

Drawings and specifications as instruments of service, are the property of the Landscape Architect, the copyright in the same being reserved to him / her. No reproductions may be made without the permission of the Landscape Architect and when made, must bear his / her name. All prints to be returned to the Landscape Architect on request.

This drawing shall not be used for building purposes until countersigned by the Landscape Architect.

The contractor shall check all dimensions and other data on site and report any discrepancies to the Landscape Architect.

Figured dimensions to be taken in preference to scaled dimensions.

If in doubt please ask.
