QUESTIONS AND ANSWERS

GENERAL QUESTIONS

GQ30 Addendum No. 3 adds D12.1 (c) which identifies August 31, 2014 as the total performance date. This statement raises the following questions:

GQ30 -1 We assume, because the addendum is under clause D12 that the total performance referred to is the construction contract (as per D5.9) and not the consultant contract (as per C1.1(pp)). Is this correct?

GA30 -1 Yes

GQ30 -2 Does the substantial performance completion date for the general contractor remain at January 20, 2014 – as per Addendum No. 1 or is this date no longer important?

GA30 -2 Substantial performance remains at January 20, 2014

GQ30 -3 Is it correct that the completion of consultant services [as per C1.1 (pp)] would be August 31, 2016- two years after total performance of the construction contract as per D5.9.1?

GA30 -3 Yes, this is correct. The date conflicts with other clauses and will be the subject of a future addendum.

GQ30 -4 The insurance period noted in D9.1 (c) would then end August 31, 2019 - 3 years after the completion of the service as per C1.1 (pp) and point No. 3 above. Is that a correct interpretation?

GA30 -4 No, the 36 month time period in D9.1 (c) will be revised to read 24 months in a future addendum.
