

-
- Diagram illustrating the cross-section of the proposed road layout. The diagram shows a central road section with a width of 9.144m. Inside this, a narrower section has a width of 4.876m. The road is flanked by "VARIES" on both sides. The existing ground is shown as a dashed line. The proposed road structure includes an "EXISTING BARRIER CURB (TYP)" on the left, an "ASPHALT OVERLAY - AVG. THICKNESS = 55 mm" in the center, and an "EXISTING PAVEMENT STRUCTURE" on the right. The road is labeled "S PL" on the left and "N PL" on the right.
