D6. FURNISHING OF DOCUMENTS

- D6.1 Upon award of the Contract, the Contractor will be provided with five (5) complete sets of the Bid Package. If the Contractor requires additional sets of the Bid Package, they will be supplied to him at cost.

SUBMISSIONS

D7. PERFORMANCE SECURITY

- D7.1 The Contractor shall provide and maintain performance security until the expiration of the warranty period in the form of:
- (a) a performance bond of a company registered to conduct the business of a surety in Manitoba, in the form attached to these Supplemental Conditions (Form H1: Performance Bond), in the amount of fifty percent (50%) of the Contract Price; or
 - (b) an irrevocable standby letter of credit issued by a bank or other financial institution registered to conduct business in Manitoba and drawn on a branch located in Manitoba, in the form attached to these Supplemental Conditions (Form H2: Irrevocable Standby Letter of Credit), in the amount of fifty percent (50%) of the Contract Price; or
 - (c) a certified cheque or draft payable to "The City of Winnipeg", drawn on a bank or other financial institution registered to conduct business in Manitoba, in the amount of fifty percent (50%) of the Contract Price.

D7.2 If the bid security provided in his Bid Submission was not a certified cheque or draft pursuant to B11.1(c), the Contractor shall provide the City Solicitor with the required performance security within seven (7) Calendar Days of notification of the award of the Contract by way of letter of intent and prior to the commencement of any Work on the Site but in no event later than the date specified in GC:4.1 for the return of the executed Contract.

D8. INSURANCE

D8.1 The Contractor shall provide and maintain the following insurance coverage:

- (a) commercial general liability insurance, in the amount of at least five million dollars (\$5,000,000.00) all inclusive, with The City of Winnipeg being added as an additional insured, with a cross-liability clause, such liability policy to also contain a contractual liability, an unlicensed motor vehicle liability and a products and completed operations endorsement to remain in place at all times during the performance of the Work and throughout the warranty period;
- (b) automobile liability insurance for owned and non-owned automobiles used for or in connection with the Work in the amount of at least two million dollars (\$2,000,000.00) at all times during the performance of the Work and until the date of Total Performance;
- (c) all risks course of construction insurance in the amount of one hundred percent (100%) of the total Contract Price, written in the name of the Contractor and The City of Winnipeg, at all times during the performance of the Work and until the date of Total Performance.

D8.2 Deductibles shall be borne by the Contractor.

D8.3 The Contractor shall provide the City Solicitor with a certificate of insurance, in a form satisfactory to the City Solicitor, at least two (2) Business Days prior to the commencement of any Work on the Site but in no event later than the date specified in GC:4.1 for the return of the executed Contract.

D8.4 The Contractor shall not cancel, materially alter, or cause each policy to lapse without providing at least fifteen (15) Calendar Days prior written notice to the Contract Administrator.

D9. DETAILED PRICES

D9.1 The Contractor shall provide the Contract Administrator with a detailed price breakdown Form I: Detailed Prices at least two (2) Business Days prior to the commencement of any Work on the Site but in no event later than the date specified in GC:4.1 for the return of the executed Contract.

D9.2 The Contractor shall state a price for each item or sub-item of the Work identified on Form I: Detailed Prices. The detailed prices must be consistent with the price(s) provided in the Contractor's Bid.

D10. SUBCONTRACTOR LIST

D10.1 The Contractor shall provide the Contract Administrator with a complete list of the Subcontractors whom the Contractor proposes to engage Form J: Subcontractor List at least two (2) Business Days prior to the commencement of any Work on the Site but in no event later than the date specified in GC:4.1 for the return of the executed Contract.

D11. EQUIPMENT LIST

D11.1 The Contractor shall provide the Contract Administrator with a complete list of the equipment which the Contractor proposes to utilize Form K: Equipment List at least two (2) Business Days prior to the commencement of any Work on the Site but in no event later than the date specified in GC:4.1 for the return of the executed Contract.

D12. DETAILED WORK SCHEDULE

D12.1 The Contractor shall provide the Contract Administrator with a detailed work schedule at least two (2) Business Days prior to the commencement of any Work on the Site but in no event later than the date specified in GC:4.1 for the return of the executed Contract.

D12.2 The detailed work schedule shall consist of the following:

- (a) a critical path method (C.P.M.) schedule for the Work; and
 - (b) a Gantt chart for the Work based on the C.P.M. schedule.
- all acceptable to the Contract Administrator.

D12.3 Further to D12.2(a), the C.P.M. schedule shall clearly identify the start and completion dates of all of the following activities/tasks making up the Work as well as showing those activities/tasks on the critical path. The Contractor is advised that since it is the intent of the City of Winnipeg to continue normal operations at the facility, some re-scheduling of the renovation work must be arranged for after normal working hours so as not to cause interruption of day to day activities. Any work which generates odours that can be deemed harmful must be carried out after normal working hours.

- (1) The normal operations of the existing facility, adjacent the work, will continue throughout the construction period. The safety, access and egress of the staff, public, emergency and service vehicles is of prime importance and shall receive top priority and consideration with respect to procedures and scheduling of the work see below for further explanation.
Phasing of Construction will need to accommodate the City, ensuring daily operations will continue and this will be done so at no extra cost to the City.

NOTE – THERE IS TO BE AN ALLOWANCE OF 3 WEEKS GRANTED BETWEEN WHEN THE NEW BUILDING IS READY FOR OCCUPANCY AND WHEN THE DEMOLITION WORK AND SECOUND PHASED RENOVATIONS WILL BE ABLE TO COMMENCE WITHIN THE EXISTING BUILDING.

- (2) Construction work and related activities shall not interfere with normal Building operations. Where interference or interruption occurs or is anticipated, the Contractor shall act immediately to rectify the situation.
- (3) Construction of this project is proceeding in two Phases.
Phase 1 will be the construction of the new office building adjacent the existing building.
Phase 2 will be the selective demolition and renovation of the existing building.
Phase 2 will not commence until such time the new building has received it's occupancy permit, all deficient items have been remedied to the satisfaction of the Contract Administrator and all the existing office building staff, furniture and equipment have been relocated to the new office building. The final coat of paint for the NEW BUILDING (Phase 1) is not to be provided until such time the relocated staff, equipment and files etc. have been transferred back into the Phase 2 area. The Contractor is to allow for a return trip in order to provide the final coat of paint from finished floor to a height of 8' +/- to suit wall patterns within the NEW BUILDING and to do so immediately following the complete vacancy of staff from the new building back into Phase 2.
- (4) ***The Bidders are to allow for continued access throughout the construction period and ensuring the facility's entering and existing is maintained to the approval of the Local Authorities having Jurisdiction as well as local by-laws and Work Place Safety and Health Policies. This will also be applicable for parking lot accesses and other such requirements to assist the occupants and users in maintaining normal operations.***

- (5) Generally, construction activities shall be restricted to the work areas as defined. Where work must proceed outside of designated work areas, all scheduling shall be arranged with the Contract Administrator prior to commencement of such work. **The Contractor is to submit a Safety Access Plan as well as a Detailed Site Co-ordination Plan.**
- (6) The Contractor shall, in his construction schedule, allow a period of time from completion of one sequence to commencement of work on the next sequence to allow for testing and commissioning of equipment, thus allowing time for the City to Vacate the next work area.
- D12.4 Further to D12.2(b), the Gantt chart shall show the time on a weekly basis, required to carry out the Work of each trade, or specification division. The time shall be on the horizontal axis, and the type of trade shall be on the vertical axis.

D13. SECURITY CLEARANCE

- D13.1 Each person proposed to perform Work under the Contract within City facilities shall be required to obtain a security clearance by the police service having jurisdiction at his/her place of residence.
- D13.2 Prior to the commencement of any Work, and during the term of the Contract if additional or replacement persons are proposed to perform Work, the Contractor shall supply the Contract Administrator with a written security clearance, obtained not earlier than one (1) year prior to the Submission Deadline, or a certified true copy thereof for each person proposed to perform Work within City facilities.
- D13.3 No person for whom a security clearance is not provided, or who has any convictions or pending charges related to property offences or crimes against another person, will be permitted to perform any Work within City facilities.
- D13.4 Any security clearance obtained thereby will be deemed valid for the duration of the Contract subject to a repeated records search as hereinafter specified.
- D13.5 Further to D13.1, the City may, at its sole discretion and acting reasonably, conduct a background investigation, including but not limited to, banking and medical information, for any person proposed to perform Work under the Contract.
- D13.6 In addition, at any time during the term of the Contract, the City may, at its sole discretion and acting reasonably, require a records search, and/or perform a background investigation. Any person who fails to obtain a security clearance or background investigation clearance as a result of a repeated records search or a background investigation, shall not be permitted to continue to perform Work under the Contract.

SCHEDULE OF WORK

D14. COMMENCEMENT

- D14.1 The Contractor shall not commence any Work until he is in receipt of a letter of intent from the Award Authority authorizing the commencement of the Work.
- D14.2 The Contractor shall not commence any Work on the Site until:
- (a) the Contract Administrator has confirmed receipt and approval of:
- (i) evidence that the Contractor is in good standing under The Corporations Act (Manitoba), or properly registered under The Business Names Registration Act (Manitoba), or otherwise properly registered, licensed or permitted by law to carry on business in Manitoba;
 - (ii) evidence of the workers compensation coverage specified in GC:6.14;

- (iii) the performance security specified in D7;
 - (iv) evidence of the insurance specified in D8;
 - (v) the detailed prices specified in D9;
 - (vi) the Subcontractor list specified in D10;
 - (vii) the equipment list specified in D11;
 - (viii) the detailed work schedule specified in D12; and
 - (ix) the security clearances specified in D13.
- (b) the Contractor has attended a pre-construction meeting with the Contract Administrator, or the Contract Administrator has waived the requirement for a pre-construction meeting.

D14.3 The Contractor shall commence the Work on the Site within seven (7) Working Days of receipt of the letter of intent.

D15. WORKING DAYS

D15.1 Further to GC:1.1(gg), the Contract Administrator's determination of whether or not atmospheric and Site conditions are such that a Working Day is deemed to have elapsed may be based at one time on one type of work while at another time a Working Day may be based on another type of work. When more than one type of major work is involved, the quantity of equipment that must be able to work in order to meet the requirements of a Working Day may vary considerably from that specified in the General Conditions.

D15.2 In the event that incidental work is behind schedule which, in the opinion of the Contract Administrator, should have been or could have been carried out by the Contractor in conjunction with or immediately following work of a major type, the City hereby reserves the right to charge Working Days on the incidental work until such time as it is up to schedule.

D15.3 When the major type of work involves restoration of the site to the condition it was prior to rainfall, Working Days shall not be charged.

D15.4 The Contract Administrator will furnish the Contractor with a daily record for each major type of work showing various information concerning the equipment, the time it worked, could have worked and Working Days charged. This report is to be signed each day by an authorized representative of the Contractor.

D16. CRITICAL STAGES

D16.1 The Contractor shall achieve critical stages of the Work in accordance with the following requirements:

- (a) Complete all new construction, etc. by September, 2005.
- (b) Relocate staff from existing facility to new addition temporarily in order to renovate the existing space.

D17. SUBSTANTIAL PERFORMANCE

D17.1 The Contractor shall achieve Substantial Performance within three-hundred and forty (340) consecutive Working Days of the commencement of the Work as specified in D14.

D17.2 When the Contractor considers the Work to be substantially performed, the Contractor shall arrange, attend and assist in the inspection of the Work with the Contract Administrator for purposes of verifying Substantial Performance. Any defects or deficiencies in the Work noted during that inspection shall be remedied by the Contractor at the earliest possible instance and the Contract Administrator notified so that the Work can be reinspected.

D17.3 The date on which the Work has been certified by the Contract Administrator as being substantially performed to the requirements of the Contract through the issue of a certificate of Substantial Performance is the date on which Substantial Performance has been achieved.

D18. TOTAL PERFORMANCE

D18.1 The Contractor shall achieve Total Performance within three-hundred and sixty (360) consecutive Working Days of the commencement of the Work as specified in D14.

D18.2 When the Contractor or the Contract Administrator considers the Work to be totally performed, the Contractor shall arrange, attend and assist in the inspection of the Work with the Contract Administrator for purposes of verifying Total Performance. Any defects or deficiencies in the Work noted during that inspection shall be remedied by the Contractor at the earliest possible instance and the Contract Administrator notified so that the Work can be reinspected.

D18.3 The date on which the Work has been certified by the Contract Administrator as being totally performed to the requirements of the Contract through the issue of a certificate of Total Performance is the date on which Total Performance has been achieved.

D19. LIQUIDATED DAMAGES

D19.1 If the Contractor fails to achieve Substantial Performance in accordance with the Contract by the day fixed herein for Substantial Performance, the Contractor shall pay the City five-hundred dollars (\$500.00) per Working Day for each and every Working Day following the day fixed herein for Substantial Performance during which such failure continues.

D19.2 The amount specified for liquidated damages in D19.1 is based on a genuine pre-estimate of the City's losses in the event that the Contractor does not achieve Substantial Performance by the day fixed herein for same.

D19.3 The City may reduce any payment to the Contractor by the amount of any liquidated damages assessed.

D20. SCHEDULED MAINTENANCE

D20.1 The Contractor shall perform the following scheduled maintenance in the manner and within the time periods required by the Specifications:

- (a) Landscaping, cutting, watering of freshly laid sod;
- (b) One time application of weed;
- (c) Hard landscaping i.e. asphalt paving.

D20.2 Determination of Substantial Performance and Total Performance shall be exclusive of scheduled maintenance identified herein. All scheduled maintenance shall be completed prior to the expiration of the warranty period. Where the scheduled maintenance cannot be completed during the warranty period, the warranty period shall be extended for such period of time as it takes the Contractor to complete the scheduled maintenance.

CONTROL OF WORK

D21. JOB MEETINGS

D21.1 Regular bi-monthly job meetings will be held at the Site. These meetings shall be attended by a minimum of one representative of the Contract Administrator, one representative of the City and one representative of the Contractor. Each representative shall be a responsible person capable of expressing the position of the Contract Administrator, the City and the Contractor

respectively on any matter discussed at the meeting including the Work schedule and the need to make any revisions to the Work schedule. The progress of the Work will be reviewed at each of these meetings.

D21.2 The Contract Administrator reserves the right to cancel any job meeting or call additional job meetings whenever he deems it necessary.

D22. OFFICE FACILITIES

D22.1 The Contractor shall supply office facilities meeting the following requirements:

- (a) Office: weather tight, with lighting, electrical outlets, heating, cooling and ventilating equipment, and equipped with sturdy furniture drawing rack and drawing display table.
- (b) Provide space for Project meetings, with table and chairs to accommodate 8 persons.
- (c) Provide, maintain and pay for telephone service to field office at time of project mobilization.
- (d) Provide, maintain and pay for facsimile service and a dedicated telephone line to field office at time of project mobilization.

D23. PRIME CONTRACTOR – THE WORKPLACE SAFETY AND HEALTH ACT (MANITOBA)

D23.1 Further to GC:6.26, the Contractor shall be the Prime Contractor and shall serve as, and have the duties of the Prime Contractor in accordance with The Workplace Safety and Health Act (Manitoba).

MEASUREMENT AND PAYMENT

D24. PAYMENT SCHEDULE

D24.1 Further to GC:12.1, payment for the project shall be in accordance with monthly progress claims. The City shall only be required to pay the Contractor for materials and equipment required for the work upon the installation and total incorporation of same permanently into the work.

WARRANTY

D25. WARRANTY

D25.1 Notwithstanding GC:13.2, the warranty period shall begin on the date of Total Performance and shall expire one (1) year thereafter unless extended pursuant to GC:13.2.1 or GC:13.2.2, in which case it shall expire when provided for thereunder.

D25.2 Notwithstanding GC:13.2 or D25.1, the Contract Administrator may permit the warranty period for a portion or portions of the Work to begin prior to the date of Total Performance if:

- (a) a portion of the Work cannot be completed because of unseasonable weather or other conditions reasonably beyond the control of the Contractor but that portion does not prevent the balance of the Work from being put to its intended use.

D25.2.1 In such case, the date specified by the Contract Administrator for the warranty period to begin shall be substituted for the date specified in GC:13.2 for the warranty period to begin.

FORM H1: PERFORMANCE BOND
(See D7)

KNOW ALL MEN BY THESE PRESENTS THAT

_____ ,
(hereinafter called the "Principal"), and

_____ ,
(hereinafter called the "Surety"), are held and firmly bound unto **THE CITY OF WINNIPEG** (hereinafter called the "Obligee"), in the sum of

_____ dollars (\$_____)

of lawful money of Canada to be paid to the Obligee, or its successors or assigns, for the payment of which sum the Principal and the Surety bind themselves, their heirs, executors, administrators, successors and assigns, jointly and severally, firmly by these presents.
