

## Headquarters Parking Signs

Parking stall signs to be:

Dibond to be 3mm, engineered grade with reflective white finish, black letters. Some will require posts for installation, which must be suitable for parking lot use, and where allowable can be one post with signage on each side (designated by \* below, but subject to final review and matching to floor plan). Signs to be wall mounted where design allows, otherwise mounting system to be supplied. Signs to include stall number on top line, parking designation on next line, or over two lines if needed, as follows:
