

ADMINISTRATIVE LETTER OF UNDERSTANDING

This Administrative Letter of Understanding is intended to develop an interim working arrangement between the three levels of government as the five year Intergovernmental Strategic Aboriginal Alignment (ISAA) Memorandum of Collaboration (MOC) has expired as of June 2015.

This Administrative Letter of Understanding has been created by the ISAA Working Group to bridge the sunset of the ISAA MOC to allow for next steps to a future agreement.

In order to sustain activities among the parties the ISAA Working Group has developed a Statement of Work to guide tri-level efforts between July 2015 and June 2016.

Among:

CANADA

Aboriginal Affairs and Northern Development Canada

MANITOBA

Aboriginal and Northern Affairs

WINNIPEG

Aboriginal Relations Division, Corporate Support Services and the Office of the Chief Administrative Officer

Whereas the Parties require time within their respective systems, and as a Working Group, to analyze the findings of the MOC final evaluation;

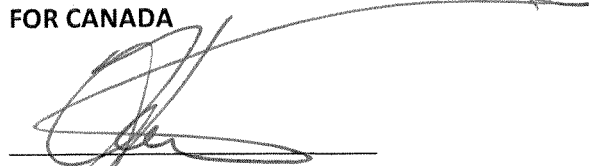

And Whereas the Parties wish to continue to work collaboratively and collegially toward completing the deliverables and identify areas of focus for future collaborative initiatives, as set out in the interim Statement of Work (Schedule A);

Now Therefore the Parties agree that this Administrative Letter of Understanding:

1. Is intended to provide administrative cooperation among three levels of government with respect to the development of recommendations for a continued working relationship;
