- a) Maintain order, discipline and efficiency;
- b) Hire, discharge, direct, classify, transfer, promote, demote and suspend or otherwise discipline any employee within the Union provided that a claim for discriminatory promotion, demotion or transfer of a claim that an employee has been discharged or disciplined without just cause, may be the subject of a grievance and dealt with as hereinafter provided; and
- c) Generally to manage the operation and undertakings of the Service and, without restricting the generality of the foregoing, to select, install and require the operation of any equipment and clothing and machinery which the Service deems necessary for the efficient and economical carrying out of the operations and undertaking of the Service.

ARTICLE 3 – UNION SECURITY

3.01 Except as otherwise hereinafter provided, all employees covered by this Collective Agreement, as defined in Article 1 – Recognition, shall, as a condition of employment, become and remain members in good standing of the Union.

In the case of present employees covered by this Agreement who are not members of the Union, such employees shall have thirty (30) days following the signing of this Agreement to become members. ARTICLE 4 – JOB SECURITY

- 4.01 a)** The delivery of ambulance and paramedical services by the Winnipeg Fire Paramedic Service, at all recognized levels of paramedic designations, shall be work exclusive to the bargaining unit. This provision shall not in any way restrict the role of the members of the Winnipeg Fire Paramedic Senior Officers' Association (WFPSOA) in supervising and training functions, including the role and function of WFPSOA supervisory staff/District Chief Paramedic Operations. [2017]
- b)** WFPSOA supervisory and training staff may perform this work, in the case of special emergency, or for the purpose of training that will not replace MGEU members (except as outlined in Article 25.14) and maintaining proficiency of skills required for adequate supervision. WFPSOA supervisory and training staff may also, if required, on occasion, provide patient care for the purposes of providing timely medical aid, however they shall not be regularly deployed for such purpose. Furthermore WFPSOA supervisory and training staff shall not be assigned or required to work on an ambulance, unless assigned in accordance with Article 25.14. [2017]
- c)** The City may provide training/certification at any level of paramedicine to WFPSOA members for the purposes of maintaining adequate supervision and training. However training/certification related to medical acts or scope recognized to be associated with, or apportioned to, any recognized Paramedic designation as prescribed by the NOCP (or any future nationally recognized standard), shall not be provided solely to WFPSOA members, to the exclusion of MGEU members. Any such training shall at minimum be provided to all ACP practitioners. [2017]
- d)** Bargaining unit members shall not be compelled to perform non-bargaining unit work except in a catastrophic emergency situation. [2017]

- 4.02** Notwithstanding Article 4.01(a) Primary Care Paramedic (PCP) scope of practice may be performed by either MGEU or United Fire Fighters of Winnipeg (UFFW) members. The scope of practice for UFFW members shall be at the PCP level. PCP Fire Fighters may practice to the full scope of the licence, as it may in good faith be amended from time to time. The Winnipeg Fire Paramedic Service shall have the right to deploy dual trained PCP Fire Fighters on fire apparatus. No Fire Fighter PCP shall be assigned or required to perform work from or operate an ambulance, except in catastrophic emergency situations, or for recognized training purposes that will not replace MGEU members. [2017]
- 4.03** The City shall additionally ensure that the provision of paramedic care at the ACP level shall be conducted exclusively by MGEU members, except as provided as per Article 4.01(b). [2017]
- 4.04** The Service shall maintain a minimum complement of sixty-five (65) full-time equivalent Advanced Care Paramedics (ACP). ACP's shall be assigned shifts in accordance with Articles 18.01(i) or 18.01(ii). The complement of ACP's shall be reviewed every two (2) years and adjusted to ensure bargaining unit members are the regular and primary providers of patient care within the ACP scope. In no case shall such adjustment reduce the complement to less than the prescribed sixty-five (65) ACP minimum. [2017]
- 4.05** The Service shall maintain a minimum complement of twenty-four (24) full-time Advanced Care Paramedics – Practitioner (ACP-P). ACP-P's shall be assigned shifts in accordance with Articles 18.01(i) or 18.01(ii). The complement of ACP-P's shall be reviewed every two (2) years by the parties and adjusted to ensure bargaining unit members are the regular and primary providers of patient care within the ACP-P scope. In no case shall such adjustment reduce the complement to less than the prescribed twenty-four (24) ACP-P minimum. [2017]
- 4.06** The parties agree that so long as the complement required by Article 4.04 and Article 4.05 are maintained, the Service is deemed to have met the obligation specific to the complement of ACP's required as per Paragraph 1, and Intermediate Care Paramedics (ICP) as per Paragraphs 3 and 4 of the Memorandum of Settlement dated May 9, 2007 "Work Share Agreement". [2017]
- 4.07** The Intermediate Care Paramedic is an internal designation to the Service. Practice at the ICP level shall only be performed by bargaining unit members. [2017]
- 4.08** As a condition of employment, employees who are employed as a Paramedic at any level shall maintain a valid licence/registration to practice paramedicine in the Province of Manitoba, subject to the following conditions:

accordance with the Letter of Understanding Re: Reasonable Accommodation.

- c) Employees who are unable to maintain their licence/registration for any reason other than those as outlined in (a) and (b) of this provision, shall be subject to the conditions as outlined in Articles 25.07(a) and (b). [2017]

- 5.04 Matters pertaining to the interpretation, application or administration of this Agreement may be made the subject of a meeting between the City and the Union. Only Grievance Committee members, the President, or his designate, and a Consultant, or his designate, of the Union shall be present at such meetings with the City.
- 5.05 The parties hereto may wish to discuss matters which are not contractual but are of mutual interest of the harmonious relationship of the City and the employees. Only the Grievance Committee and the President, or his designate, shall be present at such meetings with the City Representatives except that the Union Consultant, or his designate, may attend if either party so desires.
- 5.06 It is agreed that the Union Committee members and Shop Stewards have regular duties to perform in connection with their Union function; for the purposes of negotiations, attending to and processing grievances. Reasonable time off from regular duty shall be provided for such functions through their Supervisor without loss of pay.

ARTICLE 6 – GRIEVANCE PROCEDURE

- 6.01 An employee, covered by this Agreement, who considers that he has been unjustly dealt with, shall have the right to access the following grievance procedure. In so doing, the parties agree, and it is understood, that it is always preferable that employer-employee differences be resolved directly between the employee and his supervisor. Where that is not possible, the problem solving and grievance procedure is intended to provide a process of resolution that is positive and constructive. The problem solving and

grievance process outlined hereafter is an extension of that process and is intended to resolve differences in an expeditious manner so far as possible. In keeping with that intent, the parties agree to disclose and exchange all particulars and information, excluding internal privileged documents, respecting the matters of the issue, throughout the process and at all times as early as possible to promote settlement at the earliest possible stage.

Step 1

In regard to any matter coming within the scope of this Agreement, the employee shall, within **fifteen (15) days** of when he became aware of the alleged violation, confer directly with his immediate supervisor either alone or accompanied by his Union Representative. The immediate supervisor shall render a **written** decision within **ten (10) days**. [2017]

Step 2

Should this **written** decision of the employee's immediate supervisor be unsatisfactory to the employee, the employee's complaint shall, with fifteen (15) days after having received the reply specified in Step 1 above, be submitted in writing to the Human Resource Manager, **Chief or designate with a copy to the Manager of Labour Relations**. The written complaint shall outline the details of the matter.

Within fifteen (15) days after receipt of the written grievance to the Fire Paramedic Chief or designate shall meet with the Union Grievance Committee to discuss the grievance and try to resolve same. Within fifteen (15) days of the aforementioned meeting, the Fire Paramedic Chief, or his designate, shall present the Union with his decision in writing. [2017]

Step 3

A grievance may be submitted to voluntary grievance mediation through the Manitoba Labour Relations Act by way of a joint application under Section 129(1) prior to the expiration of time limits set out in Article 6 - Step 2. The parties will provide first consideration to accessing services as provided through Provincial Mediation/Conciliation Services for such mediation. Should the parties agree by mutual consent, an alternate forum may be utilized. Neither party is obligated in any fashion to provide agreement or consent to participate in this Step. The parties further agree that the following shall represent the terms of this grievance mediation process: [2017]

- a) The parties agree to waive, extend or suspend all time provisions contained in the grievance procedure in the Collective Agreement, with respect to the last Step referring to arbitration. However either party may, at any time, opt to withdraw from such participation and proceed to arbitration. Notice of such withdrawal will be provided in writing. [2017]
- b) Any discussions by the parties or recommendations of the Mediator shall be made without prejudice to any further proceedings, and the parties agree that the Mediator is not a compellable witness in any arbitration hearing. [2017]

- c) Any recommendations made by the Mediator shall not be binding on either party and either party shall retain the right to proceed to arbitration failing a satisfactory resolution to the grievance through mediation, within fifteen (15) calendar days after the grievance mediation process is concluded. [2017]
- d) The parties understand the mediation meetings are not hearings and therefore are not formal. [2017]
- e) The Grievor will be advised by one or both of the parties of the date and place of this grievance mediation. If the grievance mediation is scheduled to occur during the effected Grievor's scheduled shift, the Employer will provide the Grievor with leave from scheduled duty without loss of pay and benefits to participate in such mediation. Wherever possible requests for leave shall be made within five (5) working days advance notice in writing to the Fire Paramedic Chief, or designate specifying the date(s) of leave being requested. [2017]
- f) Each party shall pay one-half (½) of the fees and expenses of the Mediator if there is a cost associated. [2017]

6.02 The parties agree that, where satisfactory settlement is not reached in either **Step 2 or Step 3 as the case may be**, the grievance may be processed further under either Article 6.02 a) or under Article 6.02 b). [2017]

It is agreed that the preference of both parties will be to proceed to arbitration in accordance with Article 6.02 a). However, if either party so requests, arbitration shall be proceeded with in accordance with Article 6.02 b).

- a) The parties agree, for the purposes of expediting the final resolution of grievances, that they may rely on the following procedures or on the expedited arbitration procedures of the Labour Relations Act.
 - i) Failing satisfactory settlement of the grievance at **Step 2 or Step 3 as the case may be**, the Union shall, within thirty (30) days from the date the decision of the Fire Paramedic Chief was received by the Union, refer the grievance to arbitration. The Union shall notify the City by registered mail or by any other agreeable method. [2017]
 - ii) **Where arbitration is proceeded with on an expedited basis, in accordance with this Article, the Arbitrator will be appointed on a rotating basis from a list of mutually agreed to arbitrators, which List of Arbitrators is attached to the Collective Agreement as Appendix 1.** [2017]
 - iii) The List of Arbitrators is to be maintained and utilized as follows:
 - 1. annually, any substitutions that are required will be made by mutual agreement of the parties no later than February 28th;

2. unless the parties agree otherwise, the Arbitrator appointed to hear the grievance will be in accordance with the Order of Arbitrators in Appendix 1.
 - iv) It is the intention of the parties that in most instances legal counsel will not be used by the City or the Union at expedited arbitration. However, either the City or the Union may utilize counsel at arbitration upon providing the other party with written notice within ten (10) days of the Union informing the City of its intention to proceed to arbitration.
 - b) Failing satisfactory settlement being reached in **Step 2 or Step 3 as the case may be**, the Union shall, within thirty (30) days from the date the decision of the Fire Paramedic Chief was received, refer the grievance to arbitration in accordance with Article 8. **[2017]**
- 6.03** The Union and its representatives may originate a policy grievance on behalf of an employee or group of employees, and to seek adjustment with the City in the manner provided in the grievance procedure. Such a grievance shall commence at the Fire Paramedic Chief level – **Step 2. [2017]**
- 6.04** The City may file a written grievance alleging violation or misinterpretation of any provision of this Agreement provided that such grievance is submitted within thirty (30) days of such alleged violation or misinterpretation. Such grievances shall be filed with the Chairman of the Union's Grievance Committee who shall, within five (5) days after the receipt of the grievance, convene a meeting of the City Representatives to discuss the matter. The Grievance Committee's answer will be given, in writing, within five (5) days of the end of such meeting. If the matter is not resolved under the terms of this Paragraph it may be submitted to arbitration as specified in this Article.
- 6.05** It is agreed that the presentation and procession of any grievance herein must be followed strictly according to the grievance procedure at all stages thereof and within the applicable time limits set out. If either party fails to comply with the applicable stages and time limits set out above, the grievance shall proceed according to the required time limits to the next succeeding stage of the grievance procedure.

The time limits fixed in both the grievance and arbitration procedure may be extended in writing by consent of the parties. **[2017]**

ARTICLE 7 – DISMISSAL AND SUSPENSION

- 7.01** The City may discharge or discipline any employee where there exists sufficient and just cause. A claim by an employee that he is being discharged or suspended without sufficient and just cause shall be treated as a grievance and a written statement of such grievance signed by the employee shall be filed as follows:
- a) If a hearing was conducted prior to the employee being **disciplined**, the matter will be referred to arbitration and the parties shall follow the process set out in Article 8. Such a hearing need not take any particular form so long as the employee is provided with an opportunity to respond to any allegations which

lead to the discipline. Any such grievance must be filed within thirty (30) days of the effective date of suspension or discharge. [2017]

- b) If a hearing was not conducted prior to the employee being **disciplined**, the matter will be referred to the Fire Paramedic Chief as in **Article 6.01 - Step 2** of the grievance procedure. [2017]
- c) **In instances where an employee has been discharged in accordance with Paragraph (a) or (b) of this Article, the grievance shall be heard by the City Human Resources Director, or designate. [2017]**

7.02 Such an employee shall **upon request**, have the right to see his Union Representative prior to leaving the Service premises. [2017]

7.03 Such grievances may be settled:

- a) by confirming Management's actions, or;
- b) by reinstating the employee with full compensation for lost earnings and benefits, or;
- c) by any other arrangement which is just and equitable in the opinion of the parties, or single arbitrator, or board of arbitration.

7.04 An employee may be held out of service with pay, or reassigned within the Service, for the purposes of conducting an investigation. If disciplinary action is contemplated, he will be so informed and he can meet with the Fire Paramedic Chief in the presence of a Union official.

7.05 An employee who is suspended or discharged shall be given together with the **Official** of the Union the reasons, in writing, for such discharge or suspension. Those reasons shall be submitted prior to the commencement of the suspension or discharge. [2017]

- c) If a period of **two (2) years** has passed, subject to modification on mutual agreement and where discipline was imposed for misconduct of any type and no further occurrences of similar nature have been recorded, then the offense shall be stricken, **upon the employee's request**, from the employee's personnel file. [2017]

ARTICLE 8 – ARBITRATION

- 8.01** Either party deciding to submit a matter to arbitration shall notify, by registered mail or by any other mutually agreeable method, the other party of intentions to do so within the time limits so specified in Article 6.02.

- 8.05** The parties hereto shall each bear the costs of their own nominee and fifty percent (50%) of the costs of the Chairman.
- 8.06** The Arbitration Board or Single Arbitrator shall not be empowered to change, by its decision, any provisions of this Agreement or to set provisions of a new Agreement.

ARTICLE 10 – SPECIFIC PERFORMANCE AND PRESENT WORKING CONDITIONS

- 10.01** The waiver of any of the provisions of this Agreement or the breach of any of its provisions by either party shall not constitute a precedent for any further waiver or for the enforcement of any breach.

ARTICLE 11 – PROBATION AND TERM EMPLOYEES

An employee's probationary period may, at the discretion of the Chief, be extended. The employee and the Union will be advised at a meeting, of the reasons for the extension. The extension shall be for a period of no

11.02 No employee covered by this Agreement shall be required to serve more than one (1) probationary period.

11.03 All employees shall be designated as probationary employees during the probationary period as established in accordance with Article 11.01 and, notwithstanding any other provisions of this Agreement, the City shall have the exclusive right to discharge probationary employees within the probationary period.

11.04 Term Employees

- a) A term employee means an employee who has been hired for a specific term of employment:
 - i) Where a term employee is hired to replace a permanent employee who is anticipated to be absent from work for an extended period of time, the length of the term of employment would be in accord with the anticipated length of the permanent employee's absence.
 - ii) Where a term employee is hired in relation to any assignment of duty or a specific project scheduled for termination, which constitutes a temporary position, the term of employment will not exceed the length of the temporary position. Where a temporary position has been filled by an employee for a period of twenty-four (24) months, a review shall be then undertaken by the City to determine the necessity of the position, and whether it should be made permanent, terminated or extended as temporary. The City may only extend a temporary position subject to agreement by the Union.
- b) An employee hired as a term employee shall at the time of hiring be advised of the expected duration of the term of employment. At the conclusion of the identified term of employment, the Service shall not be required to provide notice of termination or pay in lieu thereof nor shall the employee be required to provide notice of resignation. - f) In the event that a term employee secures a permanent position in the bargaining unit prior to the expiration of their term of employment and providing there is no break in service and providing the permanent position is the same classification as the term position, the time worked as a term employee shall be counted towards the employee completing their probationary period.
- g) A term employee is only eligible for Maternity Leave under Plan A of the Collective Agreement.
- h) A term employee is covered by all other provisions of the Collective Agreement other than those specified above.

ARTICLE 12 – SENIORITY

12.01 Seniority of employees covered by this Agreement shall be governed by the following rules:

- a) Permanent Employees – an employee who has been hired for a position and has successfully completed the nine (9) month probationary period.
- b) Probationary Employees – an employee who has been hired for a position who has not yet completed his nine (9) month probationary period.

12.02 Seniority shall be the length of full-time service with the Fire Paramedic Service or full-time continuous service with its predecessor.

Predecessors shall be any ambulance service operating within the City limits of Winnipeg which were prevented from continuing business as a result of By-Law No. 995-75, passed by the City of Winnipeg Council.

12.03 A new employee shall acquire seniority status after he has been in the employ of the Service for the probationary period of nine (9) months.

12.04 After completing the probationary period such an employee shall be regarded as a permanent employee and his seniority shall be calculated from the date of hire by the Fire Paramedic Service.

12.05 When two (2) or more employees are hired on the same day, their position on the seniority list shall be determined by a competency assessment process. All aspects of each individual's performance will be jointly evaluated by a team of equal number, not to exceed three (3) each, of representatives from the Training Academy and representatives from the Union. Union Representatives shall be compensated for time spent.

The individual demonstrating the highest level of competency shall be given the most senior placement on the seniority list. The individual with the second highest level of competency shall be given the second most senior placement on the seniority list and so on.

12.06 A seniority list, prepared by the Service, shall be posted showing for each employee listed thereon his name, classification, and seniority date.

- 12.07** Such seniority list will be brought up to date on February 1st and August 1st of each year. Each employee will be permitted a period of thirty (30) days after posting of the lists on which to protest, in writing, to the Fire Paramedic Chief any omission or incorrect posting effecting his seniority.

MEMORANDUM OF AGREEMENT**BETWEEN THE CITY OF WINNIPEG AND
THE MANITOBA GOVERNMENT AND GENERAL EMPLOYEES' UNION
THE PARAMEDICS OF WINNIPEG, LOCAL 911****RE: PART-TIME EMPLOYEES**

I. Definition – Part-time Employee

A part-time employee is one who works on a regular and continuing basis for less than the full prescribed hours as specified in Article 18, however with a minimum guarantee of **fourteen (14) shifts in an eight (8) week cycle. The minimum guaranteed shifts that a part-time employee is required to work will be scheduled three (3) months in advance with the opportunity to pick up extra shifts as described in II(a) below.** Such shift guarantee does not preclude the lay-off or termination of a part-time employee subject to applicable Collective Agreement provisions. Part-time employees will be assigned to a specific Platoon. [2017]

All part-time employees will be required to possess the same qualifications as full-time employees and shall work within the same standards and scope of practice, where applicable, as full-time employees as determined by the Service.

Probation

A new part-time employee shall be considered to be on probation for eighteen hundred (1,800) accumulated regular hours worked. **In the event that a new part-time employee on probation is unable to perform the majority of the duties of the classification in the position they hold due to being assigned to alternate duties, the probation period shall be extended by the equivalent number of hours.**

A new part-time employee's probationary period may be extended up to an additional six hundred (600) regular hours worked with written agreement of the parties. [2017]

Seniority

A part-time employee shall accumulate seniority based on regular paid hours.

II. Provisions**a) Extra Shifts**

A part-time employee may be required to work additional unscheduled shifts at their regular hourly rate of pay up to the number of shifts agreed to at the time of hire. **Extra shifts will be based upon operational need, anticipated vacancies and/or time off requests by full-time employees.** A part-time employee will not be required to work an additional unscheduled shift if the employee has already worked on that day. [2017]

The employee shall make their availability known to the WFPS at the time of hiring and shall be given preference for extra shift **selection as per the current practice**. Availability may be reviewed from time to time at the **request of the employee or employer**. Such extra shifts shall be distributed as equitably as possible amongst the part-time employees depending on their availability and the employee having the expertise and skill to match the required work. [2017]

Should a part-time employee decline more than three (3) of the extra shifts offered to them in any quarter or twelve (12) in any year they may be offered no further extra shifts and may be terminated, unless the part-time employee has provided and the Service has accepted their restricted availability in advance of the scheduling period. Acceptance of a part-time employee's restricted availability will not be unreasonably withheld. Where restricted availability is not accepted by the employer, the Union shall be notified in writing as soon as practicable. [2017]

A part-time employee is eligible for shift premium in accordance with **Article 18.03(a)**. [2017]

b) Overtime

Therefore the total cost of the new dress tunic will be allocated the appropriate number of points to cover the cost, and then one-half (1/2) of those points will be debited from the employee's allocated points.

The parties recognize the high cost of the new dress tunic and therefore have agreed that to accommodate the employees, a process of allowing the employee to borrow points from the next two (2) years to fund the dress tunic only, will be put into place.

All current employees as of the date of this Letter of Understanding shall receive their dress tunic no later than December 31, 2011.

12. The parties have agreed that as the Communications Operators are not dealing directly with the public, nor working outside in inclement weather conditions, effective the date of signing of this Letter of Understanding, the Service will no longer require that the Communication Operators wear uniforms.

The Communications Operators will be exempt from the provisions of this Letter of Understanding and Article 17 in its entirety excepting for the provision of a photo ID card, dress uniform and personal protective equipment (PPE) where appropriate for their work environment.

LETTER OF UNDERSTANDING**BETWEEN THE CITY OF WINNIPEG AND
THE MANITOBA GOVERNMENT AND GENERAL EMPLOYEES' UNION
THE PARAMEDICS OF WINNIPEG, LOCAL 911****RE: PARAMEDIC – LEADERSHIP, MENTOR AND/OR COACH ROLE**

The parties recognize that currently the City of Winnipeg has a relatively junior Paramedic workforce with more than fifty percent (50%) of Paramedics having less than five years of service. Therefore, it is generally understood that the Paramedic workforce may benefit from the development of an identifiable leadership, mentor and/or coach like role in the Paramedic ranks.

By January 1, 2013, the City will establish a working group comprised of two (2) representatives from the City and two (2) representatives from the Union.

The Working Group will identify specific potential line level leadership and/or developmental needs of the Paramedic workforce, with a view to develop an exceptionally competent workforce and to continuously enhance Emergency Medical Service (EMS) Operations

The Working Group may also contemplate initiatives to address any needs identified. For any initiative proposed, the Working Group is to determine objective measurable factors to assist in evaluating success of the initiative in addressing the needs of the workforce, and adding value to the effectiveness of EMS Operations.

Any implementation of an initiative or pilot project, including determining the operational model, and determining the success and any continuation of the model post evaluation, will be at the sole discretion of the City.

The terms of this Letter of Understanding are agreed to on a mutual basis and are considered to be a proactive collaboration between the parties to support the Paramedic workforce and address needs of EMS operations. Matters of this Letter of Understanding are non-grievable.

The term of this Working Group will be for no longer than twelve (12) months, unless the parties agree to otherwise.

THE PARAMEDICS OF WINNIPEG, LOCAL 911****RE: SPECIAL EVENTS STAFFING**

Special events are defined as any event where the Winnipeg Fire Paramedic Service has contracted to provide Paramedic coverage outside of existing contractual obligations with the Winnipeg Regional Health Authority and which does not constitute an emergency as defined under the City of Winnipeg Fire Paramedic Service By-Law.

The parties agree that the staffing of special events will be conducted as follows:

Where the Service deems that the scheduled staff complement is sufficient to staff the special event requirement, special events will be attended by regularly scheduled staff.
