QUESTIONS AND ANSWERS

Q1: Is SAFE Work Manitoba's SAFE Work Certified Standard COR™ and SECOR™ mandatory for qualifications to do the work?

Ans: This question was addressed in Addendum 2, but the link to the acceptable workplace safety and health consultants list has since been updated. COR™ and SECOR™ is preferred and accepted. Alternatively, B13.4 (b) allows for an equivalent qualification process for Bidders that do not currently possess the COR™ and SECOR™ certifications.

B13.4 (b) states a report or letter to that effect from an independent reviewer acceptable to the City. A list of acceptable reviewers and the review template are at
