Work other than listed / description of work

Note: An "Underground Only" permit may be issued for plumbing work that will be completed during the foundation stage of a new building or addition (items with an *asterisk above). A foundation permit must exist for the project and the name of the contractor holding the foundation permit must be provided. A separate plumbing permit is required for all additional work above the lowest below grade floor level.

Submission options

Submit your application form to the Zoning & Permits Branch using one of the following options:

- Apply online at winnipeg.ca/permitsonline
- Email: ppd-permit@winnipeg.ca
- One paper copy package drop off or mail (Unit 31 30 Fort Street, Winnipeg, MB R3C 4X7)

This application is subject to the conditions of contractor licence.

Your personal information is being collected consistent with the requirements and limitations set out under *The Freedom of Information and Protection of Privacy Act (FIPPA)*. This collection of personal information is authorized by section 36(1)(b) of The FIPPA for permit management and administration. Your information is protected by FIPPA's privacy provisions and will not be used or disclosed for any other purpose, except as authorized by law. Contact the City of Winnipeg's Corporate Access and Privacy Officer by mail (City Clerk's Department, Susan A. Thompson Building, 510 Main Street, Winnipeg MB, R3B 1B9) or by telephone (311) if you have questions about this collection of your personal information.
