Public invited to provide input on redevelopment of Transcona skate park

Winnipeg, MB – Winnipeggers are invited to an on-site workshop about improvements to a skate park in Victoria Jason Park on Saturday, October 28, 2017.

Over the course of two open houses regarding improvements to Transcona Parks, the skate park was identified by residents as needing significant improvements. The City is seeking public input through a workshop and survey to gather feedback on which skate park obstacles are most desired when renovating the 13-year old skate park.

The design and construction of this project is budgeted for \$400,000. Funding for construction is subject to approval.
