 Name of Bidder

FORM N: DETAILED SPECIFICATIONS 09113

1.0 TYPE-

- 1.1 The **Pavement Marking Machines shall be 2009 model year**. The machines shall be furnished complete and ready for use by the Contractor. All parts not specifically mentioned but which are required to complete and place the vehicle into successful operation shall be furnished as though specifically mentioned in these specifications.
- 1.2 It will be the responsibility of the Bidder to inform the City of any errors or omissions in these specifications, for under this Contract the Contractor shall be held responsible for the satisfactory operational function of the vehicle.
- 1.3 All items in these specifications must be answered indicating compliance or non-compliance. **Bidders shall state "yes" for compliance or state deviation**, or give a reply where requested to do so. Deviations shall be clearly stated and fully detailed. Alternatives will be considered subject to evaluation.
- 1.4 Each bidder is required to fill in every blank. **Failure to do so may be used as a basis for rejection of bid.**
- 1.5 All applicable SAE standards form an integral part of these specifications and shall have precedence in any conflict concerning minimum acceptable standards.
- 1.6 The completed unit and all its components shall comply with all C.S.S.A Safety Standards Act, all City and Federal Safety Regulations.

2.0 SERVICE FACILITY-

- 2.1 For the purpose of warranty repairs, the supplier shall have an authorized service facility located within 10 kilometres of the boundaries of the City of Winnipeg. The facility, or a portion thereof, shall be dedicated to the service and maintenance of the type equipment being offered. Further to B9.1, Bidders shall provide a description of the service facility including, but not limited to, number of qualified service staff, years of service experience, and general service capabilities within three (3) Business Days upon request of the Contract Administrator.

5.0 TRAINING-

5.1 The Contractor shall be required to provide training (at the Contractor's expense) for the City of Winnipeg maintenance and operating personnel. The training shall be divided into two separate sessions, one for maintenance personnel and one for operating personnel. The training shall be conducted in separate or combined sessions for each group of personnel.

The duration of the sessions shall be as long as required for adequate familiarization and orientation of the equipment to the satisfaction of the Contract Administrator.

The training shall be conducted within two (2) calendar weeks from the date of delivery and shall be coordinated through the Contract Administrator.

The training shall be conducted in Winnipeg at a time and location designated by the Contract Administrator.

Pricing should be based on half (1/2) business days for maintenance personnel and half (1/2) business days for operating personnel.

Note: The first payment of the contract on the equipment will not be issued until successful completion of training has been conducted to the satisfaction of the Contract Administrator.

5.2 Training Aides:

5.2.1 Training aids to be included.

a) On the type of equipment being offered, state if VHS videotape or CD Rom training aides are available-

5.2.2 State if other training aides are available and state type.

5.3 What is the recommended minimum training duration for:

Primary unit:

For major attachments (if applicable): _____

5.4 State what other training aids are available (videos, CDs).

For the primary unit: _____

For major attachments (if applicable): _____

5.5 Training Materials and applicable manuals or on-line training material information must be provided to the Operator Training Branch of Public Works at the earliest possible opportunity, no later than (4) weeks prior to delivery, when supplying vehicles, equipment and related attachments. Send these materials, preferably in both electronic format and hard copy (training videos are to be supplied on either CD or DVD) to:

**Public Works Safety and Operator Training Division
Operator Training Branch
2nd Floor, Building "B", 1500 Plessis Road
R2C 5G6**

E-mail: pwd-opertrain@winnipeg.ca

Attn: Equipment Training Coordinator - Pending Equipment Delivery

5.6 State acknowledgement of item 5.5- _____

5.7 State manufacturer's accreditation or certification for training _____

6.0 WARRANTY-

6.1 Notwithstanding GC.10.01 and GC.10.02, the warranty period for each piece of equipment supplied shall begin on the date of successful completion of the inspection process or when the equipment has been successfully placed into operation. The warranty requirements shall be a minimum of **three (3) years unlimited hours**, parts and labour inclusive with no deductible, "bumper to bumper" on the complete vehicles and attachments.

7.0 DELIVERY POINT- Shall be serviced, ready for operation and delivered F.O.B. with the freight prepaid, including invoice and N.I.V.S. to the WFMA 185 Tecumseh Street, Winnipeg MB. _____

DELIVERY TIME- Within **twelve (12) calendar weeks** from the date of official notification of award of contract. Equipment shall be delivered within 8:00 am and 3:00 pm on Business Days. _____

DELIVERY CONTACT- The Contractor shall contact the Contract Administrator prior to delivery of the equipment. _____

P.D.I- A pre-delivery inspection shall be performed by the Contractor on the equipment. Proof upon inspection including completed check list _____
