THIS ADDENDUM SHALL BE INCORPORATED INTO THE REQUEST FOR PROPOSAL AND SHALL FORM A PART OF THE CONTRACT DOCUMENTS

Template Version: Ar20131129

Please note the following and attached changes, corrections, additions, deletions, information and/or instructions in connection with the Request for Proposal, and be governed accordingly. Failure to acknowledge receipt of this Addendum in Paragraph 9 of Form A: Proposal may render your Proposal non-responsive.

PART B – BIDDING PROCEDURES

- Revise: B3.1 to read: Further to C3, the Contract Administrator or an authorized representative will be available to provide Bidders access to the Site for a non-mandatory site investigation that will commence at 1:00 PM on January 29, 2014. Bidders are invited to tour the facility.
- Revise: B3.1.2 to read: Registration requests shall identify the Bidder, their contact information, and names of intended attendees. Subcontractors shall also be identified along with their intended attendees, when applicable.
- Revise: B3.2 to read: The Bidder is advised that screened and degrittied wastewater will be made available on January 23, 24, 27, 28, and 29 from 9:00 AM to 3:00PM.
- Add: B3.2.1 Bidders shall register their request for wastewater samples by emailing the Contract Administrator identified in D4.
- Add: B3.2.2 Wastewater sample requests shall identify the Bidder, the date and approximate time the Bidder's representative will arrive at the Site, the name and contact information of the Bidder's representative, and the quantity of wastewater, in litres, that is requested. The Contract Administrator reserves the right to reasonably limit the quantity of wastewater that Bidders may receive.
- Add: B3.2.3 SEWPCC operations staff will collect wastewater samples and place such samples into containers provided by the Bidder.
- Add: B3.2.4 Bidders are to make all other necessary arrangements, including but not limited to all costs and logistics (representative to come to the Site, personal protective equipment for their representative if the representative wishes to witness sample collection by the plant staff, sample containers, labelling, transportation to and from the Site, transportation to lab, analysis, reporting, etc.).
- Add: B3.2.5 The Bidder is advised that collected samples may not be representative of the entire range of specified design conditions; such limitation shall not provide any basis for limiting requirements of providing or meeting the guarantee values stated under Form G: Guaranteed Performance.
- Revise: B3.4 to read: The Bidder is responsible for determining:

- Revise: B24.1(g) to read: compliance with technical requirements – Form E and Additional Proposal Components (35%);
- Add: B24.1(h) economic analysis of any approved alternative pursuant to B7.

PART D – SUPPLEMENTAL CONDITIONS

- Revise: D12.1(c) to read: Shop Drawings shall be delivered to the Contract Administrator in accordance with the Specifications within thirty (30) Working Day(s) of Commencement.
