## CITY OF WINNIPEG CONSTRUCTION NOTICE

**TO: RESIDENTS AND BUSINESSES**

**RE: 2021 REGIONAL STREET PROGRAM  
NAIRN AVENUE WATERMAIN RENEWAL – STADACONA STREET TO ALLAN STREET  
NAIRN AVENUE RECONSTRUCTION – STADACONA STREET TO WATT STREET**

---

Please be advised that Nairn Avenue will be under construction for a watermain renewal and pavement reconstruction with an anticipated start date the week of May 2, 2022.

The streets impacted as part of this project are:

- Watermain Renewal – Nairn Avenue from Stadacona Street to Allan Street; and
- Pavement Reconstruction – Nairn Avenue from Stadacona Street to Watt Street.

This project includes full-excavation concrete reconstruction, as well as pavement renewal, watermain and catch basin installation, curb and sidewalk reconstruction and asphalt tie-in work.

Construction will be completed in three stages.

In Phase 1, only eastbound travel will be allowed; westbound traffic will be rerouted to Talbot Avenue. Phases 2 and 3 will maintain at least one lane of travel in each direction. Turning movements may be temporarily restricted when required. Temporary closures of individual approaches may be necessary for repair work; we will notify affected businesses in advance.

**Construction start: week of May 2, 2022**

**Duration: approximately six months**

**Impacted streets and intersections: Nairn Avenue from Stadacona Street to Watt Street**

Emergency access will be maintained throughout the duration of the project. Garbage and recycling collection will not be affected; you are asked to continue to place bins out on collection day. The contractor will relocate the garbage and recycling as needed. Residents are asked to put their house numbers on their collection bins so that our crews can return them to the proper locations.

Travaux publics**

If you anticipate being away from your business and/or home mailbox for an extended period of time, please contact us with an alternative address, phone number and email at which we can reach you leading up to and during construction.

Please contact Michael Funk of Dillon Consulting Limited if you have any accessibility requirements, questions about the project or concerns regarding construction. Michael can be reached at (204) 898-3521. We appreciate your patience during construction and look forward to the reconstruction of Nairn Avenue in 2022.

Sincerely,

**DILLON CONSULTING LIMITED**

Taran J Peters, P.Eng.  
Contract Administrator
