CITY OF WINNIPEG CONSTRUCTION NOTICE

TO: Residents

RE: 2021 Local Street Renewal Project – Jolliett Crescent from Rouge Road to Sansome Avenue

Please be advised the above project will soon begin.

Construction start: Week of May 16, 2022
Duration: 4 weeks

Work will include boulevard grading to prepare for topsoil and sod, as well as the completion of private approaches. The street will remain open to local traffic in both directions at all times, as will access to public lanes and intersecting streets. Parking on the street will be prohibited.

Garbage and recycling will not change. Please ensure that your house number is clearly marked on both your garbage and recycling bin. If garbage pick-up is on the front street, the contractor will be responsible for relocating your bins to an area where they can be accessed by the collection trucks and returned before the end of the day.

Anyone with accessibility needs, moving requirements, any underground appurtenances, such as sprinkler systems, lighting cables, etc. within 6 metres (20 feet) of the street curb line or any other questions are asked to contact Richard Hawkins from WSP Canada Inc. at (204) 477-7608, during regular working hours or by email at Richard.Hawkins@wsp.com.

We appreciate your patience during construction.

Sincerely,
WSP Canada Inc.
