The Award Authority may reject all or any part of any Bid, or waive technical requirements if the interests of the City so require.
- B13.3 Further to B13.1(b), the Award Authority shall reject any Bid submitted by a Bidder who does not demonstrate, in his Bid Submission or in other information required to be submitted, that he is responsible and qualified.

B14.4 Notwithstanding GC.3.01 and GC.3.02, the City will issue a Purchase Order to the Successful Bidder in lieu of the execution of a Contract. The Purchase Order will indicate the Items and quantities required by the City. If the quantities significantly exceed the approximate quantities in Form B: Prices and the Successful Bidder is unable to supply any portion or portions of said excess quantities, then the City may, in its sole discretion issue a Purchase Order to the second lowest responsive responsible Bidder for the such portion or portions of the excess quantities that the Successful Bidder is unable to supply. If the additional quantity is significantly less than the approximate quantities in Form B: Prices the Bidder will be allowed to decline without penalty.

B14.5 The Contract Documents, as defined in GC.1.01(7), in their entirety shall be deemed to be incorporated in and to form a part of the Purchase Order notwithstanding that they are not necessarily attached to or accompanied with said Purchase Order.
