Detailed Specifications

**DETAILED SPECIFICATIONS 03050
FULL SIZE POLICE INTERCEPTORS**

1.0 INSTRUCTIONS FOR COMPLETION OF SPECIFICATIONS

- 1.1 The Police Interceptor hereinafter referred to as the vehicle or car, shall be a 2004 model as may be modified by these specifications. The vehicle, including all necessary components, shall be furnished complete and ready for use by the Contractor. All parts not specifically mentioned but which are required to complete and place the vehicle into successful operation shall be furnished as though specifically mentioned in these specifications.
- 1.2 It will be the responsibility of the bidder to inform the City of any errors or omissions in these specifications, for under this Contract the Contractor shall be held responsible for the satisfactory operational function of the vehicle.
- 1.3 Each bid will be evaluated based on adherence to all terms, conditions and requirements outlined in the tender package.
- 1.4 All items in these specifications must be answered indicating compliance or non-compliance. Bidders shall state yes for compliance or state deviation, or give reply where requested to do so. Deviations shall be clearly stated and fully detailed. Deviations will be considered subject to evaluation.
- 1.5 Each bidder is required to fill in every blank. Failure to do so may be used as a basis for rejection of bid.

3.0 WARRANTY

- 3.1 The Contractor shall warrant the vehicle and all parts thereof, against any defects of workmanship, construction and materials, and agrees to repair or replace without cost to the City any article

that has become defective and not proven to have been caused by negligence on the part of the user for a period of (3) years or 60,000 km., unlimited mileage or operating hours, whichever comes first, "bumper to bumper" **no deductible**.

3.2 In the event of a failure on the part of the Contractor to repair or replace any article during the warranty period within ten (10) calendar days from the date of notification, the City may have the work performed by others and offset the cost against any money due, or that may become due to the Contractor, or if there is money due, the Contractor agrees to pay the City such cost.

3.3 The responsibility for the design of the complete equipment, its performance and reliability shall rest upon the Contractor.

3.4 The term "repeated failures" (3 times) as determined by the Contract Administrator, as used herein is defined to mean that the same component, subassembly, or assembly develops repeated defects, breakdowns and/or malfunctions rendering the apparatus inoperative, or requiring repeated shop correction, service and/or replacement during the warranty period applicable for said component, subassembly, or assembly. Minor items or ordinary service adjustments are not included, or considered under the scope of "repeated failures", as well as other factors, such as operational damage due to accidents, misuse or lack of proper maintenance, service and lubrication attention by not following the manufacturer's preventative maintenance schedule.

3.5 Where the apparatus develops "repeated failures" in service, the Contractor shall make any necessary engineering changes, repairs, alterations or modifications in order to guarantee reliability of performance, at no cost to the City, including all incidental costs, with a reapplied, full warranty as described in clause 25.1.

4.0 MANUALS/CD's preferred

4.1 The Contractor shall supply the following manuals or CD's (preferred) in English (see page 3, unit prices, item 3)

- one (1) parts/service manual or CD (unit prices, item 3)

5.0 TRAINING

5.1 The Supplier shall provide at their expense, up to four (4) hours of operational and maintenance training by qualified staff for the City of Winnipeg Police and the City of Winnipeg Police Services Maintenance Personnel. The training shall be conducted in a separate or combined session/s for each group of personnel. The session/s shall provide adequate familiarization and orientation on the apparatus, to the

satisfaction of the Contract Administrator. The training shall be conducted in Winnipeg at a location to be designated by the Contract Administrator.
