PART D – SUPPLEMENTAL CONDITIONS

- Revise D10.37.7 (c) to read: The City review comments and/or the marked-up draft **Record** Drawings will be returned to the Consultant for any corrections and updates in order to comply with the CAD-GIS Standards.
- Revise D10.37.8 to read: After all corrections or updates are completed, the Consultant shall return the marked-up draft drawings, and submit one (1) final set of size A1 and one (1) electronic copy of PDF and AutoCAD files (in .DWG file format) of the final **Record** Drawings.
- (a) Submit the final **Record Drawings** within one month of receipt of final comments from the Department.
 - (b) Once the **Record Drawings** meet the CAD-GIS Standards, the drawings will be accepted.

QUESTIONS & ANSWERS

- Question 1 In Section D19, Critical Stages, the substantial and total performance dates are not provided. Does the City have a preferred substantial and total performance date?
- Answer 1 No. However, as one of the project goals is to improve workplace safety, the Consultant should work with the instrument supplier and the City during the detailed design to prepare the construction schedule so that the construction project can be completed as quick as possible.
