PART E - SPECIFICATIONS

GENERAL

E1. APPLICABLE SPECIFICATIONS AND DRAWINGS

- E1.1 These Specifications shall apply to the Work.
- E1.2 Bidders are reminded that requests for approval of substitutes as an approved equal or an approved alternative shall be made in accordance with B5.

E2. SERVICES

- E2.1 The Contractor shall provide collection services for the Winnipeg Parking Authority to enforce City By-Laws and policies regarding parking activities in accordance with the requirements hereinafter specified.
- E2.2 All City tickets issued are enforced under the Provincial Summary Convictions Act. All vehicles apprehended in contravention of the Act are ticketed and the registered owners of these vehicles are required to pay the set fine. If the registered owner challenges the ticket in Court and loses the challenge, or if the registered owner does not correctly address the charge, the Court applies a Conviction under the Act and empowers the City and Winnipeg Parking Authority to exercise collection efforts.
- E2.3 To consolidate the collection effort, the Winnipeg Parking Authority is seeking a Contractor to perform the following centralized collection activities:
- (a) When a registered owner and a vehicle are identified for collection action, the Winnipeg Parking Authority will file a lien under the Personal Property Security Act. The Winnipeg Parking Authority will produce a "Notice of Lien" and provide this notice to the Contractor for delivery to the last known address of the registered owner of the vehicle.
 - (b) An Affidavit of Service will be completed by the delivery individual attesting to the completion of the task (precedent copy will be provided) and the affidavit will be returned by the next business day to:

The Winnipeg Parking Authority
495 Portage Avenue
Winnipeg MB
 - (c) If the registered owner attends the Winnipeg Parking Authority office and clears the account, the Winnipeg Parking Authority will contact the Contractor and advise this account has been paid. The Contractor will close his file and forward the appropriate invoice (fee as per quoted schedule) for payment to the Winnipeg Parking Authority. Accounts will be paid as per the standard City of Winnipeg policy D19.
 - (d) Upon expiration of 15 days from the date of service of the notice of lien to the registered owner, and providing that the account has not been paid in full, the Winnipeg Parking Authority will produce a "Warrant to Seize" and will forward to the Contractor for execution. The Contractor will then appoint a bailiff to complete the seizure and tow the vehicle to the Contractor's storage facility. The Contractor will notify the Winnipeg Parking Authority immediately upon seizure of the subject vehicle.
 - (e) The registered owner will then attend the Winnipeg Parking Authority office and settle the account in full. The Winnipeg Parking Authority will notify the Contractor that the account is paid, and the registered owner will attend to the Contractor's storage facility and produce the "paid in full" receipt from the Winnipeg Parking Authority. The Contractor will then release the vehicle to the registered owner upon the further payment of the Contractor's tow and storage fees. The Contractor will invoice the Winnipeg Parking Authority as per the fee schedule.
 - (f) If the registered owner does not clear the outstanding account, and after the prescribed waiting period as required by legislation, the Contractor will facilitate sale of the vehicle at

public auction. The Winnipeg Parking Authority will provide the Contractor with the appropriate documentation to facilitate the sale. The Contractor will arrange to have the vehicle delivered to the auction site along with the notifications etc as prescribed by the legislation. Upon successful sale of the vehicle the Contractor will disburse sufficient funds to the Winnipeg Parking Authority to settle the account, and retain sufficient funds to pay expenses as identified in the quotation for service.

- (g) In the bid process the fees charged by the Contractor must be outlined as per the form of the schedule (I) non-auction related fees and schedule (II) auction fee – schedule of payments.

E2.3.1 **Schedule (I) Non – Auction Related Fees**

- (a) File administration fee – opening file.
- (b) Personal service of the “Notice of Lien” and related documents as per the requirements of the PPSA. Prepare affidavit of service and return original signed copy to the Winnipeg Parking Authority office forthwith.

 - (i) attendance and account paid prior to seizure of vehicle;
 - (ii) attendance and registered owner has disposed of lien vehicle(s);
 - (iii) if agent determines the registered owner has another vehicle registered to his/her name, the information must be related to the Winnipeg Parking Authority in order that an additional lien and warrant can be prepared and executed.
- (d) Seizure of Vehicle including Execution of “Warrant to Seize”;
 - (i) Out of town mileage rate payable as outlined in the Court of Queen’s Bench Act.

E2.3.2 **Schedule (II) Auction Fee – Schedule of Payments**

- (a) Auction administration fee – includes all disbursements relating to publications and notifications as required by legislation;
- (b) Towing and Storage fees if applicable;
- (c) Winnipeg Parking Authority account;
- (d) Contractor’s additional auction fees; and
- (e) Any further surplus of funds to be returned to the Winnipeg Parking Authority.
