#### **QUESTIONS AND ANSWERS**

Q1: First, is it possible to obtain a copy of previous contracts for this service? Or is there a price window you can provide?

A1: We are unable to disclose pricing for previous contracts.

Q2: Second, would the work be scheduled to be done at the same time? For example, all Brady Landfill equipment done the same day, instead of a piece of equipment done every other day?

A2: The Work is done on an as-required basis, at the discretion of the Users. If multiple units at one location require a wash, the Users will typically make arrangements to have multiple units washed in one day. In the past we have averaged 3 to 6 units washed at one time.
