Q: Section 5.1.3. Proponent Financial Capacity - is this information expected to be included as part of the submission that is due this Friday or is it expected after the successful Proponent is selected?

A: The financial information is to be included in the submission in order to consider only those submissions that have the financial ability to fulfill the entire finished project. The Evaluation of submissions (6.1.4) is based on information supplied in 5.0 which includes financial capacity. The Proponent would need to provide it with their submission in order to be fully evaluated.
