

**APPENDIX A – DISCLOSED PERSONS AND MATERIALS**

**Table 1: Disclosed Persons**

<b>Company</b>	<b>Equipment Description/Professional Services</b>	<b>Information Provided</b>
KSB Pumps Inc.	KSB submersible pumps	Budgetary pricing, product information
Waste 'n WaterTech Ltd.	Hydro International grit removal system	Budgetary pricing, product information
	JDV conveyors	Budgetary pricing, product information
Veolia Water Technologies Canada Inc.	JMI escalator screens	Budgetary pricing, product information
	Grit removal system	Budgetary pricing, product information
DXP Enterprises, Inc.	Pentair centrifugal and vertical turbine solids handling pumps	Budgetary pricing, product information
Xylem Water Solutions & Water Technology	Xylem submersible and line shaft pumps	Budgetary pricing, product information
Indar	Indar submersible pumps	Product information
Nothart Engineering Sales Ltd.	Sulzer pumps	Budgetary pricing, product information
Power & Mine Co. Ltd.	Flosolve pumps	Budgetary pricing, product information
	Gates	Product information
BowRio Water Technologies Inc.	Huber perforated plate screens	Budgetary pricing, product information
Huber Technology, Inc	Fine screens	Technical discussions
Degremont	Fine screens	Technical discussions
DXP Enterprises, Inc.	Weir pumps	Product information
	Recessed impeller pumps	Budgetary pricing, product information
Kusters Zima Corporation	Perforated plate screens	Technical discussions
Envirocan Wastewater Treatment Equipment Co. Ltd.	Odour control	Technical discussions
eda Environmental Ltd.	Biorem odour control	Budgetary pricing, product information
	Ultraflote process tank covers	Budgetary pricing, product information
	Parkson rotary drum thickeners	Budgetary pricing, product information
Mequipco Ltd.	Nefco clarifier mechanisms and launder covers	Budgetary pricing, product information
	JWC rotary drum thickeners	Budgetary pricing, product information
Toromont CAT	Generators	Budgetary pricing, product information
Cummins Inc.	Generators	Technical discussions
Westeel	Diesel tanks	Budgetary pricing, product information
Tidy Tanks Ltd.	Diesel tanks	Budgetary pricing, product information
Keller Equipment Supply Ltd.	Diesel conditioning system	Budgetary pricing, product information
AXI International	Diesel conditioning system	Budgetary pricing, product information
Primax Technology Inc.	Battery banks	Budgetary pricing, product information
Friesen Drillers Ltd.	Hydrogeological testing	Report
Pollock & Wright	Surveyed site	Survey information
SNC Lavalin Inc.	Evaluation of tie-ins	Technical memoranda
T2 Utility Engineers Inc.	Located utilities on site	Location information

Company	Equipment Description/Professional Services	Information Provided
Testlabs International Ltd.	Concrete corrosion inspections on primary clarifier distribution chamber	Reports
Paddock Drillers Ltd.	Test hole drilling	Geotechnical information
ABB	Electrical equipment sizing and functionality	Technical discussions
Schneider Electric	Electrical equipment sizing and functionality	Technical discussions
	DCS migration and related services	Budgetary pricing
Trans-West Company	PLC and HMI hardware and software	Technical discussions
ADS Canada	Storm Tech stormwater system	Budgetary pricing, product information
BOMA Environmental & Safety Inc.	Odour sampling	Report
Hydro International	Grit characterization	Ongoing field work
Thundra Process Solutions Ltd.	Toshiba VFD's and switchgears	Technical discussions
Midwest Engineering	Tempeff energy recovery ventilators	Budgetary pricing, product information
Central Hydronics	Cleaver Brooks boilers	Budgetary pricing, product information

**Table 2: Disclosed Material**

Company	Material
BOMA Environmental & Safety Inc.	Assessment of Odour Emissions from the City of Winnipeg North End Water Pollution Control Centre (NEWPCC) Plant
Friesen Drillers Ltd.	Hydrogeological Assessment/Aquifer Characterization
SNC Lavalin Inc.	Technical Memorandum No. 1, Tie-In 1a Raw Water Pumping Station
SNC Lavalin Inc.	Technical Memorandum No. 5, Tie-In 7c Control System
Testlabs International Ltd.	Corrosion Engineering Inspection of the Concrete Walls of the Outer Ring, Part of the 80 Year old Primary Clarifier Distribution Chamber at the North End Pollution Control Center
Testlabs International Ltd.	Phase 2: Corrosion Engineering Inspection of the Concrete Walls of the <i>Inner</i> Ring, Part of the 80 Year old Primary Clarifier Distribution Chamber at the North End Pollution Control Center
T2 Utility Engineers Inc.	NEWPCC Composite Base Plan Report
Pollock & Wright	NEWPCC Topographical Survey drawing & Report
