As noted in E3.2 (c) the City will collaborate with the successful proponent to develop a new pavement condition index. Would the City be willing to share details of the existing data collection methodology and factors that contribute to the condition index?
- A1: The City does not currently have a condition index. See D2.13 from the RFP document and Form N, ID# 10.5 and 10.6.
