

St. James Parks and Recreation Improvements

The City of Winnipeg is asking for feedback from St. James area residents to determine how best to meet the parks and recreation needs of the community. Your input will help determine gaps in parks and recreation needs and will lead to determining parks and recreation options available for public feedback in the next phase of engagement.

\$1.4 million is identified for new parks and recreation amenities in the 2019 Capital Budget forecast for 2020.
