CITY OF WINNIPEG CONSTRUCTION NOTICE

TO: Residents and Business Owners

**RE: 2022 Keewatin Renewal Project
Northbound Keewatin St from Inkster Blvd to Adsum Dr**

Please be advised that portions of Northbound Keewatin Street will be closed this summer to accommodate road renewals.

Construction start: Week of May 16, 2022
Approximate Duration: 8 Weeks
Impacted streets / intersections: Keewatin Street and Dr. Jose Rizal Way
(from Inkster Boulevard to Adsum Drive)

This project will see northbound Keewatin Street renewed to improve pedestrian access and drainage, and also to improve driving/riding conditions. Work will include removing the existing asphalt overlay, repairing select concrete and curbs, completing some underground work, relocating street lights, and installing a new asphalt overlay. A new sidewalk will be constructed from Inkster Boulevard to Santa Fe Drive with access to the transit stops.

One northbound lane will be closed throughout construction. Work will be staged to maintain access to commercial and private approaches as much as possible. Transit stops along the site will be maintained during construction.

If you are a business with access, delivery, or loading requirements that we should be aware of, please contact us to discuss your needs.

If you have accessibility concerns, planned special events, known underground appurtenances (such as sprinklers or lighting cables) within three metres of the property line, signs in the boulevard, or any questions or concerns, please contact us to discuss.

Please contact Michael Turko at 204-896-1209 or at mturko@ksgsgroup.com with any questions or concerns regarding the work.

We appreciate your patience during construction and look forward to completion of the Keewatin Street Renewal Project.

Sincerely,

Michael Turko, C.E.T., Eng.L.
