- B17.4.3 Notwithstanding D20.1, the City will consider other payment terms. Any additional or reduction in cost to the City will be calculated using an interest rate of 3%. Any additional cost or reduction in cost will be taken into consideration when evaluating total evaluated price.

- B18.3.1 Following the award of contract, a Bidder will be provided with information related to the evaluation of his/her Bid upon written request to the Contract Administrator.
