

PROJECT EXPERIENCE - Provide information as per B25

COMPARABLE PROJECT #1

Project Description

Project Name _____

Location _____

Project Description

Project Detail

Client Name _____

Contact Information tel: _____ email: _____

Costs

Contract Value at Tender _____

Contract Value at Completion _____

Reason for any Variance

Schedule

Initial Construction Schedule _____

Final Construction Schedule _____

Date of Substantial Completion _____

Date of Total Performance _____

Reason for any Variance

Information on any
Significant Scope
Deviation

Key Personnel

	Name	Is this Person Proposed for this RFQ Project?
Site Superintendent	_____	<input type="checkbox"/> Yes <input type="checkbox"/> No
Project Manager	_____	<input type="checkbox"/> Yes <input type="checkbox"/> No
Other Role	_____	<input type="checkbox"/> Yes <input type="checkbox"/> No

Monitoring & Control: information on successful management of project change, risk, schedule, budget
[provide information on separate page if additional space is required. Limit to one (1) extra page]

Experience with Similar Projects – recreation facility redevelopment/expansion, abatement work, LEED projects, and project occupied by public/user groups during construction, and the measures taken to mitigate the effects of construction on occupants

[provide information on separate page if additional space is required. Limit to one (1) extra page]

Project Closeout Abilities

[provide information on separate page if additional space is required. Limit to one (1) extra page]

Additional Detail, Coordination or Effort

Reference(s): Provide name and contact information, and identify individual's role in the project.
