PART B – BIDDING PROCEDURES

Revise: B2.1 to read: The Submission Deadline is 4:00 p.m. Winnipeg time, June 10, 2015

PART D – SUPPLEMENTAL CONDITIONS

Clarification of D4.5: A bid review and bidders meeting are required under the services requested. No construction services will be required for the landfill closures. This work will be accomplished by Operations and our current LFG contractor.

Add: D4.10(j) A Class 3 estimate is required.

Clarification of D4.13: The City will provide its own calculations and raw data that supports population projections, waste generation rates, waste diversion rates, compaction rates, compost production rates for the site life estimate. However the consultant should evaluate this information and use its judgement to produce potentially new rates for this assignment.
