Please note the following and attached changes, corrections, additions, deletions, information and/or instructions in connection with the Request for Proposal, and be governed accordingly. Failure to acknowledge receipt of this Addendum in Paragraph 9 of Form A: Proposal may render your Proposal non-responsive.

PART B – BIDDING PROCEDURES

Add: B9.9 Notwithstanding B9.1, where the clause, or some portion of the clause, is connected with telecommunications/wireless services the Bidders response to the clause, or portion of the clause will be evaluated in terms of the current prices contracted by the City of Winnipeg with the providers of the telecommunications/ wireless services. Consequently, Bidders do not need to include the prices for these clauses or portions of clauses. However, the Bidder must clearly indicate when these prices would apply to the Solution, and must indicate the demarcation between the Bidder's prices and the telecommunication/wireless service provider's prices.

PART D – SUPPLEMENTAL CONDITIONS

Add: D3.3 Notwithstanding D3.2, where the clause, or some portion of the clause, is connected with telecommunications/wireless services the Solution will be evaluated in terms of the current contract parameters negotiated by the City of Winnipeg with the providers of the telecommunications/wireless services, as possible. However, where exceptional service provision for the Solution is required the Bidder should define exceptions and future contract requirements. The Bidder must clearly indicate where these services would apply to the Solution. The Bidder must clearly indicate the demarcation between the Bidder's provision of services and the telecommunication/wireless service provider's provision of services.

PART E – SPECIFICATIONS

Revise: E6.7.3 (b) to read: Describe your most cost effective solution in terms of wireless connectivity from both wide and local areas. Bidders do not need to include a price estimate however the Bidder should provide comment and recommendations on cost effectiveness, if possible.
