Seating capacity for exams is limited and exams often reach capacity before registration deadline. Applicants are encouraged to register early.

To Register:

- Step 1** **Read** the [Exam Information Page](#) thoroughly prior to submitting your application to ensure it is complete.
- Step 2** **Email** all required documentation to contractorlicence@winnipeg.ca for processing.
- Step 3** **Submit** payment after receiving notification that document processing is complete. Credit card payment instructions will be provided at that time.

Important: Applicants will not be registered for the exam until payment has been processed. Once payment has been processed, applicants will be registered, space permitting, and an exam confirmation letter will be emailed.

- Payment must be received by our office prior to the registration deadline.
- Submission of documentation alone should not be considered as a placeholder for a seat at the exam.
- Payment and all documentation must be received for registration to be considered complete.

Mail-in: Registration documentation and payment (cheque only) may also be submitted by mail to Contractor Licensing, Unit 18 - 30 Fort Street Winnipeg, MB R3C 4X3. Applicants who are mailing payments must be especially cognizant of the registration deadline as delays of 2-3 business days in addition to typical mail delivery times may be experienced. We are not responsible for mailed documentation and payments received after the deadline.
