## **PART B - BIDDING PROCEDURES**

### **B1. CONTRACT TITLE**

B1.1 MECHANICAL COLLECTION OF SOLID WASTES FROM MULTI-FAMILY BUILDINGS AND SMALL COMMERCIAL ESTABLISHMENTS IN THE NORTH WEST AREA OF THE CITY OF WINNIPEG

### **B2. SUBMISSION DEADLINE**

B2.1 The Submission Deadline is 4:00 p.m. Winnipeg time, May 29, 2015.

B2.2 Bids determined by the Manager of Materials to have been received later than the Submission Deadline will not be accepted and will be returned upon request.

B2.3 The Contract Administrator or the Manager of Materials may extend the Submission Deadline by issuing an addendum at any time prior to the time and date specified in B2.1.

### **B3. SITE INVESTIGATION**

B3.1 Further to C3.1, the Bidder may view the Site without making an appointment.

B3.2 The Bidder is responsible for determining:

- (a) the location of any utility which can be determined from the records or other information available at the offices of any public authority or person, including a municipal corporation and any board or commission thereof, having jurisdiction or control over the utility;
- (b) the nature of the surface and subsurface conditions at the Site;
- (c) the location, nature, quality or quantity of the materials to be removed or to be employed in the performance of the Work;
- (d) the nature, quality or quantity of the Plant needed to perform the Work;
- (e) all matters concerning access to the Site, power supplies, location of existing services, utilities or materials necessary for the completion of the Work; and
- (f) all other matters which could in any way affect his/her Bid or the performance of the Work.

### **B4. ENQUIRIES**

B4.1 All enquiries shall be directed to the Contract Administrator identified in D4.1.

B4.2 If the Bidder finds errors, discrepancies or omissions in the Bid Opportunity, or is unsure of the meaning or intent of any provision therein, the Bidder shall promptly notify the Contract Administrator of the error, discrepancy or omission at least five (5) Business Days prior to the Submission Deadline.

B4.3 If the Bidder is unsure of the meaning or intent of any provision therein, the Bidder should request clarification as to the meaning or intent prior to the Submission Deadline.

B4.4 Responses to enquiries which, in the sole judgment of the Contract Administrator, require a correction to or a clarification of the Bid Opportunity will be provided by the Contract Administrator to all Bidders by issuing an addendum.

B4.5 Responses to enquiries which, in the sole judgment of the Contract Administrator, do not require a correction to or a clarification of the Bid Opportunity will be provided by the Contract Administrator only to the Bidder who made the enquiry.

B4.6 The Bidder shall not be entitled to rely on any response or interpretation received pursuant to B4 unless that response or interpretation is provided by the Contract Administrator in writing.

## **B5. CONFIDENTIALITY**

- B5.1 Information provided to a Bidder by the City or acquired by a Bidder by way of further enquiries or through investigation is confidential. Such information shall not be used or disclosed in any way without the prior written authorization of the Contract Administrator. The use and disclosure of the confidential information shall not apply to information which:
- (a) was known to the Bidder before receipt hereof; or
  - (b) becomes publicly known other than through the Bidder; or
  - (c) is disclosed pursuant to the requirements of a governmental authority or judicial order.
- B5.2 The Bidder shall not make any statement of fact or opinion regarding any aspect of the Bid Opportunity to the media or any member of the public without the prior written authorization of the Contract Administrator.

## **B6. ADDENDA**

- B6.1 The Contract Administrator may, at any time prior to the Submission Deadline, issue addenda correcting errors, discrepancies or omissions in the Bid Opportunity, or clarifying the meaning or intent of any provision therein.
- B6.2 The Contract Administrator will issue each addendum at least two (2) Business Days prior to the Submission Deadline, or provide at least two (2) Business Days by extending the Submission Deadline.
- B6.2.1 Addenda will be available on the Bid Opportunities page at The City of Winnipeg, Corporate Finance, Materials Management Division website at <http://www.winnipeg.ca/matmgt/bidopp.asp>
- B6.2.2 The Bidder is responsible for ensuring that he/she has received all addenda and is advised to check the Materials Management Division website for addenda regularly and shortly before the Submission Deadline, as may be amended by addendum.
- B6.3 The Bidder shall acknowledge receipt of each addendum in Paragraph 8 of Form A: Bid. Failure to acknowledge receipt of an addendum may render a Bid non-responsive.

## **B7. SUBSTITUTES**

- B7.1 The Work is based on the Plant, Materials and methods specified in the Bid Opportunity.
- B7.2 Substitutions shall not be allowed unless application has been made to and prior approval has been granted by the Contract Administrator in writing.
- B7.3 Requests for approval of a substitute will not be considered unless received in writing by the Contract Administrator at least five (5) Business Days prior to the Submission Deadline.
- B7.4 The Bidder shall ensure that any and all requests for approval of a substitute:
- (a) provide sufficient information and details to enable the Contract Administrator to determine the acceptability of the Plant, Material or method as either an approved equal or alternative;
  - (b) identify any and all changes required in the applicable Work, and all changes to any other Work, which would become necessary to accommodate the substitute;
  - (c) identify any anticipated cost or time savings that may be associated with the substitute;
  - (d) certify that, in the case of a request for approval as an approved equal, the substitute will fully perform the functions called for by the general design, be of equal or superior substance to that specified, is suited to the same use and capable of performing the same function as that specified and can be incorporated into the Work, strictly in accordance with the Contract;

- (e) certify that, in the case of a request for approval as an approved alternative, the substitute will adequately perform the functions called for by the general design, be similar in substance to that specified, is suited to the same use and capable of performing the same function as that specified and can be incorporated into the Work, strictly in accordance with the Contract.
- B7.5 The Contract Administrator, after assessing the request for approval of a substitute, may in his/her sole discretion grant approval for the use of a substitute as an “approved equal” or as an “approved alternative”, or may refuse to grant approval of the substitute.
- B7.6 The Contract Administrator will provide a response in writing, at least two (2) Business Days prior to the Submission Deadline, to the Bidder who requested approval of the substitute.
- B7.6.1 The Contract Administrator will issue an Addendum, disclosing the approved materials, equipment, methods and products to all potential Bidders. The Bidder requesting and obtaining the approval of a substitute shall be responsible for disseminating information regarding the approval to any person or persons he/she wishes to inform.
- B7.7 If the Contract Administrator approves a substitute as an “approved equal”, any Bidder may use the approved equal in place of the specified item.
- B7.8 If the Contract Administrator approves a substitute as an “approved alternative”, any Bidder bidding that approved alternative may base his/her Total Bid Price upon the specified item but may also indicate an alternative price based upon the approved alternative. Such alternatives will be evaluated in accordance with B16.
- B7.9 No later claim by the Contractor for an addition to the Total Bid Price because of any other changes in the Work necessitated by the use of an approved equal or an approved alternative will be considered.
- B7.10 Notwithstanding B7.2 to B7.9, and in accordance with B8.5, deviations inconsistent with the Bid Opportunity document shall be evaluated in accordance with B16.1(a).

## **B8. BID SUBMISSION**

- B8.1 The Bid shall consist of the following components:
  - (a) Form A: Bid;
  - (b) Form B: Prices;
- B8.2 Further to B8.1, the Bidder should include the written correspondence from the Contract Administrator approving a substitute in accordance with B7.
- B8.3 All components of the Bid shall be fully completed or provided, and submitted by the Bidder no later than the Submission Deadline, with all required entries made clearly and completely, to constitute a responsive Bid.
- B8.4 Bidders are advised not to include any information/literature except as requested in accordance with B8.1.
- B8.5 Bidders are advised that inclusion of terms and conditions inconsistent with the Bid Opportunity document, including the General Conditions, will be evaluated in accordance with B16.1(a).
- B8.6 The Bid may be submitted by mail, courier or personal delivery, or by facsimile transmission.
- B8.7 If the Bid is submitted by mail, courier or personal delivery, it shall be enclosed and sealed in an envelope clearly marked with the Bid Opportunity number and the Bidder's name and address, and shall be submitted to:

The City of Winnipeg  
Corporate Finance Department  
Materials Management Division

185 King Street, Main Floor  
Winnipeg MB R3B 1J1

B8.7.1 Samples or other components of the Bid which cannot reasonably be enclosed in the envelope may be packaged separately, but shall be clearly marked with the Bid Opportunity number, the Bidder's name and address, and an indication that the contents are part of the Bidder's Bid Submission.

B8.8 If the Bid is submitted by facsimile transmission, it shall be submitted to 204 949-1178

B8.8.1 The Bidder is advised that the City cannot take responsibility for the availability of the facsimile machine at any time.

B8.9 Bids submitted by internet electronic mail (e-mail) will not be accepted.

## **B9. BID**

B9.1 The Bidder shall complete Form A: Bid, making all required entries.

B9.2 Paragraph 2 of Form A: Bid shall be completed in accordance with the following requirements:

- (a) if the Bidder is a sole proprietor carrying on business in his/her own name, his/her name shall be inserted;
- (b) if the Bidder is a partnership, the full name of the partnership shall be inserted;
- (c) if the Bidder is a corporation, the full name of the corporation shall be inserted;
- (d) if the Bidder is carrying on business under a name other than his/her own, the business name and the name of every partner or corporation who is the owner of such business name shall be inserted.

B9.2.1 If a Bid is submitted jointly by two or more persons, each and all such persons shall identify themselves in accordance with B9.2.

B9.3 In Paragraph 3 of Form A: Bid, the Bidder shall identify a contact person who is authorized to represent the Bidder for purposes of the Bid.

B9.4 Paragraph 10 of Form A: Bid shall be signed in accordance with the following requirements:

- (a) if the Bidder is a sole proprietor carrying on business in his/her own name, it shall be signed by the Bidder;
- (b) if the Bidder is a partnership, it shall be signed by the partner or partners who have authority to sign for the partnership;
- (c) if the Bidder is a corporation, it shall be signed by its duly authorized officer or officers and the corporate seal, if the corporation has one, should be affixed;
- (d) if the Bidder is carrying on business under a name other than his/her own, it shall be signed by the registered owner of the business name, or by the registered owner's authorized officials if the owner is a partnership or a corporation.

B9.4.1 The name and official capacity of all individuals signing Form A: Bid should be printed below such signatures.

B9.5 If a Bid is submitted jointly by two or more persons, the word "Bidder" shall mean each and all such persons, and the undertakings, covenants and obligations of such joint Bidders in the Bid and the Contract, when awarded, shall be both joint and several.

## **B10. PRICES**

B10.1 The Bidder shall state a price in Canadian funds for each item of the Work identified on Form B: Prices.

- B10.1.1 Notwithstanding C11.1.3, prices on Form B: Prices shall not include the Goods and Services Tax (GST) or Manitoba Retail Sales Tax (MRST, also known as PST), which shall be extra where applicable.
- B10.2 The quantities listed on Form B: Prices are to be considered approximate only. The City will use said quantities for the purpose of comparing Bids.
- B10.3 The quantities for which payment will be made to the Contractor are to be determined by the Work actually performed and completed by the Contractor, to be measured as specified in the applicable Specifications.
- B10.4 Payments to Non-Resident Contractors are subject to Non-Resident Withholding Tax pursuant to the Income Tax Act (Canada).

## **B11. DISCLOSURE**

- B11.1 Various Persons provided information or services with respect to this Work. In the City's opinion, this relationship or association does not create a conflict of interest because of this full disclosure. Where applicable, additional material available as a result of contact with these Persons is listed below.
- B11.2 The Persons are:
- (a) Miller Environmental
  - (b) Green for Life Environmental
  - (c) Johnson Waste Management
  - (d) Haulrite Environmental
  - (e) Progressive Waste
  - (f) Emterra Environmental

## **B12. QUALIFICATION**

- B12.1 The Bidder shall:
- (a) undertake to be in good standing under The Corporations Act (Manitoba), or properly registered under The Business Names Registration Act (Manitoba), or otherwise properly registered, licensed or permitted by law to carry on business in Manitoba, or if the Bidder does not carry on business in Manitoba, in the jurisdiction where the Bidder does carry on business; and
  - (b) be financially capable of carrying out the terms of the Contract; and
  - (c) have all the necessary experience, capital, organization, and equipment to perform the Work in strict accordance with the terms and provisions of the Contract.
- B12.2 The Bidder and any proposed Subcontractor (for the portion of the Work proposed to be subcontracted to them) shall:
- (a) be responsible and not be suspended, debarred or in default of any obligations to the City. A list of suspended or debarred individuals and companies is available on the Information Connection page at The City of Winnipeg, Corporate Finance, Materials Management Division website at <http://www.winnipeg.ca/matmgt/debar.stm>
- B12.3 The Bidder and/or any proposed Subcontractor (for the portion of the Work proposed to be subcontracted to them) shall:
- (a) have successfully carried out work similar in nature, scope and value to the Work; and
  - (b) be fully capable of performing the Work required to be in strict accordance with the terms and provisions of the Contract; and

- (c) have a written workplace safety and health program, if required, pursuant to The Workplace Safety and Health Act (Manitoba);
- (d) have provided an implementation plan approved by the Contractor Administrator where Brokers are to be used.

B12.4 Further to B12.3(c), the Bidder shall, within five (5) Business Days of a request by the Contract Administrator, provide proof satisfactory to the Contract Administrator that the Bidder/Subcontractor has a workplace safety and health program meeting the requirements of The Workplace Safety and Health Act (Manitoba), by providing:

- (a) a copy of their valid Manitoba COR certificate and Letter of Good Standing (or Manitoba equivalency) as issued under the Certificate of Recognition (COR) Program administered by the Construction Safety Association of Manitoba or by the Manitoba Heavy Construction Association's WORKSAFELY™ COR™ Program; or
- (b) a copy of their valid Manitoba SECOR™ certificate and Letter of Good Standing (or Manitoba equivalency) as issued under the Small Employer Certificate of Recognition Program (SECOR™) administered by the Construction Safety Association of Manitoba or by the Manitoba Heavy Construction Association's WORKSAFELY™ COR™ Program; or
- (c) a report or letter to that effect from an independent reviewer acceptable to the City. (A list of acceptable reviewers and the review template are available on the Information Connection page at The City of Winnipeg, Corporate Finance, Materials Management Division website at <http://www.winnipeg.ca/matmgt/>).

B12.5 The Bidder shall submit, within Five (5) Business Days of a request by the Contract Administrator, proof satisfactory to the Contract Administrator of the qualifications of the Bidder and of any proposed Subcontractor.

B12.6 The Bidder shall provide, on the request of the Contract Administrator, full access to any of the Bidder's equipment and facilities to confirm, to the Contract Administrator's satisfaction, that the Bidder's equipment and facilities are adequate to perform the Work

B12.7 The Bidder and/or any proposed Subcontractor (for the portion of the Work proposed to be subcontracted to them) shall within five (5) Business Days of a request by the Contract Administrator:

- (a) provide a list of suitable equipment (make, model, year) in accordance with E5, and delivery schedule in order to accomplish the commencement dates D2.1 and service types;
- (b) provide the number of vehicles proposed to be used to perform 100% of the Work in accordance with E5.14.
- (c) provide the software, hardware, web-based application and implementation plan with regards to the GPS-AVL requirements as indicated in E5.22.

### **B13. OPENING OF BIDS AND RELEASE OF INFORMATION**

B13.1 Bids will not be opened publicly.

B13.2 Following the Submission Deadline, the names of the Bidders and their bid prices (unevaluated, and pending review and verification of conformance with requirements) will be available on the Closed Bid Opportunities (or Public/Posted Opening & Award Results) page at The City of Winnipeg, Corporate Finance, Materials Management Division website at <http://www.winnipeg.ca/matmgt/>

B13.3 After award of Contract, the name(s) of the successful Bidder(s) and the Contract amount(s) will be available on the Closed Bid Opportunities (or Public/Posted Opening & Award Results) page at The City of Winnipeg, Corporate Finance, Materials Management Division website at <http://www.winnipeg.ca/matmgt/>

B13.4 The Bidder is advised that any information contained in any Bid may be released if required by City policy or procedures, by The Freedom of Information and Protection of Privacy Act (Manitoba), by other authorities having jurisdiction, or by law.

#### **B14. IRREVOCABLE BID**

B14.1 The Bid(s) submitted by the Bidder shall be irrevocable for the time period specified in Paragraph 9 of Form A: Bid.

B14.2 The acceptance by the City of any Bid shall not release the Bids of the next two lowest evaluated responsive Bidders and these Bidders shall be bound by their Bids on such Work for the time period specified in Paragraph 9 of Form A: Bid.

#### **B15. WITHDRAWAL OF BIDS**

B15.1 A Bidder may withdraw his/her Bid without penalty by giving written notice to the Manager of Materials at any time prior to the Submission Deadline.

B15.1.1 Notwithstanding C22.5, the time and date of receipt of any notice withdrawing a Bid shall be the time and date of receipt as determined by the Manager of Materials.

B15.1.2 The City will assume that any one of the contact persons named in Paragraph 3 of Form A: Bid or the Bidder's authorized representatives named in Paragraph 10 of Form A: Bid, and only such person, has authority to give notice of withdrawal.

B15.1.3 If a Bidder gives notice of withdrawal prior to the Submission Deadline, the Manager of Materials will:

- (a) retain the Bid until after the Submission Deadline has elapsed;
- (b) open the Bid to identify the contact person named in Paragraph 3 of Form A: Bid and the Bidder's authorized representatives named in Paragraph 10 of Form A: Bid; and
- (c) if the notice has been given by any one of the persons specified in B15.1.3(b), declare the Bid withdrawn.

B15.2 A Bidder who withdraws his/her Bid after the Submission Deadline but before his/her Bid has been released or has lapsed as provided for in B14.2 shall be liable for such damages as are imposed upon the Bidder by law and subject to such sanctions as the Chief Administrative Officer considers appropriate in the circumstances. The City, in such event, shall be entitled to all rights and remedies available to it at law.

#### **B16. EVALUATION OF BIDS**

B16.1 Award of the Contract shall be based on the following bid evaluation criteria:

- (a) compliance by the Bidder with the requirements of the Bid Opportunity, or acceptable deviation therefrom (pass/fail);
- (b) qualifications of the Bidder and the Subcontractors, if any, pursuant to B12 (pass/fail);
- (c) Total Bid Price;
- (d) economic analysis of any approved alternative pursuant to B7;

B16.2 Further to B16.1(a), the Award Authority may reject a Bid as being non-responsive if the Bid is incomplete, obscure or conditional, or contains additions, deletions, alterations or other irregularities. The Award Authority may reject all or any part of any Bid, or waive technical requirements or minor informalities or irregularities if the interests of the City so require.

B16.3 Further to B16.1(b), the Award Authority shall reject any Bid submitted by a Bidder who does not demonstrate, in his/her Bid or in other information required to be submitted, number and type of vehicles which are insufficient to complete the work in a timely manner that he/she is responsible and qualified.

B16.4 Further to B16.1(c), the Total Bid Price shall be the sum of the quantities multiplied by the unit prices for each item shown on Form B: Prices.

B16.5 This Contract will be awarded as a whole.

**B17. AWARD OF CONTRACT**

B17.1 The City will give notice of the award of the Contract or will give notice that no award will be made.

B17.2 The City will have no obligation to award a Contract to a Bidder, even though one or all of the Bidders are determined to be responsible and qualified, and the Bids are determined to be responsive.

B17.2.1 Without limiting the generality of B17.2, the City will have no obligation to award a Contract where:

- (a) the prices exceed the available City funds for the Work;
- (b) the prices are materially in excess of the prices received for similar work in the past;
- (c) the prices are materially in excess of the City's cost to perform the Work, or a significant portion thereof, with its own forces;
- (d) only one Bid is received; or
- (e) in the judgment of the Award Authority, the interests of the City would best be served by not awarding a Contract.

B17.3 Where an award of Contract is made by the City, the award shall be made to the responsible and qualified Bidder submitting the lowest evaluated responsive Bid in accordance with B16.

B17.3.1 Following the award of contract, a Bidder will be provided with information related to the evaluation of his/her Bid upon written request to the Contract Administrator.

B17.4 Notwithstanding C4.1, the City may issue a purchase order to the successful Bidder in lieu of the execution of a Contract.

B17.5 The Contract Documents, as defined in C1.1(n)(ii), in their entirety shall be deemed to be incorporated in and to form a part of the purchase order notwithstanding that they are not necessarily attached to or accompany said purchase order.

## **PART C - GENERAL CONDITIONS**

### **C0. GENERAL CONDITIONS**

- C0.1 The General Conditions for Supply of Services (Revision 2007 04 12) are applicable to the Work of the Contract.
- C0.1.1 The *General Conditions for Supply of Services* are available on the Information Connection page at The City of Winnipeg, Corporate Finance, Materials Management Division website at [http://www.winnipeg.ca/matmgt/gen\\_cond.stm](http://www.winnipeg.ca/matmgt/gen_cond.stm)
- C0.2 A reference in the Bid Opportunity to a section, clause or subclause with the prefix "C" designates a section, clause or subclause in the General Conditions for Supply of Services.

## **PART D - SUPPLEMENTAL CONDITIONS**

### **GENERAL**

#### **D1. GENERAL CONDITIONS**

D1.1 In addition to the General Conditions for Supply of Services, these Supplemental Conditions are applicable to the Work of the Contract.

#### **D2. SCOPE OF WORK**

D2.1 The Work to be done under the Contract shall consist of mechanical collection and disposal of solid waste from multi-family buildings and small commercial establishments as per Solid Waste Bylaw (By-law 110/2012) for the period of February 1, 2016 to January 31, 2023.

D2.1.1 The area boundaries for the collection shall be in the City of Winnipeg in the area North of the Assiniboine River and West of the Red River.

D2.2 The major components of the Work are as follows:

- (a) Provision of regular solid waste collection services to multi-family buildings, small commercial establishments, institutional, and civic operated facilities that utilize authorized metal containers suitable for front-loading, rear-loading, or roll-off garbage collection vehicles. The frequency of collection will be bi-weekly, once, twice, three and six times, per week on a site specific basis, as per the collection schedule in E25. All of the garbage collected will be transported to the Brady Road Resource Management Facility.
- (b) Provision of "Unlocking Service" in order to empty the containers may also be included. This service is provided on an as-required basis to customers as per the collection schedule in E25. The Contractor will provide a padlock and key to each location requesting service, with the customer being responsible for maintenance and security of the lock and key. There will be no extra charge if servicing a container with Automated Locking Systems
- (c) Provision of "Pull Out Service" in order to empty the container may be required. This service is provided on an as-required basis to locations as per the collection schedule in E25.
- (d) Provision of "Pull Box Service" in order to empty the container may be required. This service is provided on an as-required basis to locations as per the collection schedule in E25. If the Contractor cannot service the container with the automated front end collection vehicles and the location has met the condition for collection as set out in the Solid Waste bylaw 110/2012 Clause 5(6) (e.g. snow or ice in the laneway), an alternative method approved by the Contract Administrator must be undertaken by the Contractor to ensure collection.
- (e) Disposal at Designated Facilities of all solid waste collected. The Contractor shall not be charged for disposal at the Designated Facility of solid waste collected under the terms of this Contract as per E24
- (f) Notwithstanding D2.1 in the event that operational changes result in substantial changes to the requirements for Work, the City reserves the right to alter the type or quantity of Work performed under this Contract, or to terminate the Contract, upon thirty (30) Calendar Days written notice by the Contract Administrator. In such an event, no claim may be made for damages on the ground of loss of anticipated profit on Work.

#### **D3. DEFINITIONS**

D3.1 When used in this Bid Opportunity:

- (a) **“Automated Locking System”** means a container equipped with a locking system that will automatically unlock during collection without operator assistance;
- (b) **“Collection Container”** means a rear load, front load or roll off container approved by the Contract Administrator.
- (c) **“Collection Cycle”** means Collection occurring on a set day(s) of the week;
- (d) **“Collection Point”** means the location where the container(s) are placed for collection;
- (e) **“Contract Administrator”** means the Contract Administrator as defined in D4.1 or his appointed designate;
- (f) **“Contract Manager”** means a designated senior level employee of the Contractor. See D5;
- (g) **“Contract Supervisor”** means a person designated by the Contractor to supervise the Work associated with this Contract;
- (h) **“Designated Facilities”** designated waste management sites as determined by the Contract Administrator;
- (i) **“Designated Travel Surface”** means any structural pavement, gravel or mud lane constructed for use specifically for motorized vehicles, as designated by the proper authority of The City of Winnipeg;
- (j) **“Field Supervisor”** means a person designated by the Contractor to supervise the Work associated with this Contract;
- (k) **“Landfill”** means Brady Road Resource Management Facility where the solid wastes are to be delivered at 1901 Brady Rd, Winnipeg;
- (l) **“Location”** means a pickup site situated at any premise, deemed by the Contract Administrator, to be included in the program Notwithstanding C1.1, when used in this Bid Opportunity;
- (m) **“Mechanical Collection”** means the emptying of the Collection Containers using a fully automated system;
- (n) **“PPE”** means personal protective equipment;
- (o) **“Pull Box Service”** means that prior to collection the Contractor must pull-out the Collection Container via mechanical means by using the attached “Pull Out Box” on the front end container from its original location to a location where the collection vehicle can empty the contents safely into the truck, and return the Collection container to its original location after emptying it;
- (p) **“Pull Out Box”** means a metal box welded to a Collection Container intended to be used by the front end forks of the collection vehicle to manoeuvre the container into a location suitable for safe collection;
- (q) **“Pull Out Service”** means that prior to collection the Contractor must pull-out the Collection Container manually from its original location to a location where the collection vehicle can empty the contents safely into the truck, and return the Collection container to its original location after emptying it. These containers are mounted on casters or wheels.
- (r) **“Set Day Cycle”**- means each premises receives Collection service on a set day as approved by the Contract Administrator;
- (s) **“Solid Waste”** – means all discarded waste materials except liquid or semi-liquid wastes and includes:
  - (i) Bulky waste;
  - (ii) Compostable waste;
  - (iii) Garbage;
  - (iv) Non-collectible waste;
  - (v) Recyclable waste; and
  - (vi) Special waste.

- (t) **"Unlocking Service"** means that prior to collection the Contractor must unlock the Collection Container and after collection the Contractor must re-lock the Container;
- (u) **"User"** means a person, department or other administrative unit of the City authorized by the Contract Administrator to order Work under this Contract.

#### **D4. CONTRACT ADMINISTRATOR**

D4.1 The Contract Administrator is:

Duy Doan, C.E.T.  
Technologist 3  
ddoan@winnipeg.ca

Telephone No. 204 986-4998

D4.2 Bids Submissions must be submitted to the address in B8.7.

D4.3 At the pre-commencement meeting, the Contract Administrator will identify additional personnel representing the Contract Administrator and their respective roles and responsibilities for the Work.

#### **D5. CONTRACTOR'S SUPERVISOR**

D5.1 Further to C6.19, the Contractor shall employ and keep on the Work, at all times during the performance of the Work, a competent supervisor and assistants, if necessary, acceptable to the Contract Administrator. The supervisor shall represent the Contractor on the Site. The supervisor shall not be replaced without the prior consent of the Contract Administrator unless the supervisor proves to be unsatisfactory to the Contractor and ceases to be in his/her employ.

D5.2 Before commencement of Work, the Contractor shall identify his/her designated supervisor and any additional personnel representing the Contractor and their respective roles and responsibilities for the Work.

D5.3 The Contractor shall also identify at least thirty (30) Calendar days before commencement of Work and at any time during the Contract at the request of the Contract Administrator, the following people:

- (a) A qualified senior level employee as the Contract Manager who will be responsible for overall management of the Work.
- (b) A qualified senior level employee as the Fleet Manager who will be responsible for fleet supervision.
- (c) A qualified employee as Field Supervisor(s) for the Contract area, whose main responsibility will be to supervise the collection operation.

D5.3.1 Further to C5.5 Contract Administrator and/or User may give instructions or orders to the Contractor's supervisor and such instructions or orders shall be deemed to have been given to the Contractor.

#### **D6. OWNERSHIP OF INFORMATION, CONFIDENTIALITY AND NON DISCLOSURE**

D6.1 The Contract, all deliverables produced or developed, and information provided to or acquired by the Contractor are the property of the City and shall not be appropriated for the Contractors own use, or for the use of any third party.

D6.2 The Contractor shall not make any public announcements or press releases regarding the Contract, without the prior written authorization of the Contract Administrator.

D6.3 The following shall be confidential and shall not be disclosed by the Contractor to the media or any member of the public without the prior written authorization of the Contract Administrator;

- (a) information provided to the Contractor by the City or acquired by the Contractor during the course of the Work;
- (b) the Contract, all deliverables produced or developed; and
- (c) any statement of fact or opinion regarding any aspect of the Contract.

D6.4 A Contractor who violates any provision of D6 may be determined to be in breach of Contract.

## **D7. NOTICES**

D7.1 Notwithstanding C22.3, all notices of appeal to the Chief Administrative Officer shall be sent to the attention of the Chief Financial Officer at the following facsimile number:

The City of Winnipeg  
Chief Financial Officer

Facsimile No.: 204 949-1174

## **SUBMISSIONS**

### **D8. AUTHORITY TO CARRY ON BUSINESS**

D8.1 The Contractor shall be in good standing under The Corporations Act (Manitoba), or properly registered under The Business Names Registration Act (Manitoba), or otherwise properly registered, licensed or permitted by law to carry on business in Manitoba, or if the Contractor does not carry on business in Manitoba, in the jurisdiction where the Contractor does carry on business, throughout the term of the Contract, and shall provide the Contract Administrator with evidence thereof upon request.

### **D9. INSURANCE**

D9.1 The Contractor shall provide and maintain the following insurance coverage:

- (a) commercial general liability insurance, in the amount of at least five million dollars (\$5,000,000.00) inclusive, with The City of Winnipeg added as an additional insured; such liability policy to also contain a cross-liability clause, contractual liability, non-owned automobile liability and products and completed operations cover, to remain in place at all times during the performance of the Work
- (b) Automobile Liability Insurance covering all motor vehicles, owned and operated and used or to be used by the Contractor directly or indirectly in the performance of the Service. The Limit of Liability shall not be less than \$5,000,000 inclusive for loss or damage including personal injuries and death resulting from any one accident or occurrence.

D9.2 Deductibles shall be borne by the Contractor.

D9.3 The Contractor shall provide the Contract Administrator with a certificate(s) of insurance, in a form satisfactory to the City Solicitor, at least two (2) Business Days prior to the commencement of any Work on the Site but in no event later than seven (7) Calendar Days from notification of the award of Contract.

D9.4 The Contractor shall not cancel, materially alter, or cause the policy to lapse without providing at least thirty (30) Calendar Days prior written notice to the Contract Administrator.

D9.5 The City shall have the right to alter the limits and/or coverages as reasonably required from time to time during the continuance of this agreement.

### **D10. PERFORMANCE SECURITY**

D10.1 The Contractor shall provide and maintain performance security until one (1) month following the date of total performance of the Contract in the form of:

- (a) Performance Bonds of a company registered to conduct the business of a surety in Manitoba in the forms attached to these Supplemental Conditions (Form H1: Performance Bonds); the first ("Initial Performance Security") for three years in the amount of fifty percent (50%) of the annual value of the Contract at the time of award, and subsequent performance bonds ("Renewal Performance Security"). Each such Renewal Performance Security shall be no less than one (1) year in duration and in the amount of fifty percent (50%) of the annual value of the Contract for the previous year. In addition to the Performance Bond, the Contractor shall provide an irrevocable Standby Letter of Credit issued by a bank or other financial institution registered to conduct business in Manitoba, in the form attached to these Supplemental Conditions (Form H2: Irrevocable Standby Letter of Credit), in the amount of fifteen percent (15%) of the annual value of the Contract at the time of award. Failure by the Contractor to maintain performance security shall constitute a default under this Contract entitling the City to all rights and remedies available to it at law, including the right to draw the full proceeds of the Standby Letter of Credit without notice and any such monies may be used as provided in this Contract in the event of default; or
- (b) an irrevocable Standby Letter of Credit issued by a bank or other financial institution registered to conduct business in Manitoba, in the form attached to these Supplemental Conditions (Form H2: Irrevocable Standby Letter of Credit), in the amount of fifty percent (50%) of the annual value of the Contract at the time of award; or
- (c) a certified cheque or draft payable to "The City of Winnipeg", drawn on a bank or other financial institution registered to conduct business in Manitoba, in the amount of fifty percent (50%) of the annual value of the Contract at the time of award.

D10.2 Where the performance security is in the form of a certified cheque or draft, it will be deposited by the City. The City will not pay any interest on certified cheques or drafts furnished as performance security.

D10.3 The Contractor shall provide the City Solicitor with the required performance security within thirty (30) Calendar Days of notification of the award of the Contract by way of letter of intent and prior to the commencement of any Work on the Site but in no event later than the date specified in C4 for the return of the executed Contract.

D10.4 Further to D10.1(a), the Renewal Performance Security shall be provided to the City no later than sixty (60) Calendar Days prior to the expiry of the current performance security.

## **D11. GREEN FLEET PLAN**

D11.1 The purpose of this requirement is to indicate an interest by the City in the reduction of air pollution and greenhouse gases in the provisions of service by having Contractors provide a green fleet plan. Within thirty (30) Calendar Days of the award of Contract, the Contractor will provide a brief green fleet plan to address the following topics:

- (a) Incorporation of alternative fuels and technologies in the fleet;
- (b) Vehicle maintenance programs;
- (c) Routing and Anti-idling;
- (d) Operator training (e.g. training for safe and timely vehicle operation while maximising fuel efficiency).

D11.2 The Contractor shall provide an annual report of data collected through the Green Fleet Plan.

## **CONTROL OF WORK**

### **D12. COMMENCEMENT**

D12.1 The Contractor shall not commence any Work until he/she is in receipt of a notice of award from the City authorizing the commencement of the Work.

D12.2 The Contractor shall not commence any Work on the Site until:

- (a) the Contract Administrator has confirmed receipt and approval of:
  - (i) evidence of authority to carry on business specified in D8;
  - (ii) evidence of the workers compensation coverage specified in C6.14;
  - (iii) evidence of the insurance specified in D9;
  - (iv) the Performance Security specified in D10; and
  - (v) the Green Fleet Plan specified in D11.
- (b) the Contractor has attended a meeting with the Contract Administrator, or the Contract Administrator has waived the requirement for a meeting.

**D13. PRIME CONTRACTOR – THE WORKPLACE SAFETY AND HEALTH ACT (MANITOBA)**

D13.1 Further to C6.23, the Contractor shall be the Prime Contractor and shall serve as, and have the duties of the Prime Contractor in accordance with The Workplace Safety and Health Act (Manitoba).

**D14. THE WORKPLACE SAFETY AND HEALTH ACT (MANITOBA) – QUALIFICATIONS**

D14.1 Further to B12.4, the Contractor/Subcontractor must, throughout the term of the Contract, have a Workplace Safety and Health Program meeting the requirements of The Workplace Safety and Health Act (Manitoba). At any time during the term of the Contract, the City may, at its sole discretion and acting reasonably, require updated proof of compliance, as set out in B12.4.

**D15. SAFE WORK PLAN**

D15.1 The Contractor shall provide the Contract Administrator with a Safe Work Plan within five (5) Business Days of a request by the Contract Administrator and prior to the commencement of any Work on the Site but in no event later than the date specified in C4.1 for the return of the executed Contract.

D15.2 The Safe Work Plan should be prepared and submitted in the format shown in the City's template which is available on the Information Connection page at The City of Winnipeg, Corporate Finance, Materials Management Division website at <http://www.winnipeg.ca/matmgt/safety/default.stm>

**D16. SAFETY**

D16.1 The Contractor shall be solely responsible for safety at the Site and for compliance with all laws, rules, regulations and practices required by the applicable safety legislation.

D16.2 The Contractor shall be solely responsible for securing the Site, and any existing facility thereon, and for the proper care and protection of the Work already performed.

D16.3 The Contractor shall do whatever is necessary to ensure that:

- (a) no person, property, right, easement or privilege is injured, damaged or infringed by reason of the Contractor's activities in performing the Work;
- (b) the health and safety of all persons employed in the performance of the Work or otherwise is not endangered by the method or means of its performance;
- (c) adequate medical services are available to all persons employed on the Work and at all times during the performance of the Work;
- (d) adequate sanitation measures are taken and facilities provided with respect to the Work;
- (e) pedestrian and other traffic on any public or private road or waterway is not unduly impeded, interrupted or endangered by the performance or existence of the Work or Plant;

- (f) fire hazards in or about the Work are eliminated;

## **D17. ORDERS**

- D17.1 The Contractor shall provide a local Winnipeg telephone number or a toll-free telephone number at which orders for service may be placed.

## **MEASUREMENT AND PAYMENT**

### **D18. PAYMENT**

- D18.1 Further to C11, payment shall be in accordance with the following payment schedule:

- (a) Payments to the Contractor for Collection will be made following the end of each month based on a certificate prepared by the Contract Administrator indicating the number of units for each payment item in Form B: Prices. Month end payments will be on the basis of one-twelfth (1/12) of the annual tendered unit price for each payment item collected fully or added to the Collection list during the previous month. In balance, no compensation will be applied for payment items deleted at any point during the previous month.
- (b) The Contractor will be allowed a thirty (30) Calendar Day period after any payment certificate is issued by the Contract Administrator for objection to the quantities therein, with such statement of objection, in writing, to be accompanied by a location pickup list showing the Contractor's quantity considerations. The decision of the Contract Administrator will be final following a review of such objection and the time limitation for notifying the Chief Administrative Officer of an appeal pursuant to C19 will be adjusted accordingly.

- D18.2 Payment shall be in Canadian funds net twenty-one (21) Calendar Days after conclusion of the previous month's Work.

- D18.3 Further to C10, the City may at its option pay the Contractor by direct deposit to the Contractor's banking institution.

### **D19. PRICE ADJUSTMENTS**

- D19.1 The unit prices specified on Form B: Prices will be adjusted on the first Contract, anniversary date, and subsequent anniversary dates based on the percentage increase or decrease in the unit prices for the Contract year, based on 50% of percentage change in Index "A", plus 30% change in Index "B", plus 20% change in Index "C". The monthly period used will be February of the previous year compared with January of the current year.

- D19.1.1 Index "A":

- (a) All-items Consumer Price Index for the City of Winnipeg (Statistics Canada Reference Table 326-0020).

- D19.1.2 Index "B":

- (a) Monthly Diesel Fuel Price Index Manitoba Infrastructure and Transportation Based on the OPIS Fuel index.
- (b) Index "B" will be replaced by the Henry Hub Natural Gas Futures price quoted on the NYMEX if Compressed Natural Gas is used.

- D19.1.3 Index "C":

- (a) Average hourly earnings – employees paid by the hour in Truck Transportation for the Province of Manitoba (Statistics Canada Reference Table 281-0029).

- D19.2 Indexes "A" and "C" will be those prepared by Statistics Canada. Index "B" "D19.1.2(a)" will be prepared by Manitoba Infrastructure and Transportation and "D19.1.2(b)" will be prepared by

Henry Hub. As some of the indexes are not available from Statistics Canada, Manitoba Infrastructure and Transportation, and Henry Hub until sometime after the adjustment date, the amount of adjustment will be retroactive to the adjustment date.

- D19.3 The unit prices specified on Form B: Prices will be adjusted to the first day of the Contract, February 1, 2016 using base line data in June 2015 from the three Price Indices identified in D19.1. An adjustment will only be made if there is a net increase in the three indices. In the event of a decrease, the unit prices will remain the same.
- D19.4 The maximum annual price adjustment shall not exceed ten percent (10%) on an annual basis.

## **WARRANTY**

### **D20. WARRANTY**

- D20.1 Notwithstanding C12, the warranty period shall begin on the date of Total Performance and shall expire one (1) month thereafter unless extended pursuant to C12.3, in which case it shall expire when provided for thereunder. The Contract Administrator shall, on being satisfied that all outstanding deficiencies have been corrected, issue a Certificate of Acceptance for the Work to be dated not earlier than one (1) month after the date of Certificate of Total Performance or the date that the Contractor corrects the final deficiencies, whichever is later, thereby terminating the Warranty Period. The Certificate of Acceptance will, subject to Clause C12, indicate acceptance of the due performance of the Contract.

## PART E - SPECIFICATIONS

### GENERAL

#### E1. APPLICABLE SPECIFICATIONS AND DRAWINGS

- E1.1 These Specifications shall apply to the Work.
- E1.2 Bidders are reminded that requests for approval of substitutes as an approved equal or an approved alternative shall be made in accordance with B7.

#### E2. CONTRACT QUANTITIES

- E2.1 The Contract quantities for the Work during any monthly period will consist of the total number of units serviced in each category identified for collection and disposal in Form B: Prices. The total inventory as of March 31, 2015 is as listed in E25 and for each time period in question, it will be the adjusted category totals as formally modified in writing from time to time by the Contract Administrator.
- E2.2 Collection and disposal service shall extend to all new or additional Multi-Family buildings, small commercial establishments, institutional or City operated facilities immediately when directed in writing by the Contract Administrator or User. The Contractor shall provide this extension of service for the same unit price specified in Form B: Prices.
- E2.3 The amount payable in this Contract will be reduced when any Multi-Family building, small commercial establishment, institutional or City operated facility is no longer generating solid waste. All such changes will be carried out for month-end payment purposes.
- E2.4 The Contractor shall note that customers have the right to use or reject solid waste collection service arranged through the City, and therefore the City cannot guarantee the actual number of establishments under this Contract. Also, the Contract Administrator or User may designate the type of container to be used, which may cause an increase or a reduction in the number of establishments served.
- E2.5 The Contract Administrator or User will provide the Contractor notice in writing of any changes, either additions or deletions, or change in frequency of collection of multi-family, small commercial establishments, institutional or City operated facilities serviced under this Contract.
- E2.6 Notwithstanding E2.5, the Contractor shall be responsible to notify the Contract Administrator if there is any change in collection from a multi-family, small commercial establishment, institutional or City operated facility that would result in a change in the service to that location. Examples would include, but are not limited to, business ceases to exist, garbage container removed by a third party, increase or decrease of garbage container size or quantity, multi-family building no longer occupied because of building damage, etc.
- E2.7 The following is the historical 2014 monthly tonnage for the Contract area:

Month	Tonnage	Month	Tonnage
January	1461.6	July	1787.7
February	1531	August	1694.5
March	1460.5	September	1723.9
April	1797.3	October	1786.8
May	2016.9	November	1470.9
June	1849.4	December	1579.6

- E2.8 The City make no representation of warranty that the monthly tonnage in 2016 or subsequent years will be approximately the same as set out for 2014 in E2.7

### **E3. SCHEDULE OF COLLECTION ROUTES AND DAYS OF COLLECTION**

#### **E3.1 Collection Schedule:**

- (a) The Contractor shall file with the Contract Administrator a detailed schedule of collection routes and days of collection for each route along with sequential routing at least sixty (60) Calendar Days prior to the commencement of the Work of this Contract. Should the Contractor wish to change the specified schedule, as noted in E25, of collection prior to the start of the Contract, the Contractor shall be responsible for the duplication and delivery to each affected premises of a suitable notice of the change, prepared and authorized by the Contract Administrator, from relevant information supplied by the Contractor.
- (b) No major changes to the collection schedule will be considered once the collection schedule has been approved and implemented. The Contract Administrator will consider proposals submitted by the Contractor to a limited amount of schedule changes on the anniversary date(s) of the Contract.
- (c) This collection schedule is subject to the approval of the Contract Administrator. Pick-up locations shall be scheduled on a, bi-weekly, once-a-week, twice-a-week, three-times-a-week or six-times-a-week, basis as indicated and designated by the Contract Administrator.
- (d) The Contractor shall keep the collection schedule and collection route list up to date and shall provide the Contract Administrator with a copy of the above records not less than thirty (30) Calendar Days prior to the commencement of the Work of this Contract.
- (e) The Contractor shall supply an updated collection schedule and collection route list when requested by the Contract Administrator at any time during the duration of the Work of this Contract.
- (f) All lists shall be provided in a Microsoft Excel compatible format acceptable to the Contract Administrator (CSV, TXT, XLS, XXLS).
- (g) The Contractor shall indicate all relevant information on each Route list (See E26 for sample) including but not limited to :
  - (i) Locations of Multi-Family buildings, small commercial establishments, institutional or City operated facilities. Each Collection Point shall have an address identification, route name and pickups numbered in order of collection;
  - (ii) Collection day(s);
  - (iii) Start and finish destination; and
  - (iv) Contractor Vehicle Identification Number.

**E3.2** The Contractor shall not arbitrarily alter any route or hours of operation without the prior approval of the Contract Administrator or in event of situation indicated in E14.6.

#### **E3.3 Hours of Collection:**

- (a) The hours of collection shall be between 7:00 a.m. and 6:00 p.m. except in the case of unusual delay, emergency or equipment breakdown. The Contractor may extend the hours of collection provided that the Contractor reports the deviation to the Contract Administrator from the schedule prior to it occurring. In any event, however, the Contractor may not start earlier than 7:00 a.m. or carry out collections past 10:00 p.m.

#### **E3.4 Holidays:**

- (a) The Contractor shall maintain the specified collection schedule at all times, notwithstanding that periodically, a scheduled collection day will fall upon a statutory holiday, with the exception of Remembrance Day, Christmas Day, and New Year's Day. On those occasions, the collection shall be moved forward one day.

- (b) A normal collection day is defined as any day except New Year's Day, Remembrance Day, Christmas Day, and Sundays or any other days deemed holidays under provincial or federal regulations. The Contract Administrator shall provide sufficient notice to the Contractor in the event of any changes to collection days.
- (c) When New Year's Day, Remembrance Day, Christmas Day occurs between Monday and Friday as per E3.4(b) the Contractor will be required to provide Collection on the Saturday following the holiday. If New Year's Day, Remembrance Day, Christmas Day occurs on a Saturday, Saturday's collection will occur on the Friday prior.
  - (i) As an example: if Christmas falls on Wednesday, Wednesday collection will occur on Thursday, Thursday's collection will occur on Friday and Fridays and Saturdays collection will occur on Saturday.
- (d) In case of the resulting loss of a collection day during the collection schedule or in the case of an Emergency, and then only with written permission from the Contract Administrator, Work may be carried out on Sundays.
- (e) Where the Designate Facility for disposal is not scheduled to be open as defined in E23.3 the Contractor may request to have the City provide limited disposal services at a charge of \$250.00 per hour.

#### **E4. IMPLEMENTATION PLAN**

- E4.1 Upon request of the Contract Administrator and within seven (7) calendar days of the bid submission deadline date, the Contractor shall provide the Contract Administrator with:
  - (a) A complete list of the Sub-Contractors whom the Contractor proposes to engage.
  - (b) Information regarding the location, ownership, size and intended purpose of all facilities proposed by the Contractor to be used for the Work, including but not limited to the offices, fleet storage yard and vehicle maintenance facility that will be used by the Contractor.
  - (c) An implementation plan and schedule related to the effective implementation of the Contract. The implementation plan must include, but not be limited to:
    - (i) A schedule for the delivery of Collection vehicles including make and model.
    - (ii) A schedule for the hiring and training of staff.
  - (d) GPS/AVL, system/equipment specifications including make and model of equipment.
- E4.1.1 This information will be considered in determining the Qualifications of the Bidder for the evaluation purposes.
- E4.2 Upon request of the Contract Administrator and within thirty (30) calendar days of the award of Contract, the following information shall be submitted
  - (a) A work plan that shall include, but not be limited to:
    - (i) A staff training plan including procedures for orientation of Collection personnel including route familiarization, public relations, safety and customer service training;
    - (ii) Emergency and Contingency Response plan to deal with labour disruptions and emergency situations;
    - (iii) Spill containment and response plan;
    - (iv) Customer service procedures and training documents;
    - (v) Equipment maintenance plans;
    - (vi) Material handling procedures (e.g. procedures for handling materials during cold or hot weather, procedures for handling materials on windy days);
    - (vii) Procedures for addressing service delays; and
    - (viii) Claims procedure.
  - (b) The Contractor shall provide the Contract Administrator with a final list of all equipment, including the vehicle tare weights, license plates and vehicle identification numbers, to be

used in the execution of this Contract, at least fifteen (15) calendar days prior to Commencement of the Work.

**E4.3 Other Waste:**

- (a) Wastes from any establishment other than those serviced under this Contract will not be allowed to be collected along with the wastes generated from this Contract. In the event that the Contractor does collect other non-Contract wastes, the applicable tipping fee will be charged for all wastes delivered to the disposal facility by that particular truck on that day; and as well, a \$1000 surcharge will be assessed to the Contractor.

**E4.4 Peak Periods:**

- (a) There is considerable variation in the amount of solid waste to be picked up in a given area periodically, particularly in the spring, fall and Christmas seasons. The Contractor shall meet this variation in demand by using extra equipment, manpower or overtime, if required, in order to ensure that the solid waste is collected as per the collection schedule.

**E5. EQUIPMENT**

**E5.1** The Contractor shall provide the Contract Administrator with a specific list of all equipment, including identification numbers, to be used in the execution of this Contract. The list shall be provided at least thirty (30) Calendar Days prior to starting the Contract.

- (a) Whenever an addition or deletion is subsequently proposed, the Contractor shall notify the Contract Administrator, in writing, at least two (2) calendar weeks prior to this change actually taking place.
- (b) Under emergency conditions caused by equipment breakdown, snowstorms, or similar conditions, same day notice will be considered adequate.

**E5.2** To ensure primary equipment suitability for effective Contract performance throughout the duration of the Works, Front End Collection vehicles used in the performance of the Work shall be no older than the model year 2016.

**E5.3** The Contractor shall ensure that all collection equipment and vehicles comply with all Federal, Provincial and Municipal government acts and regulations.

**E5.4** In addition to the equipment safety requirements required by legislation, all collection vehicles operating in the Designated Facility (landfill site) shall be equipped with the following safety equipment:

- (a) Back-up alarms;
- (b) Transmission safety switch (kill switch);
- (c) Power take off (PTO) indicator lights;
- (d) "Maxi" brakes;
- (e) Operation lights;
- (f) Rotating amber caution light(s) mounted on the top or rear of the vehicle, which shall be clearly visible at all times.

**E5.5** The Contractor shall maintain all vehicles and equipment in mechanically sound condition to fully comply with all applicable laws. The Contractor will be responsible for the maintenance of all vehicles needed for the Work, and shall produce valid Certificates of Inspection as required from time to time by authorized agents of the Province of Manitoba or other authorized agencies upon request of the Contract Administrator. All expenses incurred from these inspections will be the sole responsibility of the Contractor. The Contractor shall pay for all fines for violations.

- E5.6 The Collection vehicles shall be properly constructed, maintained, and sufficiently enclosed to prevent or eliminate the depositing of any debris onto the streets during the performance of the Contract.
- E5.7 The Collection vehicles must be capable of functioning in extreme ambient temperatures of -40C to +60C and in all weather conditions.
- E5.8 The Collection vehicles must be housed indoors in a heated facility from November to April each year when not in use.
- E5.9 Notwithstanding any other legislation or regulation, the Contractor shall keep the collection vehicle in a clean and presentable condition and free from any visible rust and damage. Any visible rust or damage shall be repaired within twenty (20) Calendar Days of notification by the Contract Administrator or User. All costs associated with repairs will be borne by the Contractor.
- E5.10 Collection vehicles must be equipped with a mechanical lift mechanism, and must be capable of dumping a bin and replacing a bin to its original location without damage to the bin or private/public property.
- E5.11 Each Collection vehicle shall carry sufficient hand-tools (e.g. brush, broom and shovels) to clean up any debris that may have been dropped or spilled by the Contractor.
- E5.12 The Contract Administrator may also require the Contractor to affix signs on each side and/or the rear of each Collection vehicle that proclaim messages of public interest or promote any aspect of solid waste/recycling programs being carried out by the City of Winnipeg. Said signs shall be paid for and supplied by the City. The City shall be responsible for all costs associated with affixing the signs to each Collection vehicle in a manner and position acceptable to the Contract Administrator.
- E5.13 The electronic equipment on each vehicle should include, but not be limited to cameras, GPS devices, and monitors that are capable of functioning in extreme temperatures of -40C to +60C and in all weather conditions.
- E5.14 The Contractor is responsible for determining the appropriate number and type of vehicles and equipment with operators to perform 100% of the Work requirements. The Contractor shall provide the number of vehicles to the Contract Administrator for approval. Once approved the Contractor must maintain this number of vehicles throughout the Contract as per B12.7(b).
- E5.15 The Collection fleet shall include vehicles capable of providing service to all front streets, lanes, and service roads without causing damage.
- E5.16 The Contractor's fleet must have collection vehicles that are capable of manoeuvring through all widths of Right-of-Ways in the collection area. At all times, the vehicles must remain on designated travel surfaces in all weather conditions. This includes conditions during winter when snow removal and/or snow accumulations reduce the width of the traveling surface or change the physical location of the traveling surface. Snow on roadways will be cleared in accordance to the City of Winnipeg, Snow and Ice Control Operations Manual.
- E5.17 If a Collection vehicle cannot safely manoeuvre on a street/lane without causing property damage the Contractor will be required to service the area with a smaller Collection vehicle. The Contract Administrator shall be the sole arbitrator of this change in service and his/her decision is final. All costs associated with this change in service will be borne by the Contractor.
- E5.18 Further to E5.10 in the event of damage to private or public property occurring during service, the Contractor is one hundred (100) percent responsible for repairs and associated costs to repair the damage to a condition that is acceptable to the satisfaction of the Contract Administrator. Should a successful claim subsequently be adjudicated and paid due to failure by the Contractor to reasonably respond to a claimant, the costs of the claim will be deducted from the Contractor's payments as a performance deficiency.

- E5.19 The Contractor shall have access to spare collection vehicles, should circumstances such as equipment breakdown prevent the Contractor from maintaining the collection schedule. A list of spare vehicles shall be provided to the Contract Administrator as per B12.7(a).
- (a) All spare collection vehicles are to be inspected and approved by the Contract Administrator.
  - (b) All spare vehicles shall be equipped with GPS-AVL as described in E5.22. The Contractor must obtain written permission from the Contract Administrator to use equipment that does not contain GPS/AVL
- E5.20 Letters and numbers used for identification purposes of a collection vehicle must be a minimum of twenty-five (25) centimetres in height and positioned in such a manner as to be clearly visible when viewed from both sides and rear and front of the collection vehicle(s).
- E5.21 Fuel Consumption Reporting:
- E5.21.1 The City intends to track and report on total greenhouse gas production by vehicle use by both City operations and City contracted services. The Contractor will report accurate quantities of each type of fuel consumed during the fulfillment of this Contract between January 1<sup>st</sup> and December 31<sup>st</sup> of each calendar year, to be submitted no later than March 1<sup>st</sup> of the subsequent year to the Contract Administrator. The following items shall be summarized for all required service and collection vehicles associated with this Contract in the report:
- (a) Total fuel use (in litres) for each fuel type consumed;
  - (b) Total vehicle usage (in hours), sorted by fuel type;
  - (c) Simple calculation of average fuel efficiency (in litres/hour) sorted by fuel type;
  - (d) Composition of each fuel type (e.g. Average percentage of biodiesel and ethanol, volume of compressed natural gas (CNG));
  - (e) Total number of vehicles, sorted by weight class and fuel type; and
  - (f) This information shall be provided in a Microsoft Excel compatible format (CSV, TXT, XLS, XXLS). The acceptable format shall be determined by the Contract Administrator.
- E5.22 Global Positioning Tracking/ Automated Vehicle Location (GPS/AVL):
- E5.22.1 Each of the Contractors collection vehicles used to perform the Services will be equipped with GPS/AVL tracking system. All such devices will be kept in good working order by the Contractor and any faulty devices will be repaired within five (5) days. The City and the Contractor will both have access to the web-based GPS/AVL tracking information related to the services. The City and the Contractor agree that the GPS/AVL tracking system will be used by the Contractor to manage the Contractor's collection vehicle fleet and its personnel. The Contractor will be responsible for complying with applicable privacy legislation.
- E5.22.2 At a minimum, the GPS/AVL tracking system and associated secure web-based application are required to:
- (a) Monitor both current position and route progress (tracking) via on-screen display of position and/or path, including city street base map;
  - (b) Display collection vehicle movement, identify and show the position of the vehicle minimum of fifteen (15) seconds intervals;
  - (c) Report and record the speed traveled by the collection vehicles;
  - (d) Indicate the direction of travel of each displayed collection vehicle; and
  - (e) Provide collection vehicle location by GPS coordinates.
- E5.22.3 GPS/AVL Maintenance Requirements
- (a) The Contractor must ensure that the GPS/AVL equipment is functioning properly. The Contractor must immediately report all equipment damage and malfunctions to the City.

- (b) The Contractor shall inform the City of any planned hardware/software activities (such as maintenance, upgrades, etc.) that may interrupt availability of the GPS/AVL application/data seven (7) days prior to the planned activity.
- (c) The City may require the Contractor to remove collection vehicles from whose GPS/AVL system is non-functional. In such cases, a collection vehicle whose GPS/AVL system is non-functional cannot resume service until all problems with the hardware or software are fixed.
- (d) Failure of GPS/AVL system to operate will result in a payment deduction of one hundred dollars (\$100.00) per collection vehicle per working day unless otherwise approved by the Contract Administrator.

**E5.23 Training Requirements:**

- (a) Demonstration and training session(s), as requested by the Contract Administrator, must be provided for City users of web-based application 30 (thirty) days prior to start of the Contract; and
- (b) As part of the training, the Contractor must provide printed and electronic format training manuals for the web-based application.

**E5.24 Data Storage Requirements:**

- (a) Web based location and event data must be stored and accessible for twelve (12) months;
- (b) After twelve (12) months, the City, may request the Contractor to send location and event data to the City for storage on their system, in an agreed upon file format; and
- (c) The Contractor must provide within forty eight (48) hours of request by the Contract Administrator a digital download copy of the data.
- (d) This information shall be provided in a Microsoft Excel compatible format (CSV, TXT, XLS, XXLS). The acceptable format shall be determined by the Contract Administrator.

**E6. INSPECTION**

- E6.1** Periodic inspections of the Contract area, including inspection of Contractor staff and collection vehicles, and contents therein contained, may be made by the Contract Administrator and/or User to verify that the service supplied by the Contractor is adequate in all respects. If any deviations from the requirements of the Contract exist, they will be noted, and the Contractor or representative will be notified, either verbally or in writing, of the corrective measures to be taken. Such periodic inspections do not relieve the Contractor in any way from making independent inspections to ensure that the Work is being performed in accordance with the contract.

**E7. COMMUNICATIONS**

- E7.1** The Contractor shall maintain an office, equipped with a phone, facsimile machine and computer with Internet access, staffed by an experienced person, open during operating hours on regular Collection days.
- E7.2** The Contractor shall have a qualified Field Supervisor on duty throughout all hours of the performance of these Works, who must be equipped with a smart phone capable of email and voice mail in order to ensure a constant ability to be contacted by the City and to enable a courteous, speedy, and efficient response to all service deficiencies that is acceptable to the Contract Administrator.
- E7.3** The Contractor shall submit to the Contract Administrator a prioritized listing of the Contractor's staff who can be contacted after the office hours noted above if required. The Contractor shall ensure that this listing is current by providing the Contract Administrator with an updated listing whenever changes in staff contacts occur.

- E7.4 Should the City be unable to contact the Contractor to respond to service deficiency concerns, the City will immediately address the deficiency in service, and the associated costs shall be charged to the Contractor. The City may reduce any payment to the Contractor by the amount associated with the remedy of the deficiency.

## **E8. STAFFING REQUIREMENTS**

- E8.1 Further to D5:
- E8.1.1 The Contractor shall provide sufficient coverage of the positions listed should regular staff require replacement during vacations, illness, etc., and shall immediately notify the Contract Administrator;
- E8.1.2 The Contract Administrator and/or User may call meetings related to the performance of this Contract. The Contract Administrator will designate a time and place for the meetings. The Contractor shall send at least one representative to each meeting. The Contractor's representative shall have authority to resolve issues on behalf of the Contractor;
- E8.1.3 The Contractor shall ensure, throughout the term of the contract, all employees, while on duty, wear neat, good condition, clean work uniforms. The uniforms shall be labelled in such a manner as to identify the employee as the Contractor's employee i.e. Contractor's name and logo;
- E8.1.4 The Contractor shall provide to the Contract Administrator, to his/her satisfaction, the address, telephone numbers including, but not limited to, mobile telephone numbers, and email addresses of the Contractor's representatives who may be contacted and available within reasonable notice 24 hours a day, 7 days a week, on matters relating to the Contract and who shall have primary responsibility for the Contract;
- E8.1.5 The Field Supervisor(s) are to ensure a courteous, prompt and efficient service for the Work and customer service issues. The Field Supervisor(s) shall be responsible for direct supervision of the Work including, but not limited to, supervising the Contractor's collection staff, overseeing the collection operations, ensuring that the Contract requirements are being met, investigating and handling customer service issues;
- E8.1.6 The Field Supervisor(s) shall be exclusively available for the Contract requirements during regular collection hours;
- E8.1.7 Further to C5.5 Contract Administrator may give instructions or orders to the Contractor's Contract Manager and such instructions or orders shall be deemed to have been given to the Contractor.

## **E9. EMPLOYEE TRAINING REQUIREMENTS**

- E9.1 The Contractor shall provide proper, adequate, and continuous job training for the Contractor's staff to ensure the Work is completed in a safe and proper manner. The Contractor shall ensure that staff involved in the Collection and handling of all materials are trained with respect to the following, but not limited to:
- (a) scope of the intended Work;
  - (b) applicable Standard Operating Procedures for the Work;
  - (c) acceptable or unacceptable materials collected under this Contract;
  - (d) customer service training for interaction with the general public and City;
  - (e) the City's current Solid Waste By-Law;
  - (f) Service Standards as described in E12
  - (g) the City's current safety policies and procedures at Brady Road Resource Management Facility.
- E9.2 All proper, adequate and continuous job training for the Contractor's staff training program will be at the Contractor's expense.

E9.3 The Contractor must ensure that all equipment operators have the appropriate license(s) required by all Applicable Law and training to operate the vehicles and equipment they will be operating. The Contractor shall provide a copy of the licence(s) and/or driver's abstracts upon request by the Contract Administrator.

E9.4 The Contractor shall not utilize an employee that has not received the mandatory Employee Training Requirements set out in E9.1.

## **E10. HEALTH AND SAFETY**

E10.1 The Contractor shall provide mandatory training for employees and Subcontractors (if applicable) involved with the Contract. The training shall include, but is not limited to, health and safety training, training on how to operate equipment and vehicles, and emergency response measures.

E10.2 Health and Safety training shall include but not be limited to:

- (a) site specific potential hazards;
- (b) use of personal protective equipment (PPE);
- (c) work practices by which the employee can minimize the risks from potential hazards;
- (d) discussion and recognition of symptoms associated with exposure to hazards, i.e. adverse weather conditions, heat, cold, personal hygiene; and
- (e) Health and Safety training, WHMIS training, workplace safety, first aid training, traffic control training, and other relevant training.

E10.3 The Contractor shall not utilize an employee that has not received the mandatory health and safety training set out in E10.1 and E10.2.

E10.4 Upon request from the Contract Administrator, the Contractor will provide written confirmation and documentation that all employees directly involved with the Contract have undergone a complete safety training program before undertaking any Work within the Contract. This written confirmation will be updated as new employees are engaged.

E10.5 A copy of the safety training policies and procedures will be provided to the Contract Administrator at least at least sixty (60) Calendar Days after receiving notice of award, and revisions forwarded to the Contract Administrator through the term of the Contract when the Contractor undertakes such revisions. The Contractor's safety training policies and procedures are subject to the City's review.

E10.6 All Subcontractors shall receive the mandatory training prior to commencing Work during the operations period.

E10.7 The Contractor is responsible for the supply all safety equipment and safety supply materials required for the Work. This includes, but is not limited to:

- (a) hard hats, CSA safety footwear, coveralls, eye protection, hearing protection,, safety vests, puncture proof gloves, and any other personal protective equipment (PPE) that may be required;
- (b) fire extinguishers (as required by the fire standards);
- (c) any other safety equipment required by Applicable Law;
- (d) any other safety equipment required to comply with policies and procedures for the Landfill; and
- (e) any other safety equipment required by the City.

E10.8 In addition to all legally-required safety equipment, the Contractor shall equip all Collection vehicles with the following:

- (a) approved back-up beeper horns;

- (b) rotating amber caution light(s) mounted on the top or rear of the vehicle, which shall be clearly visible at all times;
- (c) spill kits including hand tools (e.g. broom, shovel, etc.) and absorbent materials to facilitate the sweeping of any material which may be spilled; and
- (d) emergency kit for vehicle breakdowns (e.g. traffic cones).

E10.9 The Contractor shall continually maintain and update the safety devices for vehicles and equipment to meet the required safety standards throughout the duration of the Contract.

## **E11. DISMISSAL OF EMPLOYEES**

E11.1 In addition to C5.6 of the General Conditions, the Contract Administrator may request the suspension, discharge, or other disciplinary action of any employee directly involved in the collection process for one or more of the following offences during working hours, and the Contractor shall comply with such request as promptly as possible:

- (a) found in possession of or under the influence of alcohol and/or mind-altering drugs;
- (b) unsafe practices or criminal actions;
- (c) the use of foul, profane, vulgar or obscene language or gestures, or other publicly offensive behaviour;
- (d) solicitation of gratuities or tips from the public for services performed under this Contract;
- (e) the refusal to collect and/or handle collectibles placed out for pick-up in accordance with this Contract;
- (f) the wanton or malicious damage or destruction of containers and/or receptacles;
- (g) the wanton or malicious scattering or spilling of material;
- (h) the scavenging of material placed out for Collection;
- (i) the unauthorized Collection/combining of materials; and
- (j) speeding within the Brady Road Resource Management Facility.

## **E12. SERVICE STANDARDS**

E12.1 In order to determine the level of service being provided, the City operates a 311 Call Centre and tracks calls from its customers. Each call to the 311 Call Centre will generate a service request. Also, service requests can be generated by City employees.

E12.2 The 311 Call Centre and other authorized City departments generate service requests and shall transmit requests to the Contractor. Service requests are categorized into four main categories:

- (a) Missed Collection;
  - (i) a notification from a customer regarding missed collection that is received before 6:00 p.m. on the same day as the scheduled collection is not a service deficiency.
- (b) Request for Service (include but not limited to):
  - (i) request for New Service;
  - (ii) cancellation of Service; and
  - (iii) "As Required" Collection.
- (c) Damage or Theft by Collection Crews (include but not limited to):
  - (i) damaged collection container; and
  - (ii) damage to public or private property.
- (d) Operator Standards (include but not limited to):
  - (i) misplaced collection container;
  - (ii) spillage;

- (iii) profanity;
- (iv) excessive noise;
- (v) dangerous driving;
- (vi) in contravention of a location's No-Smoking Policy; and
- (vii) providing service outside of the regular collection hours without prior consent from the Contract Administrator.

- E12.2.1 The description title of these categories may change prior to the start and during this Contract; however, their substance will not change.
- E12.2.2 Further to E12.2, where the Service Request was generated under circumstances beyond the control of the Contractor, the Contract Administrator, at his/her sole discretion, has the right to cancel Service Requests. This discretion will only be applied in a limited number of cases.
- E12.2.3 Further to E12.2(b) a call to 311 regarding a missed Collection that is received prior to 6 p.m. on the same day as the scheduled Collection, is not a service deficiency if serviced is provided on the same day. In the event that service is not provided, the call shall be considered a Missed Collection and E12.4 shall apply.
- E12.3 The Contract Administrator shall provide to the Contractor a copy of every service request indicated above. The City will supply and install a computer terminal and associated software in the Contractor's office to directly receive service requests electronically. The Contractor will be required to respond to the work order and complete the service request electronically. The City will provide software application training during this process. Installation for this equipment will be paid by the City. The Contractor will be responsible to supply an internet connection, paper and printer toner for this equipment at their cost.
- E12.4 If the service request is a service deficiency, such as Operator Standards deficiency, Missed Collection deficiency, or Damage or Theft by Collection Crews to private or public property deficiency, the Contractor shall remedy the service request within 24 hours of receipt. Failure to report back to the City within 48 hours of receipt of the service request, with the time and date when the remedy occurred will result in a payment deduction of one hundred dollars (\$100.00) for each occurrence where the service request is not responded to. These considerations are not intended to be applied to major service delays occasioned by conditions described in E14 except where the Contractor does not advise, nor offer, the Contract Administrator a satisfactory plan of action to correct the referenced major service deficiency.
- E12.5 If there are more than four (4) service deficiencies, such as Operator Standards deficiency, Missed Collection deficiency, missed collections, or Damage or Theft by Collection Crews to private or public property deficiency on any scheduled collection day, payment deduction of seventy five dollars (\$75.00) per service request in excess of four (4) service requests.
- E12.6 Failure of GPS/AVL system to operate will result in a penalty of one hundred dollars (\$100.00) per vehicle per working day unless otherwise approved by the Contract Administrator.
- E12.7 In order to allow for the Contractor to become familiar with the work E12.5 will not apply for the first month of the contract.
- E12.8 Any and all claims for damage assigned to the Contractor by the City will be classified as property damage, and must be handled within the same timeframe as in E12.4. If, after one collection cycle, the property damage is still unresolved, the City will settle the claim and deduct any material and payment deductions from the monthly progress estimate.

### **E13. WORK PERFORMANCE AND EQUIPMENT BREAKDOWN**

- E13.1 The Contractor is responsible for performing 100% of the Work requirements on each scheduled collection day.

- E13.2 Further to C5.7, if, in the opinion of the Contract Administrator, the Contractor is not performing the Work reasonably in accordance with the approved schedule, the Contract Administrator may demand, in writing, more collection vehicles and/or staff to be provided by the Contractor immediately, and upon the Contractor's failure to provide them, the City may arrange to hire additional trucks and staff and charge the cost of such hire to the Contractor, in addition to any applicable payments deductions.
- E13.3 The Contractor shall immediately notify the Contract Administrator and/or User whenever peak period excesses or equipment breakdowns occur that are likely to generate delays in the regularly provided collection service. The Contract Administrator shall be advised as to the Contractor's plans to correct this deficiency in service.
- E13.4 The Contractor shall maintain the specified collection schedules for all establishments at all times, including locations experiencing a labour dispute. Certain properties included in these Works, such as nursing homes for example, may be subject to picketing or other obstruction to container access; and the Contractor shall employ legal techniques such as using non-unionized operators or supervisors to take collection equipment across picket lines, or using early/late schedule variations to avoid same, to ensure adherence to required schedule frequency.

#### **E14. IMPASSABLE ROADWAYS**

- E14.1 The solid waste shall be collected under all weather conditions, with the exception of impassable roadways due to an Act of God (such as a flood or an exceptionally heavy snowfall), which temporarily prevents the performance of the Work of the Contract. However, even in such cases, areas or parts or areas which are able to be collected, shall be serviced. Service may be temporarily postponed only with the permission of the Contract Administrator. Should a temporary postponement of service be allowed, service must be resumed at the earliest possible time following the postponement, or as stipulated by the Contract Administrator.
- E14.2 Should weather conditions exist such that the Contract Administrator deems it necessary to omit certain pick-ups altogether, the Contract Administrator shall notify the Contractor when collection is to resume and the additional garbage generated shall be picked up on subsequent collections.
- E14.3 The Contractor shall notify the Contract Administrator of any roadway that the Contractor considers impassable due to mud or construction. In the event that the back-lane or street is declared by the Contract Administrator to be impassable, the Contractor and Contract Administrator shall mutually agree to a method of removing the solid waste, and the Contractor shall remove the solid waste within the next two (2) Working Days. Payment for the additional Work involved in the pick-up of the solid waste removed in this manner will be considered Extra Work under this Contract. The Extra Work entitlement shall be only that Work which is required by the Contractor to remove the solid waste from the impassable roadway to a point where it can be picked up by the Contractor at the nearest passable roadway.
- E14.4 No extra Work shall be carried out until the Contractor and the Contract Administrator decide upon the valuation of the extra Work, in writing, in accordance with C7.4 and C7.8 of the General Conditions.
- E14.5 The following are considered temporary obstructions and not impassable roadways. Some examples are, but not limited to; emergency, service or other vehicles parked in traffic lanes, construction sites indicated with local access only signs or similar, and/or Collection containers.
- E14.6 In the event that the Contractor encounters a temporary obstruction as noted in E14.5, the Contractor shall notify the Contract Administrator, and must return and collect the material at the beginning of the next collection day. If the roadway remains obstructed, the Contractor shall immediately notify the Contract Administrator.

## **E15. MATERIAL AUDITS**

- E15.1 When required and as directed by the Contract Administrator, the Contractor shall assist the City with performing solid waste audits, on a bi-annual basis. Assistance shall be the separate collection of materials from designated multi-family locations and delivery of materials to a location for auditing purposes by the City or designate. Payment for said works shall be incidental to the Contract.
- E15.2 When required and as directed by the Contract Administrator, the Contractor may be required to deliver specific loads of solid wastes to an alternate site, for the purposes of performing material audits. There shall be no extra payment for said work.
- E15.3 When required and as directed by the Contract Administrator, the Contractor shall assist the City with performing pilot studies. Assistance shall be the collection of materials at designated Premises during the period of the study are left for separate collection by the City or designate. Payment for said works shall be negotiated in advance of any pilot studies.

## **E16. DEALING WITH IMPROPERLY STORED OR PLACED SOLID WASTE CONTAINERS**

- E16.1 Should the Contractor find that the solid waste is not placed in accordance with the Solid Waste By-law and its applicable amendments, the Contractor shall attempt to collect the solid waste and then notify the Contract Administrator accordingly, within twenty-four (24) hours, of the By-law infraction. Alternatively, if the infraction is such as to make the collection unreasonable, the Contractor may leave the collection and notify the Contract Administrator as soon as possible within that Working Day. The Contract Administrator may request the Contractor or supervisor to meet, at a time stipulated by the Contract Administrator, at the location of the collection where the By-law infraction exists to explain the alleged infraction. If there is an infraction of the By-law, then the Contract Administrator will take immediate steps to have the By-law provisions enforced, and will subsequently notify the Contractor to resume garbage collection. Where a bona fide By-law violation was confirmed as sufficient to render the collection unreasonable, the missed collection provisions of E12 will not be applied. The determination of the Contract Administrator in this regard will be final and binding. Other examples of infractions include automobiles parked near the bin(s) so as to prevent safe access, construction activities in the immediate area of the bin(s), etc.
- E16.2 Where excess material, ozone depleting substances (fridges, freezer, etc.) or bulky wastes are placed outside of the container so as to render dumping impractical or dangerous, the Contractor can defer such collection. If there is an infraction of the By-law, then the Contract Administrator will take immediate steps to have the By-law provisions enforced, and will subsequently notify the Contractor to resume garbage collection provided however, that the Contract Administrator must be immediately notified of such collection deferral decision by the Contractor. Failure to notify may result in the deferral being judged as a missed collection under E12.
- E16.3 Only during the immediate post-Christmas collection and post New Year's collection where excess material is piled outside of the containers so as to render container dumping difficult, the Contractor shall not leave the container uncollected but shall carry out whatever supplementary measures are necessary for collection (including hand removal of interfering disposal material). The Contract Administrator shall be the sole authority over the degree of reasonableness applicable to each potential missed collection determination under E12.
- E16.4 When approved by the Contract Administrator, the Contractor shall allow for reloading of the collection container at the time of collection. Once container is reloaded the Contractor shall collect material. The cost of collecting reloads shall be covered under size of container as specified in Form B unit prices.
- E16.5 Recording of pickup exceptions:
- E16.5.1 In the event the Contractor is not able to pick up the solid waste at a Collection Point due to E16 the Contractor will record the following information:

- (a) location - address ;
- (b) date and time - recorded in the format YYYYMMDD HHMMSS;
- (c) exception cause (Blocked, Missing bin);
- (d) GPS coordinates - expressed in Lat/Long using degrees, minutes, seconds;
- (e) Collection vehicle identification number;
- (f) photo of incident:
  - (i) to document the evidence which resulted in non-collection;
  - (ii) must be clearly visible in all weather conditions; and
  - (iii) photo resolution must be a least three (3) megapixels.

E16.5.2 This information requested in E16.5 is to be sent to the City at the end of each Working Day via e-mail to the Contract Administrator or designate.

- (a) This information shall be provided in a Microsoft Excel compatible format (CSV, TXT, XLS, XXLS). The acceptable format shall be determined by the Contract Administrator.

## **E17. DAMAGE OR MISUSE OF SOLID WASTE CONTAINERS**

E17.1 The Contractor shall employ reasonable care so as not to damage or misuse any solid waste containers, and the Contractor shall replace emptied bins in the same location as prior to pick-up. Failure to respond promptly to violations of this requirement will be considered a performance deficiency and may result in correction by the City with costs recoverable from the Contractor. The City may reduce any payment to the Contractor by the amount associated with the remedy of the deficiency.

E17.2 Should container or property damage result from unreasonable use of any container by the Contractor, as determined at the sole discretion of the Contract Administrator, the alleged damage claim will be forwarded to the Contractor for resolution. Should a successful claim subsequently be adjudicated and paid due to failure by the Contractor to reasonably respond to a claimant, the costs of the claim will be deducted from the Contractor's payments as a deficiency.

## **E18. GARBAGE SPILLAGE**

E18.1 The Contractor shall be responsible for satisfactorily cleaning up any spillage resulting from the unreasonable use of any garbage container by the Contractor, as determined at the sole discretion of the Contract Administrator.

E18.2 The Contractor shall be responsible for any spillage resulting from leakage of any fluids that may be discharged from the Contractor's equipment or containers at any time.

E18.3 The Contractor shall clean up solid and liquid spillage promptly and completely to the satisfaction of the Contract Administrator. Where spillage includes waste oils, paints and other liquids, the Contractor shall use appropriate measures approved by the Contract Administrator.

E18.4 In the case of a fire occurring in a collection vehicle and the load being dumped at the location where the fire occurred, the Contractor shall be responsible for the immediately clean-up of the site to the satisfaction of the Contract Administrator.

E18.5 No additional payments will be made for the clean-up of any spillage indicated in E18. The failure to clean-up spillage may result in the City undertaking and authorizing the clean-up and all associated costs incurred will be the responsibility of the Contractor.

## **E19. ENVIRONMENTAL CLEAN-UP**

E19.1 The Contractor is responsible for the immediate cleanup and reporting of any spillage or leakage of material from a container, including but not limited to, any spillage or leakage which occurs during the transporting of materials as per:

- (a) Part 9 of the Sewer By-law 92/2010 -  
<http://clkapps.winnipeg.ca/dmis/docext/viewdoc.asp?documenttypeid=1&docid=5243>
- (b) The Environmental Accident Reporting Regulation 439/87 -  
[https://www.gov.mb.ca/conservation/envprograms/pdf/env\\_accident\\_reporting\\_reg.pdf](https://www.gov.mb.ca/conservation/envprograms/pdf/env_accident_reporting_reg.pdf)

E19.2 The material must be cleaned up, picked up, moved or otherwise remediated within three (3) hours of becoming aware of the spillage or a request from the Contract Administrator, whichever is sooner.

E19.3 In the opinion of the Contract Administrator the Contractor does not comply with E19.1 and E19.2 in a timely manner the Contractor may be considered in default of the Contract and the City may clean up, pick up, move or otherwise remediate the material. All costs in this regard will be charged to the Contractor and deducted from his payment. Serious and/or repeat defaults of this nature may be grounds for termination of the Contract

## **E20. DEAD ANIMALS**

E20.1 The Contractor shall not be responsible for the collection of dead animals.

## **E21. BULKY WASTE**

E21.1 The Contractor will not be required to carry out special collections for bulky waste items in these Works. However, there is no requirement herein that bulky waste materials contained within any container must be removed prior to collection, unless the bulk-waste materials present an unsafe or unreasonable impediment to collection.

E21.2 The provisions of E16 regarding the improper placement of solid wastes shall apply to bulky wastes that impede a safe and reasonable collection of any containers.

## **E22. DISCRETIONARY AUTHORITY UNDER THE SOLID WASTE BY-LAW**

E22.1 Wherever the Solid Waste By-law (By-law 110/2012) and amendments thereto, provides for discretionary authority by the designated authority, or where this discretionary authority is implied in the By-law, this discretionary authority, as it pertains to matters under this Contract, shall lie with the Contract Administrator.

## **E23. SOLID WASTE DISPOSAL SITE**

E23.1 The Designated Facility for the disposal of solid wastes under this Contract shall be the City of Winnipeg Brady Road Resource Management Facility unless otherwise directed by the Contract Administrator. The located approximately one mile south of the Perimeter Highway (P.T.H. #100) at 1901 Brady Road. The hours of operation of this site are available on the City's website at [www.winnipeg.ca](http://www.winnipeg.ca)

E23.2 No solid wastes collected under this Contract shall be deposited in any location other than those approved by the Contract Administrator.

E23.3 The Brady Road Resource Management Facility is closed each year on Remembrance Day (November 11), Christmas Day (December 25) and New Year's Day (January 1).

**E24. DISPOSAL CHARGE**

E24.1 The Contractor shall not be charged for disposal at the Designated Facility of solid waste collected under the terms of this Contract.

**E25. BIN DETAILS AND LOCATIONS**

E25.1 All garbage bins noted are sized in metric units.
