

FORM N: DETAILED SPECIFICATIONS 21003

6500 LBS. GVWR, 4WD, EXTENDED CAB PICK-UP TRUCK

1.0 DESCRIPTION OF EQUIPMENT

1.1 Shall be a 6500 lbs. GVWR, 4wd, Extended Cab Pick-up Truck. The Pick-up Truck shall be furnished complete and ready for use with all features and equipment as described herein.

1.2 **STATE YEAR, MAKE AND MODEL BEING BID:** _____

2. OTHER SPECIFICATIONS AND STANDARDS

2.1 All applicable SAE standards form an integral part of these specifications and shall have precedence in any conflict concerning minimum acceptable standards.

2.2 Where applicable the pick-up truck shall comply with the following regulations:

Transport Canada, National Safety Mark, NSM:

3. SERVICE FACILITY

3.1 For the purpose of warranty repairs, the manufacturer shall have an authorized service facility located within 10 km of the boundaries of the City of Winnipeg. The facility, or a portion thereof, shall be dedicated to the service and maintenance of the type equipment being offered. Further to B12, Bidders shall provide a description of the service facility including, but not limited to, number of qualified service staff, years of service experience, and general service capabilities within three (3) Business Days upon request of the Contract Administrator.

4. INSTRUCTIONS FOR COMPLETION OF SPECIFICATIONS

4.1 All items in these specifications must be answered indicating compliance or non-compliance. **Bidders shall, state "yes" for compliance or state deviation**, or give a reply where requested to do so. Deviations and/or equivalents shall be clearly stated and fully detailed. Deviations and/or equivalents will be considered subject to evaluation. In every instance where a brand name or design specification is used, the City will also consider deviations and/or equivalents.

4.2 Each Bidder is required to fill in every blank. **Failure to do so may be used as a basis for rejection of bid.**
