PART D – SUPPLEMENTAL CONDITIONS

- Revise: 3.5 (a) (iii) to read: Bison Drive between Frontier Trail and Waverley Street is currently a greenfield corridor. The RoW has been established as a Major Arterial consistent with the Transportation Standards Manual. The RoW widens as it approaches Waverley Street to facilitate intersection improvements.
- Revise: 3.5 (e) to read: Public Works Department is currently in the process of delivering a renewal of the Pembina Highway and Abinojii Mikanah overpass. Included in this renewal is a reconfiguration of the eastbound Abinojii Mikanah to Pembina Highway offramp to align with University Crescent. This realignment will result in some University of Manitoba bound trips diverted from Bison Drive/Chancellor Matheson to University Crescent.
