Communications

# Together

You and the 911 operator help each other to become real

# Heroes

When you call 911, the operator will ask for the address of the emergency, the phone number you're calling from, then they will ask exactly what happened. While the ambulance and fire truck are on the way, the 911 operator will tell you, step-by-step, exactly what to do next so that you may help save someone's life!

Draw a line from the emergency below to the matching instructions given by the 911 operator:

### Emergency:

Fire on the stove

Mother in labour needs help

Someone has allergic reaction

Someone is choking

Someone has a serious cut

### Instructions :

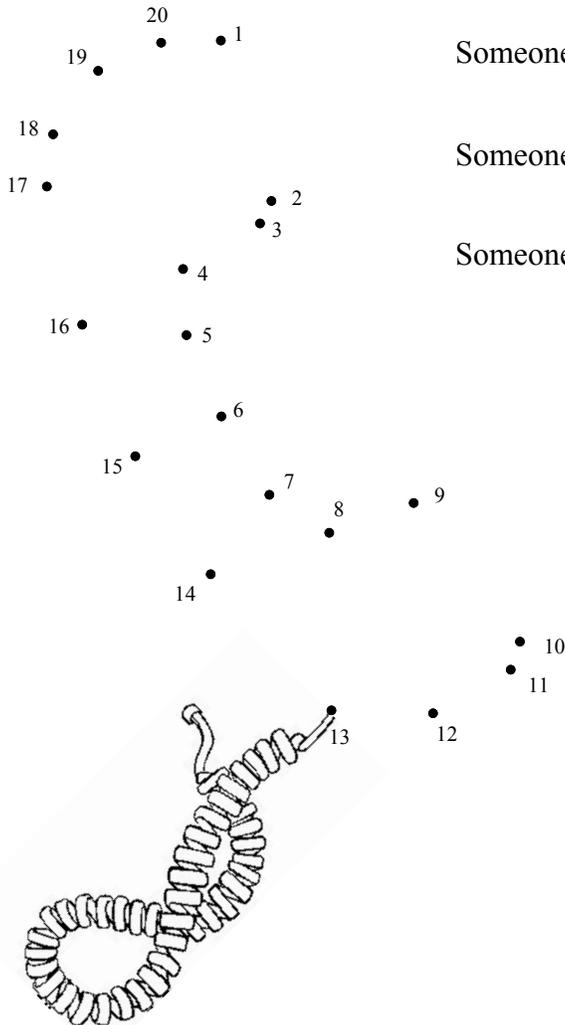

How to control a serious bleed

How to safely deliver the baby

Pull the alarm, get to safety

How to give EPI Pen injection

How to start CPR

# How 911 dispatchers help
