Tel: 204-986-8200, fax: 204-986-6198, fireinspections@winnipeg.ca

HIGH QUANTITY FIREWORKS DISTRIBUTION PERMIT (25 KG - 1000KG GROSS WEIGHT)

APPLICATION FOR PERMIT

Pursuant to Part 7 of the City of Winnipeg Fire Prevention By-Law 35/2017, I hereby apply for a Fireworks Distribution Permit:

Name of Applicant: (Last name) _____ (First name) _____ (Middle Initial(s)) _____

Address (Home): _____ Postal Code: _____

Telephone / Cell Phone Number: _____ Email: _____

To store, display and sell fireworks in Class 7, Division 2, Subdivision 1, of the Explosive Regulations, CRC c.599 in accordance with this Permit at the following location.

Business Name: _____ Business Phone: _____

Business Address: _____

OWNERSHIP AND AUTHORIZATION

Select the appropriate box that pertains to the Fireworks Distribution Permit application:

The Applicant is the registered owner of the real property for which this Permit has been requested and issued.

The Applicant has provided written consent from the owner or owner's agent of the Real Property for which this Permit is requested and issued.

Subject to the Terms and Conditions listed on the reverse and as per the following:

I have completed this application accurately and truthfully. By signing this application, I agree to be bound by the commitments I have made in the application and to have them form conditions on any permit that is issued.

Further, I agree to absolve the City of Winnipeg, the Chief of the Fire Paramedic Service and any Designated Employee from any and all damages or civil litigation caused by or attributable to the storage, display or sale of fireworks by the owner, occupier or person in charge of the premises.

Applicant's Signature _____ Date _____

I hereby issue a High Quantity Fireworks Distribution Permit to the applicant identified above on the conditions to which the applicant has agreed as noted in his or her application and subject to any further conditions set out herein. This Permit is subject to a Fee as set out in the By-law. Upon receipt of payment, this Permit, unless suspended or revoked is **valid for a period of one year and must be renewed annually.**

Further Conditions:

This Permit is non-transferable and is valid for the storage, display and sale of low hazard consumer fireworks only, at the above noted business address.

No other Class of Fireworks or Pyrotechnic Special Effects are permitted to be stored or sold at the above noted business address.

The Chief of the Fire Paramedic Service or any designated employee may revoke or suspend a Small Quantity Fireworks Distribution Permit upon giving such notice and opportunity to appeal the revocation or suspension where the Chief or Designated Employee believes the applicant has contravened any of the conditions of the Permit, the provisions of the By-law, or any provisions of the Manitoba Fire Code or where conditions make the permitted activity unsafe.

Designated Officer (Please Print) _____ Signature _____ Date _____

HIGH QUANTITY FIREWORKS DISTRIBUTION PERMIT (25 KG - 1000KG GROSS WEIGHT)

TERMS AND CONDITIONS

The person to whom a Fireworks Distribution Permit has been issued shall implement and comply with the following conditions by:

- retaining the Permit at the retail outlet where the Low Hazard Fireworks are being sold and producing such Permit for examination upon request.
- allowing any Fire Paramedic Service employee to enter and inspect the premises for compliance with all applicable sections of the By-law.
- limiting the total amount of Class 7, Division 2, Subdivision 1 fireworks on site to a maximum amount of 1000 kilograms gross weight.
- ensuring no other Class of fireworks or pyrotechnic special effects are stored or sold from the Business Address as noted on the front of this Permit.
- providing for sale, only those fireworks that are included in the most recent list of authorized fireworks effects as maintained on a list by the Chief Inspector of Explosives for the Government of Canada pursuant to Section 24 of The Explosives Regulations, C.R.C. c599.
- providing a portable fire extinguisher(s), minimum size 4A adjacent to the area where the fireworks are displayed in conformance with N.F.P.A.10; (2 - 2A's = 1 - 4A).
- not allowing any employee under the age of eighteen years to store or sell any fireworks.
- not allowing any employee under the age of eighteen years to handle any fireworks unless under the supervision of a Fireworks Supervisor.
- strictly limiting the sale of any fireworks to person(s) eighteen years of age or older and prohibiting the sale of fireworks to person(s) under eighteen years of age.
- displaying fireworks in lots that do not exceed 25 kilograms (55 lbs) gross weight, in a display case, package or other suitable receptacle that is NOT ACCESSIBLE to the general public.
- not storing fireworks in close proximity to combustible materials or a location where the fireworks will be exposed to the rays of the sun or excess heat.
- ensuring any fireworks that are NOT displayed in an approved manner and ARE accessible to the general public are "mock samples" only, which contain no explosive compound and are clearly labelled as such.
- providing all manufacturers instructions on the safe use of the fireworks with each sale.
- supplying printed information in a form acceptable to the Chief advising the purchaser or recipient of the fireworks that no fireworks may be ignited, fired or set off within the City of Winnipeg without a valid Fireworks Display Permit issued by a Fire Paramedic Service employee.
