The City, in such event, shall be entitled to all rights and remedies available to it at law.

B14. EVALUATION OF BIDS

- B14.1 Award of the Contract shall be based on the following bid evaluation criteria:
- (a) compliance by the Bidder with the requirements of the Bid Opportunity or acceptable deviation there from (pass/fail);
 - (b) qualifications of the Bidder and the Subcontractors, if any, pursuant to B9 (pass/fail);
 - (c) Bid Price;
 - (d) economic analysis of any approved alternative pursuant to B5;
- B14.2 Further to B14.1(a), the Award Authority may reject a Bid as being non-responsive if the Bid Submission is incomplete, obscure or conditional, or contains additions, deletions, alterations or other irregularities. The Award Authority may reject all or any part of any Bid, or waive technical requirements or minor informalities or irregularities if the interests of the City so require.

- B14.3 Further to B14.1(b), the Award Authority shall reject any Bid submitted by a Bidder who does not demonstrate, in his/her Bid or in other information required to be submitted, that he/she is responsible and qualified.
- B14.4 Further to B14.1(c), the Bid Price shall be the Unit Price shown on Form B: Prices.
- B14.5 The Bid Price per Item shall be calculated using the Unit Price bid on Form B: Prices, minus fifteen percent (15%) of the Unit Price as expected residual value after seven (7) **model years. This number will be added to the estimated fuel consumption costs over 160,000 km (based on Natural Resources Canada data). The total sum will then be multiplied** by the approximate quantity with the result becoming the Total Evaluated Cost for the Item.

The following sample formula demonstrates the total evaluated cost per Item:

$$[(\text{Unit Price} - 15\% \text{ of Unit Price}) + (\text{Estimated Fuel Costs over } 160,000 \text{ km})] \times \text{Number of units} = \text{Total Evaluated Price for this Item}$$

Example: Year, Make & Model - 2013 Ford Focus SE

Unit Price - \$18,000.00

Residual Value - \$2700.00

Fuel Consumption - 8.2 L/100 km City

Fuel Cost - \$1.20/ litre

Quantity - 8 vehicles

$$[(18,000.00 - 2700) + (8.2 \times 160,000 \div 100 \times 1.20)] \times 8 = \$248,352.00$$

- B14.5 This Contract may be awarded as a whole or separately by item.
- B14.5.1 Notwithstanding B8.1, the Bidder may, but is not required to bid on all items.
- B14.5.2 Notwithstanding B15.3, the City shall not be obligated to award any item to the responsible Bidder submitting the lowest evaluated responsive Bid for the item and shall have the right to choose the alternative which is in its best interests. If the Bidder has not bid on all items, he/she shall have no claim against the City if his/her partial Bid is rejected in favour of an award of the Contract as a whole.

B15. AWARD OF CONTRACT

- B15.1 The City will give notice of the award of the Contract or will give notice that no award will be made.
- B15.2 The City will have no obligation to award a Contract to a Bidder, even though one or all of the Bidders are determined to be responsible and qualified, and the Bids are determined to be responsive.
- B15.2.1 Without limiting the generality of B15.2, the City will have no obligation to award a Contract where:
- the prices exceed the available City funds for the Work;
 - the prices are materially in excess of the prices received for similar work in the past;
 - the prices are materially in excess of the City's cost to perform the Work, or a significant portion thereof, with its own forces;
 - only one Bid is received; or
 - in the judgment of the Award Authority, the interests of the City would best be served by not awarding a Contract.
- B15.3 Where an award of Contract is made by the City, the award shall be made to the responsible and qualified Bidder submitting the lowest evaluated responsive Bid, in accordance with B14.

- B15.3.1 Following the award of contract, a Bidder will be provided with information related to the evaluation of his/her Bid upon written request to the Contract Administrator.
- B15.4 Notwithstanding C4 and Paragraph 6 of Form A: Bid, the City will issue a Purchase Order to the successful Bidder in lieu of the execution of a Contract.
- B15.5 The Contract, as defined in C1.1(n)(ii) in their entirety shall be deemed to be incorporated in and to form a part of the purchase order notwithstanding that they are not necessarily attached to or accompany said purchase order.
