

# PLESSIS ROAD Underpass

June  
2013

## NEWSLETTER

### Project Update

The City of Winnipeg is finalizing the detailed design of the Plessis Road Underpass. Construction is expected to begin in June 2013.

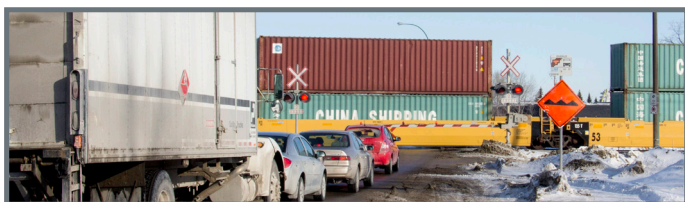

### What We Heard

The first Open House for the Plessis Road Underpass Project was held on February 28, 2013 and was attended by over 300 participants. Feedback on various aspects of the project was collected at the Open House and through an online survey. The public primarily expressed interest in the following topics:

- Alternative routes during construction
- Effects on area drainage
- Traffic improvement following construction.

A frequently asked question (FAQ) and answer listing has been posted on the website for your reference.

### You are Invited to Attend the Next Public Open House

The City of Winnipeg invites you to attend the next Open House to review additional information on the project and answer any further questions you may have. This Open House will also provide you an opportunity to review upcoming road closure and alternative route information. Open House details are as follows:

**When:** Wednesday, June 19, 2013

**Where:** Canad Inns Transcona  
826 Regent Ave. W.  
Winnipeg, MB

**Time:** 4:00 p.m. to 8:00 p.m.

**What:** Drop-In Format
