Duration: Approximately 9 weeks, weather permitting

We will:

- Remove existing pavement
- Repair sewer infrastructure
- Rebuild the road structure
- Repave the road with an asphalt pavement
- Restore the boulevard and approaches

During construction:

- The construction will be completed in 2 stages
 - o Stage 1 – Kingsway to 240 Ash/219 Oak
 - o Stage 2 – 240 Ash/219 Oak to Academy Rd
- The stage under construction will be completely closed to all traffic
 - o Residents with alley facing garages or parking must park elsewhere

 - o Residents should place their carts on the non-parking sides of Oak Street or Ash Street. Carts should be placed here for the full duration of construction, Stage 1 and 2.
 - o If you require assistance moving bins, contact us for help from the construction crew
 - o Put your house number on your bins so our crews can return them to the proper locations if they are moved
